Loving God - N. Kasturi 2014-07-30

This is the biography of Professor N. Kasturi, the chosen biographer of Bhagawan Sri Sathya Sai Baba. This book is his autobiography, his story, his journey to the feet of the Lord, Bhagawan Sri Sathya Sai Baba. In his own words, "Each of us has to live the volume of biography, which we bring with us, as often as we are born, page after page, chapter after chapter, howsoever punctuated with dots and dashes, interrogations and exclamations, commas and colons, until the sentence ends ultimately with a Full Stop. But, luckily, I have as my inseparable companion and counsel, Bhagawan Himself; He dots the i's and crosses the t's as I live the lines on every page. He has made the Book of Life, my biography - momentous and meaningful for me. I must, however, confess that I do not deserve this book on me, by me. There are, I know, millions, who are absorbing the Love of the Living Loving God much deeper, who can, therefore, stand forth as messengers of His Love. They can lead the unloved and the unloving with surer and firmer steps, to the Presence of

the Redeemer, the Comforter, the Saviour, the Avatar, the Sai.

Nevertheless, when Bhagawan manifested a faint, favourable interest, when someone ventured to whisper to me in His Presence, that a bunch of my reminiscences may be welcomed by many, I was promoted by that smile to embark on this audacious adventure. My memory assumed the role of Chief Editor and hence, the chronicle suffers from imperfect chronology. Since the four parts of "Sathyam Sivam Sundram" relate most of that I have yearned to communicate, this book has become a personal testament, often perhaps too personal to be tolerated, for which act of indiscretion, I ask for pardon. Flattery is the food of fools, say those, who are denied that pabulum. I dare not deny my taste, for I have been fooled by flatterers, who threw appellations like poet, scholar, linguist, humourist, philosopher, and even ant-hill sage! Please dear reader, remember that I am struggling my best to eliminate the poison of the ego and sympathise with me, whenever you find the reptile raising its hood between the lines of this book. A few 'old students' of my classes at the University, my grandson, his wife, and a few brothers at Prasanthi Nilayam demanded that I should not give up the work and insisted on the completion of the book. As a result, this book, 'Loving God' is now placed at the Feet of the Lord and on the palms of those, who live in the Love of the Lord. Jai Sai Ram."

Divine Vibrations - Prof Anil Kumar 2014-08-08

Bhagawan Sri Sathya Sai Baba is ever-existent, ever-vibrant, and ever-radiant. He has declared, "I am within you always." This is addressed to all living beings in the world. Even when His physical frame is not there now, this is true and He proves His existence beyond doubt to all seekers of Spiritual Truth. Prof. K. Anil Kumar, the chosen translator of Bhagawan's Divine Discourses, who echoes "His Master's Voice," elaborated Bhagawan's teachings and philosophy, the glory and significance of Swami's 'Maha Samadhi', and guidance for further carrying on Sai's Mission with zeal and zest, in his lectures in foreign countries and to foreigners in Prasanthi Nilayam in this volume, titled "Divine Vibrations." Readers will find this volume all absorbing, inspiring, and spiritually elevating.

Kularnava Tantra - M. P. Pandit 1999

The Kularnava is perhaps the foremost Tantra of the Kaula School and is constantly cited as an authority in Tantric literature. It is worthy of close study by those who would understand the tenets and practice of the tradition of which it is a Sastra. The Introduction by Arthur Avalon gives a concise outline of the work. Sri M.P. Pandit who is a keen student of the Tantras and Vedas has rendered the work in English in eleven chapters. The readings are free translations, with annotations where necessary, omitting technical details but preserving the spirit and essential import of the original in his characteristically lucid style. The Kularnava prescribes the modes of preparation for the high quest; it draws upon ethics, religion, philosophy, yoga to elevate human life gradually to the level of godly life. It comprehends the multiple personality of man and provides for the healthy growth of his mental faculties, purification of his physical faculties through ritual, japa, mantra and upasana. Who is fit for the path of Tantra? Who is competent to guide the novice on the double - edged razor path? What is the

responsibility of a Guru to a disciple? These and other relevant questions are raised and answered in a satisfying manner.

A Vedic Concordance - Maurice Bloomfield 1964

A Vedic Concordance is a monumental work by the famous American Sanskritist Maurice Bloomfield planned prepared and published during the years 1892-1906. It affords primarily an easy and ready means of ascertaining the following things: First where a given mantra occurs if it occurs but once second whether it occurs elsewhere either with or without variants and in what places and third if it occurs with variants what those variants are. One hundred and nineteen texts in all have been drawn upon for contributions to the concordance comprising .The concordance also includes a very considerable amount of material not yet published. The concordance may also be readily put to certain indirect or secondary uses which are scarcely less important for the systematic progress of vedic study.

It is published from Prasanthi Nilayam (the Abode of Highest Peace) and acts as a mouthpiece of Baba's Ashram as it speaks of the important events that take place in His sacred Abode, besides carrying Divine Messages conveyed through Divine Discourses of Bhagawan Sri Sathya Sai Baba. The word meaning of Sanathana Sarathi is the 'Eternal Charioteer'. It signifies the presence of the Lord in every being as the atma guiding their lives like a charioteer. It implies that he who places his life, the body being likened to a chariot, in an attitude of surrender in the hands of the Lord, will be taken care of by the Lord even as a charioteer would take the occupant of his chariot safely to its destination. The fifteen Vahinis - streams of sacredness - known as the Vahini Series comprising annotation and interpretation of the Upanishads and other scriptures, Itihasas like the Ramayana, the Bhagavatha and the Mahabharata, and authentic explanations on Dhyana, Dharma, Prema, etc., have been serially published in this magazine as and when they emanated from the Divine pen of Bhagawan Baba. Education in Human Values - Sathya Sai Baba 1988

Sathya Sai Vahini - Bhagawan Sri Sathya Sai Baba 2014-07-09

Bhagawan has announced Himself as the Divine Teacher of Truth, Beauty, and Goodness. By precept and example, through His writings and discourses, letters and conversations, He has been instilling the supreme wisdom and instructing all mankind to translate it into righteous living, inner peace, and universal love. When the Ramakatha Rasavahini, the uniquely authentic, nectarine stream of the Rama's story, was serialised in full in the Sanathana Sarathi, Bhagawan blessed readers with a new series, which He named Bharatiya Paramartha Vahini (The Stream of Indian Spiritual Values). While these precious essays, on

the basic truths that foster and feed Indian culture since ages before history began, were being published, Bhagawan decided to continue the flow of illumination and instruction under a more comprehensive and meaningful name, Sathya Sai Vahini - the Ganga from the Lotus Feet of the Lord - "The Flow of Divine Sai Grace". This book, therefore, contains the two Vahinis that have merged in one master stream. Inaugurating these series, Bhagawan wrote for publication in the Sanathana Sarathi, "Moved by the urge to cool the heat of conflict and to quench the agonising thirst for 'knowledge about yourself' that you are afflicted with, see, here it comes, the Sathya Sai Vahini, wave behind wave, with the Sanathana Sarathi as the medium between you and Me." With infinite compassion, this Sathya Sai incarnation of the Omniwill is giving millions of persons in all lands freedom from disease, distress, and despair, narcotics, narcissism, and nihilism. He is encouraging those, who suffer gloom through wilful blindness, to light the Lamp of Love in order to see the world and the Lamp of Wisdom to see themselves. "This is a tantalising, true-false world. Its apparent diversity is an illusion. It is One, but is cognised by the maimed, multiple vision of humans as Many," says Bhagawan. This book is the twin Lamp He has devised for us.

Leela Kaivalya Vahini - Bhagawan Sri Sathya Sai Baba 2014-05-04
The Vedas originated from the breath of God; each syllable is sacred. Each word is a mantra. It exhorts all men to pursue the same holy desire. All hearts must be charged with the same good urge. All thoughts must be directed by noble motives towards holy ends. All men must tread the one path of truth, for all are manifestations of the One. The world is enchanting, because it is tantalising in appearance, though it is

fundamentally untrue. It is a phenomenon, which is fading out. When this truth is realised, one becomes aware of the Cosmic Sport of God and the Eternal Universal Being. Leela Kaivalya Vahini (originally published in the Sanathana Sarathi periodical) is a cool, crystal clear stream that flows from the Divine pen of Bhagawan Sri Sathya Sai Baba to dissolve all obstacles, like doubts and dogmas, purposeless arguments, and flimsy fancies of the sadhaka (spiritual aspirant). We consider it be but yet another sign of His benign grace that these published in the periodicals could be given a book form and placed at the Lotus Feet, on the auspicious occasion of His 65th Birthday, which eventually falls on the 50th year of proclamation of Avatarhood. May this Vahini lead all seekers in the path of spiritual progress and fill us all with Ananda, the Bliss Absolute.

Vidya Vahini - Bhagawan Sri Sathya Sai Baba 2014-07-09

Baba has clarified that the word Vidya used for this Vahini (Stream of Thought), means (Ya) that which (Vid) "illuminates." It is this sense that is highlighted in expressions like Atma Vidya, Brahma Vidya, etc., or even the name Vidyagiri given to the campus of Prasanthi Nilayam, which comprises the Institute of Higher Learning. Baba makes us aware of the comparatively less beneficial lower learning, which deals with theories, inferences, concepts, conjectures, and constructions. The Higher Learning hastens and expands the universal urge to know and become Truth, Goodness, and Beauty, Sathyam Sivam Sundaram. Baba has come as Man among men on a self-imposed mission, to correct the wrongs inflicted on mankind through the fanatically blind pursuit of lower learning. The human race has to voyage on an even keel; it is leaning too alarmingly towards the briny grave; the lower learning is lowering it into the bottomless pit. Vidya alone is the remedy. From His childhood days, Baba has stood forth as an educator, a Guru as the villagers loved to address Him. He warned, without hesitation, elders at Puttaparthi, teachers in the schools, and headmen of castes against cruelty to animals and exploitation of labour, usury and gambling, pedantry and illiteracy, hypocrisy and pomp. Through gulps and jests, parody and satire, songs and plays, the young, teenager Teacher ridiculed and reformed the

society, which honoured or tolerated such evils. Through Bhajans sung in chorus by groups of men and women, He reminded them of the universal, human values of Truth, Morality, Peace, Love, and Non-violence as early as 1943, when he was barely seventeen. These were the basic acquisitions that Vidya, the Higher Learning, can confer on votaries. As Lord Krishna, He said to Arjuna, "Adhyatma Vidya, Vidyanaam." "Among all the Vidyas, I am Atma Vidya," the search for Atmic Truth. The world can be saved from suicide only through this Vidya. The search for Truth and Totality, for Unity and Purity is the means; the Awareness of the One is the consummation of the process. This Message is the sum and substance of every Discourse of His, during the last five decades. This precious book provides us the chance to peruse nineteen essays He wrote, in answer to appeals for the elucidation of the principles, which must guide us while rehabilitating education as an effective instrument for establishing peace and freedom, in us and on Earth.

Summer Showers In Brindavan, 1973 - Bhagawan Sri Sathya Sai Baba 2014-11-11

This volume titled 'Summer Showers in Brindavan, 1973' assumes special significance, because it contains explanations on the highly revered Bhaja Govinda shlokas of Adi Shankara by Bhagawan Sri Sathya Sai Baba Himself. It must be said that all the participants of this summer course have been highly fortunate to receive divine explanations on Adi Shankara's Bhaja Govinda shlokas coupled with human values of universal importance on the variegated backdrop of Bharatiya Culture and Spirituality. The teacher-taught relationship has been very sacred in the Indian traditional way of life. Propagation of Bhaja Govindam shlokas (stanzas) had been the combined effort of Adi Shankara, the guru of the highest standard, and His disciples who were totally charged with the sacred spirit of upanishadic philosophy and human welfare at large. These verses carry the very essence of all the vedas, all the shastras and all the puranas. Their meaning and implications assume special significance because of Bhagawan's unique way of dealing with the subject. Before starting this special course, Bhagawan exhorted all participants to preserve these valuable verses of Shankara in their hearts

in a spirit of 'tapas' and thus sanctify their lives. The readers of this book will feel that they are at par with the participants of the 'Summer Course', in so far as benefiting from these highly erudite teachings; and in obtaining Bhagawan's divine blessings.

Lord Siva and His Worship - Swami Sivananda 1992

Lōkayata - Debiprasad Chattopadhyaya 1959

Adam's Dream - Datta Vidwan 2021-01-16

Adam's Dream stems from many spiritual experiences and revelations the author received over several years. When he was in his mid-twenties and living in Montreal, Canada, he had a life-changing spiritual experience, when in an instant, he unexpectedly merged with the universe and Realized that his Real Nature was a Single, Pristine-Consciousness that filled and encompassed all manifested things in creation. Soon afterwards a font of knowledge open us inside of him and he has been sharing his Wisdom with people of all backgrounds and traditions all around the world. As a result, this book reveals that all we perceive, think and feel is totally imaginary, because human beings and their so called, 'outside world, ' are only mental fabrications using concepts and partiality and are not unlike the imaginings that are

projected in our ordinary dreams. This Ancient Truth later linked Itself to the Story of Creation in the Book of Genesis, through an Revelation given to the author about Adam, the first man. Adam was induced into a deep sleep by God, so that He could create a partner for him, named, 'Eve.' Remarkably, there is no record in The Christian Bible, The Judaic Torah or The Holy Quran that Adam ever awoke. Hence, the story of Eve, the forbidden fruit, the cunning serpent, the pairs eviction from the Garden of Eden and the beginning of humanity, to this very day has all occurred in Adam's dream. - The symbolism here is very astonishing indeed. Accordingly, this information now offers us all some rational explanation to many questions that have been raised from the old model of creation over the centuries and more importantly, it provides us with an understanding to discern what is true or false in our seemingly fleeting, existences of separateness on planet Earth. For instance, this Wisdom gives us a special discernment to see-through the ignorance and illusions of the people, we erringly think and believe we are. Therefore, that Knowledge needs to be firstly received and acknowledged, for It to work in mitigating repeated experiences of suffering and mayhem and leads to Self-Realization. In contrast, if people wish to continue to accept everything they perceive and experience as normality, they are usually not in a position to accept this Sacred Truth. To identify-with a mistaken premise and something we are not, can easily keep us deluded, confused and anxious indefinitely. This situation applies regardless of whether we identify with subtle names and forms like thought impulses or with grosser forms of matter. Thus, be aware that the reality, situations and experiences we unwittingly project, are generated by our identifications with divisive thoughts, beliefs and apparent physical actions. For instance, because we have been conditioned to identify-with carnal bodies and individual minds, the world we apparently perceive and seemingly live-in, also appears to be composed of matter and is populated by egos inside of mortal, physical bodies. - This has been a major conundrum for humanity since the very beginning. Vain egos or false personal-selves that have emerged are the progeny of lies and their ignorance has imprisoned and tormented them continually. - Sadly, that

has been our legacy all along. People still do not really know, who they truly are nowadays and sadly, that form of Self-ignorance, continues to engender much suffering and pain by fabricating a painful robe of falsehoods, self-centeredness, desires, vulnerability, mortality, aggressiveness and fear for everyone to cover themselves-in.

Geeta Vahini - Bhagawan Sri Sathya Sai Baba 2015-05-01
Bhagawan Sri Sathya Sai Baba wrote a series of articles under the Vahini series, for Sanathana Sarathi, a monthly magazine being published by Sri Sathya Sai Sadhana Trust, Publications Division, Prasanthi Nilayam. These precious articles are brought out now, under the title "Geeta Vahini", in this book, for the benefit of readers. This is not a commentary or summary of the divine message that was given by Lord Krishna to Arjuna. It conveys the same message in a simpler form to us, in order to remove our delusion and confer faith and strength on us, so that we may realise our own reality. Bhagawan says, "Drawing on the Divine that is inherent in us is the lesson of Geeta... Arjuna is the jiva and Krishna is the Deva. When both are in contact, impregnable might results... Krishna had to work in and through Arjuna, so that the reign of Dharma (righteousness) is re-established. Arjuna means white, pure,

unblemished. Hence, he is the proper instrument." We too can become proper instruments in restoring Dharma, if we follow the lessons that Bhagawan teaches through this book.

Shunya - Sri M 2022-11-08

He appears out of nowhere in a sleepy little neighborhood in suburban Kerala. He calls himself Shunya, the zero. Who is he? A lunatic? A dark magician? A fraud? Or an avadhuta, an enlightened soul? Saami, as they call him, settles into a small cottage in the backyard of the local toddy shop. Here he spins parables, blesses, curses, drinks endless glasses of black tea and lives in total freedom. On rare occasions, he plays soul-stirring melodies on his old, bamboo-reed flute. Then, just as mysteriously as he arrived, Shunya vanishes, setting the path for a new avadhuta, a new era. This first novel by Sri M is a meditation on the void which collapses the wall between reality and make-believe, the limited and the infinite. With its spare storytelling and profound wisdom, it leads us into the realm of 'shunya', the nothingness of profound and lasting peace, the beginning and end of all things.

Life Is A Dream, Realize It! - Joy Thomas 2014-01-24

'Life Is A Dream, Realize It!' is the third in the series of books written by the authoress, Ms. Joy Thomas, based on Bhagawan Sri Sathya Sai Baba's four maxims on life. She has written all these books based on her experiences and the teachings of Bhagawan as also from her interactions with devotees. In this book, she writes about various types of dreams and finally concludes that life itself is a dream from which everyone must awaken and get realisation of the true self. She has discussed sin and repentance, cleansing of mind and service, practising the teachings of Bhagawan in life in order to get His grace, what is true wisdom, what is meant by 'living in God', etc. among other subjects. There is an interesting incident involving the author and Prof. N. Kasturi. She has written about the doubt of a Balvikas student about the purpose of life and how she dealt with it. For the benefit of readers, she has included

108 sayings of Bhagawan Baba kept for daily practice by her husband for helping him to follow His teachings. There is a chapter on the parable 'Return Of The Prodigal Son' in which the author stresses on keeping the sense of discrimination pure without any prejudice. The author also describes in detail the five sheaths that cover the human body. This book is an illustration of the author's efforts to awaken from the dream of what one is not and how to attain full realisation of what one really is, and of the impact of Bhagawan's teachings and the power of His presence to transform the life of anyone who chooses to follow His teachings. She has cited a number of sayings of Bhagawan Baba and also that of Jesus Christ, to back her views on the different subjects that she has dealt with in this book.

Shri Sai Satcharita - Govind Raghunath Dabholkar 1999

Translated from original Marathi by Indira Kher, this work is a verse composition containing the known facts about Shri Sai Baba's life at Shirdi, and also his teachings seeks to meet a long-felt need. This is the Bible of Sai devotees in every sense of the term, In it's veracity, sanctity, faith and devotion that it inspires and the deep satisfaction, a sense of fulfilment that it brings to the devotee, it has no equal. Its sanctity derives from the fact that its idea was conceived during Baba's lifetime and with his blessings and express permission. For those unaware of Shri Sai Satcharita it is necessary to add that in the original it runs into 53 chapters and contains over 9,000 verses. Every chapter has a judicious mixture of philosophy, stories and anecdotes along with the Baba's teachings.
