[Textual Permanence](#) - Teresa Ramsby 2013-12-12

Textual Permanence is the first book to examine the influence of the Roman epigraphic tradition on Latin elegiac poetry. The frequent use of invented inscriptions within the works of Rome's elegiac poets suggests a desire to monumentalise elements of the poems and the authors themselves. This book explores inscriptional writing in the elegies of Catullus, Propertius, Tibullus and Ovid, showing that whenever an author includes an inscription within a poem, he draws the reader's attention beyond the text of the poem to include the cultural contexts in which such inscriptions were daily read and produced. The emphases that these inscriptions grant to persons, sentiments and actions within the poems are reflections of the permanence that real-life inscriptions grant to a variety of human efforts. These poetic inscriptions provide unique windows of interpretation to some of Rome's most significant and influential poems. Teresa Ramsby traces an important relationship between the Roman tradition that honoured individual participation in Roman politics, and the way that elegiac poetry was early applied in Rome to the same activity. In the course of the book she offers fresh interpretations of poems that have been analysed by a host of scholars.

Education Begins Before Birth - Omraam Mikhaël Aïvanhov 1982

[The Living Infinite](#) - Chantel Acevedo 2017-09-14

A story of love, adventure, power and the eternal quest to take control of one's destiny The Living Infinite is inspired by the true story of the Spanish princess Eulalia, an outspoken rebrand at the Bourbon court during the troubled final years of her family's reign. After her cloistered childhood at the Spanish court, her youth spent in exile, and a loveless marriage, Eulalia willingly accepts a role as royal emissary far from a crumbling Europe, in the New World. In the company of Tomas Aragon, the son of her one-time wet nurse, and a small-town bookseller with a thirst for adventure, she travels by ship first to a Cuba bubbling with revolutionary fervour then on to the 1893 Chicago World Fair. Publicly, she is there as a representative of the Bourbon dynasty, privately, she is in America to find a publisher for her autobiography, a secret manuscript that if published might well turn the old world order on its head. Eulalia's personal rebellion resonates long after the final page of this captivating saga.

Daddy's Wings - Milena Agus 2011

In Milena Agus' radiant Sardinia, Madame owns a piece of land by the sea which property developers are after. But Madame doesn't want to sell and therefore prevents her neighbours and other locals from cashing in. Even so, they can't help loving her for her generous and candid way of being. A fourteen year old girl tells the story through an imagination that shapes reality: her missing father appears in the slight movements of the air (Daddy's wings), and sharp scenes of hardcore sex seem to take place in Madame's house at night. It is a comic and truculent story, fairytale-like and true — as are all Milena Agus' works. Most of all, it is the story of love affairs that go somewhat awry but still manage to go on, which is the most important thing.

The Vatican Necropoles - Paolo Liverani 2010

This is the first published summary of the entire complex of the great necropoles of Rome, which were situated on Vatican Hill. The work concerns one of the most extensive, richest, and least-known Roman archaeological phenomena and bears witness to the work of creating an underground museum that has been followed internationally as a model of conservation practice. From the submerged world of the necropoles emerges the funeral 'normality' of the Roman world, from poorer cremations in wooden urns, to sumptuous sarcophagi, to sepulchres adorned with frescoes and mosaics. One can also observe Egyptian cults influencing the practice of epicurean philosophy. In addition, we can catch a glimpse of the first traces of Christianity, which include the presence of St. Peter the Apostle's tomb.

Ariosto, Shakespeare and Corneille - Benedetto Croce 2019-03-20

Originally published in 1921 this volume consists of the first of Croce's literary criticisms to be published in English and as well as a section on Shakespeare, it contains unique essays on Ariosto and Corneille which together inaugurated a new era in literary criticism. The essays are based on Croce's Theory of Aesthetic - a theory which to many is the only one that completely explains the problem of poetry and the fine arts - and as a result are profound and suggestive.

Ovid's Metamorphoses in Twentieth-century Italian Literature - Alberto Comparini 2018

This book aims to show the metamorphic nature of Ovid's reception in twentieth century Italian literature. It is a study of the aesthetic effects of Ovid's poetics within both the novel and poetry tradition in Italy. By using a historical and philological methodology, the authors of each essay have shown the hermeneutic

power of Ovid, read as a constant intertextual presence. >From Giovanni Pascoli to Eugenio Montale, from Italo Calvino to Antonio Tabucchi, in this book Ovid's reception is finally shown to be as important as Virgil's and offers new important tools in order to understand the role of Latin literature in the twentieth century.

School Days - Patrick Chamoiseau 1997-01-01

School Days (*Chemin-d'Ecole*) is a captivating narrative based on Patrick Chamoiseau's childhood in Fort-de-France, Martinique. It is a revelatory account of the colonial world that shaped one of the liveliest and most creative voices in French and Caribbean literature today. Through the eyes of the boy Chamoiseau, we meet his severe, Francophile teacher, a man intent upon banishing all remnants of Creole from his students' speech. This domineering man is succeeded by an equally autocratic teacher, an Africanist and proponent of "Negritude." Along the way we are also introduced to Big Bellybutton, the class scapegoat, whose tales of Creole heroes and heroines, magic, zombies, and fantastic animals provide a fertile contrast to the imported French fairy tales told in school. In prose punctuated by Creolisms and ribald humor, Chamoiseau infuses the universal terrors, joys, and disappointments of a child's early school days with the unique experiences of a Creole boy forced to confront the dominant culture in a colonial school. *School Days* mixes understanding with laughter, knowledge with entertainment—in ways that will fascinate and delight readers of all ages.

Antan D'enfance - Patrick Chamoiseau 1999-01-01

Using the playful, orally inspired, and partially invented language for which he is renowned, Patrick Chamoiseau recalls the brilliant, magical universe of his early childhood in Martinique. At the center of this universe is his extraordinarily vigorous mother and her creative, pragmatic ways of coping with poverty and five children. As Chamoiseau presents these first impressions of an exceptional child growing up in a rich Creole culture, he also reflects in oblique but incisive ways on colonialism. He probes the boundary between reality and imagination, between the child's awakening understanding and the adult's memory of those earlier days.
