The Fighting Ground - Avi
2016-03-08

Scott O'Dell Award for Best Historical Fiction * ALA Notable Book * ALA Best Books for YA Newbery Medal-winning author Avi tells the “compelling story of a young boy's first encounter with war and how it changes him.”—Publishers Weekly Jonathan may be only thirteen years old, but with the Revolutionary War unfolding around him, he's more certain than ever that he wants to be a part of it—to fight for independence alongside his

brother and cousin to defeat the British. But Jonathan's father, himself wounded from battle, refuses to let his son join the front lines. When Jonathan hears the tavern bell toll, calling all soldiers to arms, he rushes to enlist without telling his dad. Gun in hand, Jonathan falls in with a militia and marches onward to the fighting ground. It feels like he's been waiting his whole life for this moment. But no amount of daydreaming could prepare Jonathan for what he encounters. In just twenty-four hours, his life will be forever changed—by his fellow soldiers, unsuspecting enemies, and the frightening and complicated realities of war. More than thirty years after its publication, award-winner *The Fighting Ground* continues to be an important work of historical fiction for young readers.

Touching Spirit Bear - Ben Mikaelson
2010-04-20

In his Nautilus Award-winning classic *Touching Spirit Bear*, author Ben Mikaelson delivers a powerful coming-of-age story

of a boy who must overcome the effects that violence has had on his life. After severely injuring Peter Driscall in an empty parking lot, mischief-maker Cole Matthews is in major trouble. But instead of jail time, Cole is given another option: attend Circle Justice, an alternative program that sends juvenile offenders to a remote Alaskan Island to focus on changing their ways. Desperate to avoid prison, Cole fakes humility and agrees to go. While there, Cole is mauled by a mysterious white bear and left for dead. Thoughts of his abusive parents, helpless Peter, and his own anger cause him to examine his actions and seek redemption—from the spirit bear that attacked him, from his victims, and, most importantly, from himself. Ben Mikaelson paints a vivid picture of a juvenile offender, examining the roots of his anger without absolving him of responsibility for his actions, and questioning a society in which angry people make victims of their peers and communities. Touching Spirit

Bear is a poignant testimonial to the power of a pain that can destroy, or lead to healing. A strong choice for independent reading, sharing in the classroom, homeschooling, and book groups.

The Writing Revolution -

Judith C. Hochman 2017-08-07

Why you need a writing revolution in your classroom and how to lead it The Writing Revolution (TWR) provides a clear method of instruction that you can use no matter what subject or grade level you teach. The model, also known as The Hochman Method, has demonstrated, over and over, that it can turn weak writers into strong communicators by focusing on specific techniques that match their needs and by providing them with targeted feedback. Insurmountable as the challenges faced by many students may seem, The

Writing Revolution can make a dramatic difference. And the method does more than improve writing skills. It also helps: Boost reading comprehension Improve organizational and study skills Enhance speaking abilities Develop analytical capabilities The Writing Revolution is as much a method of teaching content as it is a method of teaching writing. There's no separate writing block and no separate writing curriculum. Instead, teachers of all subjects adapt the TWR strategies and activities to their current curriculum and weave them into their content instruction. But perhaps what's most revolutionary about the TWR method is that it takes the mystery out of learning to write well. It breaks the writing process down into manageable chunks and then has students practice the chunks they need, repeatedly, while also learning content.

Be a Perfect Person in Just Three Days! - Stephen Manes
2018-01-12

Is it possible? Can an ordinary

human being really become a perfect person in three short days? Milo Crinkley thought so. What gave him the idea was a book that fell on his head one day at the library--a book with the impressive title *Be a Perfect Person in Just Three Days!* The author, Dr. K. Pinkerton Silverfish, did look kind of weird, but he claimed to be the world's leading authority on perfection. Milo took the book home and followed its instructions. He liked the idea of being perfect. Perfect people never had their parents nag at them. Perfect people never had to take the blame for rotten tricks their sisters played. Perfect people never needed erasers. Perfect was obviously the perfect thing to be! Did Milo become a perfect person in just three days? More important, can you? Do you think we're going to answer all your questions here when we want you to read this hilarious book? A personal message from Dr. K. Pinkerton Silverfish, world's leading expert on perfection: ● Maybe you think it's all a lot of

baloney. Maybe you think nobody can become perfect in three short days. Well, maybe you should think again! ● Here's my no-risk guarantee: Try this book for just three days. If you're not absolutely delighted with the results, you can go soak your head. Now, what could be fairer than that?

● I won't be satisfied until every man, woman, and child on the face of the earth completes my amazing crash course in perfection. So, remember: If you don't read this book, I'm going to tell on you!
