Ezra Greene has made a pretty decent life for himself. He has a nice apartment and spends his days doing the one thing he's always loved-creating art. Despite being somewhat of a grumpy recluse, he's even made a few loyal friends. When he takes a side job painting a

mural at a local holistic center, he can't help being curious about a certain friendly and self-assured yoga instructor, even if he doesn't buy into any of that Zen crap. His holier-than-thou family already tried fitting him inside a box, and he swore he'd never be molded into anybody's belief system again. For Daevonte Randall, adulthood has worked out pretty well. He's close to his parents and lives with an awesome roommate. He's content with weekend hookups, teaching yoga, and taking college courses. What he doesn't expect is to be so intrigued by the brooding and reserved painter he's been tasked to stay after hours with at the center. Something fascinates him about Ezra, even after Daevonte's attempts at flirting gets him friend-zoned on the spot. As weeks pass, Ezra and Dae get to know each other, and soon their friendship catches fire. But Ezra's been burned pretty badly before so trust and intimacy has to be earned. Daevonte feels up to the task,

but it proves difficult as Ezra continues to keep his emotions in check. Dae's only willing to wait so long, and when they're dealt a surprising blow, Ezra needs to decide if love is worth the risk, that is...if it's not too late.

comes a love story about a

years after they were

separated in New York City. To

the Green-eyed Lovebird: We

met fifteen years ago, almost to

the day, when I moved my stuff

into the NYU dorm room next

to yours at Senior House. You

called us fast friends. I like to

think it was more. We lived on

nothing but the excitement of

finding ourselves through

music (you were obsessed with

Jeff Buckley), photography (I

you), hanging out in

Washington Square Park, and

all the weird things we did to

We lost touch the summer after graduation when I went to South America to work for National Geographic. When I came back, you were gone. A part of me still wonders if I pushed you too hard after the wedding... I didn't see you again until a month ago. It was a Wednesday. You were rocking back on your heels, balancing on that thick yellow line that runs along the subway platform, waiting for the F train. I didn't know it was you until it was too late, and then you were gone. Again. You said my name; I saw it on your lips. I tried to will the train to stop, just so I could say hello. After seeing you, all of the youthful feelings and memories came flooding back to me, and now I've spent the better part of a month wondering what your life is like. I might be totally out of my mind, but would you like to get a drink with me and catch up on the last decade and a half? M

love—with all its complications—by debut author Ashley Herring Blake. Delilah Green swore she would never go back to Bright Falls—nothing is there for her but memories of a lonely childhood where she was little more than a burden to her cold and distant stepfamily. Her life is in New York, with her photography career finally gaining steam and her bed never empty. Sure, it's a different woman every night, but that's just fine with her. When Delilah's estranged stepsister, Astrid, pressures her into photographing her wedding with a guilt trip and a five-figure check, Delilah finds herself back in the godforsaken town that she used to call home. She plans to breeze in and out, but then she sees Claire Sutherland, one of Astrid's stuck-up besties, and decides that maybe there's some fun (and a little retribution) to be had in Bright Falls, after all. Having raised her eleven-year-old daughter mostly on her own while dealing with her unreliable ex

Though they've known each other for years, they don't really know each other—so Claire is unsettled when Delilah figures out exactly what buttons to push. When they're forced together during a gauntlet of wedding preparations—including a plot to save Astrid from her horrible fiancé—Claire isn't sure she has the strength to resist Delilah's charms. Even worse, she's starting to think she doesn't want to...

Justine's therapist says she is 'troubled', but it means the same thing. He thinks that her vivid, reoccurring nightmares and atrocious behavior point to some trauma in her past; but Em, Justine's mother, can't explain it. Justine used to have Christian, her best friend and skateboard partner. He was the only one who accepted her. Maybe because skating is the only time that Justine is really free to be herself. Now that Christian is gone... Justine keeps thinking things can't get any worse. Even as she sees her life spinning further and further out of control, Justine can't give up her sense of who she is—someone far different than the loving daughter Em expects her to be—to just fit in and be happy. She is sure that Em secretly holds the key to who Justine really is. But if she does, Em isn't talking. —This

Cocky enough to believe that no amount of time or distance could destroy us. When Jude finally returned home from overseas, it should have been cause for celebration. But the man I'd fallen in love with was gone, and in his place was someone I no longer recognized. I can't do this, the note said. I'm sorry. Now, after six long years he's back. Only my heart ... it doesn't beat just for him anymore.

Free Fall - Sara Cate  
2021-03-25

I've moved past what happened on Del Rey, and I've kept the secret of what I did-what we did-buried deep. But I'm afraid I'll never move past what happened six months later in Amsterdam. When Ellis Prior, an old friend of my dad's, walked back into my life, we became fast friends, and he showed me things I can't forget-things that brought me to my knees. But I walked away from that life, and I never looked back. It's been three years, but I can no longer ignore it. It awoke a hunger inside of me. A craving for something new. Something powerful. Now Hanna Thurber is on Del Rey looking for a place to escape, and I'm all too eager to provide. This ballerina is anything but delicate, and the chemistry between us is electric. But the past won't stay dead, and Ellis Prior finds his way to the island too. Suddenly, there is something pulling the three of us

together. What starts as innocent and fun turns into an attraction that is undeniably forbidden. There are no secrets on the island. There is only us. And the truth I can no longer ignore. Free Fall is an MMF romance with explicit sexual content. It is a follow-up to Gravity, and although each story can be read separately, they are meant to be read in order.

Still, it's hard to stay mad at her when she's more beautiful than I remember and her son keeps finding new ways to sneak over to my hardware store every chance he gets. While I admit

he needs a male figure in his life, I'm the wrong guy for the job. Despite my reluctance, the little guy brings us together even as our pasts keep us apart. I'm falling deeper for this woman, and the more I get to know Savannah, the more I realize I may have misjudged her. Maybe we can get a second chance after all.
