Pageant World History - Gerald Leinwand 1990

Dear students, I want to share a dream with you. I dreamed that a young person of 14 whom I was going to be teaching would become president of the United States during the first half of the twenty-first century. As a teacher, I was struck by this immense responsibility. What should I teach my student about the world as preparation for this awesome task? How could my world history class help this person to mature into an intelligent and humane president and leader of the free world?

Secondary Starters and Plenaries: Geography - Brin Best 2014-03-13

This book provides geography teachers with 50 cohesive suggestions for embedding and extending learning in the classroom: from individual to whole-class activities, and from the energetic to the sedate. Even better, every starter and plenary is easily-adaptable for the whole ability range of your class and ideas for extension and development keep each activity fresh. There are also PowerPoints, task sheets and other time-saving resources online. The book covers the whole spectrum of topics that every geography teacher needs to cover. Some ideas involve students managing and monitoring each other; others involve creative thinking and where practical and appropriate, the content is embedded in the real world so that students can immediately see the wider application of their efforts. In the 'teacher's tips' section, the author offers guidance on how to deliver the idea to get the best results based on years of trial and error.
