Ride the Wild Range - Cheryl Pierson 2014-08-04

Young Will Green's entire family is murdered by Red Eagle's Apache renegades. During the long days and nights of captivity, Will plans his vengeance as only a ten-year-old boy can. But those plans are thwarted, along with

his own imminent death, by a lone stranger who boldly walks into the Apache camp and forcefully takes Will from the band of warriors. Angry and humiliated, the Indians swear to follow Will and his savior as soon as they can round up their horses-and they won't stop until blood runs red. Jacobi

Kane is a man of few words and a questionable past, but it doesn't take long for trust to build between him and Will. As Will struggles to recover from his own horrific ordeal and losses, Kane is forced to face some demons of his own. Peace is elusive, as Red Eagle's band strikes again, and a cadre of lawmen come calling for Kane to track the bloodthirsty renegade down and put an end to the Apaches' reign of terror across Texas and Indian Territory. But by this time, Kane has other responsibilities—Will, a new wife, and a baby on the way. Can he leave them behind to do what no other man has been able to, or will his own past keep him from his duty? Yet another menace looms, as frightening to Will as the Apaches ever were. His wealthy Yankee grandfather is determined to wrest Will away from his newfound family and beloved western ways to bring him back to Boston and a life he can never embrace

MATTEO: Wild Fire - Kallypso Masters 2021-10-26

The Raging Fire series is a

spin-off of the Rescue Me Saga with characters you've already come to know and love. Dakota Mathison created herself at the age of seventeen. New name, new life, new location. Lots of new locations, actually, but she always had to look over her shoulder in case the man from her past caught up with her. The rodeo circuit had been a great place to hide, until she met up with someone who knew her before she'd become Dakota. Matteo Giardano had never forgotten the girl who'd been his sidekick in 4-H. Both shared a love of horses, and while he'd never admitted it back then, he'd loved her too. But she'd disappeared after high-school graduation...until one night in a bar after a rodeo many years later, she sashayed back into his life. Only to vanish again the next day. Months later, she showed up on his doorstep battered and broken from her last rodeo—bucked off a bull this time, no less. The woman seemed hell-bent on proving herself, whether to herself or someone else, he wasn't sure.

Though she'd never have to prove anything to him.

Ready for Wild - Liora Blake
2017-10-31

"Braden Montgomery is certain about three things: one, luck is for suckers; two, time spent outdoors is what keeps him sane; and, three, when it comes to sharing his bed, there's only one female he's willing to put up with--his Chesapeake Bay retriever, Charley. Braden's constructed his life on these beliefs, and he's quite content with the status quo. But when a moment of bad luck lands Braden toe-to-toe with a blonde bombshell with her own television show, his stubbornly structured reality begins to unravel"--Amazon.com.

Wild Texas Wind - Nicole McCaffrey 2010-06-18

All Raz Colt wants is land, a quiet peaceable existence and to put his life as a hired gun in the past. When the chance to earn a sizable fortune by rescuing a kidnapped heiress comes his way, he seizes the opportunity. Trouble is, the heiress doesn't want to be rescued. Offsetting Arden O'Hara's beauty is a rattlesnake personality and shrewish temper. Despite her claim that she faked the

kidnapping so her fiancé would ride to her rescue, Raz knows someone is out to kill her. And if anyone gets the pleasure of wringing her lovely neck, it's going to be him. Arden O'Hara is desperate to go home. Her fiancé was supposed to ride to her rescue, proving it's her and not her father's money he loves. Instead an arrogant stranger, with weapons strapped gun-fighter low and a decided lack of sympathy for her situation, shows up spouting a ridiculous tale about someone trying to kill her. It's infuriating when Raz Colt's claims prove true after not one but several attempts are made on her life. She has no idea who this fast gun with the deadly aim is, or why he makes her feel as wild and untamed as the Texas wind. But like it or not, if anyone is capable of getting her home alive, it's Raz Colt.

Wild America - Roger Tory Peterson 1997

Recounts a hundred-day field trip around North America

Paddling the Wild Neches - Richard M. Donovan

2006-05-16

From its origins on a sandy hillside in Van Zandt County, the Neches River flows through the heart of East Texas. In its watershed lies some of the wildest country in Texas, tucked amid the remains of one of the finest hardwood forests in the world. With the goal of keeping the Neches flowing free, East Texas native and riverman Richard M. Donovan takes readers canoeing down a two-hundred-mile stretch of the upper Neches. Through two national forests and mile after mile of remote river woodlands, he chronicles the river's natural and cultural history, describes its animal inhabitants, recounts stories of early settlers and East Texas hunting traditions, and calls attention to the recreational potential of the river for paddlers and others, whether residents or visitors. Donovan also makes a case against damming the river. He convincingly promotes the idea of turning the Neches into a National Wild and Scenic River, preserving forever the

river's natural flow and what remains of the verdant bottomlands of this historic watercourse.

Wild Texas Bride - Dana Ransom 1995

Falling in love with the handsome Billy Cooper at the age of thirteen, an older Sarah Bass becomes alarmed when Billy joins up with a dangerous gang of outlaws and dresses up like a man in order to save him. Original.

More Wild Camp Tales - Mike Blakely 1996-01-31

This book is a lighthearted look at some of the stories Texans have been improving on since their first telling around the glow of a campfire. A continuation of the entertaining collection of Wild Camp Tales, this volume includes the wildest tales ever told. Discover the drawback of fire hunting and read about the great Caddo Lake pearl rush, the murderous Mexican hog, and the mule artillery. According to one famous spinner of far-fetched windies, Texas Ranger Bigfoot Wallace, the bigger the tale, the more

folks tend to want to believe in it.

Texas Women on the Cattle Trails - Sara R. Massey 2006

Tells the stories of sixteen women who drove cattle up the trail from Texas during the last half of the nineteenth century.

Wild Texas Wind - Victoria Thompson 1992-10-01

Tates of Texas (#1) Victoria Thompson's vivid romances have brought pioneer Texas to life with heart-pounding action and lush passion. The first book in the *Tates of Texas* series, *Wild Texas Wind*, introduces the *Tates*—a family that shaped and upheld the legacy of the majestic Lone Star state. After seven years as a Comanche captive, Rebekah Tate has only a faint hope that she'll ever see her beloved childhood home again. That is, until the day tall and dangerously handsome trader Sean MacDougal strides into camp and proceeds to risk his life rescuing her. Rebekah can only guess his reasons: could he be looking for glory—or a reward from her wealthy father? One thing she does know: no one is more

stubborn than this rugged, self-made man. And no one else has a touch that warms her on cool desert nights, and makes her wonder how, together, the two of them might forge a new life out of a harsh and powerful land.

Bone to Be Wild - Carolyn Haines 2015-05-19

Sarah Booth Delaney is heartbroken: her fiancé Graf Milieu has decided to move to Hollywood permanently, leaving their relationship in shambles. Sarah Booth has a perfect distraction, however, in the form of the Black and Orange Halloween ball her best friends are throwing in New Orleans. Sarah Booth plans to dance the night away to the swinging tunes of her old flame Scott Hampton's blues band. But just as the party gets going, Scott receives a mysterious message that threatens his life and the lives of his bandmates. Sarah Booth knows that a new case is just what she needs to take her mind off her failed relationship with Graf, and she's ready to help Scott investigate. And

then the message turns from threat to reality when the bartender from Scott's club is gunned down in a drive-by. Enlisting Sheriff Coleman Peters and the rest of her friends from Zinnia, Mississippi, Sarah Booth is caught in a race against the clock as she tries to stop a killer from striking again. With a twist around every corner, Carolyn Haines will delight readers with Sarah Booth Delaney's latest zany adventure in *Bone to be Wild*.

Women and the Texas Revolution - Mary L. Scheer 2012

"Historically, wars and revolutions have offered politically and socially disadvantaged people the opportunity to contribute to the nation (or cause) in exchange for future expanded rights. Although shorter than most conflicts, the Texas Revolution nonetheless profoundly affected not only the leaders and armies, but the survivors, especially women, who endured those tumultuous events and whose lives were

Travel With Me Through Time
Part II - Theodore Aguilera
2013-07-28

Time traveler, Gunnar Best, returns home to find a new set of challenges awaiting him, beginning with a bar fight against the heavyweight champ of the world. But adventure soon turns to tragedy when learning of his best friend's murder. Should he take his time machine back and set things right or let fate run its course? With the present too much to bear, he escapes sixty-million years into the past when only dinosaurs roamed the Earth. Back in the present, he meets a shipmate of Ponce De Leon made immortal by the waters of the Fountain of Youth. The man's only wish is for Gunnar to help end his life so that he might rejoin the long-dead woman he loves. From there, the FBI calls upon him to help locate a kidnapped girl, his astronaut friend persuades him to find their mutual friend on a distant

planet, and aliens fight to take over the Earth. Bolting into the future, Gunnar learns of a contagious disease which prevents man from reproducing and only he can locate the medicine to stop it. In the end, he finds himself fighting at the Alamo alongside the great Davy Crocket and Jim Bowie against the Mexican Army. Travel with Gunnar in his mighty time machine and experience the life of a time traveler!

The Ghost of Little Fawn -
Bob Kody 1999-12

Buck Davis, a half Indian, is marshal of Red Creek, Texas. The time setting is 1994. A woman named Courtney Waters enters his office. She looks exactly like the Indian woman he met six months earlier his "dream". On impulse, Buck asks if her Indian name is Little Fawn and she says yes. She has come to him to solve a murder that took place over a hundred years ago in this very town. Buck begins to relate to her his "dream" experience of traveling back in time to when the town was

British beauty Mariah Rose hires Whitman Reagor, a tall, handsome Texan, to escort her safely across the rugged plains,

and it is all he can do to keep from giving in to the passions she arouses in him

Women and Nature - Glenda Riley 1999-01-01

Long before Rachel Carson's fight against pesticides placed female environmental activists in the national spotlight, women were involved in American environmentalism. In *Women and Nature: Saving the "Wild" West*, Glenda Riley calls for a reappraisal of the roots of the American conservation movement. This thoroughly researched study of women conservationists provides a needed corrective to the male-dominated historiography of environmental studies. The early conservation movement gained much from women's widespread involvement. Florence Merriam Bailey classified the birds of New Mexico and encouraged appreciation of nature and concern for environmental problems. Ornithologist Margaret Morse Nice published widely on Oklahoma birds. In 1902 Mary Knight Britton established the Wild

Flower Preservation Society of America. Women also stimulated economic endeavors related to environmental concerns, including nature writing and photography, health spas and resorts, and outdoor clothing and equipment. From botanists, birders, and nature writers to club-women and travelers, untold numbers of women have contributed to the groundswell of support for environmentalism.

The Blues Come to Texas -
2019-02-28

From October 1959 until the mid-1970s, Paul Oliver and Mack McCormick collaborated on what they hoped to be a definitive history and analysis of the blues in Texas. Both were prominent scholars and researchers—Oliver had already established an impressive record of publications, and McCormick was building a sprawling collection of primary materials that included field recordings and interviews with blues musicians from all over Texas and the greater South. Despite

being eagerly awaited by blues fans, folklorists, historians, and ethnomusicologists who knew about the Oliver-McCormick collaboration, the intended manuscript was never completed. In 1996, Alan Govenar, a respected writer, folklorist, photographer, and filmmaker, began a conversation with Oliver about the unfinished book on Texas blues. Subsequently, Oliver invited Govenar to assist him, and when Oliver became ill, Govenar enlisted folklorist and ethnomusicologist Kip Lornell to help him contextualize and document the existing manuscript for publication. *The Blues Come to Texas: Paul Oliver and Mack McCormick's Unfinished Book* presents an unparalleled view into the minds and methods of two pioneering blues scholars.

Dreaming with the Ancestors -
Shirley Boteler Mock
2012-10-09

Indian freedmen and their descendants have garnered much public and scholarly attention, but women's roles have largely been absent from

Downloaded from
est.uni.caribe.edu.doon
by guest

that discussion. Now a scholar who gained an insider's perspective into the Black Seminole community in Texas and Mexico offers a rare and vivid picture of these women and their contributions. In *Dreaming with the Ancestors*, Shirley Boteler Mock explores the role that Black Seminole women have played in shaping and perpetuating a culture born of African roots and shaped by southeastern Native American and Mexican influences. Mock reveals a unique maroon culture, forged from an eclectic mixture of religious beliefs and social practices. At its core is an amalgam of African-derived traditions kept alive by women. The author interweaves documentary research with extensive interviews she conducted with leading Black Seminole women to uncover their remarkable history. She tells how these women nourished their families and held fast to their Afro-Seminole language — even as they fled slavery, endured relocation, and eventually sought new

lives in new lands. Of key importance were the "warrior women" — keepers of dreams and visions that bring to life age-old African customs. Featuring more than thirty illustrations and maps, including historic photographs never before published, *Dreaming with the Ancestors* combines scholarly analysis with human interest to open a new window on both African American and American Indian history and culture.

Wild Texas Winds - Kit Prate
1988-08

Kate, the beautiful daughter of cattleman Matt Latham, had long dreamed of her childhood hero, Dru Beltrain. Instead, she found herself caught in a violent struggle between Dru and her father's cattle drovers. And she knew that only a woman's loving touch could cool Dru's vengeful fury!

Wild West Women - Erin H. Turner 2016-06-01

Wild West Women features the true stories of the pioneering wives, mothers, daughters, teachers, writers, entrepreneurs, and artists who shaped the frontier and helped change the face of American history. These fifty stories cover the Western experience from Kansas City to Sacramento and the Yukon to the Texas Gulf.

Texas Ranch Women - Carmen Goldthwaite 2014-08-26

The author of Texas Dames shares a new collection of profiles featuring the incredible women who helped build the Lone Star State. Texas would not be Texas

without the formidable women of its past. Beneath the sunbonnets and Stetsons, the women of the Lone Star State carved out ranches and breathed new life into arid spreads of land. When husbands, sons and fathers fell, bold Texas women were there to take the reins. Throughout the centuries, the women of Texas's ranches defended home and hearth with cannon and shot. They rescued hostages. They nurtured livestock through hard winters and long droughts and drove them up the cattle trails. They built communities and saw to it that faith and education prevailed for their children and their communities. Join author Carmen Goldthwaite in an inspiring survey of fierce Lone Star ladies.

He's been Rose's guardian angel since they were kids but for the first time in their lives he's the one who has caused her to be in danger. Somehow, he has to protect her from an outlaw gang determined to kill her without letting Rose know of the danger she's in. He's convinced that her heart can't take the stress if she knows...the only question is can his heart take the nearness of her. When opposites collide the adventure begins...

Wild Women - Autumn

Stephens 2020-10-27

Badass Victorian Women "Wild Women is a delightful collection of riveting stories about our independent, iconoclastic, and utterly outrageous foremothers." - Vicki Leon, author of Uppity Women of Ancient Times. #1 New Release in Politics & Social Sciences, Reference - Badass Victorian Women Enjoy a fascinating and sometimes humorous glimpse into the lives of over one hundred, 19th-century Victorian era American women who refused to whittle themselves down to

the Victorian model of proper womanhood. Included in Wild Women are 50-black-and-white photos from the era. During the Victorian era a woman's pedestal was her prison.

"Women should not be expected to write, or fight, or build, or compose scores. She does all by inspiring man to do all." - Ralph Waldo Emerson

"There is nothing more dangerous for a young woman than to rely chiefly upon her intellectual powers, her wit, her imagination, her fancy." - Godey's Lady's Book magazine
But, scores of nineteenth-century American women chose to live life on their terms. In this book you will meet women who refused to remain on a Victorian pedestal. In San Francisco a courtesan appeared as a plaintiff in court, suing her clients for fraud. In Montana a laundress in her seventies decked a gentleman who refused to pay his bill. A forty-three-year-old schoolteacher plunged down Niagara Falls in a wooden barrel. A frail lighthouse keeper pulled twenty-two

sinking sailors out of the ocean off Rhode Island. A pair of Colorado madams fought a public pistol duel over their mutual beau. Two lady lovebirds were legally wed in Michigan. An ad hoc abolitionist spirited away scores of slaves on the Underground Railroad. A Secessionist spy swallowed a secret message as she was arrested, claiming that no one could capture her soul. Readers of books for women such as *Women Who Run with the Wolves* or *Badass Affirmations* will love this book about Victorian women who refused to accept the gender roles of their day.

Travelers In Texas, 1761-1860 - Marilyn McAdams Sibley
2014-02-19

History passed in review along the highways of Texas in the century 1761-1860. This was the century of exploration and settlement for the big new land, and many thousands of people traveled its trails: traders, revolutionaries, missionaries, warriors, government agents,

adventurers, refugees, gold seekers, prospective settlers, land speculators, army wives, and filibusters. Their reasons for coming were many and varied, and the travelers viewed the land and its people with a wide variety of reactions. Political and industrial revolution, famine, and depression drove settlers from many of the countries of Europe and many of the states of the United States. Some were displeased with what they found in Texas, but for many it was a haven, a land of renewed hope. So large was the migration of people to Texas that the land that was virtually unoccupied in 1761 numbered its population at 600,000 a century later. Several hundred of these travelers left published accounts of their impressions and adventures. Collectively the accounts tell a panoramic story of the land as its boundaries were drawn and its institutions formed. Spain gave way to Mexico, Mexico to the Republic of Texas, the Republic to statehood in the United States, and statehood in the

Downloaded from
test.uni.cari.be.edu.doon
by guest

Union was giving way to statehood in the Confederate states by 1860. The travelers' accounts reflect these changes; but, more important, they tell the story of the receding frontier. In *Travelers in Texas, 1761-1860*, the author examines the Texas seen by the traveler-writer. Opening with a chapter about travel conditions in general (roads or trails, accommodations, food), she also presents at some length the travelers' impressions of the country and its people. She then proceeds to examine particular aspects of Texas life: the Indians, slavery, immigration, law enforcement, and the individualistic character of the people, all as seen through the eyes of the travelers. The discussion concludes with a "Critical Essay on Sources," containing bibliographic discussions of over two hundred of the more important travel accounts.

Texas Outlaw (Wild Texas Nights, Book 1) - Adrienne deWolfe 2012-07-17

Fancy Holleday has more nerve than the average cardsharp.

No man can resist her smoky voice and violet eyes—and that includes the federal tinstar, Cord Rawlins. Cord may have tracked her all the way to Texas to recover the U.S. minting plates that she stole, but the Nevada penitentiary is a long ride north, giving her plenty of time to charm, seduce, or just plain outsmart the handsome Texas lawman. Deputy U.S. Marshal Cord Rawlins is sworn to bring renegades to justice—including the brazen lady train robber who turned the tables on him near Carson City. Tracking Fancy down is Cord's job, but resisting her persistent persuasions is a matter of personal honor. With Fancy's life in his hands, Cord begins to wonder if his clever prisoner is really as shameless as she pretends. Could her wicked smile be hiding a desperate secret—one that can steal his heart? The impenetrable wastes and wilds of this high desert country in southeastern Utah, cut through by canyons along the Green and Colorado rivers and bounded on the west by the

Dirty Devil, discouraged lawmen from pursuit. Growing up on a ranch that included Robbers Roost, Pearl Baker heard many of the legends about and talked to many who remembered the notorious Wild Bunch. In the 1890s they spread over Utah, Wyoming, Montana, Colorado, and Arizona rustling cattle, stealing horses, robbing banks and trains, and often taking cover at Robbers Roost. Butch Cassidy and the Sundance Kid, Flat Nose George and the Curry boys, Elzy Lay, Gunplay Maxwell, the McCarty boys, Peep O'Day, Silver Tip, Blue John, and Indian Ed Newcomb they all come to rip-roaring life while courting death in The Wild Bunch at Robbers Roost. In his introduction to the Bison Books edition, Floyd A. O'Neil, director of the American West Center at the University of Utah, discusses landscape, the law and the Wild Bunch, and Pearl Baker's lifelong preparation for this lively book. *Wild Ride* - Joel H. Bernstein 2007

Highlighted by two hundred full-color and black-and-white photographs, a colorful history of the rodeo ranges from its Mexican origins to today's professional circuits, capturing the mystique of the American cowboy and his role in Western folklore.

The Wild Wild West - 20 MacLeod Raine Westerns -
