The Midnight Library - Matt Haig 2020-09-29
The #1 New York Times bestselling
WORLDWIDE phenomenon Winner of the
Goodreads Choice Award for Fiction | A Good
Morning America Book Club Pick | Independent
(London) Ten Best Books of the Year "A feel-
good book guaranteed to lift your spirits."—The

Washington Post The dazzling reader-favorite
about the choices that go into a life well lived,
from the acclaimed author of How To Stop Time
and The Comfort Book. Somewhere out beyond
the edge of the universe there is a library that
contains an infinite number of books, each one
the story of another reality. One tells the story of

your life as it is, along with another book for the other life you could have lived if you had made a different choice at any point in your life. While we all wonder how our lives might have been, what if you had the chance to go to the library and see for yourself? Would any of these other lives truly be better? In *The Midnight Library*, Matt Haig's enchanting blockbuster novel, Nora Seed finds herself faced with this decision. Faced with the possibility of changing her life for a new one, following a different career, undoing old breakups, realizing her dreams of becoming a glaciologist; she must search within herself as she travels through the Midnight Library to decide what is truly fulfilling in life, and what makes it worth living in the first place.

The Daily Show (The Book) - Chris Smith

2016-11-22

NEW YORK TIMES BESTSELLER The complete, uncensored history of the award-winning *The Daily Show* with Jon Stewart, as told by its correspondents, writers, and host. For almost

seventeen years, *The Daily Show* with Jon Stewart brilliantly redefined the borders between television comedy, political satire, and opinionated news coverage. It launched the careers of some of today's most significant comedians, highlighted the hypocrisies of the powerful, and garnered 23 Emmys. Now the show's behind-the-scenes gags, controversies, and camaraderie will be chronicled by the players themselves, from legendary host Jon Stewart to the star cast members and writers-including Samantha Bee, Stephen Colbert, John Oliver, and Steve Carell - plus some of *The Daily Show*'s most prominent guests and adversaries: John and Cindy McCain, Glenn Beck, Tucker Carlson, and many more. This oral history takes the reader behind the curtain for all the show's highlights, from its origins as Comedy Central's underdog late-night program to Trevor Noah's succession, rising from a scrappy jester in the 24-hour political news cycle to become part of the beating heart of politics-a trusted source for

not only comedy but also commentary, with a reputation for calling bullshit and an ability to effect real change in the world. Through years of incisive election coverage, passionate debates with President Obama and Hillary Clinton, feuds with Bill O'Reilly and Fox, and provocative takes on Wall Street and racism, The Daily Show has been a cultural touchstone. Now, for the first time, the people behind the show's seminal moments come together to share their memories of the last-minute rewrites, improvisations, pranks, romances, blow-ups, and moments of Zen both on and off the set of one of America's most groundbreaking shows.

[Back to Venice](#) - Michael Grant 2011-05-26

Imagine what it would be like to go back in time to the 15th century Venice. And imagine what it would be like to meet your lifelong hero, Michelangelo. And imagine what it would be like if, on first meeting, you spill a tray of pasta and wine on that very same hero. Well, that's what happens to serious young artist Mark Breen. As

the result of a drunken bet, Mark knocks out a painting of a toilet bowl. Much to his amazement, he sells it. In short order he's hailed as the new Andy Warhol and becomes an overnight sensation-and a very wealthy man. Soon, images of his toilet bowls are on more t-shirts, mugs, and calendars than Edvard Munch's The Scream. His friend and mentor, Hugh Connelly, afraid that Mark is in danger of losing his "artistic soul," advises him to go back to Italy and reacquaint himself with the "old masters." In Venice, Mark falls in love with Alexandra, a beautiful art restorer, but it's a one-sided affair. One night, hoping to win her over, he climbs up on a roof to find out who painted her favorite fresco. He falls off the roof and wakes up in 15th century Venice where he meets an innkeeper named Francesca, who looks exactly like Alexandra. And it gets curiuser and curiuser from there. During his stay-which is sometimes zany and sometimes frightening-he meet his hero, Michelangelo, who teaches him

the true meaning of art.

Stuart Little - E. B. White 2015-03-17

The classic story by E. B. White, author of the Newbery Honor Book *Charlotte's Web* and *The Trumpet of the Swan*, about one small mouse on a very big adventure. Now available as an ebook! Illustrations in this ebook appear in vibrant full color on a full-color device and in rich black-and-white on all other devices. Stuart Little is no ordinary mouse. Born to a family of humans, he lives in New York City with his parents, his older brother George, and Snowbell the cat. Though he's shy and thoughtful, he's also a true lover of adventure. Stuart's greatest adventure comes when his best friend, a beautiful little bird named Margalo, disappears from her nest. Determined to track her down, Stuart ventures away from home for the very first time in his life. He finds adventure aplenty. But will he find his friend? Stuart Little joins E. B. White favorites *Charlotte's Web* and *The Trumpet of the Swan* as classic illustrated novels

that continue to speak to today's readers.

Whether you curl up with your young reader to share these books or hand them off for independent reading, you are helping to create what are likely to be all-time favorite reading memories.

My Overdue Book - Peter Bright 2015-04-30
My Overdue Book: Too many stories not to tell: spells out the varied episodes in the life of a man who spent decades working in Hollywood. He began as a little boy in Cincinnati impressed early on by the broadcasting magic of radio and then TV in the middle of twentieth century America. His drive to get into broadcasting culminates in an early success that gets interrupted by an unexpected sidebar in The US Army and a subsequent tour as an Infantryman in Vietnam in the late 1960's. His yearlong excursion in "Fun City East," with its repeated life and death experiences, had lifelong effects on this soldier-of-media. Following his wanderings through the jungles of Vietnam,

Bright's interactions with many of America's top public figures throughout his decades in radio and television come to life with intriguing stories that are personal, professional, positive and negative. It's life without a filter! Readers across generations will share and co-experience numerous real life feelings and emotions with writer Bright as his winding trail of life opens in front of them. book endorsement for peter bright; i always thought that peter bright and i had many things in common; we both grew up in ohio, we both had careers in the live event and variety side of television, and the few times we had times to talk i thought we shared a mutual philosophy toward the ups and downs of life. but it wasn't until i read his "overdue" book that i realized just what a rich and storied life peter has had and how much more deeply he had experienced the highs and lows, particularly during his years in the military, than i ever could have imagined. it really amazes me just how little we know about people we think we know,

and just how much more we appreciate who they are when we are fortunate enough to have that background filled in by someone as articulate and able to express both facts and feelings as peter has in this book. when i started to read it, i thought all of those common events that we shared would be an interesting parallel track to my life and as such i would have a great frame of reference, but as i read on, i realized just what an amazing story peter has to tell and just how well he tells it. ken ehrlich, executive producer, the grammy awards

series. One touch is all it takes. One touch, and Juliette Ferrars can leave a fully grown man gasping for air. One touch, and she can kill. No one knows why Juliette has such incredible power. It feels like a curse, a burden that one person alone could never bear. But *The Reestablishment* sees it as a gift, sees her as an opportunity. An opportunity for a deadly weapon. Juliette has never fought for herself before. But when she's reunited with the one person who ever cared about her, she finds a strength she never knew she had. And don't miss *Defy Me*, the shocking fifth book in the *Shatter Me* series!

A Little Life - Hanya Yanagihara 2015-03-10
NATIONAL BESTSELLER • A stunning "portrait of the enduring grace of friendship" (NPR) about the families we are born into, and those that we make for ourselves. A masterful depiction of love in the twenty-first century. A NATIONAL BOOK AWARD FINALIST • A MAN BOOKER PRIZE FINALIST • WINNER OF THE KIRKUS PRIZE A

Little Life follows four college classmates—broke, adrift, and buoyed only by their friendship and ambition—as they move to New York in search of fame and fortune. While their relationships, which are tinged by addiction, success, and pride, deepen over the decades, the men are held together by their devotion to the brilliant, enigmatic Jude, a man scarred by an unspeakable childhood trauma. A hymn to brotherly bonds and a masterful depiction of love in the twenty-first century, Hanya Yanagihara's stunning novel is about the families we are born into, and those that we make for ourselves. Look for Hanya Yanagihara's new novel, *To Paradise*, coming in January 2022.

Embracing Survival - Dydine Umunyana
2016-08-10

Embracing Survival, a memoir by Dydine Umunyana, tells the story of the Rwandan Genocide against the Tutsis at the hands of the Hutu perpetrators in Rwanda (1994) through the eyes of the four-year-old-child that she was when

the horrific massacre occurred. Separated from her family, she barely survived the conflict. While the physical killing finally stopped, the mental and emotional 'killing' continued, affecting her and her family. She writes that "I have learned that we cannot do for others what we cannot do for ourselves. By nourishing the light within ourselves, we find strength we never knew was there....I came to realize that one's own life experiences are not theirs to keep but ours to teach."

The New Small Person - Lauren Child

2015-02-10

Lauren Child tells the familiar tale of a less-than-welcome sibling with subtlety, insight, affection, and humor. Elmore Green starts life as an only child, as many children do. He has a room to himself, where he can line up his precious things and nobody will move them one inch. But one day everything changes. When the new small person comes along, it seems that everybody might like it a bit more than they like Elmore Green. And when the small person knocks over Elmore's things and even licks his jelly-bean collection, Elmore's parents say that he can't be

angry because the small person is only small. Elmore wants the small person to go back to wherever it came from. Then, one night, everything changes. . . . In her signature visual style, Lauren Child gets to the heart of a child's evolving emotions about becoming a big brother or sister.

It's Hard to Be a Person - Brett Newski
2021-06-29

Years ago, somewhere on the Internet, I posted a few dumb drawings making fun of my own anxiety and depression. The response to them was warmer than anticipated, and people kept asking for more. Blending humor with pure depression seemed to strike a chord with a decent amount of people. So I kept going, and after about three years of drawing, I had enough

dumb drawings for a book. Mental health is a serious thing, and it gets heavier when humans don't talk about it outwardly. I bottled up feelings for many years. Feelings I considered "dark", "weak", "downhearted", "embarrassing", "shameful" or any number of self-deprecating words. But after saying (or drawing) them out loud to people, all that weight went away and I realized it was normal to feel these feelings. Humor has always been a primary mode of therapy for me. I still make fun of my own anxiety and "depresh" as catharsis. I sing about it on tour, talk about it on my podcast, and draw pictures of it here in this book. Putting my formerly-private-feelings out into the world has been tremendous therapy for me, and I wish I would've done it sooner. Over the span of many years, I've been illustrating the "hacks", "strategies", or "exercises" that have worked best for me in combating the struggles in my head. More than anything I want this book to be useful for people. I'm not a doctor, just a person

who spends too much time in my head. The objective of *It's Hard to Be a Person* is not to give unsolicited advice, but to hopefully save you some headaches on the long n' winding road of life in your brain.

E - Kate Wrath 2014-05-04

A poignant tale of love and friendship in a world beyond hope...*Outpost Three*: a huddle of crumbling buildings choked by a concrete wall. Cracked pavement, rusted metal, splintering boards. Huge robotic Sentries police the streets, but the Ten Laws are broken every time one turns its back. Eden is determined, smart, and a born survivor. Stripped of her memories and dumped on the streets of the Outpost, slavers and starvation are only the beginning of her problems. A devastating conflict is coming that threatens to consume her world and tear her newfound family apart. Life is harsh. It makes no exceptions. Not even for the innocent. "Absolutely heart-stopping! Grizzly, dark, haunting and gripping in a way that kept me

glued in to the very end. If you are looking for a strong and smart heroine in a kick butt dystopian world, this is the book for you." - Leti Del Mar, author of *Land of the Unaltered*"A dark dystopian world, intelligent robots, warlords, rats...oh and sexy boys. 'E' has everything you could ask for." - Nicola S. Dorrington, author of *Chasing Freedom*"The characters are fascinating, especially the enigmatic love interest Jonas, and his threatening rival, the dark and sizzling Matt." - Pol Blaze, author of *Pan-Dim*.

SheReads, BookPage, Publishers Weekly, Kirkus, Fathom Magazine, the New York Public Library, and the Chicago Public Library One of GQ's 50 Best Books of Literary Journalism of the 21st Century Longlisted for the National Book Award Los Angeles Times, Best Nonfiction Gift One of President Obama's Favorite Books of 2021 This compelling #1 New York Times bestseller examines the legacy of slavery in America—and how both history and memory continue to shape our everyday lives. Beginning in his hometown of New Orleans, Clint Smith leads the reader on an unforgettable tour of monuments and landmarks—those that are honest about the past and those that are not—that offer an intergenerational story of how slavery has been central in shaping our nation's collective history, and ourselves. It is the story of the Monticello Plantation in Virginia, the estate where Thomas Jefferson wrote letters espousing the urgent need for liberty while enslaving more than four hundred people. It is the story of the Whitney

Plantation, one of the only former plantations devoted to preserving the experience of the enslaved people whose lives and work sustained it. It is the story of Angola, a former plantation-turned-maximum-security prison in Louisiana that is filled with Black men who work across the 18,000-acre land for virtually no pay. And it is the story of Blandford Cemetery, the final resting place of tens of thousands of Confederate soldiers. A deeply researched and transporting exploration of the legacy of slavery and its imprint on centuries of American history, *How the Word Is Passed* illustrates how some of our country's most essential stories are hidden in plain view—whether in places we might drive by on our way to work, holidays such as Juneteenth, or entire neighborhoods like downtown Manhattan, where the brutal history of the trade in enslaved men, women, and children has been deeply imprinted. Informed by scholarship and brought to life by the story of people living today, Smith's debut work of nonfiction is a

landmark of reflection and insight that offers a new understanding of the hopeful role that memory and history can play in making sense of our country and how it has come to be.

It Starts with Us - Colleen Hoover 2022-10-18
Before *It Ends with Us*, it started with *Atlas*. Colleen Hoover tells fan favorite *Atlas*'s side of the story and shares what comes next in this long-anticipated sequel to the “glorious and touching” (USA TODAY) #1 New York Times bestseller *It Ends with Us*. Lily and her ex-husband, Ryle, have just settled into a civil coparenting rhythm when she suddenly bumps into her first love, *Atlas*, again. After nearly two years separated, she is elated that for once, time is on their side, and she immediately says yes when *Atlas* asks her on a date. But her excitement is quickly hampered by the knowledge that, though they are no longer married, Ryle is still very much a part of her life—and *Atlas Corrigan* is the one man he will hate being in his ex-wife and daughter's life.

Switching between the perspectives of Lily and Atlas, *It Starts with Us* picks up right where the epilogue for the “gripping, pulse-pounding” (Sarah Pekkanen, author of *Perfect Neighbors*) bestselling phenomenon *It Ends with Us* left off. Revealing more about Atlas’s past and following Lily as she embraces a second chance at true love while navigating a jealous ex-husband, it proves that “no one delivers an emotional read like Colleen Hoover” (Anna Todd, *New York Times* bestselling author).

Small Fry - Lisa Brennan-Jobs 2018-09-04

A frank, smart and captivating memoir by the daughter of Apple founder Steve Jobs. Born on a farm and named in a field by her parents—artist Chrisann Brennan and Steve Jobs—Lisa Brennan-Jobs’s childhood unfolded in a rapidly changing Silicon Valley. When she was young, Lisa’s father was a mythical figure who was rarely present in her life. As she grew older, her father took an interest in her, ushering her into a new world of mansions, vacations, and private

schools. His attention was thrilling, but he could also be cold, critical and unpredictable. When her relationship with her mother grew strained in high school, Lisa decided to move in with her father, hoping he’d become the parent she’d always wanted him to be. *Small Fry* is Lisa Brennan-Jobs’s poignant story of childhood and growing up. Scrappy, wise, and funny, young Lisa is an unforgettable guide, marveling at the particular magic of growing up in this family, in this place and time, while grappling with her feelings of illegitimacy and shame. Part portrait of a complex family, part love letter to California in the seventies and eighties, *Small Fry* is an enthralling story by an insightful new literary voice.

The Giving Tree - Shel Silverstein 2014-02-18

As *The Giving Tree* turns fifty, this timeless classic is available for the first time ever in ebook format. This digital edition allows young readers and lifelong fans to continue the legacy and love of a classic that will now reach an even wider audience. "Once there was a tree...and she loved a little boy." So begins a story of unforgettable perception, beautifully written and illustrated by the gifted and versatile Shel

Silverstein. This moving parable for all ages offers a touching interpretation of the gift of giving and a serene acceptance of another's capacity to love in return. Every day the boy would come to the tree to eat her apples, swing from her branches, or slide down her trunk...and the tree was happy. But as the boy grew older he began to want more from the tree, and the tree gave and gave and gave. This is a tender story, touched with sadness, aglow with consolation. Shel Silverstein's incomparable career as a bestselling children's book author and illustrator began with *Lafcadio, the Lion Who Shot Back*. He is also the creator of picture books including *A Giraffe and a Half*, *Who Wants a Cheap Rhinoceros?*, *The Missing Piece*, *The Missing Piece Meets the Big O*, and the perennial favorite *The Giving Tree*, and of classic poetry collections such as *Where the Sidewalk Ends*, *A Light in the Attic*, *Falling Up*, *Every Thing On It*, *Don't Bump the Glump!*, and *Runny Babbit*. And don't miss the other Shel Silverstein ebooks,

Where the Sidewalk Ends and *A Light in the Attic!*

Atomic Habits - James Clear 2018-10-16
The #1 New York Times bestseller. Over 4 million copies sold! *Tiny Changes, Remarkable Results* No matter your goals, *Atomic Habits* offers a proven framework for improving--every day. James Clear, one of the world's leading experts on habit formation, reveals practical strategies that will teach you exactly how to form good habits, break bad ones, and master the tiny behaviors that lead to remarkable results. If you're having trouble changing your habits, the problem isn't you. The problem is your system. Bad habits repeat themselves again and again not because you don't want to change, but because you have the wrong system for change. You do not rise to the level of your goals. You fall to the level of your systems. Here, you'll get a proven system that can take you to new heights. Clear is known for his ability to distill complex topics into simple behaviors that

can be easily applied to daily life and work. Here, he draws on the most proven ideas from biology, psychology, and neuroscience to create an easy-to-understand guide for making good habits inevitable and bad habits impossible. Along the way, readers will be inspired and entertained with true stories from Olympic gold medalists, award-winning artists, business leaders, life-saving physicians, and star comedians who have used the science of small habits to master their craft and vault to the top of their field. Learn how to: make time for new habits (even when life gets crazy); overcome a lack of motivation and willpower; design your environment to make success easier; get back on track when you fall off course; ...and much more. Atomic Habits will reshape the way you think about progress and success, and give you the tools and strategies you need to transform your habits--whether you are a team looking to win a championship, an organization hoping to redefine an industry, or simply an individual who

wishes to quit smoking, lose weight, reduce stress, or achieve any other goal.

Distant Valor - C. X. Moreau 2012-07-01

Out of the crucible of war has come a long list of best-selling, award-winning, and long-remembered novels: The Red Badge Of Courage, All Quiet on the Western Front, The Caine Mutiny, Fields of Fire and The Thirteenth Valley. But none so far has ever captured the power and drama of the United States Marine Corps's ill-fated mission to end the war for Lebanon, which ended in the barracks bombing that killed almost three hundred Marines. For Sergeant David Griffin, a "peace-time" Marine, Beirut was the chance to prove himself capable to the generation of Marines who had been bloodied in the Vietnam War. For Corporal Steven Downs, Beirut was a struggle to separate the civilian from the soldier, his distrust of the politicians' decisions from the military mission. For all of the Marines serving in Lebanon, it was another war in a foreign country where the enemy could be

anywhere or anyone. Faced with Griffin's court-martial for engaging the enemy against orders, these two young men find themselves questioning their faith in themselves, their commanders, and eventually that which above all else they must have faith in--the Corps. With the insight that only a Marine Corps veteran could have, C. X. Moreau portrays the men who fought and died in Beirut with skill and ability that bring home to the reader the true meaning of Semper Fi. "Affecting . . . A haunting slice of military life that unsparingly catalogues the risks, rewards, pain and joys of casting one's lot with warriors."--Kirkus Reviews "Moreau uses the building block of authentic detail to craft a solid take about a little-known, undeclared war. His debut should attract readers seeking to understand how the U.S. military is waging peace in the Middle East."--Publishers Weekly "Outstanding! A classic in, yet above and beyond, the war genre. Thank you, C. X. Moreau, for an enlightening work."--John M. Del Vecchio,

New York Times best-selling author of *The Thirteenth Valley* and *For The Sake Of All Living Things* "With his first book, *Distant Valor*, C. X. Moreau, joins the company of top rank military novelists. He shows the reader what it really means to be a Marine."--W.E.B. Griffin, New York Times best-selling author of "The Corps" and "The Brotherhood of War" series "A clear picture of Marines in action and the politicization that often causes bungled operations. The picture is harsh; but it depicts the anguish and humanity of the Marines who so gallantly bear the brunt of carrying the flag to foreign shores. This first novel rings with the authenticity that only a serving Marine could supply."--The Florida Times-Union "A novel of character, as are all great war novels...cuts to the heart of the military experience in our time . . ."--San Jose Mercury News "An absolutely authentic portrayal of the Marines who endured the mud and the blood in Beirut. As captain of a ship offshore, I watched it; C. X. Moreau

obviously lived it, up close and personal."--P.T. Deutermann, best-selling author of *Scorpion in the Sea* "C. X. Moreau has seen the military future first-hand in Beirut. In an age of fateful involvements in the wars of others, the terrible dilemmas described so ably in *Distant Valor* are too often the essence of duty for today's Marines and soldiers. This book is as authentic as they come, heartrending and true, exciting and brutally tragic. It is a worthy monument to heroes cast aside."--Ralph Peters, New York Times best-selling author of *The War In 2020*

A Little History of the World - E. H. Gombrich
2014-10-01

E. H. Gombrich's *Little History of the World*, though written in 1935, has become one of the treasures of historical writing since its first publication in English in 2005. The Yale edition alone has now sold over half a million copies,

and the book is available worldwide in almost thirty languages. Gombrich was of course the best-known art historian of his time, and his text suggests illustrations on every page. This illustrated edition of the *Little History* brings together the pellucid humanity of his narrative with the images that may well have been in his mind's eye as he wrote the book. The two hundred illustrations—most of them in full color—are not simple embellishments, though they are beautiful. They emerge from the text, enrich the author's intention, and deepen the pleasure of reading this remarkable work. For this edition the text is reset in a spacious format, flowing around illustrations that range from paintings to line drawings, emblems, motifs, and symbols. The book incorporates freshly drawn maps, a revised preface, and a new index. Blending high-grade design, fine paper, and classic binding, this is both a sumptuous gift book and an enhanced edition of a timeless account of human history.

The Book on Flying a Learjet - Joseph Tiritilli

2014-11-21

Joseph Tiritilli, aka Joey Jet, exemplifies the success possible in America today by using ambition, a willingness to take risk, and a strong work ethic to make the most of available opportunities. Joey Jet came up the hard way in Totowa, New Jersey; fifteen miles from Manhattan, the heart of New York City. His grandfather a blacksmith in a Pennsylvania coal mine; his father an honest, hard working truck driver; and his mother a professional

switchboard operator, Joey left school at sixteen. He became a three time small business owner/operator, soloed at Lincoln Park, New Jersey N07, and became a private pilot by age twenty-five. Moving to Deerfield Beach, Florida, Joey Jet continued learning to fly at Pompano Beach Airpark's Pompano Air Center, earning his Commercial Airplane license and becoming a Certified Flight Instructor under the tutelage of R. Dan Baker. Joey learned to fly Learjets when he was hired by Harvey N. Hop at Fort Lauderdale's Hop-A-Jet, Inc. Joey Jet has been a Learjet Captain flying the rich and famous throughout the United States, Canada, Mexico and the Caribbean for more than twenty-five years. Fasten your seatbelt and enjoy this compilation of stories from some of Joey Jet's most memorable flights. Stories include James Patterson, Roger King, Puff Daddy Imposter, James Lovell, Billy Joel, Enrique, Paris Hilton, Suze Orman, John Schnatter - Papa John's Pizza, Jackie Mason, Denzel Washington, Paulina

Porizkova, Diana Ross, Shakira, Henryk de Kwiatkowski, Lee Greenwood, Elie Wiesel, Preston Henn, Patrick Park, Robert Redford, Don Whittington, Dear Abby, General H. The Dawn of Everything - David Graeber

2021-11-09

INSTANT NEW YORK TIMES BESTSELLER A dramatically new understanding of human history, challenging our most fundamental assumptions about social evolution—from the development of agriculture and cities to the origins of the state, democracy, and inequality—and revealing new possibilities for human emancipation. For generations, our remote ancestors have been cast as primitive

and childlike—either free and equal innocents, or thuggish and warlike. Civilization, we are told, could be achieved only by sacrificing those original freedoms or, alternatively, by taming our baser instincts. David Graeber and David Wengrow show how such theories first emerged in the eighteenth century as a conservative reaction to powerful critiques of European society posed by Indigenous observers and intellectuals. Revisiting this encounter has startling implications for how we make sense of human history today, including the origins of farming, property, cities, democracy, slavery, and civilization itself. Drawing on pathbreaking research in archaeology and anthropology, the authors show how history becomes a far more interesting place once we learn to throw off our conceptual shackles and perceive what's really

there. If humans did not spend 95 percent of their evolutionary past in tiny bands of hunter-gatherers, what were they doing all that time? If agriculture, and cities, did not mean a plunge into hierarchy and domination, then what kinds of social and economic organization did they lead to? The answers are often unexpected, and suggest that the course of human history may be less set in stone, and more full of playful, hopeful possibilities, than we tend to assume. The Dawn of Everything fundamentally transforms our understanding of the human past and offers a path toward imagining new forms of freedom, new ways of organizing society. This is a monumental book of formidable intellectual range, animated by curiosity, moral vision, and a faith in the power of direct action. Includes Black-and-White Illustrations
