An Elephant in the Garden - Michael Morpurgo 2014-10-15

An Elephant in the Garden is Simon Reade's new adaptation of Michael Morpurgo's best-selling children's novel. 1945. Dresden, Germany. Lizzie, her mother - and an elephant from the zoo, flee the Allied fire-bombing in the end-game of the Second World War. Escaping the Allies' advance from the West - and also the advancing Russian armies from the East - this extraordinary trio of refugees meet: a downed RAF officer, cowering in a barn; a homeless school choir on the run and their Countess saviour, harbouring them from the Nazis; and the mechanised American cavalry, appearing over the horizon. It is Lizzie's story - but Marlene, the elephant, is the heroine. Plodding, obdurate, opportunistic, loadbearing, indestructible, cheering - Marlene embodies the stubbornness of the human will and how it will do everything to survive.

Twelve-year-old Crow has lived her entire life on a tiny, isolated piece of the starkly beautiful Elizabeth Islands in Massachusetts. Abandoned and set adrift in a small boat when she was just hours old, Crow's only companions are Osh, the man who rescued and raised her, and Miss Maggie, their fierce and affectionate neighbor across the sandbar. Crow has always been curious about the world around her, but it isn't until the night a mysterious fire appears across the water that the unspoken question of her own history forms in her heart. Soon, an unstoppable chain of events is triggered, leading Crow down a path of discovery and danger. Vivid and heart-wrenching, Lauren Wolk's *Beyond the Bright Sea* is a gorgeously crafted and tensely paced tale that explores questions of identity, belonging, and the true meaning of family.

Wolf Hollow - Lauren Wolk 2016-05-03

A Newbery Honor Book New York Times Bestseller "Wolf Hollow has stayed with me long after I closed the book. It has the feel of an instant classic." —Linda Sue Park, Newbery Medalist and New York Times bestselling author of *A Long Walk to Water* "This book matters." —Sara Pennypacker, New York Times bestselling author of *Pax* Despite growing up in the shadows cast by two world wars, Annabelle has lived a mostly quiet, steady life in her small Pennsylvania town. Until the day new student Betty Glengarry walks into her class. Betty quickly reveals herself to be cruel and manipulative, and though her bullying seems isolated at first, it quickly escalates. Toby, a reclusive World War I veteran, soon becomes the target of Betty's attacks. While others see Toby's strangeness, Annabelle knows only kindness. And as tensions

mount in their small community, Annabelle must find the courage to stand as a lone voice for justice. The brilliantly crafted debut of Newbery Honor- and Scott O'Dell Award-winning author Lauren Wolk (*Beyond the Bright Sea*, *Echo Mountain*), *Wolf Hollow* is a haunting tale of America at a crossroads and a time when one girl's resilience, strength, and compassion help to illuminate the darkest corners of history.

Orphan Island - Laurel Snyder 2017-05-30

A National Book Award Longlist title! "A wondrous book, wise and wild and deeply true." —Kelly Barnhill, Newbery Medal-winning author of *The Girl Who Drank the Moon* "This is one of those books that haunts you long after you read it. Thought-provoking and magical." —Rick Riordan, author of the *Percy Jackson* series In the tradition of modern-day classics like Sara Pennypacker's *Pax* and Lois Lowry's *The Giver* comes a deep, compelling, heartbreaking, and completely one-of-a-kind novel about nine children who live on a mysterious island. On the island, everything is perfect. The sun rises in a sky filled with dancing shapes; the wind, water, and trees shelter and protect those who live there; when the nine children go to sleep in their cabins, it is with full stomachs and joy in their hearts. And only one thing ever changes: on that day, each year, when a boat appears from the mist upon the ocean carrying one young child to join them—and taking the eldest one away, never to be seen again. Today's Changing is no different. The boat arrives, taking away Jinny's best friend, Deen, replacing him with a new little girl named Ess, and leaving Jinny as the new Elder. Jinny knows her responsibility now—to teach Ess everything she needs to know about the island, to keep things as they've always been. But will she be ready for the inevitable day when the boat will come back—and take her away forever from the only home she's known? "A unique and compelling story about nine children who live with no adults on a mysterious island. Anyone who has ever been scared of leaving their family will love this book" (from the *Brightly.com* review, which named *Orphan Island* a best book of 2017).

My Jasper June - Laurel Snyder 2019-09-03

"This book is a treasure—a touching story of friendship, loss, and finding beauty in the everyday, with characters who stay with you long after you've turned the final page. I absolutely loved it."—R. J. Palacio, New York Times bestselling author of *Wonder* Laurel Snyder, author of *Orphan Island*, returns with another unforgettable story of the moments in which we find out who we are, and the life-altering friendships that show us what we can be. The school year is over, and it is summer in Atlanta. The sky is blue, the sun is blazing, and the days brim with possibility. But Leah feels. . . lost. She has been this way since one terrible afternoon a year ago, when everything changed. Since that day, her parents have become distant, her friends have fallen away, and Leah's been adrift and alone. Then she meets Jasper, a girl unlike anyone she has ever known. There's something mysterious about Jasper, almost magical. And Jasper, Leah discovers, is also lost. Together, the two girls carve out a place for themselves, a hideaway in the overgrown spaces of Atlanta, away from their parents and their hardships, somewhere only they can find. But as the days of this magical June start to draw to a close, and the darker realities of their lives intrude once more, Leah and Jasper have to decide how real their friendship is, and whether it can be enough to save them both.

Echo Mountain - Lauren Wolk 2021-04-27

□ "Historical fiction at its finest." -The Horn Book "There has never been a better time to read about healing, of both the body and the heart." -The New York Times Book Review *Echo Mountain* is an

acclaimed best book of 2020! An NPR Best Book of the Year • A Horn Book Fanfare Selection • A Kirkus Best Book of the Year • A Publishers Weekly Best Book of the Year • A School Library Journal Best Book of the Year • A Chicago Public Library Best Book of the Year After losing almost everything in the Great Depression, Ellie's family is forced to leave their home in town and start over in the untamed wilderness of nearby Echo Mountain. Ellie has found a welcome freedom, and a love of the natural world, in her new life on the mountain. But there is little joy after a terrible accident leaves her father in a coma. An accident unfairly blamed on Ellie. Ellie is a girl who takes matters into her own hands, and determined to help her father she will make her way to the top of the mountain in search of the healing secrets of a woman known only as "the hag." But the hag, and the mountain, still have many untold stories left to reveal. Historical fiction at its finest, *Echo Mountain* is celebration of finding your own path and becoming your truest self. Lauren Wolk, the Newbery Honor- and Scott O'Dell Award-winning author of *Wolf Hollow* and *Beyond the Bright Sea*, weaves a stunning tale of resilience, persistence, and friendship across three generations of families. "Soothing and exquisitely written." -People "This is a book that will soothe readers like a healing balm." -The Wall Street Journal "Brilliant." -Lynda Mullaly Hunt, bestselling author of *Fish in a Tree*

Whittington - Alan Armstrong 2009-07-08

The power of reading is beautifully captured in this 2006 Newbery Honor-winning book. Bernie keeps a barn full of animals the rest of the world has no use for—two retired trotters, a rooster, some banty hens, and a Muscovy duck with clipped wings who calls herself The Lady. When the cat called Whittington shows up one day, it is to the Lady that he makes an appeal to secure a place in the barn. The Lady's a little hesitant at first, but when the cat claims to be a master ratter, that clinches it. Bernie's orphaned grandkids, Abby and Ben, come to the barn every day to help feed the animals. Abby shares her worry that Ben can't really read yet and that he refuses to go to Special Ed. Whittington and the Lady decide that Abby should give Ben reading lessons in the barn. It is a balm for Ben when, having toughed out the daily lesson, Whittington comes to tell, in tantalizing installments, the story handed down to him from his nameless forebearer, Dick Whittington's cat—the legend of the lad born into poverty in rural England during the Black Death, who runs away to London to seek his fortune. This is an unforgettable tale about how learning to read saves one little boy. It is about the healing, transcendent power of storytelling and how, if you have loved ones surrounding you and good stories to tell, to listen to, and to read, you have just about everything of value in this world.

Lalani of the Distant Sea - Erin Entrada Kelly 2019-09-03

"Fast-paced and full of wonder, this is a powerful, gripping must-read."—Kirkus (starred review) "A lush and mysterious fable, full of beauty, full of wonder."—Rebecca Stead, Newbery Medal-winning author of *When You Reach Me* Newbery Medalist Erin Entrada Kelly's debut fantasy novel is a gorgeous, literary adventure about bravery, friendship, self-reliance, and the choice between accepting fate or forging your own path. When Lalani Sarita's mother falls ill with an incurable disease, Lalani embarks on a dangerous journey across the sea in the hope of safeguarding her own future. Inspired by Filipino folklore, this engrossing fantasy is for readers who loved Grace Lin's *Where the Mountain Meets the Moon* and Disney's *Moana*. Life is difficult on the island of Sanlagita. To the west looms a vengeful mountain, one that threatens to collapse and bury the village at any moment. To the north, a dangerous fog swallows sailors who dare to venture out, looking for a more hospitable land. And what does the future hold for young girls? Chores and more chores. When Lalani Sarita's mother falls gravely ill, twelve-year-old Lalani faces an impossible task—she must leave Sanlagita and find the riches of the legendary Mount Isa, which towers on an island to the north. But generations of men and boys have died on the same quest—how can an ordinary girl survive the epic tests of the archipelago? And how will she manage without Veyda, her best friend? Newbery Medalist and New York Times–bestselling author Erin Entrada Kelly's debut fantasy novel is inspired by Filipino folklore and is an unforgettable coming-of-age story about friendship, courage, and identity. Perfect for fans of Lauren Wolk's *Beyond the Bright Sea* and Kelly Barnhill's *The Girl Who Drank the Moon*.

Salt - Hannah Moskowitz 2018-10-30

Roaming the Mediterranean Sea on sailboats and hunting down monsters is the only life seventeen-year-old Indi and his siblings have ever known. He never loved it, but now that his parents are gone—vanished

during a hunt three months ago—it's harder and harder to fight his desire to escape. He's constantly battling his ferocious love for his siblings and the temptation of his parents' journal, which contains directions to a treasure that their parents hinted at. Maybe it's something valuable enough to distract Beleza from her mission to hunt down the monster that killed their parents. Something that would take the little kids away from the sea that's turning Oscar into a pirate and wasting Zulu's brilliant six-year-old mind. Something that could give Indi a normal life. Acclaimed author Hannah Moskowitz has reinvented yet another genre in this ridiculously propulsive epic that is part seafaring epic, part coming-of-age tale, and a totally warm-hearted story of a boy who loves his family and just wants to figure his own self out—if only the fate of the world weren't on his shoulders.

Green Pants - Kenneth Kraegel 2017

Jameson refuses to wear pants that are not green, until he has to choose between wearing his green pants and wearing a tuxedo with black pants so that he can be in his cousin's wedding.

Beyond the Bright Sea - Lauren Wolk 2017

'Harper Lee has a worthy successor. Wolk is a big new talent' - The TimesCrow has lived her whole life on a tiny, starkly beautiful island. Her only companions are Osh, the man who rescued her from a washed-up skiff as a baby and raised her, and Miss Maggie, their neighbour across the sandbar. But it is only when a mysterious fire appears across the water that an unspoken question of her own history forms in Crow's heart, and an unstoppable chain of events is triggered. Crow sets out to find her lost identity - and, ultimately, to learn what it means to be a family. Vivid and heartfelt, *Beyond the Bright Seas* is a gorgeously crafted, gripping tale of buried treasure and belonging.

Rural Rides - William Cobbett 2020-04-09

Rural Rides is the book for which the English journalist, agriculturist and political reformer William Cobbett is best known. At the time of writing *Rural Rides*, in the early 1820s, Cobbett was a radical anti-Corn Law campaigner. He embarked on a series of journeys by horseback through the countryside of Southeast England and the English Midlands. He wrote down what he saw from the points of view both of a farmer and a social reformer. The result documents the early 19th-century countryside and its people as well as giving free vent to Cobbett's opinions

Twenty Thousand Leagues Under the Sea - Jules Verne 2020-09-28

The year 1866 was signalled by a remarkable incident, a mysterious and puzzling phenomenon, which doubtless no one has yet forgotten. Not to mention rumours which agitated the maritime population and excited the public mind, even in the interior of continents, seafaring men were particularly excited. Merchants, common sailors, captains of vessels, skippers, both of Europe and America, naval officers of all countries, and the Governments of several States on the two continents, were deeply interested in the matter. For some time past vessels had been met by "an enormous thing," a long object, spindle-shaped, occasionally phosphorescent, and infinitely larger and more rapid in its movements than a whale. The facts relating to this apparition (entered in various log-books) agreed in most respects as to the shape of the object or creature in question, the untiring rapidity of its movements, its surprising power of locomotion, and the peculiar life with which it seemed endowed. If it was a whale, it surpassed in size all those hitherto classified in science. Taking into consideration the mean of observations made at divers times—rejecting the timid estimate of those who assigned to this object a length of two hundred feet, equally with the exaggerated opinions which set it down as a mile in width and three in length—we might fairly conclude that this mysterious being surpassed greatly all dimensions admitted by the learned ones of the day, if it existed at all. And that it DID exist was an undeniable fact; and, with that tendency which disposes the human mind in favour of the marvellous, we can understand the excitement produced in the entire world by this supernatural apparition. As to classing it in the list of fables, the idea was out of the question. On the 20th of July, 1866, the steamer Governor Higginson, of the Calcutta and Burnach Steam Navigation Company, had met this moving mass five miles off the east coast of Australia. Captain Baker thought at first that he was in the presence of an unknown sandbank; he even prepared to determine its exact position when two columns of water, projected by the mysterious object, shot with a hissing noise a hundred and fifty feet up into the air. Now, unless the sandbank had been submitted to the intermittent eruption of a geyser, the Governor Higginson had to do neither more nor less than with an aquatic mammal, unknown till

then, which threw up from its blow-holes columns of water mixed with air and vapour. Similar facts were observed on the 23rd of July in the same year, in the Pacific Ocean, by the Columbus, of the West India and Pacific Steam Navigation Company. But this extraordinary creature could transport itself from one place to another with surprising velocity; as, in an interval of three days, the Governor Higginson and the Columbus had observed it at two different points of the chart, separated by a distance of more than seven hundred nautical leagues.

Goddess of Yesterday - Caroline B. Cooney 2009-05-12

Anaxandra is taken from her birth island at age 6 by King Nicander to be a companion to his crippled daughter, Princess Callisto. Six years later, her new island is sacked by pirates and she is the sole survivor. Alone with only her Medusa figurine, she reinvents herself as Princess Callisto when Menelaus, great king of Sparta, lands with his men. He takes her back to Sparta with him where Helen, his beautiful wife, does not believe that the red-headed child is Princess Callisto. Although fearful of the half-mortal, half-goddess Helen, Anaxandra is able to stay out of harm's way—until the Trojan princes Paris and Aeneas arrive. Paris and Helen's fascination with each other soon turns to passion and plunges Sparta and Troy into war. Can Anaxandra find the courage to reinvent herself once again, appease the gods, and save herself? In Caroline B. Cooney's epic tale of one girl's courage and will to survive, Anaxandra learns that home is where you make it and identity goes deeper than just your name.

My Louisiana Sky - Kimberly Willis Holt 2011-02-15

Tiger Ann Parker wants nothing more than to get out of the rural town of Saitter, Louisiana--far away from her mentally disabled mother, her "slow" father who can't read an electric bill, and her classmates who taunt her. So when Aunt Dorie Kay asks Tiger to spend the summer with her in Baton Rouge, Tiger can't wait to go. But before she leaves, the sudden revelation of a dark family secret prompts Tiger to make a decision that will ultimately change her life. Set in the South in the late 1950s, this coming-of-age novel explores a twelve-year-old girl's struggle to accept her grandmother's death, her mentally deficient parents, and the changing world around her. It is a novel filled with beautiful language and unforgettable characters, and the importance of family and home. My Louisiana Sky is a 1998 Boston Globe - Horn Book Award Honor Book for Fiction.

The Ostrich and Other Lost Things - Beth Hautala 2018-02-20

In this beautifully written novel, the bonds and challenges of caring for a sibling with autism are bravely explored, along with the pain and power that comes from self-discovery. Eleven-year-old Olivia Grant has a knack for finding lost things. She can find lost rings, pets, and even her elderly neighbor's misplaced glasses. There's only one thing Olivia has never been able to find--her brother Jacob's toy ostrich. It wasn't

until the day Jacob lost his ostrich that Olivia noticed how different he was: Jacob is autistic, and though she's his little sister, Olivia often feels like the older of the pair, his caretaker. And with her parents so heavily focused on maintaining status quo for Jacob, it's Olivia who has stagnated in his shadow--unable to explore new opportunities, or to be her own person. In fact, apart from being Jacob's sister, Olivia's not really sure who she is. So when summer break begins, and the local community theater announces auditions for an all children's production of her favorite show, *Peter Pan*, Olivia jumps at the chance to claim something for herself. But what begins as a promising opportunity and a wonderful escape quickly becomes pure chaos. The visiting zoo with an odd assortment of animals--including an ostrich that causes even more trouble than Jacob's missing toy--only make matters worse, as Olivia's summer is shaping up to be just as consumed by Jacob's needs as the rest of her life has been. In time, and with the help of some unlikely alliances, Olivia must learn what it means to be separate from her brother and still love him, how to love herself in spite of her own flaws, and that not all lost things are meant to be found. Praise for *The Ostrich and Other Lost Things*: "The Ostrich and Other Lost Things is a delicate, warm, textured novel that explores the wonder, pain, envy, and intimacy of sibling relationships. Written with a huge dose of compassion and vulnerability, there is so much to love about the world Olivia and her brother Jacob inhabit. I lost myself in this wonderful world, and I know that Olivia herself wouldn't be able to find me."--Corey Ann Haydu, author of *The Someday Suitcase* and *Rules for Stealing Stars* "Beth Hautala weaves a powerful tale about the challenges of having a sibling with autism. Olivia steals our heart as she tries to find what is lost and make her family whole again. The Ostrich and Other Lost Things is full of memorable characters, riveting moments, and surprising turns that add up to a very heartwarming and magical read. I loved it!"--Dana Middleton, author of *The Infinity Year of Avalon* James "A brave beautiful story. I loved this book."--Paul Acampora, author of *I Kill the Mockingbird* "Hautala offers an emotionally adept story about love and understanding."--School Library Journal "This is hands down the best book with an autistic character that I have ever read. I would recommend this title for those who enjoy books like *Wonder* (Knopf, 2012), *Out of My Mind* (Atheneum, 2010), and *The Running Dream* (Knopf, 2011). It has a wonderful plot that readers will love and teaches a lot about dealing with individuals who are diagnosed with autism. This is a must read!"--School Library Connection "A heartfelt story of sibling relationships, self-discovery, and unconditional love."--Voice of Youth Advocates "While readers with neurodiverse siblings are the obvious audience for this, the anxieties Olivia expresses and her attempts to control outcomes will resonate with a much broader spectrum of tweens."—Bulletin of the Center for Children's Books

[Those Who Favor Fire](#) - Lauren Wolk 2009-04-23

People feel at home in Belle Haven, and in many ways it is like any other small town, with a café where regulars come for the fresh cinnamon rolls and to talk about the weather, or one another, often staying all day. It's a town with the usual collection of quirky characters--the people everyone knows who, by staying in one place long enough, have become part of its landscape. But what sets Belle Haven apart is its especially strong sense of community, which is both strengthened and tested by the uncontrollable mine fire that burns below the town. Sometimes it breaks through the earth's surface to swallow somebody's garden or a garbage can, even a beloved pet, or to threaten a house. *Those Who Favor Fire* is the love story of Rachel Hearn, who has lived in Belle Haven all her life, and the man everyone calls Just Joe, who has arrived only recently--and the story of their love for the town that has brought them together. But as the fire intensifies, endangering Belle Haven and its people, it also threatens what Joe and Rachel have found together. Though some reluctantly consider relocating, Rachel refuses to leave the only place she's ever called home, the place that holds her richest memories. But Joe knows the danger of becoming too firmly rooted in a place. Ultimately, Rachel and Joe must decide whether to abandon their beloved town. In her wonderful debut novel, Lauren Wolk has created a town every bit as real as the Mitford of Jan Karon's novels and populated it with characters as quirky, lively, and endearing as Fannie Flaggs's.

If Sharks Disappeared - Lily Williams 2017-05-23

A healthy ocean is home to many different kinds of animals. They can be big, like a whale, tiny, like a shrimp, and even scary, like a shark. Even though sharks can be scary, we need them to keep the oceans healthy. Unfortunately, due to overfishing, many shark species are in danger of extinction, and that can cause big problems in the oceans and even on land. What would happen if this continued and sharks disappeared completely? Artist Lily Williams explores how the disappearance would affect other animals across the whole planet in this clever book about the importance of keeping sharks, and our oceans, healthy.

[My Overdue Book](#) - Peter Bright 2015-04-30

My Overdue Book: Too many stories not to tell: spells out the varied episodes in the life of a man who spent decades working in Hollywood. He began as a little boy in Cincinnati impressed early on by the broadcasting magic of radio and then TV in the middle of twentieth century America. His drive to get into broadcasting culminates in an early success that gets interrupted by an unexpected sidebar in The US Army and a subsequent tour as an Infantryman in Vietnam in the late 1960's. His yearlong excursion in "Fun City East," with its repeated life and death experiences, had lifelong effects on this soldier-of-media. Following his wanderings through the jungles of Vietnam, Bright's interactions with many of America's top public figures throughout his decades in radio and television come to life with intriguing stories that are personal, professional, positive and negative. It's life without a filter! Readers across generations will share and co-experience numerous real life feelings and emotions with writer Bright as his winding trail of life opens in front of them. book endorsement for peter bright; i always thought that peter bright and i had many things in common; we both grew up in ohio, we both had careers in the live event and variety side of television, and the few times we had times to talk i thought we shared a mutual philosophy toward the ups and downs of life. but it wasn't until i read his "overdue" book that i realized just what a rich and storied life peter has had and how much more deeply he had experienced the highs and lows, particularly during his years in the military, than i ever could have imagined. it really amazes me just how little we know about people we think

we know, and just how much more we appreciate who they are when we are fortunate enough to have that background filled in by someone as articulate and able to express both facts and feelings as peter has in this book. when i started to read it, i thought all of those common events that we shared would be an interesting parallel track to my life and as such i would have a great frame of reference, but as i read on, i realized just what an amazing story peter has to tell and just how well he tells it. ken ehrlich, executive producer, the grammy awards

But when Xingyin's magic flares and her existence is discovered, she is forced to flee her home, leaving her mother behind. Alone, powerless, and afraid, she makes her way to the Celestial Kingdom, a land of wonder and secrets. Disguising her identity, she seizes an opportunity to learn alongside the emperor's son, mastering archery and magic, even as passion flames between her and the prince. To save her mother, Xingyin embarks on a perilous quest, confronting legendary creatures and vicious enemies. But when treachery looms and forbidden magic threatens the kingdom, she must challenge the ruthless Celestial Emperor for her dream—striking a dangerous bargain in which she is torn between losing all she loves or plunging the realm into chaos. *Daughter of the Moon Goddess* begins an enchanting duology which weaves ancient Chinese mythology into a sweeping adventure of immortals and magic, of loss and sacrifice—where love vies with honor, dreams are fraught with betrayal, and hope emerges triumphant.

The Light Between Oceans - M.L. Stedman 2012-07-31

"A novel set on a remote Australian island, where a childless couple live quietly running a lighthouse, until a boat carrying a baby washes ashore"--

Pharmacy Girl - Kate Szegda 2019-02-05

Everyone likes Josie, except the spoiled and arrogant Billy Detwiler. He calls her Pharmacy Girl, but it is no compliment. As the hazy days of September 1918 drift into the deadly autumn of Spanish influenza, twelve-year-old Josie Winslow's everyday problems of school and friends, even the war effort at home, become insignificant as everyone battles the epidemic. Josie's parents try to isolate her from the flu, but Josie is no slacker. She faces Billy in a class election, raises money for the Liberty Loan, and steps up to help the family when her mother comes down with influenza. Josie catches the flu after helping the people she loves—and hates—to survive.

of an orphan, determined to know her own history, who discovers the true meaning of family. Twelve-year-old Crow has lived her entire life on a tiny, isolated piece of the starkly beautiful Elizabeth Islands in Massachusetts. Abandoned and set adrift in a small boat when she was just hours old, Crow's only companions are Osh, the man who rescued and raised her, and Miss Maggie, their fierce and affectionate neighbor across the sandbar. Crow has always been curious about the world around her, but it isn't until the night a mysterious fire appears across the water that the unspoken question of her own history forms in her heart. Soon, an unstoppable chain of events is triggered, leading Crow down a path of discovery and danger. Vivid and heart-wrenching, Lauren Wolk's *Beyond the Bright Sea* is a gorgeously crafted and tensely paced tale that explores questions of identity, belonging, and the true meaning of family.

When You Trap a Tiger - Tae Keller 2020-01-28

WINNER OF THE NEWBERY MEDAL • NEW YORK TIMES BESTSELLER WINNER OF THE ASIAN/PACIFIC AMERICAN AWARD FOR CHILDREN'S LITERATURE Would you make a deal with a magical tiger? This uplifting story brings Korean folklore to life as a girl goes on a quest to unlock the power of stories and save her grandmother. Some stories refuse to stay bottled up... When Lily and her family move in with her sick grandmother, a magical tiger straight out of her halmoni's Korean folktales arrives, prompting Lily to unravel a secret family history. Long, long ago, Halmoni stole something from the tigers. Now they want it back. And when one of the tigers approaches Lily with a deal--return what her grandmother stole in exchange for Halmoni's health--Lily is tempted to agree. But deals with tigers are never what they seem! With the help of her sister and her new friend Ricky, Lily must find her voice...and the courage to face a tiger. Tae Keller, the award-winning author of *The Science of Breakable Things*, shares a sparkling tale about the power of stories and the magic of family. Think *Walk Two Moons* meets *Where the Mountain Meets the Moon*! "If stories were written in the stars ... this wondrous tale would be one of the brightest." --Booklist, Starred Review

The Girl with the Silver Eyes - Willo Davis Roberts 2017-10-03

"There's something strange about that kid." At least that's what everyone says, but they don't know the truth. Perfect for fans of *Stranger Things*, this classic novel continues to enthrall. Katie Welker is used to being alone. She would rather read a book than deal with other people. Other people don't have silver eyes. Other people can't make things happen just by thinking about them! But these special powers make Katie unusual, and it's hard to make friends when you're unusual. Katie knows that she's different but she's never done anything to hurt anyone so why is everyone afraid of her? Maybe there are other kids out there who have the same silver eyes...and the same talents...and maybe they'll be willing to help her.
