Maggie, who can barely take care of herself, is desperate to help her injured and orphaned niece get the best medical care possible, so she reluctantly accepts a mobster's lucrative job offer: major cash to kill his monstrous son-in-law. Paired with Patrick Mulligan, a charming murder mentor (who happens to moonlight as a police detective), Maggie stumbles down her new career path, contending with self-doubt, three meddling aunts, a semi-psychic friend predicting her doom, and a day job she hates. Oh, and let's not forget about Paul Kowalski, the sexy beat cop who could throw her ass in jail if he finds out what she's up to. Training has never been so complicated! And, this time, Maggie has to get the job done. Because if she doesn't . . . she's the mob's next target.

**Confessions of a Sociopath** - M.E. Thomas 2013-05-14

The memoir of a high-functioning, law-abiding (well, mostly) sociopath and a roadmap—right from the source—for dealing with the sociopath in your life. As M.E. Thomas says of her fellow sociopaths, "We are your neighbors, your coworkers, and quite possibly the people closest to you: lovers, family, friends. Our risk-seeking behavior and general fearlessness are thrilling, our glibness and charm alluring. Our often quick wit and outside-the-box thinking make us appear intelligent—even brilliant. We climb the corporate ladder faster than the rest, and appear to have limitless self-confidence. Who are we? We are highly successful, noncriminal sociopaths and we comprise 4 percent of the American population." Confessions of a Sociopath—part confessional memoir, part primer for the curious—takes readers on a journey into the mind of a sociopath, revealing what makes them tick while debunking myths about sociopathy and offering a road map for dealing with the sociopaths in

your life. M. E. Thomas draws from her own experiences as a diagnosed sociopath; her popular blog, Sociopathworld; and scientific literature to unveil for the very first time these men and women who are "hiding in plain sight."

**Confessions from Your Token Black Colleague** - Talisa Lavarry 2020-08-21

In the aftermath of the George Floyd killing in 2020, as U.S. society takes a deep look at its racist underpinnings, corporations are among the institutions being called on to revamp their treatment of black people. Confessions from Your Token Black Colleague: True Stories and Candid Conversations About Equity and Inclusion in the Workplace, provides a first-hand account of the discrimination endured by Author Tali Lavarry while working for corporations that failed to rise to the occasion when it came to creating and fostering a sustainable work environment for diverse hires. Revealing the injustices and hypocrisy that prevails, she makes a case for business leaders to examine their own unacknowledged biases and take action to address systemic racism. Through conversations with progressive white business leaders and professionals in the fields of human resources and diversity and inclusion, with their help she demonstrates what has to be done to create real solutions that protect and fortify people of color and other marginalized groups. Part memoir and part blueprint for change, this book lays bare the mechanisms of workplace racism, from microaggressions to false accusations. Relentless oppression, at a series of corporate jobs, led to her nervous breakdown and confinement to a psych ward. This experience served as the catalyst for a period of soul-searching that resulted in the biggest revelation of her life and the formation of her own diversity, equity and inclusion consultancy. In this book she articulates the attitudes and behaviors of corporate staff that need changing if equity is to be achieved. Through a series of "Proposals for Atonement and Reconciliation," she introduces a strategy that opens the door to the possibility of intrinsic change.

**The Confessions of Frannie Langton** - Sara Collins 2019-05-21

This breathtaking debut, winner of the Costa First Novel Award, is a murder mystery that travels across the Atlantic and through the darkest channels of history. A brilliant, searing depiction of race, class, and oppression that penetrates the skin and sears the soul, it is the story of a woman of her own making in a world that would see her unmade. All of London is abuzz with the scandalous case of Frannie Langton, accused of the brutal double murder of her employers, renowned scientist George Benham and his eccentric French wife, Marguerite. Crowds pack the courtroom, eagerly following every twist, while the newspapers print lurid theories about the killings and the mysterious woman being tried at the Old Bailey. The testimonies against Frannie are damning. She is a seductress, a witch, a master manipulator, a whore. But Frannie claims she cannot recall what happened that fateful evening, even if remembering could save her life. She doesn't know how she came to be covered in the victims' blood. But she does have a tale to tell: a story of her childhood on a Jamaican plantation, her apprenticeship under a debauched scientist who stretched all bounds of ethics, and the events that brought her into the Benhams' London home—and into a passionate and forbidden relationship. Though her testimony may seal her conviction, the truth will unmask the perpetrators of crimes far beyond murder and indict the whole of English society itself.

**The Confessions of Max Tivoli** - Andrew Sean Greer 2007-04-01

Today Show Book Club Pick An extraordinarily haunting love story told in the voice of a man who appears to age backwards We are each the love of someone's life. So begins The Confessions of Max Tivoli, a heartbreaking love story with a narrator like no other. At his birth, Max's father declares him a "nisse," a creature of Danish myth, as his baby son has the external physical appearance of an old, dying creature. Max grows older like any child, but his physical age appears to go backward--on the outside a very old man, but inside still a fearful child. The story is told in three acts. First, young Max falls in love with a neighborhood girl, Alice, who ages as normally as any of us. Max, of course, does not; as a young man, he has an older man's body. But his curse is also his blessing: as he gets older, his body grows younger, so each successive time he finds his Alice, she does not recognize him. She takes him for a stranger, and Max is given another chance at love. Set against the historical backdrop of San Francisco at the turn of the twentieth century, Max's life and confessions question the very nature of time, of appearance and reality, and of love itself. A beautiful and daring feat of the imagination, Andrew Sean Greer's The Confessions of Max Tivoli reveals the world through the eyes of a "monster," a being who confounds the very certainties by which we live and in doing so embodies in extremis what it means to be human.

**Whore of New York** - Liara Roux 2021-10-12

Why would someone ever voluntarily become a sex worker? Liara Roux writes about the salacious details leading up to her decision to become a career sex worker, and the unexpected truths she learned while working in the industry. Liara Roux is accustomed to being mislabelled and misunderstood. As a child, Liara's inquisitive, instinctive, and rebellious nature was frequently problematized in a world designed around the

requirements of their neurotypical, cis, heterosexual male colleagues. Coming of age in an oppressively restrictive home, they shuffled tarot and explored self portraiture to rationalise the injustice of chronic pain, toxic lovers, and the cruel silence of divinity. Critiquing capitalism's mechanisms of exploitation, the conservatism of Western medicine, and the politics surrounding sex work, Whore of New York: Confessions of a Sinful Woman is a candid study of artistic awakening, and both spiritual and sexual growth after abuse, seen through the eyes of a proud outsider.

In *Hooked*, reformed addict Clare Gee draws on her own experiences of cocaine addiction, alcoholism and prostitution in telling the sensational story of a woman living on the edge. Emotionally scarred by having never known her mother, Katie escapes to London and immerses herself in a

seedy world of drugs, drink and sex, chasing happiness in the pubs and clubs, and snorting cocaine in private members' bars with her rich punters. Finding herself in a cycle of prostitution and unable to break free, she turns to drug smuggling and becomes embroiled in a bigamous marriage in an attempt to secure some emotional stability. From this dark emotional pit, Katie starts her painful journey back to 'wellness' and attempts to rid herself of her addictions for good. *Hooked* is a graphic tale of how life as a prostitute really is and what can happen when we search for happiness outside of ourselves. It is a poignant reminder that things can always get better, as long as we remember that when it's time to leave the party, it's time.

[The Education of an Idealist](#) - Samantha Power 2019-09-10

A NEW YORK TIMES, WALL STREET JOURNAL, AND USA TODAY BESTSELLER An intimate, powerful, and galvanizing memoir by Pulitzer Prize winner, human rights advocate, and former US Ambassador to the UN Samantha Power. Named one of the best books of the year: The New York Times • National Public Radio • Time • The Economist • The Washington Post • Vanity Fair • Christian Science Monitor • Publishers Weekly • Audible "Her highly personal and reflective memoir . . . is a must-read for anyone who cares about our role in a changing world."—President Barack Obama Includes an updated afterword Tracing her distinctly American journey from immigrant to war correspondent to presidential Cabinet official, Samantha Power's acclaimed memoir is a unique blend of suspenseful storytelling, vivid character portraits, and shrewd political insight. After her critiques of US foreign policy caught the eye of Senator Barack Obama, he invited her to work with him on Capitol Hill and then on his presidential campaign. When Obama won the presidency, Power went from being an activist outsider to serving as his human rights adviser and, in 2013, becoming the youngest-ever US Ambassador to the United Nations. Power transports us from her childhood in Dublin to the streets of war-torn Bosnia to the White House Situation Room and the world of high-stakes diplomacy, offering a compelling and deeply honest look at navigating the halls of power while trying to put one's ideals into practice. Along the way, she lays bare the searing battles and defining moments of her life, shows how she juggled the demands of a 24/7 national security job with raising two young children, and makes the case for how we each can advance the cause of human dignity. This is an unforgettable account of the power of idealism—and of one person's fierce determination to make a difference. "This is a wonderful book. [...] The interweaving of Power's personal story, family story, diplomatic history and moral arguments is executed seamlessly and with unblinking honesty."—THOMAS L. FRIEDMAN, The New York Times Book Review "Truly engrossing...A pleasure to read."—RACHEL MADDOW "A beautiful memoir about the times we're living in and the questions we must ask ourselves...I honestly couldn't put it down." —CHERYL STRAYED, author of *Wild* "Power's compelling memoir provides critically important insights we should all understand as we face some of the most vexing issues of our time." —BRYAN STEVENSON, author of *Just Mercy*

Confessions of a Paris Party Girl - Vicki Lesage 2014-01-12

A funny memoir about coming of age & embarking on a new life in Paris #1 Amazon Best Selling Author Wine, romance, and French bureaucracy—the ups and downs of an American's life in Paris. This laugh-out-loud memoir is almost too funny to be true! Drinking too much bubbly. Dating sappy Frenchmen. Encountering problème after problème with French bureaucracy. When newly-single party girl Vicki moved to Paris, she was hoping to indulge in wine, stuff her face with croissants, and maybe fall in love. In her first book, this cheeky storyteller and semi-professional drinker recounts the highs and lows of her life in Paris. Full of sass, shamefully honest admissions, and situations that seem too absurd to be true, you'll feel as if you're stumbling along the cobblestones with her. Will she find love? Will she learn to consume reasonable amounts of alcohol? Will the French administration ever cut her a break? Part travel memoir, part love story, this collection of essays shows the funny side of life, love, and drinking in Paris. Interview with the AuthorQ. What was your inspiration to write the Confessions series? A. After a few too many drinks at the bar, I either turn to storytelling or karaoke. I'm much better at storytelling—or so my friends say! They encouraged me to put my tales to paper, and thus was born my series of memoirs, essentially a collection of funny essays. Q. OK, so they're technically memoirs. But they seem different than traditional memoirs. How would you categorize them? A. Most of the best selling memoirs are written by celebrities, who already have a huge audience. I had to choose a different angle in order to stand out, so I went for humor. I hope people find my memoirs funny, with all the dating humor you would find in chick lit. I also talk about my travels, so my books would appeal to anyone who likes travel humor and travel memoirs by women. Confessions of a Paris Party Girl includes partying and dating humor, while Confessions of a Paris Potty Trainer would fall into the parenting humor or pregnancy humor categories. Q. Yikes... Those are practically spoilers! A. Sorry! Between my French last name and my author bio, I think the cat might already be out of the bag. However, even if you have a rough idea of how it all ends up, you have no idea how rough it was getting there until you read my books! Q. Aren't there already so many memoirs, and ones about Paris in particular? Why should I choose yours? A. It's true, there are some really great Paris memoirs out there. The fact that I have read and enjoyed so many best selling memoirs myself makes me think it's a popular genre for a reason. We're always thirsty for another sip of Paris, right? To travel to Paris through the pages of a book... to fall in love with Paris again! Q. What order should I read the books in? A. Each book in the Confessions series can stand alone, but like fine wine & pungent cheese, they go great together! I recommend the following order: -Petite Confessions: A Humorous Memoirette -Confessions of a Paris Party Girl: A Humorous Travel Memoir -Confessions of a Paris Potty Trainer: A Humorous Parenting Memoir - Confessions & Cocktails: A Humorous Memoirette If you enjoy fun, light reads with an inside look of what it's really like to live in France, you'll enjoy the Confessions series! Categories-Humor Essays -Biographies & Memoirs -Coming of Age Memoirs -Parenting & Relationships -Travel Essays & Travelogues For readers who enjoy: funny memoirs, travel memoirs by women, travel humor, coming of age memoirs, partying, dating humor, & funny essays Confessions of a Teenage Leper - Ashley Little 2018-09-11 Cheerleading, mean girls, shopping . . . and leprosy? When she falls doing a routine cheerleading stunt and slips into a coma, her mystery illness goes into overdrive and finally gets diagnosed: Hansen's Disease, aka leprosy. Abby is sent to a facility to recover and deal with this new reality. Her many misdiagnoses mean that some permanent damage has been done, and all of her plans suddenly come tumbling down. If she can't even wear high heels anymore, what is the point of living? Cheerleading is out the window, and she might not even make it to prom. PROM! But it's during this recovery that Abby has to learn to live with something even more difficult than Hansen's Disease. She's becoming aware of who she really was before and what her behavior was doing to others; now she's on the other side of the fence looking in, and she doesn't like what she sees. . . Darkly comic but ultimately touching, Confessions of a Teenage Leper is an ugly duckling tale with a surprising twist.

**Maid** - Stephanie Land 2019-01-22

NEW YORK TIMES BESTSELLER AND INSPIRATION FOR THE NETFLIX LIMITED SERIES, HAILED BY ROLLING STONE AS "A GREAT ONE." "A single mother's personal, unflinching look at America's class divide, a description of the tightrope many families walk just to get by, and a reminder of the dignity of all work." -PRESIDENT BARACK OBAMA, Obama's Summer Reading List At 28, Stephanie Land's dreams of attending a university and becoming a writer quickly dissolved when a summer fling turned into an unplanned pregnancy. Before long, she found herself a single mother, scraping by as a housekeeper to make ends meet. Maid is an emotionally raw, masterful account of Stephanie's years spent in service to upper middle class America as a "nameless ghost" who quietly shared in her clients' triumphs, tragedies, and deepest secrets. Driven to carve out a better life for her family, she cleaned by day and took online classes by night, writing relentlessly as she worked toward earning a college degree. She wrote of the true stories that weren't being told: of living on food stamps and WIC coupons, of government programs that barely provided housing, of aloof government employees who shamed her for receiving what little assistance she did. Above all else, she wrote about pursuing the myth of the American Dream from the poverty line, all the while slashing through deep-rooted stigmas of the working poor. Maid is Stephanie's story, but it's not hers alone. It is an inspiring testament to the courage, determination, and ultimate strength of the human spirit.

**Confessions of a Shopaholic** - Sophie Kinsella 2003-03-04

From the #1 New York Times bestselling author of *The Party Crasher* and *Love Your Life* comes "a hilarious tale . . . hijinks worthy of classic *I Love Lucy* episodes . . . too good to pass up." (USA Today) "Sophie Kinsella keeps her finger on the cultural pulse, while leaving me giddy with laughter."—Jojo Moyes, author of *The Giver of Stars* and *The Last Letter from Your Lover* Becky Bloomwood has a fabulous flat in London's trendiest neighborhood, a troupe of glamorous socialite friends, and a closet brimming with the season's must-haves. The only trouble is, she can't actually afford it—not any of it. Her job writing at *Successful Saving* magazine not only bores her to tears, it doesn't pay much at all. And lately Becky's been chased by dismal letters from the bank—letters

with large red sums she can't bear to read. She tries cutting back. But none of her efforts succeeds. Her only consolation is to buy herself something . . . just a little something. Finally a story arises that Becky actually cares about, and her front-page article catalyzes a chain of events that will transform her life—and the lives of those around her—forever. Praise for Sophie Kinsella and *Confessions of a Shopaholic* "Kinsella's *Bloomwood* is plucky and funny. . . . You won't have to shop around to find a more winning protagonist."—People "If a *crème brûlée* could be transmogrified into a book, it would be *Confessions of a Shopaholic*."—The Star-Ledger "A have-your-cake-and-eat-it romp, done with brio and not a syllable of moralizing. . . . Kinsella has a light touch and puckish humor."—Kirkus Reviews

**Confessions of a Klutz** - Abigail Davies

Confession One: I was a klutz. I thought I'd grow out of it, but evidently I didn't. It's not fun to look like a fumbling toddler when you're twenty-six. Confession Two: I had a standing appointment at the local ER. It wasn't by choice that I knew all the doctors names—it was necessity. But that was about to change. Confession Three: I hated the sun yet I lived in LA where it always shone. I supposed that was one plus to being sent to New York for the next eight weeks. That was until I got there. Arm veins, dimples, and THE sexiest voice known to man were my weakness, and he had every single one of them. Confession Four: He was my new boss. I could control myself though, right? The city of dreams...a klutz's worst nightmare. Eight weeks. A klutz. And a drool worthy boss. What did you get when you crossed a klutz with a GQ model lookalike? I was about to find out.
