The Mile End Cookbook - Noah Bernamoff 2012-09-04

Noah and Rae Bernamoff, owners of the New York City restaurant Mile End, celebrate the craft of new Jewish cooking with more than 100 soul-satisfying recipes and gorgeous photographs. When Noah and Rae opened Mile End, their tiny Brooklyn restaurant, they had a mission: to share the classic Jewish comfort food of their childhood. Using their grandmothers' recipes as a starting point, they updated traditional dishes and elevated them with fresh ingredients and from-scratch cooking techniques. In *The Mile End Cookbook*, the Bernamoffs share warm memories of cooking with their families and the traditions and holidays that inspire recipes like blintzes with seasonal fruit compote; chicken salad whose secret ingredient is fresh gribenes; veal schnitzel kicked up with pickled green tomatoes and preserved lemons; tsimis that's never mushy; and cinnamon buns made with challah dough. Noah and Rae also celebrate homemade delicatessen staples and share their recipes and methods for pickling, preserving, and smoking just about anything. For every occasion, mood, and meal, these are recipes that any home cook can make, including: SMOKED AND CURED MEAT AND FISH: brisket, salami, turkey, lamb bacon, lox, mackerel PICKLES, GARNISHES, FILLINGS, AND CONDIMENTS: sour pickles, pickled fennel, horseradish cream, chicken confit, sauerkraut, and soup mandel SUMPTUOUS SWEETS AND BREADS: rugelach, jelly-filled doughnuts, flourless chocolate cake, honey cake, cheesecake, challah, rye ALL THE CLASSICS: the ultimate chicken soup, gefilte fish, corned beef sandwich, latkes, knishes With tips and lore from Jewish and culinary mavens, such

as Joan Nathan and Niki Russ Federman of *Russ & Daughters*, plus holiday menus, Jewish cooking has never been so inspiring.

The Cooking Gene - Michael W. Twitty 2018-07-31

2018 James Beard Foundation Book of the Year | 2018 James Beard Foundation Book Award Winner in Writing | Nominee for the 2018 Hurston/Wright Legacy Award in Nonfiction | #75 on *The Root* 100 2018 A renowned culinary historian offers a fresh perspective on our most divisive cultural issue, race, in this illuminating memoir of Southern cuisine and food culture that traces his ancestry—both black and white—through food, from Africa to America and slavery to freedom. Southern food is integral to the American culinary tradition, yet the question of who "owns" it is one of the most provocative touch points in our ongoing struggles over race. In this unique memoir, culinary

historian Michael W. Twitty takes readers to the white-hot center of this fight, tracing the roots of his own family and the charged politics surrounding the origins of soul food, barbecue, and all Southern cuisine. From the tobacco and rice farms of colonial times to plantation kitchens and backbreaking cotton fields, Twitty tells his family story through the foods that enabled his ancestors' survival across three centuries. He sifts through stories, recipes, genetic tests, and historical documents, and travels from Civil War battlefields in Virginia to synagogues in Alabama to Black-owned organic farms in Georgia. As he takes us through his ancestral culinary history, Twitty suggests that healing may come from embracing the discomfort of the Southern past. Along the way, he reveals a truth that is more than skin deep—the power that food has to bring the kin of the enslaved and their former slaveholders to the table, where they can discover the real America together. The Little Red Hen and the Passover Matzah - Leslie Kimmelman 2011-01-01

A classic tale gets a Jewish twist, when Little Red Hen asks her friends for help making Passover matzah. Before she knows it, Little Red Hen tells herself, it will be time for Passover. So she decides to plant some grain. But when she asks her friends to help, they're too busy for her. "Sorry, bub," says the Horse. "Think again," barks the dog. Oy gevalt!

"Friends, shmends," she says. "I'll just do it myself." But when the wheat is grown and harvested, when the flour is milled and the matzah baked and the Seder table set-- all by Red on her own--who should come to her door but her not-so-helpful friends? Though she's tempted to turn them away, Little Red is a mensch-- and a mensch forgives. Like her Haggadah says: Let all who are hungry come and eat. But who will do all these dishes? Filled with Yiddish phrases and a healthy dose of humor, this Passover tale of hard work, friendship, and forgiveness is not to be missed. Bright cartoon illustrations add humor and detail to the story. Backmatter includes a glossary of Yiddish phrases, an author's note about the holiday, and a recipe for making your own Passover matzah.

A Sweet Passover - Lesléa Newman 2014-05-09

In this charming and humorous story, Miriam discovers—with the help of her family and a little matzah bread—the true meaning and importance of Passover. Miriam loves spending time with her family during Passover, and all week long she is happy to eat lots of matzah. But when she wakes up on the last day of the holiday, she is sick of matzah and refuses to eat it ever again. Then Grandpa makes his special matzah brei for the whole family, and Miriam learns there's more to Passover than just the matzah.

Award-winning illustrator David Slonim brings to life this story by celebrated author Lesléa Newman. The book includes a recipe for matzah brei, a brief summary of the Passover holiday, and a glossary of terms. Pippa's Passover Plate - Vivian Kirkfield 2019-02-05

Sundown is near, and it's almost time for the Seder to begin-- but where is Pippa's special Passover plate? Pippa the Mouse has been working hard all day-- cleaning her house, setting the table, cooking the meal. Everything looks great-- but her special Seder plate is missing! Searching through her tiny house turns up nothing, so Pippa ventures out to ask her neighbors if they can help. Bravely, she asks the other animals for help, but the snake, owl, and cat haven't seen her plate, either. But it's almost time for the Seder to begin, so she keeps looking-- and when she finds it, she invites all the other animals home to join her celebration. A charming story with a happy ending, Pippa's Passover Plate pairs simple, rhyming text with bright paintings by Jill Weber, illustrator of *The Story of Passover* and *The Story of Esther*. In bravely

facing her animal neighbors, this adorable little mouse finds not only her missing Seder plate-- but new friends. Filled with rhymes and repetition, this is a perfect title to share and read aloud, just in time for your own Passover festivities. A final spread with Pippa and her guests getting ready to hide the matzo and celebrate also shows the Passover plate with its six essential symbolic items: zeroah (a roasted bone), beitzah, (an egg), maror and charoset (bitter herbs), chazeret (mortar or paste), and karpas (a spring vegetable).

The Hungry Brain - Stephan J. Guyenet, Ph.D. 2017-02-07

A Publishers Weekly Best Book of the Year From an obesity and neuroscience researcher with a knack for engaging, humorous storytelling, *The Hungry Brain* uses cutting-edge science to answer the questions: why do we overeat, and what can we do about it? No one wants to overeat. And certainly no one wants to overeat for years, become overweight, and end up with a high risk of diabetes or heart disease--yet two thirds of Americans do precisely that. Even though we know better, we often eat too much. Why does our behavior betray our

own intentions to be lean and healthy? The problem, argues obesity and neuroscience researcher Stephan J. Guyenet, is not necessarily a lack of willpower or an incorrect understanding of what to eat. Rather, our appetites and food choices are led astray by ancient, instinctive brain circuits that play by the rules of a survival game that no longer exists. And these circuits don't care about how you look in a bathing suit next summer. To make the case, *The Hungry Brain* takes readers on an eye-opening journey through cutting-edge neuroscience that has never before been available to a general audience. *The Hungry Brain* delivers profound insights into why the brain undermines our weight goals and transforms these insights into practical guidelines for eating well and staying slim. Along the way, it explores how the human brain works, revealing how this mysterious organ makes us who we are.

Taste and See - Margaret Feinberg 2019-01-22

Embark on a global adventure to descend into a salt mine, knead bread, harvest olives, and pluck fresh figs. What you discover will forever change the way you read the Bible--and approach every meal. Also includes delicious recipes. One of America's most beloved teachers and writers, Margaret Feinberg, goes on a remarkable journey to unearth God's perspective on food. She writes that since the opening of creation, God, the Master Chef, seeds the world with pomegranates and passionfruit, beans and greens and tangerines. When the Israelites wander in the desert for forty years, God, the Pastry Chef, delivers the sweet bread of heaven. After arriving in the Promised Land, God reveals himself as Barbecue Master, delighting in meat sacrifices. Like his Foodie Father, Jesus throws the disciples an unforgettable two-course farewell supper to be repeated until his return. This groundbreaking book provides a culinary exploration of Scripture. You'll descend 400 feet below ground into the frosty white caverns of a salt mine, fish on the Sea of Galilee, bake fresh matzo at Yale University, ferry to a remote island in Croatia to harvest olives, spend time with a Texas butcher known as "the meat apostle," and wander a California farm with one of the world's premier fig farmers. With each visit, Margaret asks, "How do you read these Scriptures, not as theologians, but in light of what you do every day?" Their answers will forever change the way you read the Bible--and approach every meal. Taste and See is a delicious read that includes dozens of recipes for those who, like Margaret, believe some of life's richest moments are spent savoring a meal with those you love. Perhaps God's foodie focus is meant to do more than satisfy our bellies. It's meant to heal our souls, as we learn to taste and see the goodness of God together. After all, food is God's love made edible. See you around the table!
