[The Choices I've Made](#) - J.L. Berg 2017-10-01
Twelve years ago, he drove away with my heart in his hands. I've moved on since then. Or so I thought. Growing up in a small town, there weren't too many options when it came to friends. But, even in a sea of a million, I'd always

choose Jake Jameson. I felt safe with him. Safe with my secrets, my dreams and eventually — my heart. I thought we'd have forever together. That was a long time ago. I thought I'd forgotten those piercing blue eyes and the sound of his laugh. I tried to obliterate the memory of his touch from my mind. But, one single glance, as he stands at my door, twelve years later, and I'm suddenly transported back to a simpler time when love was easy, and my heart was whole. The problem? I'm marrying his best friend.

Different Kinds of Fruit - Kyle Lukoff 2022-04-12

In this funny and hugely heartfelt novel from the Newbery Honor-winning author of *Too Bright to See*, a sixth-grader's life is turned upside down when she learns her dad is trans Annabelle Blake fully expects this school year to be the same as every other: same teachers, same classmates, same, same, same. So she's elated to discover there's a new kid in town. To Annabelle, Bailey is a breath of fresh air. She loves hearing about their life in Seattle, meeting their loquacious (and kinda corny) parents, and

hanging out at their massive house. And it doesn't hurt that Bailey has a cute smile, nice hands (how can someone even have nice hands?) and smells really good. Suddenly sixth grade is anything but the same. And when her irascible father shares that he and Bailey have something big--and surprising--in common, Annabelle begins to see herself, and her family, in a whole new light. At the same time she starts to realize that her community, which she always thought of as home, might not be as welcoming as she had thought. Together Annabelle, Bailey, and their families discover how these categories that seem to mean so much—boy, girl, gay, straight, fruit, vegetable—aren't so clear-cut after all.

Man in the Empty Suit - Sean Ferrell 2013-02-05

“Part murder mystery and part mind-bending time-travel story. . . . Full of imagination” (Booklist). Say you're a time traveler and you've already toured the entirety of human history. After a while, the world might lose a little of its luster. That's why this time traveler celebrates his birthday partying with himself. Every year, he travels to an abandoned hotel in New York

City in 2071, the hundredth anniversary of his birth, and drinks twelve-year-old Scotch (lots of it) with all the other versions of who he has been and who he will be. Sure, the party is the same year after year, but at least it's one party where he can really, well, be himself. The year he turns thirty-nine, though, the party takes a stressful turn. Before he even makes it into the grand ballroom for a drink he encounters the body of his forty-year-old self, dead of a gunshot wound to the head. As the older versions of himself at the party point out, the onus is on him to figure out what went wrong—he has one year to stop himself from being murdered, or they're all goners. As he follows clues that he may or may not have willingly left for himself, he discovers rampant paranoia and suspicion among his younger selves, and a frightening conspiracy among the Elders. Most complicated of all is a haunting woman, possibly named Lily, who turns up at the party this year—the first person he's ever seen

there besides himself. For the first time, he has something to lose. Here's hoping he can save some version of his own life. "A clever enough premise that it could be straight out of a Philip K. Dick or Kurt Vonnegut novel." —Pittsburgh Post-Gazette "A dark hybrid of Paul Auster and the film Memento, complete with a mysterious love interest . . . Best of all, however, is the evocation of mid-21st century New York as a melancholy, dilapidated place high in entropy, cluttered with ruined buildings, and weirdly infested with parrots."

Forgiveness is not Gabriel D'Ange's strong suit. A self-appointed soldier of God with a penchant for ruthlessly punishing his enemies, he vanished after Anne Lawrence stabbed him with his own dagger. The smart thing would be to let him go. Unfortunately, Anne's life isn't just lonely without Gabriel. It's insufferably boring.

Determined to heal the rift between them, Anne goes in search of her tempestuous former lover, black parasol in hand and daeva magic crackling at her fingertips. But Gabriel has his own plans afoot and she finds herself drawn into one of his tangled webs, much against her better judgment. Gabriel's nemesis has reappeared in Brussels, a vile slaver who's plundering the Congo Free State with the blessing of King Leopold. Gabriel might be willing to give Anne a second chance, but not until Jorin Bekker's head is lying at his feet. Back in

He holds a very personal grudge against Bekker — and killing him might be the only way to keep Gabriel D'Ange from Balthazar's own throat. Faking It with #41 - Piper Rayne 2021-09-21

Fake. Being the heir to Jacobs Enterprises, I've been around fake people my entire life. I promised myself a long time ago that I wouldn't change for anyone. Which is the only reason I'm a professional hockey player who lives on the beach and does as he pleases without answering to anyone—except my father. And now, my daughter. Being a single dad wasn't in the plan but after a one-night stand who

took off after the baby was born, this is my reality. My dad's been harping on me to quit hockey and join the company for years and now that I'm a father, he's only intensified his efforts. Until he makes me a deal I can't refuse. Insert Lena Boyd, the Jacobs' family PR rep. She's beautiful and intelligent and not at all the woman for me—ask anyone. My dad needs us to act happily engaged and sell the idea that we're in love. If we're successful I won't have to join the family legacy—ever. Of course, I agree. That's when things get complicated. I thought I had her all figured out until I found out there was more underneath her judgmental sneers and eye rolls. It feels like everything is coming together for the future I really want—with Lena—until my past ruins everything.
