2018-06-26

The Canterville Ghost is a humorous tale of an

English ghost, set in Canterville Chase, an ancient English house that has all the requisite signs of appearing haunted. An American family

of six the Otis family moves into the house despite being warned that the house is haunted. None of the members of the Otis family believe in the presence of the ghost. However, they keep finding the increasing evidence of the ghost's presence. Despite that, the Otises refuse to believe that the house is haunted. From clanking chains to strange apparitions to bloodstains that keep reappearing, they take everything in their stride. They go about their life as usual, not frightened in the least. Only Virginia, the daughter of the Otis family, believes that the ghost exists. The narrator of the story is none other than Sir Simon, the ghost himself. He is characterised by a colorful personality and complex emotions. His regular talks with Virginia about matters of life and death reveal the complexity of his feelings. 'The Canterville Ghost' first appeared in 'The Court and Society Review Magazine' in February 1887. It has been adapted for film, theatre, and music.

The Amityville Horror - Jay Anson 2019-12-03
“A fascinating and frightening book” (Los Angeles Times)—the bestselling true story about a house possessed by evil spirits, haunted by psychic phenomena almost too terrible to describe. In December 1975, the Lutz family moved into their new home on suburban Long Island. George and Kathleen Lutz knew that, one year earlier, Ronald DeFeo had murdered his parents, brothers, and sisters in the house, but the property—complete with boathouse and swimming pool—and the price had been too good to pass up. Twenty-eight days later, the entire Lutz family fled in terror. This is the

spellbinding, shocking true story that gripped the nation about an American dream that turned into a nightmare beyond imagining—“this book will scare the hell out of you” (Kansas City Star).

But when the lights go out, suddenly his new big rabbit underwear glows in the dark. A ghoulish, greenish glow. If Jasper didn’t know any better he’d say his undies were a little, well, creepy. Jasper’s not scared obviously, he’s just done with creepy underwear.

But after trying everything to get rid of them, they keep coming back!

The Scariest Book Ever - Bob Shea 2017-07-18
Reader beware! This is the scariest book ever!

Or so claims its melodramatic ghost narrator. You can go ahead and turn the page, but don't expect him to come with you. Anything might pop out of that black hole in the middle of the forest. What do you mean it's just a bunny? Well, it's probably a bunny with big fangs. Watch out, it's--picking pumpkins with its friends, you say? Actually, despite the ghost's scare-mongering, none of the animal characters in the illustrations seem scary at all. . . . What's up with that? Many delights, such as surprises after the page turn, an alarmist narrator, and punch lines to anticipate make this book a scream for both kids and parents.
