Federal Register - 2013-05

Munsey's Magazine - 1898

Congressional Record - United States. Congress 1940

The Congressional Record is the official record of the proceedings and debates of the United States Congress. It is published daily when Congress is in session. The Congressional Record began publication in 1873. Debates for sessions prior to 1873 are recorded in The Debates and Proceedings in the Congress of the United States (1789-1824), the Register of Debates in Congress (1824-1837), and the Congressional Globe (1833-1873)

Forgiveness - Dani DiPirro 2016-10-18

Recent scientific research has shown that people who forgive both themselves and others tend to feel more relaxed and open, have less risk of getting stressed or depressed, experience stronger relationships and even have enhanced immune systems. After all, holding on to past resentments and negative energy tends to cause painful memories to fester in our subconscious, which prevents us from moving forward with joy in life. Practising the art of forgiveness is the perfect antidote to this. Perfect as either a gift or self-purchase, this lovely little book features 18 inspirational quotes on the theme of forgiveness, each one followed by an insightful explanation, a thought-provoking activity or question and a memorable affirmation - all intended to inspire readers to think about

forgiveness in a fresh way as well as encourage them to incorporate it into their everyday lives. With its appealing design, uplifting content and friendly tone, this discerning little book provides beautiful, bite-sized inspiration for people around the world to feel more forgiving, lighter, freer and more at peace in life.

What is Diary Method? - Ruth Bartlett 2015-11-19

This book is available as open access through the Bloomsbury Open Access programme and is available on www.bloomsburycollections.com. This book provides an up-to-date, concise, and engaging introduction to solicited diary method, aimed at researchers and students who want to employ this methodology in their projects. Its primary focus is on the use of solicited diary method in the context of social and health-related research, but it also offers useful guidance on the everyday practice of diary keeping. The authors draw on published research that makes use of this method, including their own independent studies involving older adults and family carers. The book opens with an overview of the development of diary techniques and a discussion of the value of the method, and provides an overview of the different ways of collecting and using diary data and techniques for analysing it. Key ethical issues are sensitively discussed. The book engages with new and novel developments in solicited diary method by engaging with the use of technology including discussion of how digital devices, email exchanges, social media such as

Facebook, weblogs and micro-blogging such as Twitter, have the potential to change the meaning and nature of diary-keeping. The book includes a variety of visuals to enhance understanding, including a tabulated summary of the main strengths and limitations of using diary method, and strategies for mitigating limitations.

Chase's Calendar of Events 2017 - Editors of Chase's 2016-09-23

Find out what's going on any day of the year, anywhere across the globe! The world's datebook, Chase's is the definitive day-by-day resource of what America and the wider world are celebrating and commemorating. Founded in 1957 on a reputation for accuracy and comprehensiveness, this annual publication has become the must-have reference used by experts and professionals for more than fifty years. From celebrity birthdays to historical anniversaries, from astronomical phenomena to national awareness days, from award ceremonies and sporting events to religious festivals and carnivals, Chase's is the one-stop shop for everything that is happening now or is worth remembering from the past. The 2017 Edition of Chase's Calendar of Events brings you information about: The 500th anniversary of Martin Luther's Ninety-Five Theses The 150th anniversary of the Dominion of Canada The 100th anniversary of the Russian Revolution The 100th anniversary of splitting the atom The 50th anniversary of the Summer of Love Frank Lloyd Wright's 150th birth anniversary and much more!

Israel and the Covenants in New Testament Times - Peter Williams

A Bible student reference A New Testament prophecy of a falling away from truth into apostasy and lawlessness, in the final generation before Jesus Christ returns in glory, is being fulfilled now and is shortly to end. Yet Christianity has overwhelmingly moved so far from its first century roots that it could not even recognise this - or that Christ's return is therefore now almost upon us! How and why this is the case is here explained thoroughly and logically with many examples directly from the word of God. In God's saving plan for the world, everyone must in time make a free will choice to become part of the 'Israel of God' in order to

access eternal life in the kingdom of God. The route to take is the "strait and narrow" way (Mat 7:13-14) that very few have so far found, and it involves the biblical new and old covenants which both apply to this Israel. Embark on this voyage only if you are willing to: be challenged about some basic Christian preconceptions, be a serious open-minded Bible student, and trust what the Bible teaches - but remember that time is short. "What the Bible has taught me I see as both vital and urgent for our eternal salvation; yet I know of no church or individual theologian who teaches what this book deals with in any substantive way" "Be prepared for major challenges to your understanding just as God has challenged me." "In the epistles, Paul refers to two Israels whom he calls Israel after the flesh (I Cor 10:18) and the Israel of God (Gal 6:16); I focus mainly on the latter (but I also explain an unexpected but critically important connection between them)" "Dependent on the teaching, nearly all Christian denominations either teach nothing at all on it or almost the opposite of what Scripture repeatedly showed me. Looking back, I find this absolutely staggering!" "Very few [Christians] understand that the new covenant also only applies to Israel (as I will clearly show)." "I no longer believe that the NT [New Testament] can be fully understood without this extra Israel dimension" "Had I felt I could deliver this in a more light-hearted way I would have done so, but its implications are too awesome and fundamental to our eternal life prospects for that"

Every Day Matters Pocket Diary 2017 - Dani DiPirro 2016-07-19

A refreshed and updated version of the former bestselling Mind, Body, Spirit Book of Days, this contemporary, illustrated diary provides not only plenty of space for daily planning, but also vibrant colour artworks that will lift your spirits and offer inspiring advice on how to make each and every day really matter. Designed as a resource for enriching daily life, it will guide you on a journey of awareness and fulfilment as you go about your weekly activities. It's all too easy to become overwhelmed with multiple thoughts each day as our to-do lists grow, so positivity blogger Dani DiPirro presents insightfully, within this cheerful diary, one life-enhancing theme a month to focus on. This year's themes

range from Love in January, Positivity in February, Forgiveness in March, Acceptance in April, Hope in May to Inspiration in June, Joy in July, Appreciation in August, Authenticity in September and Adventure in October, Empathy in November, ending with Freedom in December. Each month opens with a positive affirmation to inspire the reader to embrace the motif and improve their month. Each week-to-view spread then features a thought-provoking quote that encourages reflection on the theme, as well as an exercise to further your holistic well-being. By focusing on one theme per month, but in varying ways each week, the diary allows a seed of awareness to grow over time so that positive action can become an integral part of daily life. So here's to a year ahead where we really do make every day matter.

Young Children in the World and Their Rights - Adrijana Višnjić-Jevtić 2021-04-20

This book provides different perspectives on the concept of children's rights, including policy, educational, and children's perspectives. It examines how the crucial ideas of the Convention on the Rights of the Child are respected and implemented in 14 countries in five regions of the world. It looks at early childhood education, children's participatory rights, and at how these rights are promoted and guaranteed in different countries. It explores the professional practice of education and its complexities, challenges and dilemmas, as well as the role of play, and of listening and participation. The book advocates children's rights today, arguing for its vital importance, in the best interests of the children. In doing so, it furthers the understanding of children's rights and spreads knowledge about the Convention, as a means of celebrating its 30th anniversary. The UN Convention on the Rights of the Child (UNCRC) comprises the potential to change the lives of children to the very best. It may exalt children from the position of marginalized citizens to the centre of policies all over the world. Even though the concept of children's rights is omnipresent, the respect for children's rights must be discussed. While the Convention brings the new perspective of children as citizens to the world, there are still challenges in its application. The book interrogates challenges in understanding and applying children rights

and offers possible answers to these challenges. The ratification process itself, does not guarantee that children's rights are respected. While all adults should take responsibility for implementing the UNCRC in everyday life, Early Childhood Education should give opportunities for children to learn and live their rights.

The Positively Present Guide to Life - Dani DiPirro 2015-03-10

Written by positivity blogger Dani DiPirro, whose life transformed when she decided to focus on living a more positive and present life, this inspirational new two-colour book expands on Dani's highly popular "Positively Present" blog entries, providing specific, action-oriented advice for embracing positive thinking in everyday life in order to: create a nurturing home, build a fulfilling career, develop great relationships, appreciate true love and embrace change. Central to the book's appeal are 30 practical activities relating to the key themes of home, work, friendship, love and change, which form the five main chapters in the book. Alongside motivating lists and special features such a list of "Positivity Principles" and suggestions of "52 Ways to Live in the Moment", the activities provide a "positivity program" that can be done in sequence or on a dip-in basis to help readers achieve an all-round happier, more fulfilled life.

The Long and the Short of It - Graeme Donald 2016-09-29

We've always measured the world around us, from how big things are, to how fast they go, how much they're worth and practically everything in between. But who decided how we do it, and why? The Long and the Short of It takes us back in time to discover the origins and evolution of a huge variety of different units of measurement. On the way it answers such questions as: Why do we measure time in units of 60? How do you determine the height of a mountain when sea level keeps changing? Why did the length of a mile once depend on where you came from? What's the width of a horse's backside got to do with NASA's booster rockets? Packed with fascinating stories, this is an intriguing guide to the many systems of measurement that make sense of our daily lives, from pounds and parsecs to bushels and barricades.

Grow Through It - Dani DiPirro 2020-10-06

A colorful, illustrated guide to learning how to adopt a more positive mindset, even when your life may seem gray and stormy, from a wildly popular Instagram artist Beautifully illustrated and heartfelt, this little book shares big insights about how to stay positive in an increasingly negative world. Artist Dani DiPirro started her Instagram, PositivelyPresent, after she realized that positivity, like all self-care, is an essential skill that needs to be practiced daily. She began posting her bright and bubbly illustrations, sharing the ups and downs of her journey to positive thinking. In *Grow Through It*, Dani shares never-before-seen content to take us through the seasons, and she shows us how to pick out the positives on both sunny days and snowy ones. She also reminds you to take breaks for self-care, to stop comparing yourself to others, and to grow at your own pace. No matter what the circumstance, this book shows you how optimism is always an option!

Congress. House. Committee on Appropriations. Subcommittee on the Departments of Labor, Health and Human Services, Education, and Related Agencies 2011

Being Neighbours - Catharine Anne Wilson 2022-10-28

Throughout history, farm families have shared work and equipment with their neighbours to complete labour-intensive, time-sensitive, and time-consuming tasks. They benefitted materially and socially from these voluntary, flexible, loosely structured networks of reciprocal assistance, making neighbourliness a vital but overlooked aspect of agricultural change. *Being Neighbours* takes us into the heart of neighbourhood – the set of people near and surrounding the family – through an examination of work bees in southern Ontario from 1830 to 1960. The bee was a special event where people gathered to work on a neighbour's farm like bees in a hive for a wide variety of purposes, including barn raising, logging, threshing, quilting, turkey plucking, and apple paring. Drawing on the diaries of over one hundred men and women, Catharine Wilson

takes readers into families' daily lives, the intricacies of their labour exchange, and their workways, feasts, and hospitality. Through the prism of the bee and a close reading of the diaries, she uncovers the subtle social politics of mutual dependency, the expectations neighbours had of each other, and their ways of managing conflict and crisis. This book adds to the literature on cooperative work that focuses on evaluating its economic efficiency and complicates histories of capitalism that place communal values at odds with market orientation. Beautifully written, engaging, and richly detailed and illustrated, *Being Neighbours* reveals the visceral textures of rural life.

Compassion - Dani DiPirro 2016-10-18

Recent scientific research has shown that compassionate people tend to be more understanding, less angry and less stressed than other people, with stronger relationships and even enhanced immune systems. People who live with compassion or show concern for others' wellbeing and a desire to help them also tend to create a more harmonious atmosphere around them; it's been proven that compassion breeds compassion, leading to all-round enhanced contentment. Perfect as either a gift or self-purchase, this lovely little book features 18 inspirational quotes on the theme of compassion, each one followed by an insightful explanation, a thought-provoking activity or question and a memorable affirmation - all intended to inspire readers to think about compassion in a fresh way as well as encouraging them to incorporate it into their everyday lives. With its appealing design, uplifting content and friendly tone, this discerning little book provides beautiful, bite-sized inspiration for people around the world to be more loving and caring in their everyday lives, and therefore feel happier and more at ease with themselves as well as others.

Every Day Matters 2015 Diary: A Year of Inspiration for the - Dani DiPirro 2014-08-21

Gratitude - Dani DiPirro 2016-09-13

Cultivating gratitude doesn't cost any money and doesn't take much time, but the benefits can be enormous, helping you focus on what you have rather than what you don't: friends and family, positive personal qualities, your surroundings, a healthy body, a vibrant mind, and the list goes

on. Perfect as either a gift or self-purchase, this lovely little book features 18 inspirational quotes on the theme of gratitude, each one followed by an insightful explanation, a thought-provoking activity or question, and a memorable affirmation - all intended to inspire readers to think about gratitude in a fresh way as well as encouraging them to incorporate it into their everyday lives. Research has shown that grateful people tend to be more relaxed, less envious, more humble, more emotionally resilient, less materialistic, with increased energy, self-esteem and productivity, and stronger relationships. What's more, when children see a thankful parent, they are more likely to become thankful children. With its appealing design, uplifting content and friendly tone, this discerning little book on gratitude provides beautiful, bite-sized inspiration for people around the world to feel more grateful, contented and at peace in life.

Every Day Matters Desk 2018 Diary - Dani DiPirro 2017-06-13

For the fourth year in a row, Watkins will be publishing the popular Every Day Matters diary. Designed as a resource for enriching daily life, this bestselling illustrated holistic planner will guide you on a journey of awareness and fulfilment as you go about your everyday activities. It's all too easy to become overwhelmed with multiple thoughts each day as our to-do lists grow, so positivity blogger Dani DiPirro insightfully presents within this diary one life-enhancing theme a month to focus on. This year's themes range from Openness, Imagination, Gratitude, Awareness, Passion and Perspective to Friendship, Patience, Connection, Focus, Compassion and Transformation. Each week-to-view spread then features an inspiring quote that encourages reflection on the theme and an exercise to further your overall well-being. Focusing on just one theme for each whole month, but in a different way each week, allows a seed of inspiration and awareness not just to be planted but also to grow substantially, so that positive action can become an integral part of daily life. The colourful illustrations and encouraging content will draw the attention of both those who love the content of the author's PositivelyPresent.com and those who are completely new to the brand.

Matters of Engagement - Daniela Hacke

2020-11-05

By drawing on a broad range of disciplinary and cross-disciplinary expertise, this study addresses the history of emotions in relation to cross-cultural movement, exchange, contact, and changing connections in the later medieval and early modern periods. All essays in this volume focus on the performance and negotiation of identity in situations of cultural contact, with particular emphasis on emotional practices. They cover a wide range of thematic and disciplinary areas and are organized around the primary sources on which they are based. The edited volume brings together two major areas in contemporary humanities: the study of how emotions were understood, expressed, and performed in shaping premodern transcultural relations, and the study of premodern cultural movements, contacts, exchanges, and understandings as emotionally charged encounters. In discussing these hitherto separated historiographies together, this study sheds new light on the role of emotions within Europe and amongst non-Europeans and Europeans between 1100 and 1800. The discussion of emotions in a wide range of sources including letters, images, material culture, travel writing, and literary accounts makes Matters of Engagement an invaluable source for both scholars and students concerned with the history of premodern emotions.

Everyday Matters - Danny Gregory 2007-01-09

In the tradition of Persepolis, In the Shadow of No Towers, and Our Cancer Year, an illustrated memoir of remarkable depth, power, and beauty Danny Gregory and his wife, Patti, hadn't been married long. Their baby, Jack, was ten months old; life was pretty swell. And then Patti fell under a subway train and was paralyzed from the waist down. In a world where nothing seemed to have much meaning, Danny decided to teach himself to draw, and what he learned stunned him. Suddenly things had color again,

and value. The result is *Everyday Matters*, his journal of discovery, recovery, and daily life in New York City. It is as funny, insightful, and surprising as life itself.

[The Positively Present Guide to Life](#) - Dani DiPirro 2015-01

'Happiness is available to us right now, and Positively Present helps us shift our thinking and awareness to access it. I'm a huge fan of Dani's uplifting work.' Lori Deschene, author and founder of [tinybuddha.com](#) (1.5 million monthly readers) Written by positivity blogger Dani DiPirro, whose life transformed when she decided to focus on living a more positive and present life, this inspirational new book expands on content from Dani's highly popular website [PositivelyPresent.com](#). It provides specific, action-oriented advice for embracing positive thinking in everyday life in order to: create a nurturing home, build a fulfilling career, develop great relationships, appreciate true love and embrace change. The book contains more than 30 practical activities relating to the key themes of home, work, friendship, love and change, which form the five main chapters in the book. Alongside special features such as a list of 'Positively Present Principles' and suggestions of '52 Ways to Live in the Moment', the activities provide a positivity programme that can be done in sequence or on a dip-in basis to help readers achieve an all-round more contented, more fulfilled life. Thought-provoking illustrated affirmations throughout the book also highlight key elements to focus on.

[The Sacred and Civil Calendar of the Athenian Year](#) - Jon D. Mikalson 2015-03-08

From epigraphical, archaeological, and literary evidence Jon D. Mikalson has here assembled all relevant data concerning the dates of Athenian festivals, religious ceremonies, and legislative assemblies. This information has been used to revise and update our knowledge of the calendar as it reflects Athenian life. The facts and conclusions that emerge from the author's analysis correct some earlier assumptions. He

brings to light new information concerning the meeting days of the Athenian Assembly and the Council, and establishes the days of the monthly festivals. Annual festivals are either dated exactly or fixed within closer time limits. The result of the author's rigorous approach is a collection of reliable evidence as to what religious and secular activities occurred on specific days of the Athenian year. Originally published in 1976. The Princeton Legacy Library uses the latest print-on-demand technology to again make available previously out-of-print books from the distinguished backlist of Princeton University Press. These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions. The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905.

[The Absolutely True Diary of a Part-Time Indian](#) - Sherman Alexie 2012-01-10

Bestselling author Sherman Alexie tells the story of Junior, a budding cartoonist growing up on the Spokane Indian Reservation. Determined to take his future into his own hands, Junior leaves his troubled school on the rez to attend an all-white farm town high school where the only other Indian is the school mascot.

Heartbreaking, funny, and beautifully written, *The Absolutely True Diary of a Part-Time Indian*, which is based on the author's own experiences, coupled with poignant drawings by Ellen Forney that reflect the character's art, chronicles the contemporary adolescence of one Native American boy as he attempts to break away from the life he was destined to live. With a forward by Markus Zusak, interviews with Sherman Alexie and Ellen Forney, and four-color interior art throughout, this edition is perfect for fans and collectors alike.

Model Rules of Professional Conduct - American Bar Association. House of Delegates 2007

The *Model Rules of Professional Conduct* provides an up-to-date resource for information on legal ethics. Federal, state and local courts in all jurisdictions look to the Rules for guidance in solving lawyer malpractice cases, disciplinary actions, disqualification issues, sanctions

questions and much more. In this volume, black-letter Rules of Professional Conduct are followed by numbered Comments that explain each Rule's purpose and provide suggestions for its practical application. The Rules will help you identify proper conduct in a variety of given situations, review those instances where discretionary action is possible, and define the nature of the relationship between you and your clients, colleagues and the courts.

Living in the Moment - Dani DiPirro 2016-09-13
Life transpires in the present. Yet so often we let the present slip away, wasting our precious seconds worrying about the future or ruminating about what has passed. Instead, learning to live in the moment, also known as mindfulness, can have immense power to stop us focusing so much on doing and thinking and instead focus on being. Perfect either as a gift or self-purchase, this lovely little book features 18 inspirational quotes on living in the moment, each one followed by an insightful explanation, a thought-provoking activity or question, and a memorable affirmation. This inspires readers to think about mindfulness in a fresh way as well as encouraging them to incorporate it into their everyday lives. Research has shown that mindful people tend to feel more relaxed, less distracted, more balanced and decisive, with increased energy, self-esteem and productivity, as well as having stronger relationships and an enhanced immune system. With its appealing design, uplifting content and friendly tone, this discerning little book on Living in the Moment provides beautiful, bite-sized inspiration for people around the world to live in the now, with increased awareness, allowing them to really savour each of life's precious moments.

ICU; Delirium vs. Dementia in ICU; Pediatric Delirium in ICU; Sarcopenia and Psychosocial Variables in ICU; Impact of Early Mobility in ICU on Psychological Issues; Intensive Care Syndrome; PTSD in ICU Nurses; Burnout Syndrome; Management Strategies in the ICU to Improve Psychosocial outcomes; and Psychologic Issues of Patient Transition from Intensive Care to Palliative Care. Readers will come away with current information they need to provide quality care with positive patient outcomes.

Every Day Matters 2021 Desk Diary - Spinox Publishing 2020-09-12

Be inspired to kick off the new year in as organised a way as possible - full of joy and positivity - thanks to this beloved annual diary.

The Diary of a Young Girl - Anne Frank 1996-02-01

THE DEFINITIVE EDITION • Discovered in the attic in which she spent the last years of her life, Anne Frank's remarkable diary has since become a world classic—a powerful reminder of the horrors of war and an eloquent testament to the human spirit. Updated for the 75th Anniversary of the Diary's first publication with a new introduction by Nobel Prize-winner Nadia Murad "The single most compelling personal account of the Holocaust ... remains astonishing and excruciating."—The New York Times Book Review In 1942, with Nazis occupying Holland, a thirteen-year-old Jewish girl and her family fled their home in Amsterdam and went into hiding. For the next two years, until their whereabouts were betrayed to the Gestapo, they and another family lived cloistered in the "Secret Annex" of an old office building. Cut off from the outside world, they faced hunger, boredom, the constant cruelties of living in confined quarters, and the ever-present threat of discovery and death. In her diary Anne Frank recorded vivid impressions of her experiences during this period. By turns thoughtful, moving, and amusing, her account offers a fascinating commentary on human courage and frailty and a compelling self-portrait of a sensitive and spirited young woman whose promise was tragically cut short.

Nexus Issues - United States. Congress. House. Committee on the Judiciary. Subcommittee on Regulatory Reform, Commercial and Antitrust Law 2015

Every Day Matters 2016 Desk Diary -
2015-08-13

Year of the Locust - Salim Tamari 2015-08-18

Year of the Locust captures in page-turning detail the end of the Ottoman world and a pivotal moment in Palestinian history. In the diaries of Ihsan Hasan al-Turjman (1893-1917), the first ordinary recruit to describe World War I from the Arab side, we follow the misadventures of an Ottoman soldier stationed in Jerusalem. There he occupied himself by dreaming about his future and using family connections to avoid being sent to the Suez. His diaries draw a unique picture of daily life in the besieged city, bringing into sharp focus its communitarian alleys and obliterated neighborhoods, the ongoing political debates, and, most vividly, the voices from its streets—soldiers, peddlers, prostitutes, and vagabonds. Salim Tamari's indispensable introduction places the diary in its local, regional, and imperial contexts while deftly revising conventional wisdom on the disintegration of the Ottoman Empire.

**The Journal of the Assembly During the ...
Session of the Legislature of the State of
California** - California. Legislature. Assembly
1971

**Social Commentary on State and Society in
Modern Japan** - Yoneyuki Sugita 2016-08-18

This anthology analyzes societal and cultural aspects of modern Japan. It identifies the dynamic trend and undercurrent in Japan by addressing three key areas: modernization, internationalization, and memory and imagination. Using interdisciplinary and multi-language approaches, it discusses topics such as religion, ethnicity, civil society, art, public health, popular culture, war, identity and education. It is a valuable resource for scholars and graduate students with an interest in cutting-edge research analyses of Japanese / Asian studies.

Climate Change in Popular Culture: A Warming
World in the American Imagination - James Craig
Holte 2022-06-30

Climate Change in Popular Culture: A Warming World in the American Imagination is the first study that includes analyses of both fiction and popular nonfiction works devoted to climate

change. In addition, the book examines a number of classic works from the perspective of the growing field of climate change literature and includes a brief history of climate change science as well basic scientific definitions, all intended for general readers. The text provides an introduction to the science, politics, and economics of climate change. It also includes both historical overviews and potential probable futures projected by leading climate scientists and environmental writers. In addition, the text looks at how such creative writers and directors as Margaret Atwood, John Steinbeck, Paulo Bacigalupi, Kim Stanley Robinson, T. C. Boyle, Michael Crichton, and Octavia Butler, among others, have used the disasters caused by climate change in their work.

Every Day Matters Desk Diary 2017 - Dani DiPirro 2016-07-19

A refreshed and updated version of the former bestselling *Mind, Body, Spirit Book of Days*, this contemporary, illustrated diary provides not only plenty of space for daily planning, but also

vibrant colour artworks that will lift your spirits and offer inspiring advice on how to make each and every day really matter. Designed as a resource for enriching daily life, it will guide you on a journey of awareness and fulfilment as you go about your weekly activities. It's all too easy to become overwhelmed with multiple thoughts each day as our to-do lists grow, so positivity blogger Dani DiPirro presents insightfully, within this cheerful diary, one life-enhancing theme a month to focus on. This year's themes range from Love in January, Positivity in February, Forgiveness in March, Acceptance in April, Hope in May to Inspiration in June, Joy in July, Appreciation in August, Authenticity in September and Adventure in October, Empathy in November, ending with Freedom in December. Each month opens with a positive affirmation to inspire the reader to embrace the motif and improve their month. Each week-to-view spread then features a thought-provoking quote that encourages reflection on the theme, as well as an exercise to further your holistic well-being. By focusing on one theme per month, but in varying ways each week, the diary allows a seed of awareness to grow over time so that positive action can become an integral part of daily life. So here's to a year ahead where we really do make every day matter.
