Star Wars: Last Shot: A Han and Lando Novel - Daniel José Older
2018-04-19

Even the fastest ship in the galaxy can't outrun the past. . . . THEN: It's one of the galaxy's most dangerous secrets: a mysterious transmitter with unknown power and a reward for its discovery that most could only dream of claiming. But those who fly the Millennium Falcon throughout its infamous history aren't your average scoundrels. Not once, but twice, the crew of the Falcon tries to claim the elusive prize—first, Lando Calrissian and the droid L3-37 at the dawn of an ambitious career, and later, a young and hungry Han Solo with the help of his copilot, Chewbacca. But the device's creator, the volatile criminal Fyzen Gor, isn't interested in sharing. And Gor knows how to hold a grudge. . . . NOW: It's been ten years since the rebel hero Han Solo last encountered Fyzen Gor. After mounting a successful rebellion against the Empire and starting a family with an Alderaanian princess, Han hasn't given much thought to the mad inventor. But when Lando turns up at Han's doorstep in the middle of the night, it's Fyzen's assassins that he's running from. And without Han's help, Lando—and all life on Cloud City—will be annihilated. With the assistance of a young hotshot pilot, an Ewok slicer prodigy, the woman who might be the love of Lando's life, and Han's best and furriest friend, the two most notorious scoundrels in the New Republic are working together once more. They'll have to journey across the stars—and into the past—before Gor uses the device's power to reshape the galaxy.

Industrial Light and Magic Presents: Making Solo: a Star Wars Story - Rob Bredow 2019-04-16

Industrial Light & Magic Presents: Making Solo: A Star Wars Story is an eyewitness account of the film's production from visual effects supervisor and coproducer Rob Bredow. The book gives readers an intimate glimpse into the journey that Solo took from pre-production, production, and post-production, fully documenting how this film came to the big screen. Making Solo gives a chronological overview of how this multiple-Academy-Award-winning visual effects company created new worlds, aliens, droids, and vehicles for a galaxy far, far away, including insights into how the train heist on Vandor, L3-37, the Kessel Run, and the reimagined Millennium Falcon were brought to life. A must-have for Star Wars fans, this authorized, all-access book will be an indispensable work for all movie fans and devotees of popular culture.

Disney's Star Wars - William Proctor 2019-07-01

In 2012, Disney purchased Lucasfilm, which meant it also inherited the beloved Star Wars franchise. This corporate marriage sent media critics and fans into a frenzy of speculation about what would happen next with the hugely popular series. Disney's Star Wars gathers twenty-one noted fan and media studies scholars from around the world to examine Disney's revival of the franchise. Covering the period from Disney's purchase through the release of *The Force Awakens*, the book reveals how fans anticipated, interpreted, and responded to the steady stream of production stories, gossip, marketing materials, merchandise, and other sources in the build-up to the movie's release. From fears that Princess Leia would be turned into a "Disney princess" to collaborative brand management, the authors explore the shifting relationship between fans, texts, and media industries in the context of a crucial rebranding campaign. The result is a fascinating examination of a critical moment in the iconic series' history.

Star Wars: Knights of the Old Republic - Alex Kane 2019-07-31

Set an even longer time ago in a galaxy far, far away, BioWare's 2003 *Star Wars: Knights of the Old Republic* wowed players with its compelling characters, lightsaber customization, complex morality choices, and one of the greatest plot twists in both video game and Star Wars history. But even for veteran studios like LucasArts and BioWare, the responsibility of making both a great game and a lasting contribution to the Star Wars canon was no easy task. Featuring extensive new

interviews with a host of KotOR's producers, writers, designers, and actors, journalist Alex Kane weaves together an epic oral history of this classic game, from its roots in tabletop role-playing and comic books, to its continued influence on big-screen Star Wars films. Whether you align with the light or the dark side, you're invited to dive into this in-depth journey through one of the most beloved Star Wars titles of all time.

Star Wars Galaxy's Edge: Traveler's Guide to Batuu - Cole Horton
2020-06-09

Welcome to Batuu, a trading post at the edge of the galaxy where smugglers, bounty hunters, and rogue adventurers swap stories, food, and goods. Like any good tourist, you're going to need a guide book to lead you through your visit. Here is your official guide. In 2019, Disney opened a new Star Wars addition to their parks: The planet Batuu. Star Wars fans now have access to an authentic, in-world experience unlike anything they have ever seen before! This official guide to Batuu is written completely in-world, as if you are a visitor from another part of the galaxy, looking for recommendations on where to eat, sleep, and what to do during your trip to this planet. The guide also provides itineraries and descriptions of weekend trips "Beyond Batuu"; getaways to nearby planets and environs. The guide features: Full-color illustrations and maps Original content from Lucasfilm An in-world experience like no other Whether strolling in The Galaxy's Edge 15-acre park or simply being an armchair traveler, this immersive guide will delight any Star Wars fan.

Star Wars - Rodney Barnes 2019-02-25

Collects *Star Wars: Lando* #1-5. Straight from the frames of the highly anticipated film *Solo: A Star Wars Story* swaggers a younger and somehow even cockier Lando Calrissian! Before his days in the Rebellion, before he ran Cloud City, even before he lost the Millennium Falcon, comes this tale of Lando's adventures and misadventures in search of love and money leading right up to his appearance in *Solo*! Lando isn't one to stick his neck out unless there are credits to be had. So when oppressed workers in a droid junkyard need his help, they'd better hope their freedom is worth something to him. But one of their number is out to turn Lando over to his enemies and there are plenty of those. Will a galaxy of bad guys finally get their due against the ultimate thorn in their side?

Art of Solo - Phil Szostak 2018-05-25

Examines the development of the fantastic worlds, characters, and creatures of "Solo" through concept art, costume sketches, storyboards, blueprints, and exclusive interviews with the filmmakers.

Star Wars: The Fallen Star (The High Republic) - Claudia Gray
2022-01-04

In this gripping sequel to *Star Wars: The Rising Storm*, the light of the Jedi faces its darkest hour. Time and again, the vicious raiders known as the Nihil have sought to bring the golden age of the High Republic to a fiery end. Time and again, the High Republic has emerged battered and weary, but victorious thanks to its Jedi protectors—and there is no monument to their cause grander than the Starlight Beacon. Hanging like a jewel in the Outer Rim, the Beacon embodies the High Republic at the apex of its aspirations: a hub of culture and knowledge, a bright torch against the darkness of the unknown, and an extended hand of welcome to the furthest reaches of the galaxy. As survivors and refugees flee the Nihil's attacks, the Beacon and its crew stand ready to shelter and heal. The grateful Knights and Padawans of the Jedi Order stationed there finally have a chance to recover from the pain of their injuries and the grief of their losses. But the storm they thought had passed still

rages; they are simply caught in its eye. Marchion Ro, the true mastermind of the Nihil, is preparing his most daring attack yet—one designed to snuff out the light of the Jedi.

A New Hope: Star Wars: Episode IV - George Lucas 2011-06-28

The classic adventure that started it all A long time ago in a galaxy far, far away . . . Luke Skywalker lived and worked on his uncle's farm on the remote planet of Tatooine—and he was bored beyond belief. He yearned for adventures out among the stars, adventures that would take him beyond the farthest galaxies to distant and alien worlds. But Luke gets more than he bargained for when he intercepts a cryptic message from a beautiful princess held captive by a dark and powerful warlord. Luke doesn't know who she is, but he knows he has to save her—and soon, because time is running out. Armed only with courage and with the lightsaber that had been his father's, Luke is catapulted into the middle of the most savage space war ever—and headed straight for a desperate encounter on the enemy battle station known as the Death Star. . . .

Star Wars: Light of the Jedi (The High Republic) - Charles Soule 2021-06-29

#1 NEW YORK TIMES BESTSELLER • Long before the First Order, before the Empire, before even *The Phantom Menace* . . . Jedi lit the way for the galaxy in *The High Republic* It is a golden age. Intrepid hyperspace scouts expand the reach of the Republic to the furthest stars, worlds flourish under the benevolent leadership of the Senate, and peace reigns, enforced by the wisdom and strength of the renowned order of Force users known as the Jedi. With the Jedi at the height of their power, the free citizens of the galaxy are confident in their ability to weather any storm But the even brightest light can cast a shadow, and some storms defy any preparation. When a shocking catastrophe in hyperspace tears a ship to pieces, the flurry of shrapnel emerging from the disaster threatens an entire system. No sooner does the call for help go out than the Jedi race to the scene. The scope of the emergence, however, is enough to push even Jedi to their limit. As the sky breaks open and

destruction rains down upon the peaceful alliance they helped to build, the Jedi must trust in the Force to see them through a day in which a single mistake could cost billions of lives. Even as the Jedi battle valiantly against calamity, something truly deadly grows beyond the boundary of the Republic. The hyperspace disaster is far more sinister than the Jedi could ever suspect. A threat hides in the darkness, far from the light of the age, and harbors a secret that could strike fear into even a Jedi's heart.

The Best of Star Wars Insider Volume 10: Rogues, Scoundrels and Bounty Hunters - Jonathan Wilkins 2019-09-17

Star Wars: Rogues, Scoundrels, and Bounty Hunters celebrates the *Star Wars* saga's characters who exist in the shady underworld between the rebels and the Empire. This collection includes classic interviews with Harrison Ford (Han Solo), Jeremy Bulloch (Bob Fett), Peter Mayhew (Chewbacca), and the creative teams behind projects such as 'Shadows of the Empire' and Marvel's acclaimed 'Doctor Aphra' comic book series. Also included are in-depth examinations of key scenes, essential trivia and rarely seen images from the fringes of the *Star Wars* galaxy.

Galaxy's Edge: Black Spire (Star Wars) - Delilah S. Dawson 2019-08-27

Walk the ancient streets, meet the colorful characters, and uncover the secret history of *Star Wars: Galaxy's Edge*, the new expansion to the Disney Parks experience! After devastating losses at the hands of the First Order, General Leia Organa has dispatched her agents across the galaxy in search of allies, sanctuary, and firepower—and her top spy, Vi Moradi, may have just found all three, on a secluded world at the galaxy's edge. A planet of lush forests, precarious mountains, and towering, petrified trees, Batuu is on the furthest possible frontier of the galactic map, the last settled world before the mysterious expanse of Wild Space. The rogues, smugglers, and adventurers who eke out a living on the largest settlement on the planet, Black Spire Outpost, are here to avoid prying eyes and unnecessary complications. Vi, a Resistance spy on the run from the First Order, is hardly a welcome guest. And when a shuttle full of stormtroopers lands in her wake, determined to root her out, she has no idea where to find help. To survive, Vi will have to seek out the good-hearted heroes hiding in a world that redefines scum and villainy. With the help of a traitorous trooper and her acerbic droid, she begins to gather a colorful band of outcasts and misfits, and embarks on a mission to spark the fire of resistance on Batuu—before the First Order snuffs it out entirely.

Franchise Era - Fleury James Fleury 2019-04-01

As Hollywood shifts towards the digital era, the role of the media franchise has become more prominent. This edited collection, from a range of international scholars, argues that the franchise is now an integral element of American media culture. As such, the collection explores the production, distribution and marketing of franchises as a historical form of media-making - analysing the complex industrial practice of managing franchises across interconnected online platforms.

Examining how traditional media incumbents like studios and networks have responded to the rise of new entrants from the technology sector (such as Facebook, Apple, Amazon, Netflix and Google), the authors take a critical look at the way new and old industrial logics collide in an increasingly fragmented and consolidated mediascape.

Smuggler's Run - Greg Rucka 2015-09-04

Han Solo and Chewbacca the Wookiee team-up for an all-new adventure in this thrilling upper middle grade novel. Set between Star Wars: A New Hope and Star Wars: The Empire Strikes Back, the story follows everyone's favorite pair of smugglers as they fly the Millennium Falcon on a top-secret mission for the Rebellion. Hidden in the story are also hints and clues about the upcoming film, Star Wars: The Force Awakens, making this a must-read for fans old and new!

Rebel Dawn - A. C. Crispin 1998

When an old girlfriend and leader of an insurgent rebel group offers him a shot at an incredible fortune, Han can't resist. The resistance will be light and the take enormous. Then he discovers that the planet of Ylesia is far from a pushover, and that the rebels have an agenda of their own. *Star Wars: Lando's Luck* - Justina Ireland 2018-10-02

An all-new adventure starring Lando Calrissian and L3-37 onboard the Millennium Falcon! When Lando Calrissian gets caught smuggling on the planet Hynestia, the queen agrees to let him go if he delivers something called the Solstice Globe to the Empire on her behalf. Lando is relieved that his punishment is a simple delivery mission—but he soon discovers things are not as simple as they seem. The queen's daughter, Princess Rinetta, has stowed away on the Millennium Falcon and demands Lando and L3-37 take the globe back to its home planet, which needs the globe to survive. Now Lando has to choose: Do what's right, or do what's best for Lando. But if he's lucky enough, he just might be able to do both....

Solo: a Star Wars Story - Mur Lafferty 2019-05-02

This thrilling adaptation of Solo- A Star Wars Story expands on the film to include scenes from alternate versions of the script and other additional content, giving deeper insights into Han Solo's years in the Imperial Navy, Qi'ra's past, and the beginnings of the rebellion. Though Han Solo has thrilled Star Wars fans for decades, the notorious wisecracking scoundrel was chasing adventure and dodging trouble long before he walked into the cantina at Mos Eisley spaceport. Young Han dreams of someday soaring into space at the helm of his own starship and leaving his home, the gritty industrial planet Corellia, far behind. But as long as he's trapped in a life of poverty and crime—and under the thumb of the sinister Lady Proxima and her brutal street gang—reaching the distant stars seems impossible. When Han tries to escape with his girlfriend and partner-in-crime, Qi'ra, he makes it out—but she doesn't. Desperate for a way to find his own offworld vessel and free her, Han enlists in the Imperial Navy—the last place for a rebellious loner who doesn't play well with others. When the Empire clips his wings, Han goes rogue and plunges into the shady world of smugglers, gamblers, and con artists. There he meets the charming and cunning high roller Lando Calrissian, makes an unlikely friend in a cantankerous Wookiee called Chewbacca, and first lays eyes on the Millennium Falcon. To snag his piece of the outlaw pie, Han joins a crew of pirates to pull off a risky heist. The stakes are high, the danger is great, and the odds are slim. But never tell Han Solo the odds.

Not to mention a TIE Advanced Starfighter with a certain Sith Lord as its pilot?! As the rebels' plans crumble, Princess Leia must discover the cause of this disaster before it's too late! Her mission leads her aboard Darth Vader's personal Dreadnought but he always seems to know when his enemies are near. If

the Rebellion is to live on, sacrifice is needed but if hope dies, what survives? Plus: Luke Skywalker and smuggler Sana Starros attend a high-stakes pod racing event but why? Place your bets!

I Am C-3PO - The Inside Story - Anthony Daniels 2019-11-05

"Gloriously witty, keen and spirited" J.J. Abrams, Director of Star Wars: The Rise of Skywalker "The odds of me ever writing a book were approximately... Oh, never mind. My golden companion worries about such things - I don't. I have indeed now written a book - telling my story, in my voice, not his - recognizing that our voices and our stories are inextricably intertwined." When Star Wars burst onto the big screen in 1977, an unfailingly polite golden droid called C-3PO captured imaginations around the globe. But C-3PO wasn't an amazing display of animatronics with a unique and unforgettable voiceover. Inside the metal costume was an actor named Anthony Daniels. In this deeply personal memoir, Anthony Daniels recounts his experiences of the epic cinematic adventure that has influenced pop culture for more than 40 years. For the very first time, he candidly describes his most intimate memories as the only actor to appear in every Star Wars film - from his first meeting with George Lucas to the final, emotional days on the set of Star Wars: The Rise of Skywalker. With a foreword by J.J. Abrams and never-before-seen photography, this book is a nostalgic look back at the Skywalker saga as it comes to a close. *I Am C-3PO: The Inside Story* reveals Anthony Daniels' vulnerability, how he established his role and what he accomplished, and takes readers on a journey that just happens to start in a galaxy far, far away.

Mickey7 - Edward Ashton 2022-02-15

The Martian meets Multiplicity in Edward Ashton's high concept science fiction thriller, in which Mickey7, an "expendable," refuses to let his replacement clone Mickey8 take his place. Dying isn't any fun...but at least it's a living. Mickey7 is an Expendable: a disposable employee on a human expedition sent to colonize the ice world Niflheim. Whenever there's a mission that's too dangerous—even suicidal—the crew turns to Mickey. After one iteration dies, a new body is regenerated with most of his memories intact. After six deaths, Mickey7 understands the terms of his deal...and why it was the only colonial position unfilled when he took it. On a fairly routine scouting mission, Mickey7 goes missing and is

presumed dead. By the time he returns to the colony base, surprisingly helped back by native life, Mickey7's fate has been sealed. There's a new clone, Mickey8, reporting for Expendable duties. The idea of duplicate Expendables is universally loathed, and if caught, they will likely be thrown into the recycler for protein. Mickey7 must keep his double a secret from the rest of the colony. Meanwhile, life on Niflheim is getting worse. The atmosphere is unsuitable for humans, food is in short supply, and terraforming is going poorly. The native species are growing curious about their new neighbors, and that curiosity has Commander Marshall very afraid. Ultimately, the survival of both lifeforms will come down to Mickey7. That is, if he can just keep from dying for good.

Star Wars and History - Lucasfilm 2012-11-13

At last—an analysis of the historical patterns that influenced the creation and storyline of the Star Wars saga. Star Wars took place long ago in a galaxy far, far away, but its epic stories are based on our own history. From Ancient Egypt and the Roman Empire to the French Revolution and the Vietnam War, Star Wars and History explores the major historical turning points, heroes, and villains in human history and their impact on the creation of the Star Wars saga. Star Wars and History shows how the atomic and hydrogen bombs led to the Death Star; how Princess Leia's leadership in the Rebel Alliance resembled the daring work of intrepid women in the French Resistance during World War II and the Mexican Revolution; historical parallels between the Jedi Code and Bushido as well as those linking the Jedi culture with that of the Templar Knights and other warrior monks; and all of the history that underlies the Star Wars galaxy. Read how our own civilization's civil wars, slavery, international corporation states, and teenage queens were transformed into the epic Star Wars history and discover how Tatooine reflects the lawless frontiers of the past and Coruscant our own history of glittering and greedy capitals. The first book devoted to analyzing the actual historical events in our past that influenced the creation of the space fantasy, Star Wars Features 11 essays by a wise "council" of history scholars, written in close collaboration with George Lucas and Lucasfilm. Gives new insights into central Star Wars characters and historical figures who helped inspire them (including Luke Skywalker, Princess Leia, Han Solo, Darth Vader, Obi-Wan Kenobi, Queen Amidala, Yoda, Jabba the Hutt, Lando Calrissian, Emperor Palpatine, and others). Includes both stunning photos from the Lucasfilm Image Archives and historical photos that demonstrate the parallels between both worlds. Filled with fascinating historical comparisons and background that will take your experience of the Star Wars saga to a new level, Star Wars and History is an essential companion for every Star Wars fan.

Star Wars after Lucas - Dan Golding 2019-04-26

Politics, craft, and cultural nostalgia in the remaking of Star Wars for a new age. A long time ago, in a galaxy far, far away—way back in the twenty-first century's first decade—Star Wars seemed finished. Then in 2012 George Lucas shocked the entertainment world by selling the franchise, along with Lucasfilm, to Disney. This is the story of how, over the next five years, Star Wars went from near-certain extinction to what Wired magazine would call "the forever franchise," with more films in the works than its first four decades had produced. Focusing on The Force Awakens (2015), Rogue One (2016), The Last Jedi (2017), and the television series Rebels (2014–18), Dan Golding explores the significance of pop culture nostalgia in overcoming the skepticism, if not downright hostility, that greeted the Star Wars relaunch. At the same time he shows how Disney, even as it tapped a backward-looking obsession, was nonetheless creating genuinely new and contemporary entries in the Star Wars universe. A host of cultural factors and forces propelled the Disney-engineered Star Wars renaissance, and all figure in Golding's deeply informed analysis: from John Williams's music in The Force Awakens to Peter Cushing's CGI face in Rogue One, to Carrie Fisher's passing, to the rapidly changing audience demographic. Star Wars after Lucas delves into the various responses and political uses of the new Star Wars in a wider context, as in reaction videos on YouTube and hate-filled, misogynistic online rants. In its granular textual readings, broad cultural scope, and insights into the complexities of the multimedia galaxy, this book is as entertaining as it is enlightening, an apt reflection of the enduring power of the Star Wars franchise.

Killers of the Flower Moon - David Grann 2017-04-18

NATIONAL BOOK AWARD FINALIST • NATIONAL BESTSELLER • A twisting, haunting true-life murder mystery about one of the most monstrous crimes in American history, from the author of The Lost City of Z. In the 1920s, the richest people per capita in the world were members of the Osage Nation in Oklahoma. After oil was discovered beneath their land, the Osage rode in chauffeured automobiles, built

mansions, and sent their children to study in Europe. Then, one by one, the Osage began to be killed off. The family of an Osage woman, Mollie Burkhart, became a prime target. One of her relatives was shot. Another was poisoned. And it was just the beginning, as more and more Osage were dying under mysterious circumstances, and many of those who dared to investigate the killings were themselves murdered. As the death toll rose, the newly created FBI took up the case, and the young director, J. Edgar Hoover, turned to a former Texas Ranger named Tom White to try to unravel the mystery. White put together an undercover team, including a Native American agent who infiltrated the region, and together with the Osage began to expose one of the most chilling conspiracies in American history. Look for David Grann's new book, *The Wager*, coming in April 2023!
