To Kill a Kingdom - Alexandra Christo
2018-03-06

Lira, a famous siren, must prove herself by stealing the heart of the man, a siren-hunting prince who's threatening her race in this action-packed debut.

The Routledge Companion to Butoh Performance
- Bruce Baird 2018-09-03

The Routledge Companion to Butoh Performance provides a comprehensive introduction to and analysis of the global art form butoh. Originating in Japan in the 1960s, butoh was a major innovation in twentieth century dance and performance, and it continues to shape-shift around the world. Taking inspiration from the Japanese avant-garde, Surrealism, Happenings, and authors such as Genet and Artaud, its influence can be seen throughout contemporary performing arts, music, and visual art practices. This Companion places the form in historical context, documents its development in Japan and its spread around the world, and brings together the theory and the practice of this compelling dance. The interdisciplinarity evident in the volume reflects the depth and the breadth of butoh, and the editors bring specially commissioned essays by leading scholars and dancers together with translations of important early texts.

Unravel Me - Tahereh Mafi 2013-02-05

The thrilling second installment in New York Times bestselling author Tahereh Mafi's Shatter Me series. It should have taken Juliette a single touch to kill Warner. But his mysterious immunity to her deadly power has left her shaken, wondering why her ultimate defense mechanism failed against the person she most needs protection from. She and Adam were able to escape Warner's clutches and join up with a group of rebels, many of whom have powers of their own. Juliette will finally be able to actively fight against The Reestablishment and try to fix her broken world. And perhaps these new allies can help her shed light on the secret behind Adam's—and Warner's—immunity to her killer skin. Juliette's world is packed with high-stakes action and tantalizing romance, perfect for fans of the Red Queen series by Victoria Aveyard and the Darkest Minds trilogy by Alexandra Bracken. Ransom Riggs, #1 New York Times bestselling author of *Miss Peregrine's Home for Peculiar Children*, raved: "A thrilling, high-stakes saga of self-discovery and forbidden love, the Shatter Me series is a must-read for fans of dystopian young-adult literature—or any literature!" And don't miss *Defy Me*, the shocking fifth book in the Shatter Me series!

Shatter Me - Tahereh Mafi 2011-11-15

The gripping first installment in New York Times bestselling author Tahereh Mafi's *Shatter Me* series. One touch is all it takes. One touch, and Juliette Ferrars can leave a fully grown man gasping for air. One touch, and she can kill. No one knows why Juliette has such incredible power. It feels like a curse, a burden that one person alone could never bear. But The Reestablishment sees it as a gift, sees her as an opportunity. An opportunity for a deadly weapon. Juliette has never fought for herself before. But when she's reunited with the one person who ever cared about her, she finds a strength she never knew she had. And don't miss *Defy Me*, the shocking fifth book in the *Shatter Me* series!

Forest and Stream - 1881

The Turn of the Key - Ruth Ware 2019-08-06
INSTANT NEW YORK TIMES BESTSELLER "A superb suspense writer...Brava, Ruth Ware. I daresay even Henry James would be impressed." —Maureen Corrigan, author of *So We Read On*
"This appropriately twisty *Turn of the Screw* update finds the *Woman in Cabin 10* author in her most menacing mode, unfurling a shocking saga of murder and deception." —Entertainment

Weekly From the #1 New York Times bestselling author of *The Lying Game* and *The Death of Mrs. Westaway* comes this thrilling novel that explores the dark side of technology. When she stumbles across the ad, she's looking for something else completely. But it seems like too good an opportunity to miss—a live-in nannying post, with a staggeringly generous salary. And when Rowan Caine arrives at Heatherbrae House, she is smitten—by the luxurious "smart" home fitted out with all modern conveniences, by the beautiful Scottish Highlands, and by this picture-perfect family. What she doesn't know is that she's stepping into a nightmare—one that will end with a child dead and herself in prison awaiting trial for murder. Writing to her lawyer from prison, she struggles to explain the events that led to her incarceration. It wasn't just the constant surveillance from the home's cameras, or the malfunctioning technology that woke the household with booming music, or turned the lights off at the worst possible time. It wasn't just the girls, who turned out to be a far cry from the immaculately behaved model children she met at her interview. It wasn't even the way she was left alone for weeks at a time, with no adults around apart from the enigmatic handyman. It was everything. She knows she's made mistakes. She admits that she lied to obtain the post, and that her behavior toward the children wasn't always ideal. She's not innocent, by any means. But, she maintains, she's not guilty—at least not of murder—but somebody is. Full of spellbinding menace and told in Ruth Ware's signature suspenseful style, *The Turn of the Key* is an unputdownable thriller from the Agatha Christie of our time.

The Coterie - Vinod Kaul 2022-01-06

What happens when the passionate and secretive world of fashion is pried open by an outsider - a straight-talking professional of the business world? Anwar is hired by the National Fashion Council to develop the business side of the industry. However, with his own passionate side re-kindled, he steps beyond the immediate façade of glamour. He discovers two worlds - one of intense talent and creativity to make beautiful outfits and the other equally intense but of baser intent - jealousies, hate, narcissism, exploitation and the relentless need to control and self-aggrandize. The gatekeepers of the NFC led by veteran designer Meera and provocateur Dinesh thwart any attempt to challenge their stranglehold on the industry. However, having sipped the elixir of fashion and with missionary zeal, Anwar decides to confront them with the help of his ex-business school colleagues who vex their own ambitions and frustrations. A tabloid journalist with little scruples, Shailaja, waits in the wings to expose all the seedy doings of the fashion world. Where will the no-holds barred conflict end and who will be destroyed along the way?

An American Dictionary of the English Language - Noah Webster 1834

The Book of Mac - Donna-Claire Chesman 2021-10-26

An album-by-album celebration of the life and music of Mac Miller through oral histories, intimate reflections, and critical examinations of his enduring work. "One of my most vivid

memories of him is the way he would look at you while he was playing you a song. He tried to look you right in the eyes to see how you were feeling about it." —Will Kalson, friend and first manager

Following Mac Miller's tragic passing in 2018, Donna-Claire Chesman dedicated a year to chronicling his work through the unique lens of her relationship to the music and Mac's singular relationship to his fans. Like many who'd been following him since he'd started releasing mixtapes at eighteen years old, she felt as if she'd come of age alongside the rapidly evolving artist, with his music being crucial to her personal development. "I want people to remember his humanity as they're listening to the music, to realize how much bravery and courage it takes to be that honest, be that self-aware, and be that real about things going on internally. He let us witness that entire journey. He never hid that." —Kehlani, friend and musician.

The project evolved to include intimate interviews with many of Mac's closest friends and collaborators, from his Most Dope Family in Pittsburgh to the producers and musicians who assisted him in making his everlasting music, including Big Jerm, Rex Arrow, Wiz Khalifa, Benjy Grinberg, Just Blaze, Josh Berg, Syd, Thundercat, and more. These voices, along with the author's commentary, provide a vivid and poignant portrait of this astonishing artist—one who had just released a series of increasingly complex albums, demonstrating what a musical force he was and how heartbreaking it was to lose him. "As I'm reading the lyrics, it's crazy. It's him telling us that he hopes we can always respect him. I feel like this is a message from him, spiritually. A lot of the time, his music was like little letters and messages to his friends, family, and people he loved, to remind them of who he really was." —Quentin Cuff, best friend and tour manager

The Innocent Man - John Grisham 2010-03-16

#1 NEW YORK TIMES BESTSELLER • John Grisham's first work of nonfiction: a true crime story that will terrify anyone who believes in the presumption of innocence. • LOOK FOR THE NETFLIX ORIGINAL DOCUMENTARY SERIES "Both an American tragedy and [Grisham's] strongest legal thriller yet, all the more gripping because it happens to be true."—Entertainment Weekly In the town of Ada, Oklahoma, Ron Williamson was going to be the next Mickey Mantle. But on his way to the Big Leagues, Ron stumbled, his dreams broken by drinking, drugs, and women. Then, on a winter night in 1982, not far from Ron's home, a young cocktail waitress named Debra Sue Carter was savagely murdered. The investigation led nowhere. Until, on the flimsiest evidence, it led to Ron Williamson. The washed-up small-town hero was charged, tried, and sentenced to death—in a trial littered with lying witnesses and tainted evidence that would shatter a man's already broken life, and let a true killer go free. Impeccably researched, grippingly told, filled with eleventh-hour drama, *The Innocent Man* reads like a page-turning legal thriller. It is a book no American can afford to miss. *Graham's Illustrated Magazine of Literature, Romance, Art, and Fashion* - 1851

The Unraveling of Luna Forester - Noelle
2021-12-09

MATTHEW HAS ALWAYS PROTECTED LUNA'S SECRET. NOW HE MUST PROTECT HER LIFE. When his best friend Luna is found catatonic after a devastating house fire, Matthew begins to fall apart. "Take care of them, Matthew." "Always." "Protect my secret." "Of course." That's the promise he made to her only three nights ago. A solemn vow to protect their large found family of humans and supernatural creatures alike. Fated to love her for the rest of his life, and unwilling to break his solemn vow, Matthew knows the only person who can help Luna is her grandmother. Through the woods they must go, just like a fairytale. But the forest is filled with deadly peril: poisonous black moss, chimeras, and worst of all, members of their family who don't want them to continue. As they are picked off one by one, Matthew races to get Luna to safety, all the time doubting everything he thought was true. Can Matthew untangle the

twisted threads of Luna's secret before he himself unravels? A dark fantasy horror with Little Red Ridinghood undertones, perfect for fans of *Last House on Needle Street* (Catriona Ward), *Split* (J.B. Salsbury), *Legion* (Brandon Sanderson), *Pretty Girl 13* (Liz Coley), *The Quiet at the End of the World* (Lauren James), *Primal Fear* (William Diehl), & *Tell me your Dreams* (Sydney Sheldon).

Closing Stages - Teryn 2009-11-09

This is not a book of poetry or some made up verses of fiction. It is intimacy beyond your wildest dream. Forget everything that you have ever heard about life and love; it is time for a look beneath the surface. Jump deep into the abyss of a mind that releases all and leaves nothing to the imagination. Between these pages is a show of reality that you will never forget. Watch this author undress and expose everything taboo right in front of you. Take a journey on the uncultivated side and leave your reserve behind.

Missouri School Journal - 1914

When seventeen-year-old Isobel's mother marries a man she just met and they move to his gothic mansion on an island, strange occurrences cause Isobel to fear that she is losing her sanity as her artist father did.

The Financial Crisis Inquiry Report, Authorized Edition - Financial Crisis Inquiry Commission
2011-01-27

Examines the causes of the financial crisis that began in 2008 and reveals the weaknesses found in financial regulation, excessive borrowing, and breaches in accountability.

Unweaving the Rainbow - Richard Dawkins
2000-04-05

From the New York Times–bestselling author of *Science in the Soul*. "If any recent writing about science is poetic, it is this" (*The Wall Street Journal*). Did Sir Isaac Newton "unweave the rainbow" by reducing it to its prismatic colors, as John Keats contended? Did he, in other words, diminish beauty? Far from it, says acclaimed scientist Richard Dawkins; Newton's unweaving is the key too much of modern astronomy and to the breathtaking poetry of modern cosmology. Mysteries don't lose their poetry because they are solved: the solution often is more beautiful

than the puzzle, uncovering deeper mysteries. With the wit, insight, and spellbinding prose that have made him a bestselling author, Dawkins takes up the most important and compelling topics in modern science, from astronomy and genetics to language and virtual reality, combining them in a landmark statement of the human appetite for wonder. This is the book Dawkins was meant to write: A brilliant assessment of what science is (and isn't), a tribute to science not because it is useful but because it is uplifting. "A love letter to science, an attempt to counter the perception that science is cold and devoid of aesthetic sensibility . . . Rich with metaphor, passionate arguments, wry humor, colorful examples, and unexpected connections, Dawkins' prose can be mesmerizing." —San Francisco Chronicle "Brilliance and wit." —The New Yorker *My Body* - Emily Ratajkowski 2021-11-09 INSTANT NEW YORK TIMES BESTSELLER "My Body offers a lucid examination of the mirrors in which its author has seen herself, and her indoctrination into the cult of beauty as defined by powerful men. In its more transcendent passages . . . the author steps beyond the reach of any 'Pygmalion' and becomes a more dangerous kind of beautiful. She becomes a kind of god in her own right: an artist." —Melissa Febos, The New York Times Book Review A "MOST ANTICIPATED" AND "BEST OF FALL 2021" BOOK FOR * VOGUE * TIME * ESQUIRE * PEOPLE * USA TODAY * CHICAGO TRIBUNE * LOS ANGELES TIMES * SHONDALAND * ALMA * THRILLEST * NYLON * FORTUNE A deeply honest investigation of what it means to be a woman and a commodity from Emily Ratajkowski, the archetypal, multi-hyphenate celebrity of our time Emily Ratajkowski is an acclaimed model and actress, an engaged political progressive, a formidable entrepreneur, a global social media phenomenon, and now, a writer. Rocketing to world fame at age twenty-one, Ratajkowski sparked both praise and furor with the provocative display of her body as an unapologetic statement of feminist empowerment. The subsequent evolution in her thinking about our culture's commodification of women is the subject of this book. *My Body* is a profoundly personal exploration of feminism, sexuality, and power, of men's treatment of

women and women's rationalizations for accepting that treatment. These essays chronicle moments from Ratajkowski's life while investigating the culture's fetishization of girls and female beauty, its obsession with and contempt for women's sexuality, the perverse dynamics of the fashion and film industries, and the gray area between consent and abuse. Nuanced, fierce, and incisive, *My Body* marks the debut of a writer brimming with courage and intelligence.

Billboard - 2010-04-03

In its 114th year, Billboard remains the world's premier weekly music publication and a diverse digital, events, brand, content and data licensing platform. 1,000 Books to Read Before You Die - James Mustich 2018-10-02

"The ultimate literary bucket list." —THE WASHINGTON POST Celebrate the pleasure of reading and the thrill of discovering new titles in an extraordinary book that's as compulsively readable, entertaining, surprising, and enlightening as the 1,000-plus titles it recommends. Covering fiction, poetry, science and science fiction, memoir, travel writing, biography, children's books, history, and more, *1,000 Books to Read Before You Die* ranges across cultures and through time to offer an eclectic collection of works that each deserve to come with the recommendation, You have to read this. But it's not a proscriptive list of the "great works"—rather, it's a celebration of the glorious mosaic that is our literary heritage. Flip it open to any page and be transfixed by a fresh take on a very favorite book. Or come across a title you always meant to read and never got around to. Or, like browsing in the best kind of bookshop, stumble on a completely unknown author and work, and feel that tingle of discovery. There are classics, of course, and unexpected treasures, too. Lists to help pick and choose, like *Offbeat Escapes*, or *A Long Climb*, but *What a View*. And its alphabetical arrangement by author assures that surprises await on almost every turn of the page, with Cormac McCarthy and *The Road* next to Robert McCloskey and *Make Way for Ducklings*, Alice

Walker next to Izaak Walton. There are nuts and bolts, too—best editions to read, other books by the author, “if you like this, you’ll like that” recommendations, and an interesting endnote of adaptations where appropriate. Add it all up, and in fact there are more than six thousand titles by nearly four thousand authors mentioned—a life-changing list for a lifetime of reading. “948 pages later, you still want more!”
—THE WASHINGTON POST
Railroading in the Eighties - 1962

The Most Expensive Mistress in Jefferson County
- James A. Misko 2016-10-17

What would you do to earn a \$10 million profit? Would you be willing to compromise your principles? Hawkins Neilson is about to find out in The Most Expensive Mistress in Jefferson County. The United States Forest Service, Fish and Wildlife Service, Bureau of Land Management, and other government agencies have signed a contract—along with 130 ranchers and farmers and the Nez Pearce Indian Nation—to exchange over \$400 million of property in the largest land deal in Idaho history. Hawk has drained his bank account and borrowed more money to close this transaction. Can he make it through the last week before closing? On the final day, the Indians demand an additional million dollars for one of their properties. Hawk Explodes. This could change his life forever.

Vitality - Jens-Otto Andersen 2019-03-12

Today's science has a huge knowledge about the compounds in our foods - minerals, proteins, vitamins, antioxidants etc. - but we must include also their vitality properties to fully understand food quality. Vitality here means the ability of living organisms to keep up their life processes and life cycle while being under heavy pressure

from the surroundings. So living organisms are not understood based on compounds alone, and we must look at their more or less vulnerable organs and life processes. In the same way we need to re-define our concept of health, from absence of single diseases towards the ability of the organism to maintain a complex balance in the organs and the life processes during the major changes taking place recurrently during our life cycle. The book presents in a popular way a spectrum of vitality examples, taken from research and everyday life.

The Assassination of Margaret Thatcher - Hilary Mantel 2014-09-30

The New York Times bestselling collection, from the Man Booker prize-winner for Wolf Hall and Bring Up the Bodies, that has been called "scintillating" (New York Times Books Review), "breathtaking" (NPR), "exquisite" (The Chicago Tribune) and "otherworldly" (Washington Post). "A new Hilary Mantel book is an Event with a 'capital 'E.'"—NPR "A book of her short stories is like a little sweet treat."—USA Today (4 stars) "[Mantel is at] the top of her game."—Salon "Genius."—The Seattle Times One of the most accomplished, acclaimed, and garlanded writers, Hilary Mantel delivers a brilliant collection of contemporary stories In The Assassination of Margaret Thatcher, Hilary Mantel's trademark gifts of penetrating characterization, unsparing eye, and rascally intelligence are once again fully on display. Stories of dislocation and family fracture, of whimsical infidelities and sudden deaths with sinister causes, brilliantly unsettle the reader in that unmistakably Mantel way. Cutting to the core of human experience, Mantel brutally and acutely writes about marriage, class, family, and sex. Unpredictable, diverse, and sometimes shocking, The Assassination of Margaret Thatcher displays a magnificent writer at the peak of her powers.
