Will O' the Mill - Robert Louis Stevenson 1894

The Epic of Gilgamesh - 1973-10-25

Gilgamesh, King of Uruk, and his companion Enkidu are the only heroes to have survived from the ancient literature of Babylon, immortalized in this epic poem that dates back to the 3rd millennium BC. Together they journey to the Spring of Youth, defeat the Bull of Heaven and slay the monster Humbaba. When Enkidu dies, Gilgamesh's grief and fear of death are such that they lead him to undertake a quest for eternal life. A timeless tale of morality, tragedy and pure adventure, The Epic of Gilgamesh is a landmark literary exploration of man's search for immortality.

Someday This Pain Will Be Useful to You - Peter Cameron 2009-04-28

Someday This Pain Will Be Useful to You is the story of James Sveck, a sophisticated, vulnerable young man with a deep appreciation for the world and no idea how to live in it. James is eighteen, the child of divorced parents living in Manhattan. Articulate, sensitive, and cynical, he rejects all of the assumptions that govern the adult world around him—including the expectation that he will go to college in the fall. He would prefer to move to an old house in a small town somewhere in the Midwest. Someday This Pain Will Be Useful to You takes place over a few broiling days in the summer of 2003 as James confides in his sympathetic grandmother, stymies his canny therapist, deplores his pretentious sister, and devises a fake online identity in order to pursue his crush on a much older coworker. Nothing turns out how he'd expected. "Possibly one of the all-time great New York books, not to mention an archly comic gem" (Peter Gadol, LA Weekly), Someday This Pain Will Be Useful to You is the insightful, powerfully moving story of a young man questioning his times, his family, his world, and himself.

Three Floors Up - Eshkol Nevo 2017-10-10

THE BASIS FOR THE CANNES FILM FESTIVAL'S PALMA D'OR-

NOMINATED FILM Set in an upper-middle-class Tel Aviv apartment building, this best-selling and warmly acclaimed Israeli novel examines the interconnected lives of its residents, whose turmoils, secrets, unreliable confessions, and problematic decisions reveal a society in the midst of an identity crisis. On the first floor, Arnon, a tormented retired officer who fought in the First Intifada, confesses to an army friend with a troubled military past how his obsession about his young daughter's safety led him to lose control and put his marriage in peril. Above Arnon lives Hani, known as "the widow," whose husband travels the world for his lucrative job while she stays at home with their two children, increasingly isolated and unstable. When her brother-in-law suddenly appears at their door begging her to hide him from loan sharks and the police, she agrees in spite of the risk to her family, if only to bring some emotional excitement into her life. On the top floor lives a former judge, Devora. Eager to start a new life in her retirement, Devora joins a social movement, desperately tries to reconnect with her estranged son, and falls in love with a man who isn't what he seems. A brilliant novelist, Eshkol Nevo vividly depicts how the grinding effects of social and political ills play out in the psyche of his flawed yet compelling characters, in often unexpected and explosive ways.

Klingsor's Last Summer - Hermann Hesse 2013-01-22

This is the first English-language edition of Klingsor's Last Summer, which was originally published in 1920, a year after Demian and two years before Siddhartha. The book has three parts: a story called A Child's Heart, followed by Klein and Wagner and Klingsor's Last Summer, Hesse's two longest and finest novellas. These novellas, along with Siddhartha (the three works were republished in 1931 under the title The Inward Way), are the first fruits of the period that began in the spring of 1919, when Hesse settled in the Ticino mountain village of Montagnola to start a new life without his wife and children. A Child's Heart, written in January 1919, in Basel, concerns the transmutation of a boy's innocence into knowledge of good and evil, and the painful guilt that accompanies this process. Both Klein and Wagner (written in May-June 1919, immediately after the arrival in Montagnola) and Klingsor's

Last Summer (written shortly after) are set in a southern landscape that reflects Hesse's life that summer; both novellas have heroes who are more or less Hesse's age at the time; and in both the hero's death is preceded by a grand vision of unity in which the polarities of life are resolved. Hesse exposes himself mercilessly in Klein and Wagner, a story of escape, wrenching loose, letting go. But the expressionist painter Klingsor is a more direct self-portrait of the Hesse of 1919.

Twelve Years a Slave - Solomon Northup 2021-01-01

"Having been born a freeman, and for more than thirty years enjoyed the blessings of liberty in a free State—and having at the end of that time been kidnapped and sold into Slavery, where I remained, until happily rescued in the month of January, 1853, after a bondage of twelve years—it has been suggested that an account of my life and fortunes would not be uninteresting to the public." -an excerpt

Mysticism - Daisetz Teitaro Suzuki 1957

Siddhartha - Hermann Hesse 1951

A young Indian mystic, a contemporary of Buddha, sacrifices everything to search for the true meaning of life.

La Mia Dolce Prigioniera - 2020-07-02

Realism and the Aim of Science - Karl Popper 2013-04-15

Realism and the Aim of Science is one of the three volumes of Karl Popper's Postscript to the Logic of scientific Discovery. The Postscript is the culmination of Popper's work in the philosophy of physics and a new famous attack on subjectivist approaches to philosophy of science. Realism and the Aim of Science is the first volume of the Postscript. Popper here formulates and explains his non-justificationist theory of knowledge: science aims at true explanatory theories, yet it can never prove, or justify, any theory to be true, not even if it is a true theory. Science must continue to question and criticise all its theories, even those that happen to be true. Realism and the Aim of Science presents Popper's mature statement on scientific knowledge and offers important insights into his thinking on problems of method within science.

The Journey to the East - Hermann Hesse 1956

The hero recalls an unfruitful pilgrimage to the East during his youth and begins to realize its hidden spiritual meanings

The Other Side - Alfred Kubin 2000

Alfred Kubin (1877-1959) was one of the major graphic artists of the 20th century who was widely known for his illustrations of writers of the fantastic such as Balzac, E. I. A. Hoffmann, Gustav Meyrink and Edgar Allan Poe. In his combination of the darkly decadent, the fantastic and the grotesque, in his evocations of dream and nightmare, his creation of an atmosphere of mystery and fear he resembles Mervyn Peake. The Other Side tells of a dream kingdom which becomes a nightmare, of a journey to Pearl, a mysterious city created deep in Asia, which is also a journey to the depths of the subconscious. Or as Kubin himself called it, 'a sort of Baedeker for those lands which are half known to us'.

Thought Power - Sri Swami Sivananda 2021-01-01

This instructive book carries in itself a life-transforming value. None who reads it, with the needed interest and attention, will ever feel inclined to remain unchanged in personal nature and untransformed in conduct and character. A good deal of careful judgment and confidence would assist us in asserting that no one who reads this work, will fail to resist the readiness to make of his own will a Power that alters and exalts his own life and destiny. The work is fraught with implicit guidance for turning our personalities into forces of compelling influence and charm, and for rendering our lives into so many grand stories of the epic unfoldment of the Divine Truth we enshrine, the Divine Light we bear, and the Divine perfection we hold in our inner being.

Reconciliation - Thich Nhat Hanh 2006-10-09

Based on Dharma talks by Zen Master Thich Nhat Hanh and insights from participants in retreats for healing the inner child, this book is an exciting contribution to the growing trend of using Buddhist practices to encourage mental health and wellness. Reconciliation focuses on the theme of mindful awareness of our emotions and healing our relationships, as well as meditations and exercises to acknowledge and transform the hurt that many of us experienced as children. The book

shows how anger, sadness, and fear can become joy and tranquility by learning to breathe with, explore, meditate, and speak about our strong emotions. Reconciliation offers specific practices designed to bring healing and release for people suffering from childhood trauma. The book is written for a wide audience and accessible to people of all backgrounds and spiritual traditions.

Peter Camenzind - Hermann Hesse 1969

Originally published in Germany in 1904, this novel tells of the disillusionment of a young writer who leaves his Swiss mountain home to seek a better life

In Sight of Chaos - Hermann Hesse 1923

Theory of Shadows - Paolo Maurensig 2018-01-16

The strange circumstances surrounding the death of the world chess champion and alleged Nazi collaborator Alexander Alekhine, as investigated by a literary grand master On the morning of March 24, 1946, the world chess champion Alexander Alekhine—"sadist of the chess world," renowned for his eccentric behavior as well as the ruthlessness of his playing style—was found dead in his hotel room in Estoril, Portugal. He was fully dressed and wearing an overcoat, slumped back in a chair, in front of a meal, a chessboard just out of reach. The doctor overseeing the autopsy certified that Alekhine died of asphyxiation due to a piece of meat stuck in his larynx and assured the world that there was absolutely no evidence of suicide or foul play. Some, of course, have commented that the photos of the corpse look suspiciously theatrical, as though staged. Others have wondered why Alekhine would have sat down to his dinner in a hot room while wearing a heavy overcoat. And what about all these rumors concerning Alekhine's activities during World War II? Did he really pen a series of articles on the inherent inferiority of Jewish chess players? Can he really be seen in photographs with high-ranking Nazi officials? And as for his own homeland, is it true that the Russians considered him a traitor, as well as a possible threat to the new generation of supposedly superior Soviet chess masters? With the atmosphere of a thriller, the insight of a poem,

and a profound knowledge of the world of chess (“the most violent sport there is,” according to the Russian world champion Garry Kasparov), Paolo Maurensig’s Theory of Shadows leads us through the life and death of Alekhine: not so much trying to figure out whodunit as using the story of one infuriating and unapologetic genius to tease out “that which the novel alone can discover.”

The Seasons of the Soul - Hermann Hesse 2011-10-11

This never-before-seen collection of poems offers the lyrical insights and spiritual wisdom of the Nobel Prize-winning author of Siddhartha, Steppenwolf, and The Glass Bead Game—who inspired millions as he forged cultural bridges between the East and West. Vowing at an early age “to be a poet or nothing at all,” Hermann Hesse rebelled against formal education, focusing on a rigorous program of independent study that included literature, philosophy, art, and history. One result of these efforts was a series of novels that became counterculture bibles that remain widely influential today. Another was a body of evocative spiritual poetry. Published for the first time in English, these vivid, probing short works reflect deeply on the challenges of life and provide a spiritual solace that transcends specific denominational hymns, prayers, and rituals. The Seasons of the Soul offers valuable guidance in poetic form for those longing for a more meaningful life, seeking a sense of homecoming in nature, in each stage of life, and in a renewed relationship with the divine. Extensive quotations from his prose introduce each theme addressed in the book: love, imagination, nature, the divine, and the passage of time. A foreword by Andrew Harvey reintroduces us to a figure about whom some may have believed everything had already been said. Thoughtful commentary throughout from translator Ludwig Max Fischer helps readers understand the poems within the context of Hesse’s life.

La scommessa - C.M. Stunich 2021-06-17

Far crollare la nuova ragazza. Dovrebbe essere facile, no? La gentaglia come lei non appartiene alla Burberry Prep. No, Marnye Reed cadrà e abbiamo intenzione di fare di lei uno spettacolo. Vediamo chi riuscirà a farla innamorare per primo. Diamo al via alle scommesse. Qualcuno vuole provare? *** Resistere a questi ragazzi ricchissimi. Sono gli idoli della scuola, dei veri e propri dèi in terra. Uno ricco di famiglia, un arricchito e una stella nascente. Non assomigliano affatto ai miei vecchi compagni di scuola. Anche se vengo dal nulla, voglio essere qualcuno nella vita e non permetterò loro di mettersi in mezzo. Dicono che renderanno la mia vita un inferno e credo proprio che abbiano intenzione di mantenere la promessa.

India - V. S. Naipaul 2011-04-06

In 1975, at the height of Indira Gandhi’s “Emergency,” V. S. Naipaul returned to India, the country his ancestors had left one hundred years earlier. Out of that journey he produced this concise masterpiece: a vibrant, defiantly unsentimental portrait of a society traumatized by centuries of foreign conquest and immured in a mythic vision of its past. Drawing on novels, news reports, political memoirs, and his own encounters with ordinary Indians—from a supercilious prince to an engineer constructing housing for Bombay’s homeless—Naipaul captures a vast, mysterious, and agonized continent inaccessible to foreigners and barely visible to its own people. He sees both the burgeoning space program and the 5,000 volunteers chanting mantras to purify a defiled temple; the feudal village autocrat and the Naxalite revolutionaries who combined Maoist rhetoric with ritual murder. Relentless in its vision, thrilling in the keenness of its prose, India: A Wounded Civilization is a work of astonishing insight and candor.

What the Buddha Thought - Richard Francis Gombrich 2009
Argues that the Buddha was one of the most brilliant and original thinkers of all time. This book intends to serve as an introduction to the Buddha's thought, and hence even to Buddhism itself. It also argues that we can know far more about the Buddha than it is fashionable among

scholars to admit.

The Bride Bet - Tessa Dare 2020-08-25

How to lose a duke in ten years...without losing your heart. Once upon a time, two sworn enemies--the bookish daughter of a scholar and the devilish heir to a duke--made a pact: If they were both still single in ten years, they would marry each other. It was a joke, Nicola thought. A duchess? Her? But when the Duke of Westleigh returns a decade later, he's serious. He needs an heir, so he's holding her to their marriage bargain--diamond ring, lavish gown, engagement ball, and more. Nothing Nicola says can dissuade him. When she calls him arrogant, he praises her honesty. When she makes social stumbles, he catches her fall. And when she gets exasperated, the duke can't seem to get enough. For reasons she can't fathom, he claims that no other woman will do. He's betting he can change her mind, with logic and passion. She's betting she can change his mind, just by being herself. And as the clock ticks down to a wedding day, neither is counting on losing their heart.

Health Without Borders - Paolo Vineis 2017-06-02

This book discusses globalization and its impact on human health. The population of the world grew from 1 billion in 1800 to 7 billion in 2012, and over the past 50 years the mean temperature has risen faster than ever before. Both factors continue to rise, as well as health inequalities. Our environment is changing rapidly, with tremendous consequences for our health. These changes produce complex and constantly varying interactions between the biosphere, economy, climate and human health, forcing us to approach future global health trends from a new perspective. Preventive actions to improve health, especially in low-income countries, are essential if our future is going to be a sustainable one. After a period of undeniable improvement in the health of the

world's population, this improvement is likely to slow down and we will experience- at least locally - crises of the same magnitude as have been observed in financial markets since 2009. There is instability in health systems, which will worsen if preventive and buffering mechanisms do not take on a central role. We cannot exclude the possibility that the allied forces of poverty, social inequalities, climate change, industrial food and lack of governance will lead to a deterioration in the health of large sectors of the population. In low-income countries, while many of the traditional causes of death (infectious diseases) are still highly prevalent, other threats typical of affluent societies (obesity, diabetes, cardiovascular diseases) are increasing. Africa is not only affected by malaria, TB and HIV, but also by skyrocketing rates of cancer. The book argues that the current situation requires effective and coordinated multinational interventions guided by the principle of health as a common good. An entirely competition-driven economy cannot - by its very nature - address global challenges that require full international cooperation. A communal global leadership is called for. Paolo Vineis is Chair of Environmental Epidemiology at Imperial College. His current research activities focus on examining biomarkers of disease risk as well as studying the effects of climate change on non-communicable diseases. "From morality to molecules, environment to equity, climate change to cancer, and politics to pathology, this is a wonderful tour of global health - consistently presented in a clear, readable format. Really, an important contribution." Professor Sir Michael Marmot Director, Institute of Health Equity University College London Author of "The Health Gap" "This book is a salutary and soundly argued reminder that the 'common good' is not simply what remains after individuals and groups have appropriated the majority of societal resources: it is in fact the foundation on which any society rests and without which it collapses." Rhythm of War Part One - Brandon Sanderson 2021-10

After forming a coalition of human resistance against the enemy invasion, Dalinar Kholin and his Knights Radiant have spent a year fighting a protracted, brutal war. Neither side has gained an advantage, and the threat of a betrayal by Dalinar's crafty ally Taravangian looms over every strategic move. Now, as new technological discoveries by Navani Kholin's scholars begin to change the face of the war, the enemy prepares a bold and dangerous operation. The arms race that follows will challenge the very core of the Radiant ideals, and potentially reveal the secrets of the ancient tower that was once the heart of their strength. At the same time that Kaladin Stormblessed must come to grips with his changing role within the Knights Radiant, his Windrunners face their own problem: As more and more deadly enemy Fused awaken to wage war, no more honorspren are willing to bond with humans to increase the number of Radiants. Adolin and Shallan must lead the coalition's envoy to the honorspren stronghold of Lasting Integrity and either convince the spren to join the cause against the evil god Odium, or personally face the storm of failure. Jane Austen at Home - Lucy Worsley 2017-07-11

A trip back to the world of Jane Austen and the homes she lived in with noted historian Lucy Worsley.

Asylum - Patrick McGrath 2011-01-05

Patrick McGrath has created his most psychologically penetrating vision to date: a nightmare world rocked to its foundations by a passion of such force and intensity that it shatters the lives--and minds--of all who are

touched by it. Stella Raphael, a woman of great beauty and formidable intelligence, is married to Max, a staid and unimaginative forensic psychiatrist. Max has taken a job in a huge top-security mental hospital in rural England, and Stella, far from London society, finds herself restless and bored. Into her lonely existence comes Edgar Stark, a brilliant sculptor confined to the hospital after killing his wife in a psychotic rage. He comes to Stella's garden to rebuild an old Victorian conservatory there, and Stella cannot ignore her overwhelming physical attraction to this desperate man. Their explosive affair pits them against Stella's husband, her child, and the entire institution. When the crisis comes to a head, Stella makes a decision--one that will destroy several lives and precipitate an appalling tragedy that could only be fueled by illicit sexual love. *Asylum* is a terrifying exploration of the extremes to which erotic obsession can drive us. Patrick McGrath brings his own dazzling blend of cool artistry and visceral engagement to this mesmerizing story of a fatal love and its unspeakably tragic aftermath. And in *Stella Raphael*, a woman who tears down the walls of her constricted existence to pursue a dangerous passion, he has created a character who will long be remembered for her willingness to take the ultimate risk, even if she must pay the ultimate price.

Call of the Raven - Wilbur Smith 2020-09-03

The action-packed and gripping new adventure by number one bestselling author, Wilbur Smith, about one man's quest for revenge. 'An exciting, taut and thrilling journey you will never forget' - Sun THE DESIRE FOR REVENGE CAN BURN THE HEART OUT OF A MAN. The son of a wealthy plantation owner and a doting mother, Mungo St John is accustomed to wealth and luxury - until he returns from university to discover his family ruined, his inheritance stolen and his childhood sweetheart, Camilla, taken by the conniving Chester Marion. Mungo swears vengeance and devotes his life to saving Camilla--and destroying Chester. Camilla, trapped in New Orleans, powerless as a kept slave and subject to Chester's brutish behaviour, must do whatever it takes to survive. As Mungo battles his own fate and misfortune, he must question what it takes for a man to regain his power in the world when he has

nothing, and what he is willing to do to exact revenge... PRAISE FOR WILBUR SMITH: 'A Master Storyteller' - Sunday Times 'Wilbur Smith is one of those benchmarks against whom others are compared' - The Times 'No one does adventure quite like Smith' - Daily Mirror Narcissus and Goldmund - Hermann Hesse 1993

"Narcissus and Goldmund" is the story of a passionate yet uneasy friendship between two men of opposite character. Narcissus, an ascetic instructor at a cloister school, has devoted himself solely to scholarly and spiritual pursuits. One of his students is the sensual, restless Goldmund, who is immediately drawn to his teacher's fierce intellect and sense of discipline. When Narcissus persuades the young student that he is not meant for a life of self-denial, Goldmund sets off in pursuit of aesthetic and physical pleasures, a path that leads him to a final, unexpected reunion with Narcissus.

Monster of God: The Man-Eating Predator in the Jungles of History and the Mind - David Quammen 2004-09-17

"Rich detail and vivid anecdotes of adventure....A treasure trove of exotic fact and hard thinking." —New York Times Book Review For millennia, lions, tigers, and their man-eating kin have kept our dark, scary forests dark and scary, and their predatory majesty has been the stuff of folklore. But by the year 2150 big predators may only exist on the other side of glass barriers and chain-link fences. Their gradual disappearance is changing the very nature of our existence. We no longer occupy an intermediate position on the food chain; instead we survey it invulnerably from above—so far above that we are in danger of forgetting that we even belong to an ecosystem. Casting his expert eye over the rapidly diminishing areas of wilderness where predators still reign, the award-winning author of *The Song of the Dodo* and *The Tangled Tree* examines

the fate of lions in India's Gir forest, of saltwater crocodiles in northern Australia, of brown bears in the mountains of Romania, and of Siberian tigers in the Russian Far East. In the poignant and troublesome ferocity of these embattled creatures, we recognize something primeval deep within us, something in danger of vanishing forever.

Gertrude - Hermann Hesse 2012-12-21

With *Gertrude*, Herman Hesse continues his lifelong exploration of the irreconcilable elements of human existence. In this fictional memoir, the renowned composer Kuhn recounts his tangled relationships with two artists—his friend Heinrich Muoth, a brooding, self-destructive opera singer, and the gentle, self-assured Gertrude Imthor. Kuhn is drawn to Gertrude upon their first meeting, but Gertrude falls in love with Heinrich, to whom she is introduced when Kuhn auditions them for the leads in his new opera. Hopelessly ill-matched, Gertrude and Heinrich have a disastrous marriage that leaves them both ruined. Yet this tragic affair also becomes the inspiration for Kuhn's opera, the most important success of his artistic life.

The Expected One - Kathleen McGowan 2008-12-09

A deadly political rivalry that ended in two brutal executions...An intricate love triangle that altered the course of history...A religious revolution that changed the world... THE TREASURE... For two thousand years, an undiscovered treasure rested in the rocky wilds of the French Pyrenees. A series of scrolls written in the first century by Mary Magdalene, these startling documents hold the power to redefine the events and characters of the New Testament. Protected by supernatural forces, the priceless cache can only be uncovered by a special seeker, one who has been chosen for the task by divine providence - *The Expected One*. THE CHOSEN ONE... When journalist Maureen Paschal begins the research for a new book, she has no idea that she is stepping into an ancient mystery so complex and dangerous that thousands of people have killed and died for it. As a long buried family scandal comes to light, she can no longer deny her own role in a deadly drama of epic international consequences.

Plainsong - Kent Haruf 2001-04-03

National Book Award Finalist A heartstrong story of family and romance, tribulation and tenacity, set on the High Plains east of Denver. In the small town of Holt, Colorado, a high school teacher is confronted with raising his two boys alone after their mother retreats first to the bedroom, then altogether. A teenage girl—her father long since disappeared, her mother unwilling to have her in the house—is pregnant, alone herself, with nowhere to go. And out in the country, two brothers, elderly bachelors, work the family homestead, the only world they've

ever known. From these unsettled lives emerges a vision of life, and of the town and landscape that bind them together—their fates somehow overcoming the powerful circumstances of place and station, their confusion, curiosity, dignity and humor intact and resonant. As the milieu widens to embrace fully four generations, Kent Haruf displays an emotional and aesthetic authority to rival the past masters of a classic American tradition.
