Naturopathy for the 21st Century - Robert J. Thiel 2001-01-01

MOTHERHOOD....THROUGH A YEAR OF PREGNANCY - PRAVESH HANDA 2015-01-09

It's rightly said that Motherhood is one of the greatest blessings from God. To give birth to a Healthy Baby right from the day a woman conceives through almost a year, i.e., nine months is indeed a tough job! However, this job can be simplified by eating the right foods, consuming the right drinks and adopting the right and healthy habits. This book is a complete guide for a pregnant woman. It gives all the important

facts, such as, Prior to Conception and after it, All the develop-ments and changes that occur in the body during the First, Second and Third Trimesters of Pregnancy, The Three Stages of Labour, Breast and Breast-feeding, How to prevent a Pregnant woman from getting affected from AIDS or other Vaginal and Infectious Diseases, etc. Planning for a baby is a matter of pleasure and joy but on the other hand, a big duty or responsibility. Therefore, correct knowledge about pregnancy and how to deal with it provides an expectant woman, not only a painless delivery but also a healthy and jubilant baby. This is the sole aim of the book and hope it serves as a helpful guide for all women, especially the ones who are becoming a mother for the first time!

Zen-Yoga - P. J. Saher 2020-01-01

The basis of this book is a manuscript in Sanskrit which he obtained from India and its value lies in the depth and detail with which this new material has been studied and presented. The author is to be congratulated, not for his skilful translation from Sanskrit but also for the clarity with which he has applied this to western needs and western minds. Much has been written in the past regarding the psychosomatic effects of Pranayama and Asanas but in his text, Dr Saher explains clearly the mechanism by which brain and mind operate in conjunction with bodily functions, emotions and psychic experience and also how these may be controlled and applied for our betterment. He also shows how specific areas of the brain control similar areas of mind, how these can be applied to Selfanalysis and using exercises also given in the text, so control both mind and body, that Self-Realisation is possible in the highest sense and that even before this stage is reached, Health, Harmony and Serenity will be attained, surely to be prized for themselves alone.

This fascinating and profound book of ancient, Eastern esoteric wisdom backed by the latest discoveries and experiments of modern science treats the health of the soul by showing the relationship between soul and brain. Here is a practical guide to Zen-Yoga which can help to master suffering and harness latent powers. At a time when science is exploring outer space, Zen-Yoga helps us to explore the inner space of the human psyche, to recognize within ourselves new freedom - freedom to work out our destiny with integral consciousness or the divine supra - Self as the light within. This book is a cybernetic exploration of the mind's inner space leading to expanded cosmo-electronic consciousness. Having shown the differences between Eastern and Western thought - processes, Saher explains how the sages of the East have acquired that source of wisdom and bliss which our misguided youth seeks vainly in hallucinogenic drugs.

Body & Beauty Care - Neena Khanna 1989-01-01

A Girl to Remember - Ajay K Pandey, 2018-09-09

In every angel a demon hides, And in every demon, an angel strides. Neel is a self-proclaimed demon, a slave to his desires, putting at stake even the purest of relationships for it. He lives for himself, takes life as it comes, and considers people who love as emotional fools. When he first sets his eyes on his new landlady, a widow who is eleven years older to him, all he can see is an opportunity. He has a plan to get rich and is working hard to achieve it, until he bumps into Pihu. She is an immature teenager who likes Neel for no apparent reason, and blindly believes that he is the angel who will take away all her life's troubles. Neel hates Pihu for her unexplained obsession, and her being a hindrance in his plan, but her firm resolve to see a good person in him shakes Neel to the core. Will Pihu make a difference? Does inner transformation come to a man who has gone to a point of no return? A Girl to Remember is an emotional roller coaster which will make you believe that confession is the best punishment.

Naturopathy for Beginners - Ursula Jamieson 2015-03-27

Naturopathy for Beginner's Evolve to the Alternate Form of Naturopathic Medicine for a Healthier, More Natural You Naturopathy has proven itself to be as effective, but not as damaging, as any other modern treatment. It is a type of alternative medicine that does not use modern drugs and chemicals. Practitioners of naturopathic medicine believe that the body has the power to heal itself without the intervention of chemicals. The body already has the necessary instruments to become healthy; it just needs to know how to use them. Naturopathy includes a wide variety of natural treatments and uses a holistic approach to any medical affliction. This type of alternative medicine combines authentic knowledge with the discoveries of

modern science and brings a new way of treating the body without risking long term injury. The roots of naturopathy go back thousands of years, and since ancient times, people have used the benefits of nature to maintain their health. The procedures are meant to be as minimally invasive as possible. Surgery and modern medicine are recommended only in extreme cases. Otherwise the body's energy, together with natural ingredients, is all that is needed to heal almost any disease. Additionally, naturopathy emphasizes the importance of careful prevention, rather than desperate treatment. Alternative Medicine Here Is A Preview Of What You'll Learn... The Philosophy Behind NaturopathyThe Benefits of NaturopathyNaturopathic TreatmentsYogaAcupunctureColor TherapyReikiHomeopathyMuch, much more! Thank You for Choosing This Book
