Jottings from a Far Away Place - Brendan Connell 2015-12-01

Ranging on the fringes of imagination and erudition, forming a mosaic of stories, maxims and sketches, at once fragmentary and cumulative, Jottings from a Far Away Place

combines the timeless, mannered assurance of the Eastern discursive essay with the experimentation of the Western avant-garde. As the focus shifts between fantastic tales and studies of viciousness, the reader is treated to, among myriad other things, the adventures of a Taoist guitar player, a bloody episode with Countess de Bathory, a recipe for cinnabar sauce, and the story of a man who has been reincarnated as a spoon. A book that is like a collection of bulletins from the world of dreams."

The Greatest Game Ever Played - Mark Frost
2002-11-06

THE GREATEST GAME EVER PLAYED is the story of Francis Ouimet and Harry Vardon, who in pursuit of their passion for a game that captivated them as children, broke down rigid social barriers that made their sport accessible to everyone on both sides of the Atlantic and beyond, positioning golf as one of the most widely played games in the world. Ouimet and Vardon were two men from different generations and vastly different corners of the world whose lives, unbeknownst to them at the time, bore remarkable similarities, setting them on parallel

paths that led with a kind of fated inevitability to their epic battle at Brookline years in the future. This collision resulted in the big bang' that gave rise to the sport of golf as we know it today. For Mark Frost, Francis Ouimet and Harry Vardon represent everything that's right about sports in general and sportsmen in particular; gentlemen, champions, teachers, leaders, and each in their own quiet way, heroes. In **THE GREATEST GAME EVER PLAYED**, Frost attempts to create penetrating studies of both of these men, along with over dozens of the game's seminal figures, within the dramatic framework offered by the tournament when they finally met, one of the most thrilling sports events in history, the 1913 U.S. Open.

Golf Links - Charles D. Burgess 2017-04-28

This book tells the story of the Scottish golf
professionals who came to America in 1888 and
struggled to earn a living and the respect of the
wealthy amateur golf establishment and the
United States Golf Association who controlled
the sport. Charles "Chay" Burgess--founder of
the New England PGA, teacher of three
American national champions, and the savior of

the Ryder cup--learned the game on ancient seaside links and competed against British greats. His arrival in the U.S. dramatically influenced the growth of golf and the reconciliation of differences between amateurs and professionals. In 1913, the American Francis Ouimet--a working-class unknown under Burgess' tutelage--won the U.S. Open against British celebrities Ted Ray and Harry Vardon. His triumph brought the game to mainstream America.

City of Iron and Dust - J.P. Oakes 2021-07-06
Fast-paced and razor-sharp dark fantasy for readers of Nicholas Eames, Anna Smith Spark and Robert Jackson Bennett "A fantastic book, full of wit and sharp humor, *City of Iron and Dust* careens through a modernized faerie at a breakneck pace, full of verve and unforgettable characters. Oakes spins a smart, electric, and sometimes snarky tale, showing that the beating heart of modern fantasy is alive and well." - John Hornor Jacobs, author of *A Lush and Seething*

Hell and The Incorruptibles The Iron City is a prison, a maze, an industrial blight. It is the result of a war that saw the goblins grind the fae beneath their collective boot heels. And tonight, it is also a city that churns with life. Tonight, a young fae is trying to make his fortune one drug deal at a time; a goblin princess is searching for a path between her own dreams and others' expectations; her bodyguard is deciding who to kill first; an artist is hunting for his own voice; an old soldier is starting a new revolution; a young rebel is finding fresh ways to fight; and an old goblin is dreaming of reclaiming her power over them all. Tonight, all their stories are twisting together, wrapped up around a single bag of Dust—the only drug that can still fuel fae magic—and its fate and theirs will change the Iron City forever.

Last Evenings on Earth - Roberto Bolaño 2007
Fourteen dark tales about the tragic qualities of exile feature protagonists who are struggling with marginal lives and private, often ill-fated,

quests, in a collection set in the Chilean exile diaspora of Latin America and Europe. Reprint. Son of a Trickster - Eden Robinson 2017-02-07 Shortlisted for the Scotiabank Giller Prize: With striking originality and precision, Eden Robinson, the author of the classic *Monkey Beach* and winner of the Writers' Trust of Canada Fellowship, blends humour with heartbreak in this compelling coming-of-age novel. Everyday teen existence meets indigenous beliefs, crazy family dynamics, and cannibalistic river otters . . . The exciting first novel in her trickster trilogy. Everyone knows a guy like Jared: the burnout kid in high school who sells weed cookies and has a scary mom who's often wasted and wielding some kind of weapon. Jared does smoke and drink too much, and he does make the best cookies in town, and his mom is a mess, but he's also a kid who has an immense capacity for compassion and an impulse to watch over people more than twice his age, and he can't rely on anyone for consistent love and

support, except for his flatulent pit bull, Baby Killer (he calls her Baby)--and now she's dead. Jared can't count on his mom to stay sober and stick around to take care of him. He can't rely on his dad to pay the bills and support his new wife and step-daughter. Jared is only sixteen but feels like he is the one who must stabilize his family's life, even look out for his elderly neighbours. But he struggles to keep everything afloat...and sometimes he blacks out. And he puzzles over why his maternal grandmother has never liked him, why she says he's the son of a trickster, that he isn't human. Mind you, ravens speak to him--even when he's not stoned. You think you know Jared, but you don't.

boxing, cycling, diving, fencing, field hockey, lacrosse, polo, raquets, swimming, lawn tennis, tug-of-war, weightlifting, wrestling and yachting, among other sports. A series of appendices include rarely seen information about the many controversies surrounding the Games.
