Words and Music in the Middle Ages - John Stevens 1986-10-16

This book examines the relation of words and music in

England and France during the three centuries following the Norman Conquest. The basic material of the study includes the chansons of the troubadours and trouvères and the varied Latin songs of the period. In addition to these 'lyric' forms, the author discusses the relations of music and poetry in dance-song, in narrative and in the

ecclesiastical drama. Professor Stevens examines the ready-made, often unconscious, and misleading assumptions we bring to the study and performance of early music. In particular he affirms the importance of Number, in more than one sense, as a clue to the 'aesthetic' of the greater part of repertoire, to the relation of words and melody. and to the baffling problem of their rhythmic interpretation. This is the first wide-ranging study of words and music in this period in any language. It will be essential reading for scholars of the music and the literature of medieval Europe and will provide a basic and comprehensive introduction to the repertoire for students.

A Snake Falls to Earth -

Darcie Little Badger

2021-11-09

Nina is a Lipan girl in our world. She's always felt there was something more out there. She still believes in the old stories. Oli is a cottonmouth kid, from the land of spirits and monsters. Like all cottonmouths, he's been cast

from home. He's found a new one on the banks of the bottomless lake. Nina and Oli have no idea the other exists. But a catastrophic event on Earth, and a strange sickness that befalls Oli's best friend, will drive their worlds together in ways they haven't been in centuries. And there are some who will kill to keep them apart. Darcie Little Badger introduced herself to the world with Elatsoe. In A Snake Falls to Earth, she draws on traditional Lipan Apache storytelling structure to weave another unforgettable tale of monsters, magic, and family. It is not to be missed.

Titles include: Sonata in F (Attwood) * Air from Little Russia (Beethoven) * Allegro in F (Mozart) * Air (Purcell) * Gavotte (Telemann) * Creepy Crawley (Gritton) * German Dance (Haydn) and more.
ANTHEM - Ayn Rand

2021-01-01

Hailed by The New York Times as "a compelling dystopian look at paranoia from one of the most unique and perceptive writers of our time," this brief, captivating novel offers a cautionary tale. The story unfolds within a society in which all traces of individualism have been eliminated from every aspect of life — use of the word "I" is a capital offense. The hero, a rebel who discovers that man's greatest moral duty is the pursuit of his own happiness, embodies the values the author

*Downloaded from

by guest*

embraced in her personal philosophy of objectivism: reason, ethics, volition, and individualism. Anthem anticipates the themes Ayn Rand explored in her later masterpieces, *The Fountainhead* and *Atlas Shrugged*. *Publisher's Weekly* acclaimed it as "a diamond in the rough, often dwarfed by the superstar company it keeps with the author's more popular work, but every bit as gripping, daring, and powerful." Anthem is a dystopian fiction novella by Ayn Rand, written in 1937 and first published in 1938 in England. It takes place at some unspecified future date when mankind has entered another dark age characterized by irrationality, collectivism, and socialistic thinking and economics. Technological advancement is now carefully planned (when it is allowed to occur at all) and the concept of individuality has been eliminated.

The Fall of Legend - Meghan March 2019-11-12

From New York Times bestselling author Meghan March comes a new deliciously dangerous alpha hero in *The Fall of Legend*, the first book in the utterly addictive *Legend* trilogy. We come from two different worlds. I'm from the streets. She might as well live in an ivory tower. I made my living with my fists. I doubt she could even throw a punch. Our paths never should have crossed. We never should have met. That doesn't change the facts. I would sell my soul to taste those red lips. Fight the devil himself to hear her laugh. Burn in hell to have a single

fears and fascinations. Every culture has its folktales including ours. Except, instead of involving gods and goddesses or princes and princesses, ours involve "some guy my sister's best friend knows" or "someone who woke up in a motel room." They happened, supposedly, to real people, usually recently, in a particular place. And they touch the most sensitive nerves of our psyches with ironic twists, gross-out shocks, and moral lessons learned the hard way. From the classic tale "The Mexican Pet" in which the "dog" turns out to be no Chihuahua to the more unappetizing story of condoms as fast-food burger garnish, from surgically skilled kidney thieves to sexual experiments that end in the emergency room, Urban Legends relates more 300 of the most enticing, macabre, and unforgettable tales. Expertly told, they are arranged in such chapters as "Crazy Little Thang Called Sex," "Oh, Scare Me," "Campus Capers," "Corporate Convolutions," and "So Much

For Comfort Food."

Fascinating, chilling, and occasionally repulsive, Urban Legends has all your favorites and hundreds more.

Piano Calm Christmas: 15 Reflective Solos for the Season - Hal Leonard Corp. 2020-08-01

Frank - James Kaplan
2011-11-01

Frank Sinatra was the best-known entertainer of the twentieth century—infinately charismatic, lionized and notorious in equal measure. But despite his mammoth fame, Sinatra the man has remained an enigma. Now James Kaplan brings deeper insight than ever before to the complex psyche and turbulent life behind that incomparable voice, from Sinatra's humble beginning in Hoboken to his fall from grace and Oscar-winning return in *From Here to Eternity*. Here at last is the biographer who makes the reader feel what it was really like to be Frank Sinatra—as man, as musician, as tortured genius.

Off Broadway Musicals,
1910-2007 - Dan Dietz
2010-03-10

Despite an often unfair reputation as being less popular, less successful, or less refined than their bona-fide Broadway counterparts, Off Broadway musicals deserve

Downloaded from
test.uni.caribe.edu.doon
by guest

their share of critical acclaim and study. A number of shows originally staged Off Broadway have gone on to their own successful Broadway runs, from the ever-popular A Chorus Line and Rent to more off-beat productions like Avenue Q and Little Shop of Horrors. And while it remains to be seen if other popular Off Broadway shows like Stomp, Blue Man Group, and Altar Boyz will make it to the larger Broadway theaters, their Off Broadway runs have been enormously successful in their own right. This book discusses more than 1,800 Off Broadway, Off Off Broadway, showcase, and workshop musical productions. It includes detailed descriptions of Off Broadway musicals that closed in previews or in rehearsal, selected musicals that opened

in Brooklyn and in New Jersey, and American operas that opened in New York, along with general overviews of Off Broadway institutions such as the Light Opera of Manhattan. The typical entry includes the name of the host theater or theaters; the opening date and number of performances; the production's cast and creative team; a list of songs; a brief plot synopsis; and general comments and reviews from the New York critics. Besides the individual entries, the book also includes a preface, a bibliography, and 21 appendices including a discography, filmography, a list of published scripts, and lists of musicals categorized by topic and composer.
