Forever Across Time Book 3: A Smile in Time
A TRAIN THROUGH TIME: College teacher Ellie Standish thinks she's on a sleek modern train heading to a conference on women's studies in Seattle, but she awakens from a night's doze to find herself on a bizarre historical train full of late Victorian era reenactors who refuse to come out of character. When the leader of the

group—one handsome, green-eyed Robert Chamberlain—finally convinces her the date is indeed 1901, a skeptical Ellie rejects any eccentric theories of time travel and presumes she is smack dab in the middle of a very interesting historical dream. She turns the directorial reins of her dream over to one smitten and willing Robert, only to realize that dreams cannot last forever. Someday, she must wake up to reality, though Ellie no longer has any idea what reality is. She only knows that Robert must play an important part in her future. But how can he...if he's only a figment of her imagination or worse yet...a man who belongs to an era long past? TOGETHER FOREVER ACROSS TIME: Stephen Sadler reluctantly attends the Seattle wedding of Robert Chamberlain to Ellie Standish, the woman who had captured his interest. There he says goodbye to the woman he thought he had fallen for. Only a few weeks later while traveling on a train, Stephen is confronted by the vision of

a strange wild-haired woman in a pair of snug-fitting trousers called “jeans” who claims she doesn’t know where she is or how she came to be on his train—until she sees the date on the newspaper, that is. Dani Douglas cannot travel through time! Her mother in Montana is ill, and she has to get back to her. But the crystal clear blue eyes of handsome Stephen Sadler hold her captive in 1901, and she doesn’t know how to leave him...perhaps forever. Stephen realizes that Dani and Ellie have much in common, but where Ellie simply captured his interest, Dani has captured his imagination and his heart. Unlike Ellie though, Dani cannot stay, her mother is ill. Stephen doesn’t know how he can let her leave him...perhaps forever. As the train hurtles back and forth across the rails, Stephen and Dani struggle to find a way to be together forever across time. A SMILE IN TIME: Annie St. John and her sister, Marie, decide that the three-day train ride from Chicago to Seattle to catch their Alaskan cruise was a bit too much, and

they swear that next time, they'll fly. But "a bit too much" doesn't begin to describe what they find when they wake up from a short doze on their sleek modern train. Over a hundred years before, Rory O'Rourke heads back to Seattle from a photo shoot in Montana on the Oriental Limited. When a young woman in tight clothing called 'capris' falls into his arms, Rory finds his hands full with not one, but two young women who claim they must have traveled back in time. Rory scoffs at the idea, but his innate chivalry will not allow him to resist the pleas of the young women for help. Available Now: Finding You in Time, Book 4 of the Train Through Time Series

One Last Stop - Casey McQuiston 2021-06-01
INSTANT NEW YORK TIMES BESTSELLER
INSTANT USA TODAY BESTSELLER
INSTANT #1 INDIE BESTSELLER From the New York Times bestselling author of Red, White & Royal Blue comes a new romantic comedy that will stop readers in their tracks... For cynical twenty-three-year-old August, moving to New York City is supposed to prove her right: that things like magic and cinematic love stories don't exist, and the only smart way to go through life is alone. She can't imagine how waiting tables at a 24-hour pancake diner and

moving in with too many weird roommates could possibly change that. And there's certainly no chance of her subway commute being anything more than a daily trudge through boredom and electrical failures. But then, there's this gorgeous girl on the train. Jane. Dazzling, charming, mysterious, impossible Jane. Jane with her rough edges and swoopy hair and soft smile, showing up in a leather jacket to save August's day when she needed it most. August's subway crush becomes the best part of her day, but pretty soon, she discovers there's one big problem: Jane doesn't just look like an old school punk rocker. She's literally displaced in time from the 1970s, and August is going to have to use everything she tried to leave in her own past to help her. Maybe it's time to start believing in some things, after all. Casey McQuiston's *One Last Stop* is a magical, sexy, big-hearted romance where the impossible becomes possible as August does everything in her power to save the girl lost in time. "A dazzling romance, filled

with plenty of humor and heart." - Time Magazine, "The 21 Most Anticipated Books of 2021" "Dreamy, other worldly, smart, swoony, thoughtful, hilarious - all in all, exactly what you'd expect from Casey McQuiston!" - Jasmine Guillory, New York Times bestselling author of *The Proposal* and *Party for Two*

Train Dreams - Denis Johnson 2011-08-30
A New York Times Notable Book for 2011 One of The Economist's 2011 Books of the Year One of NPR's 10 Best Novels of 2011 Denis Johnson's Train Dreams is an epic in miniature, one of his most evocative and poignant fictions. Robert Grainer is a day laborer in the American West at the start of the twentieth century—an ordinary man in extraordinary times. Buffeted by the loss of his family, Grainer struggles to make sense of this strange new world. As his story unfolds, we witness both his shocking personal defeats and the radical changes that transform America in his lifetime. Suffused with the history and landscapes of the American West—its otherworldly flora and fauna, its rugged loggers and bridge builders—the new novella by the National Book Award-winning author of Tree of Smoke captures the disappearance of a distinctly American way of life.

"Richly imagined and masterfully told, a love story so moving it will leave you breathless. And deeply satisfied." —Tamera Alexander, USA Today bestselling author As World War II draws to a close, Jakób fights with the Polish resistance against the crushing forces of Germany and Russia. They intend to destroy a German troop transport, but Gretl's unscheduled train reaches the bomb first. Gretl is the only survivor. Though spared from the concentration camp, the orphaned German Jew finds herself lost in a country hostile to her people. When Jakób discovers her, guilt and fatherly compassion prompt him to take her in. For three years, the young man and little girl form a bond over the secrets they must hide from his Catholic family. But she can't stay with him forever.

Jakób sends Gretl to South Africa, where German war orphans are promised bright futures with adoptive Protestant families—so long as Gretl’s Jewish roots, Catholic education, and connections to communist Poland are never discovered. Separated by continents, politics, religion, language, and years, Jakób and Gretl will likely never see each other again. After a disastrous weekend, all she wants is to get back home and sort out the mess that had once been her relationship. A heartbreaking fight, a flat tire, and an inconvenient storm leave her and Seth no other option than to stay the night at a quaint bed-and-breakfast. But when Collette finds an antique photograph of herself, circumstances quickly shift from weird to unimaginable. Seth Stone was ready to propose. Now he isn't sure he even has a relationship. Circumstances are bad enough when he has to spend the night in a creepy old Victorian inn, but they get far worse when he wakes up on a wagon train in 1857. As

Orphan Train - Christina Baker Kline 2013-04-02
The #1 New York Times Bestseller Now featuring a sneak peek at Christina's forthcoming novel *The Exiles*, coming August 2020. "A lovely novel about the search for family that also happens to illuminate a fascinating and forgotten chapter of America's history. Beautiful."—Ann Packer
Between 1854 and 1929, so-called orphan trains ran regularly from the cities of the East Coast to the farmlands of the Midwest, carrying thousands of abandoned children whose fates would be determined by

pure luck. Would they be adopted by a kind and loving family, or would they face a childhood and adolescence of hard labor and servitude? As a young Irish immigrant, Vivian Daly was one such child, sent by rail from New York City to an uncertain future a world away. Returning east later in life, Vivian leads a quiet, peaceful existence on the coast of Maine, the memories of her upbringing rendered a hazy blur. But in her attic, hidden in trunks, are vestiges of a turbulent past. Seventeen-year-old Molly Ayer knows that a community service position helping an elderly woman clean out her home is the only thing keeping her out of juvenile hall. But as Molly helps Vivian sort through her keepsakes and possessions, she discovers that she and Vivian aren't as different as they appear. A Penobscot Indian who has spent her youth in and out of foster homes, Molly is also an outsider being raised by strangers, and she, too, has unanswered questions about the past. Moving between contemporary Maine and Depression-

era Minnesota, Orphan Train is a powerful novel of upheaval and resilience, of second chances, and unexpected friendship.
