A People's History of Heaven - Mathangi Subramanian 2019-03-19

“Everything about *A People's History of Heaven* is wonderful: the lyrical, light touch of the narrator, the story, the humor, and most of all, the girls. Faced with bigotry and bulldozers, these girls know exactly what to do: stick together and help each other learn, love, see, fight. These are girls who save the world.” —Minal Hajratwala, award-winning author of *Leaving India* In the tight-knit community known as Heaven, a ramshackle slum hidden between luxury high-rises in Bangalore, India, five girls on the cusp of womanhood forge an unbreakable bond. Muslim, Christian, and Hindu; queer and straight; they are full of life, and they love and accept one another unconditionally. Whatever they have, they share. Marginalized women, they are determined to transcend their surroundings. When the local government threatens to demolish their tin shacks in order to build a shopping mall, the girls and their mothers refuse to be erased. Together they wage war on the bulldozers sent to bury their homes, and, ultimately, on the city that wishes that families like them would remain hidden forever. Elegant, poetic, and vibrant, *A People's History of Heaven* takes a clear-eyed look at adversity and geography—and dazzles in its depiction of these women's fierceness and determination not just to survive, but to triumph.

The three Beauchamp women—Joanna and her daughters Freya and Ingrid—live in North Hampton, out on the tip of Long Island. Their

beautiful, mist-shrouded town seems almost stuck in time, and all three women lead seemingly quiet, uneventful existences. But they are harboring a mighty secret—they are powerful witches banned from using their magic. Joanna can resurrect people from the dead and heal the most serious of injuries. Ingrid, her bookish daughter, has the ability to predict the future and weave knots that can solve anything from infertility to infidelity. And finally, there's Freya, the wild child, who has a charm or a potion that can cure most any heartache. For centuries, all three women have been forced to suppress their abilities. But then Freya, who is about to get married to the wealthy and mysterious Bran Gardiner, finds that her increasingly complicated romantic life makes it more difficult than ever to hide her secret. Soon Ingrid and Joanna confront similar dilemmas, and the Beauchamp women realize they can no longer conceal their true selves. They unearth their wands from the attic, dust off their broomsticks, and begin casting spells on the townspeople. It all seems like a bit of good-natured, innocent magic, but then mysterious, violent attacks begin to plague the town. When a young girl disappears over the Fourth of July weekend, they realize it's time to uncover who and what dark forces are working against them. With a brand-new cast of characters, a fascinating and fresh world to discover, and a few surprise appearances from some of the Blue Blood fan favorites, this is a page-turning, deliciously fun, magical summer read fraught with love affairs, witchcraft, and an unforgettable battle between good and evil.
