An epic story long awaited, and well worth the wait. Meet Asterios Polyp: middle-aged, meagerly successful architect

and teacher, aesthete and womanizer, whose life is wholly upended when his New York City apartment goes up in flames. In a tenacious daze, he leaves the city and relocates to a small town in the American heartland. But what is this "escape" really about? As the story unfolds, moving between the present and the past, we begin to understand this confounding yet fascinating character, and how he's gotten to where he is. And isn't. And we meet Hana: a sweet, smart, first-generation Japanese American artist with whom he had made a blissful life. But now she's gone. Did Asterios do something to drive her away? What has happened to her? Is she even alive? All the questions will be answered, eventually. In the meantime, we are enthralled by Mazzucchelli's extraordinarily imagined world of brilliantly conceived eccentrics, sharply observed social mores, and deftly depicted asides on everything from design theory to the nature of human perception. Asterios Polyp is

**The Shadows** - Alex North  
2020-07-07

"This is absorbing, headlong reading, a play on classic horror with an inventiveness of its own... As with all the best illusions, you are left feeling not tricked, but full of wonder."

- The New York Times The haunting new thriller from Alex North, author of the New York Times bestseller *The Whisper Man* You knew a teenager like Charlie Crabtree. A dark imagination, a sinister smile--always on the outside of the group. Some part of you suspected he might be capable of doing something awful.

Twenty-five years ago, Crabtree did just that, committing a murder so shocking that it's attracted that strange kind of infamy that only exists on the darkest corners of the internet--and inspired more than one copycat. Paul Adams remembers the case all too well: Crabtree--and his victim--were Paul's friends. Paul has

slowly put his life back together. But now his mother, old and suffering from dementia, has taken a turn for the worse. Though every inch of him resists, it is time to come home. It's not long before things start to go wrong. Paul learns that Detective Amanda Beck is investigating another copycat that has struck in the nearby town of Featherbank. His mother is distressed, insistent that there's something in the house. And someone is following him. Which reminds him of the most unsettling thing about that awful day twenty-five years ago. It wasn't just the murder. It was the fact that afterward, Charlie Crabtree was never seen again...

and packed with additional food wisdom Michael Pollan's Food Rules prompted a national discussion helping to change the way Americans approach eating. This new edition illustrated by celebrated artist Maira Kalman—and expanded with a new introduction and nineteen additional food rules—marks an advance in the national dialogue that Food Rules inspired. Many of the new rules, suggested by readers, underscore the central teachings of the original Food Rules, which are that eating doesn't have to be so complicated and that food is as much about pleasure and community as it is about nutrition and health. A beautiful book to cherish and share, Food Rules guides us with humor, joy, and common sense toward a happier, healthier relationship to food.

Kumaresan is naively confident that all will be well. But nothing is further from the truth. Despite the strident denials of the young couple, the villagers strongly suspect that Saroja must belong to a different caste. It is only a matter of time before their suspicions harden into certainty and, outraged, they set about exacting their revenge. A devastating tale of innocent young love pitted

He explains how such transformation occurs only through an education that concentrates on the total development of the human being, an education carefully described in this simple yet powerful book.

**Siva's Warriors** - 2014-07-14

Here is the first translation into English of the Basava Purana, a fascinating collection of tales that sums up and characterizes one of the most important and most radical religious groups of South India. The ideas of the Virasaivas, or militant Saivas, are represented in those tales by an intriguing mix of outrageous excess and traditional conservatism. Written in Telugu in the thirteenth century, the Basava Purana is an anthology of legends of Virasaivas saints and a hagiography of Basavesvara, the twelfth-century Virasaiva leader. This translation makes accessible a

completely new perspective on this significant religious group. Although Telugu is one of the major cultural traditions of India, with a classical literature reaching back to the eleventh century, until now there has been no translation or exposition of any of the Telugu Virasaiva works in English. The introduction orients the reader to the text and helps in an understanding of the poet's point of view. The author of the Basava Purana, Palkuriki Somanatha, is revered as a saint by Virasaivas in Andhra and Karnataka. His books are regarded as sacred texts, and he is also considered to be a major poet in Telugu and Kannada. Originally published in 1990. The Princeton Legacy Library uses the latest print-on-demand technology to again make available previously out-of-print books from the distinguished backlist of Princeton University Press. **Guns & Thighs** - Ram Gopal Varma 2015-12-01

In these delightfully candid musings about his life and his cinema, RGV reveals the man behind pioneering Telugu and Hindi films such as *Shiva*, *Rangeela*, *Satya*, *Sarkar*, *Bhoot* and *Company*. Discussing a wide range of subjects, from the influences and circumstances that drew him to films to his cinematic techniques, his successful and unsuccessful films, his Bollywood idols, his relations with the media and the controversies dogging him,

*Guns & Thighs* is as much about RGV's life and philosophy of life as about his films and the Indian film world. Characteristically, he pulls no punches, whether he's talking about movies, women or the media. Even when it comes to his own films, he embraces his failures as much his successes and dissects them with rare honesty and humility.

Refreshingly contrarian and politically incorrect, this book discloses a perspective as colourful and larger than life as Indian films. It is not for RGV fans alone but for all those passionate about cinema and the people associated with it.

Beginning with evolution, Gary Zukav takes you on a penetrating exploration of the new phase humanity has entered: we are evolving from a species that understands power as the ability to manipulate and control—external power—into a species that understands power as the alignment of the personality with the soul—authentic power. Our evolution requires each of us to make the values of the soul our own: harmony, cooperation, sharing, and reverence for Life.
