Sing, O goddess, the anger of Achilles son of Peleus, that brought countless ills upon the Achaeans. Many a brave soul did it send hurrying down to Hades, and many a hero did it yield a prey to dogs and vultures, for so were the counsels of Jove fulfilled from the day on which the son of Atreus, king of men, and great Achilles, first fell out with one another. And which of the gods was it that set them on to

quarrel? It was the son of Jove and Leto; for he was angry with the king and sent a pestilence upon the host to plague the people, because the son of Atreus had dishonoured Chryses his priest. Now Chryses had come to the ships of the Achaeans to free his daughter, and had brought with him a great ransom: moreover he bore in his hand the sceptre of Apollo wreathed with a suppliant's wreath and he besought the Achaeans, but most of all the two sons of Atreus, who were their chiefs.

Classical Mythology in English Literature -
Geoffrey Miles 2002-09-11

Classical Mythology in English Literature brings together a range of English versions of three classical myths. It allows students to explore the ways in which they have been reinterpreted and reinvented by writers throughout history.

Beginning with a concise introduction to the principle Greco-Roman gods and heroes, the anthology then focuses on three stories: * Orpheus, the great musician and his quest to free his wife Eurydice from death * Venus and Adonis, the love goddess and the beautiful youth she loved * Pygmalion, the master sculptor who fell in love with his creation. Each section begins with the classical sources and ends with contemporary versions, showing how each myth has been used/abused or appropriated since its origins
