*One More Ride on the Merry-Go-Round* - Tiziano  
Terzani 2016-07-10

When he is diagnosed with cancer, in the silence  
of the hospital room broken only by the swish of  
cars outside, Italian writer Tiziano Terzani

realizes that his whole life has been one long  
ride on a merry-go-round where he has always  
journeyed without a ticket. Now, for the first  
time, the ticket collector has come to demand  
his dues. At first, Terzani turns to Western  
medicine for a cure, but a question soon begins  
to haunt him: is cancer, as the doctors say, an  
enemy that needs to be destroyed, or is it a  
friend one can talk to? Travelling had always  
been a way of life for him, so he decides to make  
another trip, in search of a solution - to India.  
This final ride turns out to be very different  
though. And more difficult. Because every step,  
every choice - often between reason and faith,  
between science and magic - is inextricably  
linked to his own survival. As he crisscrosses the  
country from an ashram in Coimbatore to a hut  
in Almora, the external journey in search of a  
cure transforms into an inner journey and a  
return to the divine roots of man. Then, one day,  
as he looks at the sun rising over the mountains,  
he stumbles upon the one truth that has eluded

him: death is as desirable and eternal as life  
itself. A bestseller in Europe, this is a book about

modern medicine and alternative cures, and the  
quest to understand the true meaning of  
mortality.
