Rent to Own Essential Guide for Homebuyers - Rachel Oliver
2014-03

If you are dreaming of owning your own home but the banks say "no," this guide can show you how to get the house you want. No theory. No fluff. No lies. Just a steady stream of real stories about real people, real numbers and step-by-step instructions you can put into action immediately. Imagine how much easier things will be for you when you know exactly what you need to do. This guide describes in detail what to look for, how to protect your interests, what questions to ask and the little-known, yet critical steps you need to take on the homebuyer side of a rent to own transaction. While the idea of "renting to own" a house has been around for decades, this is the first official guide written specifically for homebuyers considering rent to own as a path to homeownership. This guide is ideal for anyone who wants to buy a home after a divorce,

bankruptcy or a recent immigration. As a how-to book, it examines key principles and reveals lessons from real-world successes that people across Canada, USA, Australia and UK can easily apply to move into their dream home, build equity, and improve their credit. Anyone can easily put this information to work and become a homeowner sooner than they thought possible. This easy-read is authored by two trusted experts on rent to own who are on a mission to educate homebuyers and improve their experience and outcomes with rent to own. Neil Oliver and Rachel Oliver have counseled over 500 families on how to succeed with rent to own. They spell out in great detail why many people succeed with rent to own and why others fail. This is the first official guide designed to enlighten and empower people determined to own even when the banks say "no way." An absolute must-read for anyone who wants to own a home but can't qualify for a traditional mortgage today.

Building Big Profits in Real Estate - Wade Timmerson

2004-07-20

Everyday, people just like you have a real chance to make serious money in real estate. All it requires is the discipline to purchase good property and the motivation to make new purchases that will create growing equity. Filled with in-

depth insights and practical advice, *Building Big Profits in Real Estate* will show you the right way to invest in real estate. A successful stock market investor may need to perform extensive research to make a profit, but becoming a successful real estate investor can be more complex and far more hands-on, especially when you're just getting started. The good thing about real estate is that it offers more security as well as greater upside potential than any other investment--mainly because the value of property never goes to zero (unlike some recent stocks) and real estate prices often continue to go up even when general economic conditions are soft. *Building Big Profits in Real Estate* focuses on the sound strategies that everyone needs to understand before they invest in real estate. It covers important topics, such as analyzing markets, financing your projects, purchasing rental property, managing a real estate portfolio, finding new ways to invest, and

understanding wholesale markets. It also reveals some of the most overlooked opportunities in the real estate market, including Section 8 rentals, wholesaling properties, and selling houses on a rent-to-own basis.

wealthy real estate investor enjoying the profits now, rather than later ... with only 2-5 properties instead of hundreds or overly priced properties. This book on investing in rental properties for beginners is the foundation of what I've built 47,000 person social media platform on - helping the average person get involved in rental properties on an average income, and building the cash flow of their dreams with 2-5 properties. That's it. This will teach you (the ordinary investor) how to tailor your investment strategy to your pocketbooks (and no one else's). You don't need to ask your parents or friends for loans because the best approach to building a rental portfolio is by purchasing units in modest neighborhoods that offer really high rents (i.e. purchase a \$44,000 rental that earns \$1200 a month in rents). If being a real estate investor is your dream and being a landlord is not, this is the book for you! The author will personally take you through the steps she's used on over

560 people to build their dream income and lifestyle.

The Book on Managing Rental Properties - Brandon Turner 2015-10-28

No matter how great you are at finding good rental property deals, you could lose everything if you don't manage your properties correctly! But being a landlord doesn't have to mean middle-of-the-night phone calls, costly evictions, or daily frustrations with ungrateful tenants. Being a landlord can actually be fun IF you do it right. That's why Brandon and Heather Turner put together this comprehensive book that will change the way you think of being a landlord forever. Written with both new and experienced landlords in mind, The Book on Managing Rental Properties takes you on an insider tour of the Turners' management business, so you can discover exactly how they've been able to maximize their profit, minimize their stress, and have a blast doing it! Inside, you'll discover: - The subtle mindset shift that will

increase your chance at success 100x! - Low-cost strategies for attracting the best tenants who won't rip you off. - 7 tenant types we'll NEVER rent to--and that you shouldn't either! - 19 provisions that your rental lease should have to protect YOU. - Practical tips on training your tenant to pay on time and stay long term. - How to take the pain and stress out of your bookkeeping and taxes. - And much more!

Investing in Rent-to-Own Property - Mark Loeffler
2010-07-15

Investing in Rent-to-Own Property is the distillation of years of investment experience in real estate. It is a both strategy and a system, which provides stable, proven returns for the investor. On the flip side of the coin, the homebuyer is provided a house that fits their needs and budget. Why should an investor have rent-to-own as part of his or her investment portfolio? This book lays out in clear detail the benefits of rent-to-own and how to get started with a rent-to-own strategy. Loaded with

tips and case studies, here are the core components of the system: How to identify properties How to carry out due diligence Smart financing strategies How to market your system and attract interested tenants-homebuyers How to identify and choose tenants-homebuyers The rent-to-own contract Obligations of the investor to the tenant-homebuyer Obligations of the tenant-homebuyer to the investor The team of experts: agent, lawyer, lender, home inspector, accountant Exit strategies There are many singles and couples who for a variety of reasons opt for a rent-to-own opportunity. For some it's an opportunity to check out a location for a couple of years so that they're certain it's the house and neighborhood they want for the long-term; for others it's the desire to own a home but need to grow their down payment--having a nice home while they save is a terrific option. The expertise of the investor in identifying the right property and providing the right

financing is another significant aspect for the tenant-homebuyer. The benefits for the investor are many: a solid property in an area where the fundamentals are strong; great tenants who respect the property; a profitable investment even with a downturn in the market.

Investing in Rent-to-Own Property is the quintessential tool for investors who have yet to take advantage of a proven money-maker or for those investors who want the benefit of a proven system to build their portfolio.

Property Investment for Beginners - Rob Dix

2013-04-18

Updated for 2015! The recession is over, house prices are heading steadily upwards again, and you're convinced that property could be your key to financial freedom. And it could. But where do you start? Do you invest near where you live, or wherever yields are best? Do you rent to families, or professionals, or students? Should you be trawling through Rightmove or lurking at

property auctions? This short book covers the big questions you should be asking yourself before you so much as glance at an estate agent's window. It contains a jargon-free explanation of basic investment principles, summaries of the major post-crunch investment strategies, and advice on developing a mindset that will support your long-term success. The book also includes a curated "further reading" list of recommended books, magazines, forums, blogs and podcasts to help you confidently take your next steps in your property investment journey. You'll learn... How to pick an investment strategy that matches your skills and goals The only three calculations you need to know to size up any deal An overview of every major investment approach, from the most safe and boring to the probably-not-a-good-idea-but-here-you-go-anyway How to (safely and sustainably) stretch a limited pot of cash to build whatever size portfolio you want ...although you will

need to endure some pretty shocking jokes along the way. Sorry about that. Praise for "Property Investment For Beginners"... "The book is very easy to read and the explanations are very clear, with some good humour to boot! With a good set of references and online links, this book is a must for anyone interested in property investment." - P Cowley "A property investment book that keeps it simple. I really enjoyed it, and will use it as my main point of reference. Unlike most of the other books, the reader doesn't have to endure the rags to riches rubbish and the inevitable sales pitch for further training." - Nesser "I stumbled across this book randomly on Amazon and I'm so pleased I did - it has given me an excellent overview of what it is to invest in property and has really helped me to focus on my specific goals. It has also opened my eyes to a world of useful tools and contacts which I may never

have found without it. Other books may have been able to do this but I'm not sure they would've been so enjoyable to read. If you are thinking of investing in property, or perhaps already are but want to take it further, this is a must read book." - whatkatythinks "When you buy this book, you are not only getting a property wizard, you are also getting a warm-hearted guy. In his book, Rob mentions several times that you can contact him via email and he'll try to help you out. And HE DID! I tentatively emailed him with some questions and he replied right away! Of course, I know he's probably not able to do this for everybody, but even if he just replied to one question, he has proven that he's genuine and kind. And what he replied me with is thoughtful, honest and probably saved me a fortune in the end. Totally worth every penny. Get the book!" - kaitlinjj Scroll up and hit "Buy Now" to start turning your property dreams into reality!
