How to Survive the Titanic or The Sinking of J. Bruce Ismay - Frances Wilson 2011-08-15

Books have been written, films made, we have raised the Titanic and watched her go down again on numerous occasions, but out of the wreckage Frances Wilson spins a new epic: when the ship hit the iceberg on 14 April 1912 and a thousand men prepared to die, J Bruce Ismay, the ship's owner and inheritor of the White Star fortune, jumped into a lifeboat with the women and children and rowed away to safety. Accused of cowardice, Ismay became, according to one headline, 'The Most Talked-of Man in the World'. The first victim of a press hate campaign, his reputation never recovered and while other survivors were piecing together their accounts, Ismay never spoke of his beloved ship again. With the help of that great narrator of the sea, Joseph Conrad, whose Lord Jim so uncannily predicted Ismay's fate - and whose manuscript of the story of a man who impulsively betrays a code of honour and lives on under the strain of intolerable guilt went down with the Titanic - Frances Wilson explores the reasons behind Ismay's jump, his desperate need to make sense of the horror of it all, and to find a way of living with lost honour. For those who survived the Titanic the world was never the same again. But as Wilson superbly demonstrates, we all have our own Titanics, and

we all need to find ways of surviving them.

But the Titanic never slowed down. In fact, when the Californian warned that it was trapped in ice, the Titanic's wireless operator was so busy sending outgoing messages that he replied, "Shut up!" No joke. Discover the nonfiction series that demolishes everything you thought you knew about history. Don't miss *History Smashers: The Mayflower*, *Women's Right to Vote*, and *Pearl Harbor*.

The Night Lives On - Walter Lord 2012-03-06
In this New York Times bestseller, the author of *A Night to Remember* and *The Miracle of Dunkirk* revisits the Titanic disaster. Walter Lord's *A Night to Remember* was a landmark work that recounted the harrowing events of April 14, 1912, when the British ocean liner RMS Titanic went down in the North Atlantic Ocean, a book that inspired a classic movie of the same name. In *The Night Lives On*, Lord takes the exploration further, revealing information about the ship's last hours that emerged in the decades that followed, and separating myths from facts. Was the ship really christened before setting sail on its maiden voyage? What song did the band play as water spilled over the bow? How did the ship's wireless operators fail so badly, and why did the nearby Californian, just ten miles away when the Titanic struck the iceberg, not come to the rescue? Lord answers these questions and more, in a gripping investigation of the night when approximately 1,500 victims were lost to the sea.

The Myth of the Titanic - R. Howells
1999-03-29

The first critical analysis of the Titanic as modern myth, this book focuses on the second of the two Titans. The first was the physical Titanic, the rusting remains of which can still be found twelve thousand feet below the north Atlantic. The second is the mythical Titanic which emerged just as its tangible predecessor slipped from view on 15 April 1912. It is the second of the two Titans which remains the more interesting and which continues to carry cultural resonances today. The Myth of the Titanic begins with the launching of the 'unsinkable ship' and ends with the outbreak of the 'war to end all wars'. It provides an insight into the particular culture of late-Edwardian Britain and beyond this draws far greater conclusions about the complex relationship between myth, history, popular culture and society as a whole.

Unsinkable - James Sullivan 2020-12-08

In the bestselling tradition of Indianapolis and In Harm's Way comes a "captivating...gripping" (Kirkus Reviews, starred review) account of the USS Plunkett—a US Navy destroyer that sustained the most harrowing attack on any Navy ship by the Germans during World War II, later made famous by John Ford and Herman Wouk. "A reflection on the nature of storytelling itself" (The Wall Street Journal), *Unsinkable* traces the individual journeys of five men on one ship from Casablanca in North Africa, to Sicily and Salerno in Italy and then on to Plunkett's defining moment at Anzio, where a dozen-odd German bombers bore down on the ship in an assault so savage, so prolonged, and so deadly that one Navy commander was hard-pressed to think of another destroyer that had endured what Plunkett had. After a three-month overhaul and with a reputation rising as the "fightin'est ship" in the Navy, Plunkett (DD-431) plunged back into the war at Omaha Beach on D-Day, and again into battle during the invasion of Southern France—perhaps the only Navy ship to participate in every Allied invasion in the European theatre. Featuring five incredibly brave men—the indomitable skipper, who will receive the Navy Cross; the gunnery officer, who bucks the captain every step of the way to Anzio; a first lieutenant, who's desperate to get off the ship and into the Pacific; a seventeen-year-old water tender, who's trying to hold onto his hometown girl against all odds, and another water tender, who mans a 20mm gun when under aerial assault—the dramatic story of each plays out on the decks of the Plunkett as the ship's story escalates on the stage of the Mediterranean. Based on Navy logs, war diaries, action reports, letters, journals, memoirs, and dozens of interviews with the men who were on the ship and their families, *Unsinkable* is a timeless evocation of young men stepping up to the defining experience of their lives. "If you were moved by Norman Maclean's *A River Runs Through It*, by William Kent Krueger's *This*

Tender Land...by the values we hold dear, decency, sacrifice, steadfastness, then Unsinkable will take you to a place long dead in your soul, and flood it with light" (Doug Stanton, #1 New York Times bestselling author of Horse Soldiers).

Unsinkable - Joyce B. Lohse 2006-11-01

Molly Brown was heroine of the Titanic disaster, but when asked about the experience, she said, "Please don't say I'm a heroine. I did only the natural thing and not the heroic...It isn't who you are, nor what you have, but what you are that

counts. That was proved on the Titanic...it was the Brown luck. I'm the unsinkable Mrs. J.J. Brown."Margaret 'Molly' Brown's life was the stuff of legends. The heroine of the Titanic disaster was also a business woman, art collector, social and political activist, and philanthropist during her full life. As she said of others, she had "a heart as big as a ham." "Unsinkable by Joyce B. Lohse is as entertaining as it is accurate. It is the perfect Molly Brown biography for readers of all ages." - Andrea Malcomb, Director of Molly Brown House Museum
