books have been sent out, and they are impacting lives for Jesus everywhere they go! Many people are not taught how to "reach the next level" in their faith after they receive Jesus as their Savior. Excerpt from *Fishers of Men: The Last Photograph* In the small photograph my mother has her eyes closed. I am shapeless, rather pale probably two. There is snow. My sister has a sled. It is only a year before my mother will abandon me to be beaten, brainwashed. For years I was sure that she despised that shapeless creature until I looked carefully and realized I'd been buried in the snow up to the armpits. She was sitting there, eyes closed that thing that had been her daughter already a part of the landscape, her mind already gone.

**Be Transformed** - Sharon Dutra 2011-06

Have you ever wondered if there is 'more to your life'? As human beings, we go through life experiencing hope, dreams, thoughts, failures, sorrow, regrets, expectations, disappointment, and a host of other thoughts and feelings. Sometimes, we look at our lives and wish that we could have done more. Or, we may wish that we would have stayed still longer. And others of us have lived through so

much suffering, we believe it's all we can do to survive from one minute to the next. This book is one of HOPE. It's a collection of topics that relate to the practical issues we face every day. Subjects like Anxiety, Disciplining our Children, Forgiveness, and Guilt are among the chapters. The Star of the book is Jesus Christ. But before you turn your interest away, you might want to open the pages and take a look. Even if you aren't a Christian, there is a wellspring of information and wisdom for your life's problems. I have witnessed hundreds of people that say they have tried self-help books and support groups. They have refrained from their addictions, and have gone to great lengths to try to change their thoughts, attitudes, and behaviors. But most often, they go right back their old thoughts, habits, and ways of life. Others have tried money, looks, material gain, power, education, sex, and relationships to make themselves 'happy'. But I find that a great majority of them

are dissatisfied and disillusioned. While it may sound too good to be true, I am here to tell you from my own experience that you really can have true and lasting peace, joy, love, hope, and stability in life. Pick up your copy today. You might just be surprised!

Hike It Baby - Shanti Hodges 2018-06-01

New parents and parents of toddlers face unique challenges when it comes to planning outdoor trips. "Family-friendly trail" is often a misleading phrase, and doesn't take young children under the age of 5 into consideration, whose safety and comfort require a different perspective. The unpredictable nature of little ones leads many parents to put their adventure dreams on the back burner, missing out on years of meaningful experiences as a family. Hike it Baby presents 100 outdoor adventures across

the U.S. that you can take with babies and toddlers (really!), along with everything you need to know about exploring the natural world. Sourced from real families using Hike it Baby's trail-tested system, this book helps moms and dads get out there in their comfort zone, yet feel like hardcore adventurers! Whether you've always wanted to hike part of the Appalachian Trail, splash around in gentle Northwest waterfalls, or scramble up rocks in the desert surrounded by Joshua Trees, this book shows you how to plan a truly memorable journey together.

**Fishers of Men** - Adam Elenbaas 2010-07-22

In the tradition of memoirs like Daniel Pinchbeck's 2012 and Jim Carroll's The Basketball Diaries, Adam Elenbaas's Fishers of Men chronicles his journey from intense self-destruction and crippling depression to self-acceptance, inner awareness, and spiritual understanding, through participation in mindexpanding-and healing ayahuasca ceremonies in South

America and beyond. From his troubled and rebellious youth as a Methodist minister's son in Minnesota, to his sex and substance abuse-fueled downward spiral in Chicago and New York, culminating in a depressive breakdown, Elenbaas is plagued by a feeling of emptiness and a desperate search for meaning for most of his young life. After hitting rock bottom at his grandfather's house in rural Michigan, a chance experience with psychedelic mushrooms convinces him that he must change his ways to achieve the sense of peace that he has always desired. Several subsequent psychedelic experiences inspire him to embark on a quest to South America and take part in a shamanic ceremony, where he consumes ayahuasca, a jungle vine revered for its spiritual properties. Over the course of nearly forty ayahuasca ceremonies during four years, Elenbaas discovers the truth about his own life and past, and begins to mend himself from the inside out. Fishers of

This curriculum was created to be used in a group setting. It is intended to be used as a tool to train one's thinking from natural ways of thinking to supernatural by practicing the presence of God. Many individuals have experienced life change through this training and have then used it to teach others. Some desire to use the training as an ongoing tool in their lives. A 15-week commitment is a good estimate on how long this material will take to promote kingdom living by creating new habits, new pathways in our brain for living supernaturally, naturally.

Classical Hebrew poetry. Some metaphors, such as “Yhwh is king” or “Yhwh is warrior,” play a foundational role. The same does not hold for metaphors from the fishing industry. Because they had access to only two major freshwater sources, archaeological research demonstrates that this industry did not play a major socioeconomic role in ancient Israel. Fishing has nevertheless made a substantial contribution to prophetic and wisdom literature. All metaphors manifest reality, but given the physical circumstances of a largely agrarian, nonmarine society, what does the sustained presentation of fishing metaphors in the Hebrew Bible communicate? Examining the use of fishing images in the Hebrew Bible is a formidable task that demands an open mind and a capacity to mine the gamut of contemporaneous evidence. In *Fishers of Fish and Fishers of Men*, Tyler Yoder presents the first literary study devoted to the fishing images used in the

Hebrew Scriptures as well as in the Mesopotamian textual records. This calls for a penetrating look into cultural contact with Israel’s neighbors to the east (Mesopotamia) and southwest (Egypt). Though nearly all fishing metaphors in the Hebrew Bible carry overt royal or divine connotations that mirror uses well-attested in Mesopotamian literature, this comparative analysis remains a largely untapped area of research. In this study of the diverse literary qualities of fishing images, Yoder offers a holistic understanding of how one integral component of ancient Near Eastern society affected the whole, bringing together the assemblage of disparate materials related to this field of study to enable scholars to integrate these data into related research and move the conversation forward.

when you pray about It. It is not about getting to know what the 'Historical Jesus' did two thousand years ago, what He said "back then"; Jesus Christ is not 'back then' anymore, He is alive, and is longing to talk to you. Taking the Gospel of the day, the iPray provides a commentary that can be a trigger for an authentic and personal conversation with Jesus. That time of prayer spent with Jesus is like a 'cooking pot' in which you blend the Words and scenes of Jesus' life, found in the Gospel, together with your daily life, your worries, your family and friends, all heated up by the fire of the Holy Spirit. 'iPray with the Gospel' is not a ready-made meal you can just throw in the microwave, as if they were some prayers that you read and that's it. It is more like a personal recipe that only you can cook with the help of the Holy Spirit.

*Fishers of Men* - Gerald N. Lund 2006-10-01

In an ancient land in a time foretold by prophets, a babe was born beneath a shining

star. Thirty years later, Jesus of Nazareth began teaching a message of hope, peace, and love. He claimed to be the Son of God, and his words - and his life - would change the world. In *Fishers of Men*, the first volume in the new series *The Kingdom and the Crown*, best-selling author Gerald N. Lund transports us to the days of Christ's mortal ministry and invites us to experience the emotions and events of those extraordinary times. Reports of Jesus of Nazareth have reached the ears of David ben Joseph, a merchant in Capernaum, who has waited and watched for the Messiah ever since a special, starlit night thirty years ago. He and his family decide to see for themselves whether or not the rumors are true and journey to hear Jesus. Though David is quick to accept Jesus as the Messiah, the rest of his family is more cautious. His wife, Deborah, and his son, Simeon, leaders in the rebellious Zealot movement, look for a Messiah that will crush the Romans with power and the sword, not one

preaching a message of love and forgiveness. Meanwhile, reports of Jesus have reached into the very heart of Jerusalem, and both the powerful Sadducee Mordechai ben Uzziel and the Pharisee Azariah are growing uneasy with the news. Though they hold opposing political views, both agree that something must be done to stop this man from Nazareth before he gets out of hand. However, in Mordechai's own household the influence of the carpenter from Nazareth begins to create conflict. *Fishers of Men* is a sweeping epic filled with memorable characters who bring to life an extraordinary time in the history of the world. It is a story about the importance of family, the power of faith, the miracle of forgiveness, and the strength needed to follow your heart. *Adventures in Fishing for Men* - Jeremy Myers 2018-06-05 Does evangelism and witnessing make you uncomfortable? If so, you're about to be set free ... or maybe you'll become even

more uncomfortable. Using irony, satire, and humor, Jeremy Myers writes *Adventures in Fishing for Men* as an allegorical story about a man's quest to become a world-famous fisherman—without ever catching any fish. As an allegory about evangelism, this book is not about fishing, but about fishing for men. While a few of the stories are from the author's own life, all of the stories portray the general Christian approach to evangelism. As you read *Adventures in Fishing for Men*, you will see yourself in many of the stories, and will either be set free from some of the strange methods of modern evangelistic practices, or you will become upset at how your cherished traditions are being portrayed. But these were the two ways people responded to the parables of Jesus as well. The nameless fisherman of this book serves as a mirror to all who read of his adventures, shining a light on how far Christianity has strayed from the example set by Jesus. He who has ears to hear, let him

**Reaching the Lost** - Bobby Jamieson 2012-04-30

Jesus said, "The harvest is abundant but the laborers are few; so ask the master of the harvest to send out laborers for his harvest" (Luke 10:2). Today, the fields are ripe for harvest. God has prepared a

massive harvest that can compare to the heady missionary days after Pentecost. God is sounding a call to all His people to participate in bringing in this harvest. It is a call of the utmost importance and urgency.

**The Spiritual Mentor** - Jim Grassi 2013-11-26

There is nothing more fundamental to the Christian faith and to building godly men than discipleship. In today's vernacular, discipleship would best be described as "Spiritual Mentoring." Why are discipleship and mentoring so important? How does discipleship connect to the struggles men face today? Discipleship is a relational process that requires people to become actively involved in their faith. Devoted and active men can change the direction of our culture. Most importantly, God has commanded men to be the leaders in the home, church, and community. Authentic discipleship is about developing a caring concern

and a genuine love for others through modeling Christ-like attitudes and behavior in the context of relational environments. A fresh approach is needed to define, implement, and equip men with a passion to make disciples. It starts with relationship. Because it all starts with the individual, we must see one-on-one discipleship as the primary objective to begin the revolution. The Spiritual Mentor will explain how men can rescue their faith and how spiritual mentors must play a critical role in bringing the church back to its original purpose. Features include: Metaphors, anecdotes, and practical applications Practical tools for becoming a spiritual mentor Discussion questions Dr. Jim Grassi has captured the essence of what is happening today with men in the church and defined logical and practical steps to get back on course of men gaining a closer relationship with God in the mentoring and discipleship process. Dr. Grassi illustrates "the how to" thru practical

examples of situations we all know and can relate. Dr. Grassi sets the tone for a modern day Haggai in being strong and staying courageous, putting in the effort by serving and working at the process, and lastly knowing that God never leaves your side and is always with you. This book is a must read and must have for reference of every men's ministry leader. - Darrel Billups, NCMM, Executive Director Our men's small group just finished reading and discussing The Spiritual Mentor. We found the book to be challenging, informative and very practical. The stories and illustrations are captivating, giving insight into principles and techniques of discipleship. As fathers and grandfathers, we want to first be a positive influence on our families and then on others with whom we come in contact. This book has raised the level of our awareness of the responsibility and opportunity to serve God in fulfilling the most important directive given us by our Lord: to make disciples. Thank you

Jesus called some of his disciples while they were in their vocation as fishermen. Then he commissioned them to be fishers of men. In other words, He told his disciples to go out to witness, to win others for Christ and to make them disciples. This is essentially the Great Commission that is also given to us to go to make disciples. The prerequisites to carry out the Great Commission are simple; be a disciple, be humble and willing and be available. This book will be an encouragement to you to

take the first step by faith to mission. It is also our autobiography and as we became Christians, the Lord led us out of darkness into light and gradually guided us into serving Him in Short Term Mission.

Told by nine-year-old Benjamin, the youngest of four brothers, THE FISHERMEN is the Cain and Abel-esque story of a childhood in Nigeria, in the small town of Akure. When their father has to travel to a distant city for work, the brothers take advantage of his absence to skip school and go fishing. At the forbidden nearby river, they meet a madman who persuades the oldest of the boys that he is destined to be killed by one of his siblings. Brenda Bell 2013-07

"Fishers were trained and sent out two by two. They first preached that men should repent (change their ways). They cast out many devils, and anointed with oil many that were sick and healed them. When they learned how to fish for men, they were so pressed with people that they had to hide because they didn't even have enough time to eat.

Fishers of men deny themselves, take up their crosses (the inconvenience to themselves), and follow after Him. They are not afraid to do the things he did. When we read the four gospels, we should keep in mind one thing: everything that Jesus said and everything that He did was teaching us to be Fishers of Men." Brenda Bell presents the New Testament with a fresh perspective--everything that Jesus said and did was to teach his disciples to be fishers of men. When Jesus called Simon and Andrew, and later James and John, to come and follow him, he began their education on exactly how to be fishers of men. Join this master class on evangelism taught by Jesus himself. You'll discover that we are called to a higher purpose on this earth--"We Are Fishers of Men."
