The Long Road to Obama! - Thomas S. Walters 2012-02-27

In human relations, to know where we are, you must know here we have been. Only by knowing both, can you begin to understand where we are going. Trying to understand history is like trying to comprehend the world while in a sand storm because we are so much a part of it, in our own tiny little corner. Before there was television, people gained their view of the outside world by news-reels, which were run ahead of movies. If a picture is worth a thousand words, how much is a moving picture worth with sound? Our tiny little corners have greatly expanded, thus the causes for our hearts to change have changed as well.

On the Road to Freedom - Charles E. Cobb Jr. 2008-01-15

This in-depth look at the civil rights movement goes to the places where pioneers of the movement marched, sat-in at lunch counters, gathered in churches; where they spoke, taught, and organized; where they were arrested, where they lost their lives, and where they triumphed. Award-winning journalist Charles E. Cobb Jr., a former organizer and field secretary for SNCC (Student Nonviolent Coordinating Committee), knows the journey intimately. He guides us through Washington, D.C., Maryland, Virginia, North Carolina, South Carolina, Georgia, Alabama, Mississippi, and Tennessee, back to the real grassroots of the movement. He pays tribute not only to the men and women etched into our national memory but to local people whose seemingly small contributions made an impact. We go inside the organizations that

framed the movement, travel on the "Freedom Rides" of 1961, and hear first-person accounts about the events that inspired Brown vs. Board of Education. An essential piece of American history, this is also a useful travel guide with maps, photographs, and sidebars of background history, newspaper coverage, and firsthand interviews.

The Long Road to Freedom - Carolyn Harris 2016-12-12

Two young slaves are on the run. One makes it, the other is killed. Travor, who has been dubbed as one of the worst overseers ever, was fired for not coming back with Bobby Gene. Bobby Gene is Travor's prized negro who sought employment on Master Wellington's plantation, who just happened to be Master Dalton's neighbor. Strange things are happening on Master Wellington's plantation. It had been brought to his attention that someone had been raiding his property. There was nothing of great value; crops, chickens, eggs, as well as a few of the slaves' attire. A young white couple traveling cross country has fallen on hard times when they are robbed, leaving them with only the clothes on their backs and an old trunk with their personals. They find themselves in the state of Missouri. Their names are Jeffrey and Pauline Turner. They end up taking temporary residency, and thought they had been hired by Master Wellington. Jeffrey was put in charge to find out who this mysterious person was who had been raiding his property. Several months of staying in the hay loft, Jeffrey is ready for it to be over. He gets his wish when he happens to see someone running through the dried up

fields. Following this person, he happens upon a cave. He finds out this person is black. They become the best of friends. Bobby Gene and Anna Bell are reunited through Jeffrey. The three of them come up with a plan for Bobby Gene to escape to the north. He is welcomed by Jeffrey's family and friends in Pennsylvania. Jeffrey seeks work at the sawmill after finding Pauline and Matthew in bed together. Old man Wellington passes away, along with a few others. Bobby Gene comes back to Missouri as a free man, and a lawyer pays a surprise visit to Wellington's place, only to find out that Anna Belle has become the mistress of Matthew. Replacing Pauline creates a confrontation with Matthew, who makes it very clear that if he and Bobby Gene should, in any way, try to steal Anna Belle from him, they would both suffer the consequences dearly. Pauline, who was once a barmaid, is fired and seeks forgiveness. However, she finds none. Jeffrey and Bobby Gene are put in a life or death situation and Pauline decides to go back to Pennsylvania. Bobby Gene and a few of the other slaves he was able to purchase, with the help of Jeffrey, end up in a battle with Matthew and a few of his overseers demanding the return of his woman and the boy. When she runs out into the courtyard, hoping this would solve everything, she is rejected by Matthew, who has given Travor the demand to kill the bitch! A shot rings out, as Travor lies dead. Anna Bell has been grazed by the gunfire. Matthew regroups, returning guns a blazing, and manages to make his way through all of the gunfire. He finds himself face-to-face with his enemy. Ready to pull the trigger, he lets out an eerie cry and then falls dead with a knife protruding from his back. Anna Bell then runs into the arms of Bobby Gene.

The Long Road to Freedom - Ime John Ukpanah 2005

Inkundla Ya Bantu was the only independent African journal to play a significant role in the

resistance press against the white minority government. It was launched in 1938 as a moderate African nationalist community paper and would cease publication in 1951, just seven months before the launch of the Defiance Campaign. Ime Ukpanah tells the story of the paper and the people who founded it, later to be key figures in the ANC. Having no official press of its own, the ANC adopted Inkundla Ya Bantu as its PR organ.

Innocence Betrayed - Dumo Kaizer J Oruobu 2018-10-13

If you want to know in what way guilt means innocence, how innocence means guilt, in what way guilt and innocence are not related in any way, one to the other, or how they are one and the same thing, then you must read *Innocence Betrayed*. In *Innocence Betrayed*, Dumo Oruobu has elevated The Penguin - an ordinary bird, to the level of a Pantheon - a myth and a delight, and for that bird which is a bird only because it has feathers and wings - only those, but is not a bird in any other way that most birds are known to be, not only because it cannot, and does not fly, but also because, on the frontier of love and loving - chastity and faithfulness - marriage - certificated marriage about which it does not know, it is faithful to it's Mate or Partner from the first day of that their Partnership until it dies on it's last day on Earth in obedience to The Will of God The Almighty Architect of The entire Universe and all that are in it which obey Him except man, and, as Dumo says, woman - woman grotesquely personified and portrayed in here by Kalaiyiingibo, to their eternal shame. His Stylistic fervour in the employment and deployment of the elements of surprise, of making the obvious look mysterious and not there, his Commentaries on issues long discussed and dismissed as over with but present in the now as though they were new break away glitters of sunshine from clouds shining bright but covering the sun's shine, hits you as a very benign Gobo but makes you pulsate with a desire for more of what he is taking you through effortlessly. The train is moving on with uncanny rapidity, and you know it - you can feel it, yes, because you are on it, and enjoying the ride, the ambience of it's interior, and the wonders of the mesmerizing Scenery as it glides by, and yet you've got other

fish to fry and desire desperately to get down to go frying those other fish, but you are fixated... you are numb and dumb, and cannot say stop. You lack the will power to say STOP!

Torah Today - Pinchas H. Peli 2004-11-01

"The central element of Jewish worship is the yearly cycle of reading the first five books of the Bible, the Five Books of Moses, called the Torah in Hebrew. *Torah Today*, a compilation of fifty-four essays that grew out of Pinchas Peli's Torah column in the Jerusalem Post, comments upon the weekly readings from the Torah. Written in a clear style, each essay brings the reader closer to the rich spiritual world of Torah as it confronts the challenges of modern society. These commentaries, which emulate the traditional midrash, have long been essential reading for Jews throughout the world - families at the Shabbat dinner table, pulpit rabbis, teachers, and students of the Bible. Christians, too, have been among Rabbi Peli's devoted readers. This reissue of *Torah Today*, with a new preface by Rabbi Harold M. Schulweis, makes this classic work available to a new generation of Bible students."--Jacket.

Punching Above Its Weight - Adli Jacobs 2014-09-19

The Call of Islam, in many ways, was my youth. The year 1984, when the organization was founded, was also my matric year. Some of the first recruits for the organization came from my very own matric class; others were then recruited from my fellow first-year students at the University of Cape Town. Besides me, the other three founding members of the Call of

Islam were Ebrahim Rasool, Shamiel Manie, and Farid Esack. Rasool was not just a fellow founding member; we grew up together, and our parents served on the same mosque committee. Esack was my principal from the As Salaam College in KwaZulu Natal, where I studied Islam in 1983. Manie and I were fellow members of the Muslim Student Association that gave us our grounding in seeing Islam broader than just religious rituals. Our circle before the founding of the Call of Islam met in the back rooms of our different family homes and when Esack hosted our get-togethers in his apartment. So we shared space, we shared money, and we even shared each other's clothes. It was no coincidence that our first rally should be at Primrose Park mosque, Masjidus Sabireen, as Primrose Park (in the Western Cape, South Africa) is where Rasool and I lived. We grew up in that mosque, and we knew all its successive imams and, of course, the mosque committee. Later, our first headquarters (for many years) would be the outbuildings of my parents' home in Primrose Park, where we held our executive meetings, conducted our adult classes, and even made our banners. Allie Parker, our reliable and indulgent printer, had his printing works in a neighboring suburb in Greenhaven. It was therefore tempting to write a story of the Call of Islam, which is a personal account.

Bound for the Promised Land - Kate Clifford Larson 2009-02-19

The essential, "richly researched"* biography of Harriet Tubman, revealing a complex woman who "led a remarkable life, one that her race, her sex, and her origins make all the more extraordinary" (*The New York Times Book Review). Harriet Tubman is one of the giants of American history—a fearless visionary who led scores of her fellow slaves to freedom and battled courageously behind enemy lines during the Civil War. Now, in this magnificent biography, historian Kate Clifford Larson gives us a powerful, intimate, meticulously detailed portrait of Tubman and her times. Drawing from a trove of new documents and sources as well as extensive genealogical data, Larson presents Harriet Tubman as a complete human being—brilliant, shrewd, deeply religious, and passionate in her pursuit of freedom. A true American hero, Tubman was also a woman who

loved, suffered, and sacrificed. Praise for *Bound for the Promised Land* "[Bound for the Promised Land] appropriately reads like fiction, for Tubman's exploits required such intelligence, physical stamina and pure fearlessness that only a very few would have even contemplated the feats that she actually undertook. . . . Larson captures Tubman's determination and seeming imperviousness to pain and suffering, coupled with an extraordinary selflessness and caring for others."—The Seattle Times "Essential for those interested in Tubman and her causes . . . Larson does an especially thorough job of . . . uncovering relevant documents, some of them long hidden by history and neglect."—The Plain Dealer "Larson has captured Harriet Tubman's clandestine nature . . . reading Ms. Larson made me wonder if Tubman is not, in fact, the greatest spy this country has ever produced."—The New York Sun

The ANC and the Liberation Struggle in South Africa - Thula Simpson 2018-10-03

The history of the ANC, which is the oldest liberation movement on the African continent, is one that has generated a great deal of interest amongst historians in recent years. Gone are the days when the history of African nationalism could be relegated to the margins of the study of the South African past. Instead, with the ANC having ascended to the helm of political power, a position it has maintained for over twenty years, there can be no question that its history occupies an important and permanent place in the history of the nation. This volume gathers together some of the most important contributions to the literature on the ANC's role in South Africa's struggle for liberation. Besides important themes such as gender, ethnicity, and healthcare, contributions from leading historians also address why the ANC decided to engage in armed struggle; what role the South African Communist Party played in making this decision; how the ANC External Mission contributed to the upsurge of mass protest in South Africa in the 1970s and 1980s; and the ANC's contribution, relative to the other components of the liberation struggle, in ensuring the eventual demise of the old racial order. The chapters in this book were originally published in the South African Historical Journal, the Journal of Southern African Studies, and African Studies.

Long Walk to Freedom - Nelson Mandela 2008-03-11

Long Road to Freedom - Pearl Crist Hall 1978

African Public Theology - Sunday Bobai Agang 2020-04-30

Africa needs leaders and Christians from every walk of life to rediscover their identity and purpose in all spheres of society. African Public Theology sounds a clarion call to accomplish this vital task. God created all humans equally, intending for us to live in community and take responsibility for the world around us - a mandate we need to act on. Through faithful application of Scripture to contexts common in the continent today, contributors from across Africa join as one to present a vision for the Africa that God intended. No simplistic solutions are offered - instead African Public Theology challenges every reader to think through the application of biblical principles in their own community, place of work and sphere of influence. If we heed the principles and lessons that God's word has for society, culture and public life, then countries across Africa can have hope of a future that is free from corruption and self-promotion and is instead characterized by collective stewardship and servant-hearted leadership.

Upside-Down Freedom - Taylor Field 2013-05-07
If you want to reshift your thinking on discipleship, *Upside-Down Freedom* can give you

just the fuel you need for your journey. For more than 25 years, author Taylor Field has served among people who deal with grueling issues of recovery and reveal courageous journeys to freedom. Their life-changing journeys were a result of inverted thinking. Field's insightful perspective in *Upside-Down Freedom*, closely looking at forms of personal bondage, reveals that the way to release yourself from the things that hold you captive can be counterintuitive. Using practical scriptural principles, the inspiring lives of unexpected freedom fighters, including ordinary people from the streets of the Lower East Side, you can find an alternative route to freedom, one so old our own society seems to have forgotten it.

Strong for a Moment Like This - Rev. Dr. Bill Shillady 2017-08-15

Few people know that during the 2016 presidential campaign, former Secretary of State Hillary Rodham Clinton received a devotion every day. Over the course of those 20 months, Rev. Dr. Bill Shillady—a pastoral friend of Clinton's—and a small team of other pastors provided the Democratic nominee with spiritual

support to stay strong through arguably one of the more contentious elections in American history. Strong for a Moment Like This: The Daily Devotions of Hillary Rodham Clinton includes 365 of the more than 600 devotions written for Secretary Clinton, along with personal notes, portions of her speeches, and headlines that provide context for that day's devotion. Clinton is writing the foreword, the first time post-election readers will have a chance to hear directly from her about her faith during that time. The book will include: -A foreword from Hillary Rodham Clinton -365 devotions -Selected reflections on the writing by the author -Selected responses from Secretary Clinton -Additional material including a timeline of events, speech excerpts, press selections, and quotes -Gorgeous gift-book packaging: a jacketed hardcover, ribbon, photographs, and a devotion-like interior design. The book's devotions are organized into 12 themes, such as Forgiveness, Doing Good, Courage, and Women. A portion of the proceeds from the book will go to the United Methodist City Society in New York. As Secretary Clinton said in The New York Times (January 26, 2016), "My study of the Bible, my many conversations with people of faith, has led me to believe the most important commandment is to love the Lord with all your might and to love your neighbor as yourself. And that is what I think we are commanded by Christ to do. And there is so much more in the Bible about taking care of the poor, visiting the prisoners, taking in the stranger, creating opportunities for others to be lifted up, to find faith themselves that I think there are many different ways of exercising your faith." Strong for a Moment Like This gives readers an inside, personal look at the faith of one of our nation's most lauded leaders.

Engaging the Doctrine of Israel - Matthew Levering 2021-09-16

This book is the dogmatic sequel to Levering's *Engaging the Doctrine of Marriage*, in which he argued that God's purpose in creating the cosmos is the eschatological marriage of God and his people.. God sets this marriage into motion through his covenantal election of a particular people, the people of Israel. Central to this people's relationship with the Creator God are their Scriptures, exodus, Torah, Temple, land, and Davidic kingship. As a Christian Israelology, this book devotes a chapter to each of these topics, investigating their theological significance both in light of ongoing Judaism and in light of Christian Scripture (Old and New Testaments) and Christian theology. The book makes a significant contribution to charting a path forward for Jewish-Christian dialogue from the perspective of post-Vatican II Catholicism.

From Culture of Fear to Society of Trust - Janez Juhant 2013

Fear is an emotion that is strongly connected with violence and with the darkest periods of history, including terrorism, genocides, and totalitarianism. It is especially important for theology, where it can be considered to have very positive aspects. However, worldwide cultures are too often burdened with unnecessary fear. There are different factors involved in the cultivation of an 'adequate culture' of fear, and one of them is the certainly that mankind does indeed know how to cultivate it. Therefore, awareness and knowledge about the concept of fear is necessary. This book helps to increase and widen that understanding.

[The Long Walk to Freedom](#) - Devon W. Carbado
2012-08-21

In this groundbreaking compilation of first-person accounts of the runaway slave phenomenon, editors Devon W. Carbado and Donald Weise have recovered twelve narratives spanning eight decades—more than half of which have been long out of print. Told in the voices of the runaway slaves themselves, these narratives reveal the extraordinary and often innovative ways that these men and women sought freedom and demanded citizenship. Also included is an essay by UCLA history professor Brenda Stevenson that contextualizes these narratives, providing a brief yet comprehensive history of slavery, as well as a look into the daily life of a slave. Divided into four categories—running away for family, running inspired by religion, running by any means necessary, and running to be free—these stories are a testament to the indelible spirit of these remarkable survivors. *The Long Walk to Freedom* presents excerpts from the narratives of well-known runaway slaves, like Frederick Douglass and Harriet Jacobs, as well as from the narratives of lesser-known and virtually unknown people. Several of these excerpts have not been published for more than a hundred years. But they all portray the courageous and sometimes shocking ways that these men and women sought their freedom and asserted power, often challenging many of the common assumptions about slaves' lack of agency. Among the remarkable and inspiring stories is the tense but triumphant tale of Henry Box Brown, who, with a white abolitionist's help, shipped himself in a box—over a twenty-seven-hour train ride, part of which he spent standing on his head—to freedom in Philadelphia. And there's the story of William and Ellen Craft, who fled across thousands of miles, with Ellen, who was light-skinned, disguised as a white male slave-owner so she and her husband could

achieve their dream of raising their children as free people. Gripping, inspiring, and captivating, *The Long Walk to Freedom* is a remarkable collection that celebrates those who risked their lives in pursuit of basic human rights.

Rage in the Belly - Luzia Sutter Rehmann
2021-02-03

How is rage related to hunger? Hunger is a liminal experience, connected to powerlessness, shame, and violence. Hunger does not issue into speech. It cannot therefore be easily found in the biblical texts, written by (and about) people who knew hunger. It hides behind the words in these texts. Rage, conversely, finds expression; and in

the texts, it can alert readers to hidden experiences of hunger. But rage is not just a response to the lack of food. It is also a transformative force, reaching towards a justice that is not yet real. The experience of hunger and the fear of famine often go hand in hand with anger—a rage that can bring whole populations to their feet. Luzia Sutter Rehmann develops a biblical hermeneutic that centers on

the “fire” in the belly of the hungry, their rage that leads to protests and uprisings. Her reading shows “the poor” or “the many” as those with whom Jesus cooperates and as subjects acting on their own initiative. The book also highlights key socio-historical information on the food situation of ancient Rome and Palestine: on poverty, political dependence and unrest, droughts, and famines.
