The Ultimate Sissy Boy Training Program -
Mistress Dede 2016-05-23

Some of you may be familiar with some of the material included in the course or may have already gone through some of the assignments in the past. However, never have these lessons been combined in a back-to-back format before, so that they comprise a rigorous program which culminates in your complete male to female transformation. This program will be your strongest training weapon and one you can go through and refer to over and over again when you feel you are losing your sissy touch or need to feel sexier, prettier or more grounded in your "sissyhood". At the end of this manual you will find a mandatory Sissy Test, and whether you have taken this or another test in the past, you must re-take it at the end of your training as it will be an absolute accurate measure of your level of progress and success in this training program. I will only consider scores of 50 or above as passing grades but are encouraged to retake the entire course if your score is below 90. Only scores of 90 or above are considered excellent and entitle you to print the diploma that is found at the end of this course. You are encouraged to document your journey by writing

about your experiences on my blog
www.mistress-dede.com I wish you all the best
of luck! With love, Mistress Dede

BDSM - Mistress Dede 2015-05-24

What makes people want to be kinky? Doctors have discovered that they did not come from overly violent homes, nor are they social outcasts that live on the edge of society, they are normal everyday people that have jobs, families, and social responsibilities. The truth is that some of us are gifted with a desire for the mystery and control of kink while others are not. For centuries, kink has been hidden in the deepest closets and become the shame and secret that people hide. We are just now achieving a comfort level with sexuality that allows for people to be more open about their desires without persecution. Let's start with what kink is and is not. Some call it BDSM which simply stands for bondage & dominance and sadism & masochism. The two terms used to be separate and now they are used in unison to describe more accurately the strong connection between the two. Kink is many things to many people to some it is the one outlet that can be used to lose complete control and become an obedient submissive. To others, it is a way to dominate and express appreciation for another through discipline. Some practice kinks on themselves and do not require a partner for arousal. Kink involves many areas of sexual play and is considered an underground subculture that can be a one-time event or a lifestyle. With all of the elements available for a kink enthusiast, it is difficult to know where to get started for a decent drive by education. This book contains a short synopsis of kink but is not a complete education and does not claim to be. Kink is a lifestyle and with all lifestyle choices must be experienced and lived to be fully learned. I can read a book about surviving in the wilderness, but that doesn't mean that I can actually survive.

When the thoughts of being in control creep into your head, that sexy little smile starts to play over your lips, and you start to get some ideas that you want to try on your man. As women, we have all been there, but being women, many of us are unable to take

hold of our control and dominate a man. The idea of being a dominatrix is often seen as a sexual and social taboo, and many women are afraid of what society would say, what our family and friends would think, and in general, we feel that it isn't the position of a woman to take the stance of power and control. Women are seen naturally as the weaker sex, the one to be protected by a man, and the man in the relationship is often seen to be in control, the leader, the strong and dominant one. Social norms often dictate how we feel about ourselves, and sometimes, it can hinder who we really are inside. Take heed, ladies. We are women. We are strong. We are powerful. We are fierce. We are romantic. We are dynamic. We are caring. We are fighters. We are lovers. We are women! This manual will give you an inside look on what being a Mistress is really all about and will give you insight on how to be a Mistress. Being a Mistress isn't all about leather outfits, stiletto heels, and a whip in your hand. It is a journey between you and your partner, where you are the leader, you are in control, and you have the final say. It is a path of adventure where you make the choices, you take charge, and where you can let all of your inhibitions go. It will give you insight into a new you, the one who has been trapped behind the social norms for far too long. Ladies, welcome your inner Mistress!

The Transgender Guide - Mistress Dede
2015-01-06

Transgender is not the same as being transsexual. A transsexual was born one gender and transitions to the other. A transgendered person can be a man who is married to a woman. This man may dress in women's clothing, expressing himself as a woman at times. Gender has its roots in the mind, if you will. The Transgendered person doesn't relate only to the sex they were born into. They may not feel comfortable in identifying with a sexual identity at all. They can see themselves not as a man or woman, just as a human. Transgendered people have their identity in many facets. A transgendered woman may dress like a man. She may feel a stronger foundation within a suit and tie. She can be gay, straight or bi-sexual. The confinement of a term at all may seem limiting to a transgendered person. Can we just be who we are, not what our sex makes us?

The Sissy Test - Mistress Dede 2014-12-01

A few years back the term "sissy" was used in a pejorative manner to describe a man who was a "little feminine", had a "girly taste" in colors and style, and was interested in things considered to be meant "only for women". If you are saying, "What's wrong with that"...well, there is nothing wrong with that...but it was considered to be wrong in the past. Things have changed now. Gender identities are no longer confined to "male" and "female". You could be a cross-dresser or a transgender or a transsexual and you are absolutely fine and have the same legal rights as those who confirm with the two main gender identities of male and female. Sissy is no longer a negative word. People are actually proud to be a sissy. But what about you? Are you a sissy? Are you confused? May be you are not sure whether you are a sissy or not? Well, don't you worry...take this quiz and find out whether you are a sissy or not? Once you are through answering the questions, check out the scoring chart at the end and tally up your scores to find out where you stand on the macho and sissy scale. Good luck!

But overtime, you will find that your partner sees this thing in an altogether new perspective, something that is attractive and quite exciting for him. To some, forceful prevention of erection and orgasm may definitely seem odd, but there are men who find it very arousing. Getting started is sometimes difficult and the Internet provides you with lots of information that is mostly filled with fantasy over fact. It is nothing more than erotic web fantasies that are much too complicated and bizarre for many women's tastes. You are likely to get turned off by these, thinking that the whole male chastity thing is not for you. However, in this book we assure you that the subject of male chastity is explained and directed to helping you understand the entire concept in full light. A Modern Couple's Guide to Female-Led Relationships - Mistress Dede 2015-02-08

Nowadays many people are becoming more and

more aware to the concept that not all relationships are the same. What works for some people certainly does not suit others. Love and affection need not be confined to labels and strict definitions, because the spectrum of what constitutes a relationship is broader than many people imagine. The foundation of a great relationship is built on a solid platform comprised of love, trust, respect and above all, communication. But there are so many different ways of expressing these things, and no relationship is "one size fits all." For many people, the phrase "traditional relationship" conjures an image of a subordinate woman, with the man ruling the roost. While this is no longer seen as an absolute standard, it still has resonance with lots of people. And while a large majority of people prefer a more egalitarian approach to relationships, that doesn't work for everyone either. Female led relationships are often misunderstood, but are more common than you might think. In this type of relationship, the woman is the dominant partner and her partner is the willing subordinate. We'll be exploring the dynamics of this type of relationship in this guide, and the various aspects and benefits it has to offer. You may find yourself more intrigued than ever before.

The Ultimate Sissy Boy Training Program - Mistress Dede 2016-05-23

The Ultimate Sissy Boy Training Program will be your ultimate guide to completely transforming yourself not only physically but also mentally into the beautiful, sexy, submissive sissy you have been yearning to become for so long. I did not create this program as another book that you can spend the weekend browsing through. Instead, the Ultimate Sissy Boy Training Program is a hands-on manual. That is, you are expected to go through the lessons and perform each assigned task to the best of your ability, with the permanent goal in mind to become the very best sissy you can be. Furthermore, you should strive to complete all sections of the training in under 6 months' time. Why 6 months?

Because while some of you might actually be able to complete it sooner, I understand that others still partake in non-sissy affairs that might prevent you from taking on the training on a full-time basis. But if you wrap your head around the 6 month mark, you will not postpone it indefinitely like it so often happens with many of the things we want to achieve in life. So, jot down the date when you begin the training and strive to complete it in its entirety 6 months from that date. To hold yourself accountable, share this date with your Mistress/Master or share it in our Facebook page www.facebook.com/MistressDede Some of you may be familiar with some of the material included in the course or may have already gone through some of the assignments in the past. However, never have these lessons been combined in a back-to-back format before, so that they comprise a rigorous program which culminates in your complete male to female transformation. This program will be your strongest training weapon and one you can go through and refer to over and over again when you feel you are losing your sissy touch or need to feel sexier, prettier or more grounded in your "sissyhood". At the end of this manual you will find a mandatory Sissy Test, and whether you have taken this or another test in the past, you must re-take it at the end of your training as it will be an absolute accurate measure of your level of progress and success in this training program. I will only consider scores of 50 or above as passing grades but are encouraged to retake the entire course if your score is below 90. Only scores of 90 or above are considered excellent and entitle you to print the diploma that is found at the end of this course. You are encouraged to document your journey by writing about your experiences on my blog www.mistress-dede.com I wish you all the best of luck! With love, Mistress Dede
