A Postcard from Paris - Alex Brown

2021-04-15

Praise for Alex Brown: 'Very lovely' Jill Mansell. 'Be whisked away in this sunny, heartwarming read' Woman's Own 'I adored it' Milly Johnson Annie Lovell is keen to put the spark back into her life and when her elderly neighbour inherits an abandoned Parisian apartment she goes to Paris to discover more. Her curiosity takes an unexpected turn on discovering a bundle of secret diaries hidden within the walls, detailing the life of a young English woman, Beatrice Crawford, who volunteered in 1916 to nurse the soldiers in the fields of France. Captivated by the romantic City of Light, Annie realises first appearances are not always as they seem. Following Beatrice's journey from the Great War, through the Roaring Twenties and to a very different life in Nazi-occupied Paris, Annie must piece together the events from the past, if she is to fulfil the legacy that Beatrice left for her to find...

Postmodern Pooh - Frederick Crews

2011-04-01

A sequel of sorts to the classic (and bestselling) sendup of literary criticism, *The Pooh Perplex* Thirty-seven years ago, a slim parody of academic literary criticism called *The Pooh Perplex* became a surprise bestseller. Now Frederick Crews has written a hilarious new satire in the same vein. Purporting to be the proceedings of a forum on Pooh convened at the Modern Language Association's annual convention, *Postmodern Pooh* brilliantly parodies the academic fads and figures that hold sway at the millennium. Deconstruction, poststructuralist Marxism, new historicism, radical feminism, cultural studies, recovered-memory theory, and postcolonialism, among other methods, take their shots at the poor teddy bear and Crews takes his shots at them. The fun lies in seeing just how much adulteration Pooh can stand.

Saucy Postcards: The Bamforth Collection -

Marcus Hearn 2013-07-18

The Yorkshire-based publisher Bamforth & Co started producing 'saucy' postcards in 1910. These cheeky designs became synonymous with the English seaside resorts where they were sold, but were exported all over the world. After WW2, Bamforth artists began to satirise the classic comic archetypes that still resonate today - henpecked husbands, naughty nurses and

randy milkmen. Contemporary concerns ranging from the contraceptive pill to the Space Race also received the irreverent Bamforth treatment. Saucy Postcards: The Bamforth Collection celebrates the golden age of these comic gems, with a selection of more than 250 cards originally published from the early 1950s to the mid-1970s. The book's introduction reveals the story behind the company, and the battles with the postcard censorship committees that resulted in almost 150 prosecutions.

PostSecret: Confessions on Life, Death, and God
- Frank Warren 2009-10-06

For the past four years, Frank Warren, known as "the most trusted stranger in America," has invited people all over the world to send him creatively decorated postcards bearing secrets they have never before revealed. He has shared these PostSecrets on his blog, in an internationally traveling art exhibit, and in four electrifying and bestselling books: PostSecret, My Secret, The Secret Lives of Men and Women, and A Lifetime of Secrets. Warren's fifth book presents a never-before-seen collection of the most personal PostSecrets he's ever received—those dealing with life, death, and issues of faith and belief. The book lays bare the confessions of people at every stage of life, from every major faith (or from no faith). Warren's latest collection of secrets is his most profoundly moving yet.

Sophie's World - Jostein Gaarder 2007-03-20
One day Sophie comes home from school to find two questions in her mail: "Who are you?" and "Where does the world come from?" Before she knows it she is enrolled in a correspondence course with a mysterious philosopher. Thus begins Jostein Gaarder's unique novel, which is not only a mystery, but also a complete and entertaining history of philosophy.

The Snooty Bookshop - Tom Gauld 2018-10-23
Fifty comics from The Guardian, by Britain's most well regarded cartoonist Tom Gauld (Mooncop, You're All Just Jealous of My Jetpack, Goliath) has created countless iconic strips for The Guardian over the course of his illustrious career. A master of condensing grand, highbrow themes into one- to eight-panel comics, his weekly strips embody his trademark British humor while simultaneously opening comics to an audience unfamiliar with the artistry that cartooning has to offer. Funny but serious, these comics allow Gauld to put his impressive knowledge of history, literature, and pop culture on full display—his impeccable timing and distinctive visual style setting him apart from the rest. This postcard set celebrates more than a decade of Gauld's contributions to The Guardian, with fifty of his most beloved strips, on everything from Samuel Beckett's sitcom pitches (such as Waiting for Kramer: a show where two men await the arrival of a man named Kramer who never comes), "Procrastination for Creative Writers, a 10-Week Course," and "Poetry Anthologies for People Who Don't Like Poems." Witty and beautifully drawn, The Snooty Bookshop will make you chuckle at least fifty times, guaranteed.

Quest for the Lost City of Gold - Stephen Biesty 2008

Blue Postcards - Douglas Bruton 2021-07-08
Once there was a street in Paris and it was called the Street of Tailors. This was years back, in the blue mists of memory. Now it's the 1950s and Henri is the last tailor on the street. With meticulous precision he takes the measurements of men and notes them down in his leather-bound ledger. He draws on the cloth with a blue chalk, cuts the pieces and sews them together. When the suit is done, Henri adds a finishing touch: a blue Tekhelet thread hidden in the trousers somewhere, for luck. One day, the

renowned French artist Yves Klein walks into the shop, and orders a suit. Set in Paris, this atmospheric tale delicately intertwines three connected narratives and timelines, interspersed with observations of the colour blue. It is a meditation on truth and lies, memory and time and thought. It is a leap of the imagination, a leap into the void.

Ship of Theseus - Jeffrey Abrams 2013
One book. Two readers. A world of mystery, menace and desire A young woman picks up a book left behind by a stranger. Inside it are his margin notes, which reveal a reader entranced by the story and by its mysterious author. She responds with notes of her own, leaving the book for the stranger, and so begins an unlikely conversation that plunges them both into the unknown. THE BOOK: Ship of Theseus, the final novel by a prolific but enigmatic writer named V. M. Straka, in which a man with no past is shanghaied onto a strange ship with a monstrous crew and launched on a disorienting and perilous journey. THE WRITER: Straka, the incendiary and secretive subject of one of the world's greatest mysteries, a revolutionary about whom the world knows nothing apart from the words he wrote and the rumours that swirl around him. THE READERS: Jennifer and Eric, a college senior and a disgraced grad student, both facing crucial decisions about who they are,

who they might become, and how much they're willing to trust another person with their passions, hurts and fears.S., conceived by filmmaker J.J. Abrams and written by award-winning novelist Doug Dorst, is the chronicle of two readers finding each other in the margins of a book and enmeshing themselves in a deadly struggle between forces they don't understand. It is also Abrams and Dorst's love letter to the written word.

Hot Springs, Arkansas in Vintage Postcards

- Ray Hanley 1998-11-15

From the 1890s to the 1920s, the postcard was an extraordinarily popular means of communication, and many of the postcards produced during this "golden age" can today be considered works of art. Early in the century, Hot Springs was among the most noted resorts in the nation. Its Victorian wonders drew thousands of visitors to partake in the hot mineral waters that bubbled from the earth. In the words written on one card in 1910, "Many people of wealth are here from Chicago and New York. Uncle Billy went to the horse show ball at the Eastman Hotel with an ex-wife of a millionaire. Andrew Carnegie and young Jay Gould were at the ball." Showcased in this fascinating collection are over two hundred postcards from 1900 to 1960. The images are accompanied by the actual penned messages of visitors and extensively researched historical facts.

The Art of Winnie-the-Pooh - James Campbell 2018-05-08

Foreword by Minette Shepard The enchanting story of some of the most beloved characters in English children's literature—Winnie-the-Pooh and his friends from the Hundred Acre Wood, Piglet, Eeyore, Tigger, Kanga, Roo, Christopher Robin, and more—and the remarkable partnership between a writer and an illustrator that brought them to life, told for the first time in this beautiful volume illustrated with more than 125 full-color images from the Pooh series, never-before-seen sketches, artwork, family photographs, and memorabilia. Winnie-the-Pooh and his friends have enthralled generations of children and have become some of the world's most beloved characters. But before their adventures were captured in many millions of books published in nearly fifty languages, they started life in the 1920s as the product of a unique collaboration between author A. A. Milne and illustrator E. H. Shepard. They wove images and text together in a way that was utterly original for the time. It was a process that Shepard relished; he continued to create artwork for new editions until his death in 1976 at the age of ninety-six. This lovingly designed, full-color volume, which includes a foreword from Shepard's granddaughter, tells the story behind this remarkable partnership, and traces the evolution of Shepard's work, from his first tentative sketches to the illustrations we know and love, including the characters' later incarnations by the artists at Walt Disney Studios. A stunning and rare collection, filled with some never-before-published sketches and the first illustration of Pooh, The Art of Winnie-the-Pooh is a treasure trove of early art and an exclusive behind-the-scenes peek at the creation of Pooh bear and Hundred Acre Wood—direct from the artist's estate—that is sure to become a cherished keepsake for devoted fans and readers who grew up with these timeless characters.
