Lizzy may think she and Sarah are going to seduce David-but she underestimates their handsome co-worker, and David turns the tables on them both. But will he be able to tame the untameable Sarah?-----Warnings: This title contains erotic situations, graphic language, BDSM elements (domination, submission) and a sexy menage a trois (MFF threesome) that gives new meaning to the word "sandwich."-----EXCERPT: We found our way to her apartment, which was as familiar to me as home now. Sarah told David to make himself comfortable and we went to change. Her work clothes gave way to a pair of blue sweats and a U of M t-shirt. I noticed she wasn't wearing a bra, and her nipples were still hard from her run through the rain. She offered me her robe while my clothes dried. I was struck with an eerie sense of déjà vu as I slipped on her old terrycloth robe, pale pink and fraying at the edges, the most un-sexy thing I could imagine. I sighed as I tossed my blouse and skirt—which I'd been so sure would entice home some young hottie tonight—into the dryer. Sarah slipped her hands under my robe before I tied it, one hand kneading the sensitive flesh of my belly just above my pubic hair, the other slipping behind me to my lower back. I knew everything I was feeling showed in my eyes because I could see it reflected in her own, and she kissed my eyelids closed and then kissed my mouth, a gentle, tender and reassuring kiss. I breathed a shaky sigh and she spent a moment feathering kisses on the sweet spot on my neck, just below and behind my ear, which she knew made me instantly wet. Her hand on my belly kneaded lower, slipping under the elastic of my panties and through my pubic hair. I heard and felt her breath quicken with my own when she found and parted my pussy lips, slipping two fingers through my slit, one on each side of my already swollen clit. I moaned when she wiggled her fingers and she stopped the sound with her mouth against mine. I wondered at her boldness, and glanced toward the door, which was open, but out of the line of sight of the living room where we'd left David. Her two fingers moved easily—so wet already!—and found the thin and sensitive sheath of skin covering my clit. The sensation was exquisite, her touch practiced and deft. She applied just a small amount of pressure to the tiny bud of flesh, not so much directly on my clit, just allowing that sweet layer of skin to do the work, rubbing it in slow and easy circles with the flat of her fingers. Her hand on my lower back allowed her to guide me, support me, and I let my head fall back, pushing my hips forward to meet her hand. She pushed me back against the wall, making faster circles now, easing me gently upward. She pressed her mouth to my ear so I could feel her breath and I whimpered. My nipples rubbed against the terrycloth as I rocked my hips, and I sighed when she slipped both fingers down and pressed them into me as deeply as she could. "He's got a big, hard cock for you, Lizzie," she whispered, stretching me open even further with both fingers, and then slowly sliding in a third. My eyes flew open at the sensation and the thought. "Do you want it?"

**Pride and Punishment** - Nia Farrell 2016-05-11

PRIDE AND PUNISHMENT is an erotic retelling of a Jane Austen classic. Characters that you thought you knew...well, they're ready to reveal their secret selves. Mr. Darcy is a Dominant. Miss Elizabeth Bennet is submissive. Jane Bennet might be the only "handsome" woman in Meryton, but puppy-like Charles Bingley needs a Mistress. Mr. Darcy doesn't think Jane has what it takes and separates the couple. His growing lust leads Mr. Darcy to confess his desire to dominate Miss Elizabeth - a proposition that she mistakes for a proposal. Already accused of less-than-gentlemanlike behavior, Darcy must find a way to win the submissive heart of a woman who abhors him. Described as "Pride and Prejudice meets 50 Shades of Grey," Pride and Punishment is not your mother's Austen. This is a deliciously different BDSM erotic romance written for ages 18+. The original dialogue has been kept intact when possible. Passages modified to fit this retelling are rife with subtext and laden with innuendo. The basic timeline is essentially the same as Pride and Prejudice, but the characters populating the pages now include Darcy's bisexual cousin Hugh, his dominant Aunt Catherine/Mistress Cat, his "little" cousin Anne, his submissive sister Georgiana, kinky defiler-of-virgins George Wickham, lesbian switch Caroline Bingley, and militiamen who see more action in their bunks than out. This erotic Regency romance includes MF relationships, MFM menage sexual congress, and BDSM activities and is written for adults only."

Stubbornness and a natural rebellious streak land the young lady in hot water with her two unexpected guardians. Oddly enough, Skylar is happier than she has ever been, yet she still struggles with the fear that comes with the past years of abuse. The handsome aliens give her everything she could ever desire - a home, food, clothing, wild and unbelievable, satisfying sex - but are they capable of giving her the love that she longs for in the deepest part of her soul? When Lady Cassandra Lane offers him one night in an upstairs room with her, he leaps at the chance despite her stipulation that he submit to her every whim. He wants nothing more than to lose himself and forget his pain; allowing someone else control seems a small price to pay for it. Little does he know that one night will have the power to change everything. Lady Cassandra Lane is in a constant state of rage... After her brutal assault at the hands of a lord, she's had her name and reputation dragged through the mud. Her family and friends have turned their back on her, and she's become a social outcast. In the midst of it all, the anger and fear caused by the theft of her innocence rules her existence, and Cassandra has had enough. Deciding to take control of her circumstances, she sets out to find a man with whom she can overcome her anxiety over physical intimacy. Robert Stanley seems like an ideal choice—someone she can use for her own ends and discard once she is done. However, she never anticipates that their one encounter will lead to a craving for more. Even when she fights him, all he wants is to save her from herself ... Robert cannot understand why he responds so readily to Cassandra's dominant nature, or the cruelty fueled by her anger. Nevertheless, he is drawn to her like a moth to a flame—despite the possibility that she will only hurt him in the end. As he falls rapidly under her spell, he begins to uncover Cassandra's deep, dark secrets, as well as her hidden pain.
