Beyond the Rivers of Ethiopia - Mensa Otabil 1993-05-01

This powerful and revealing look into God's purpose for the black race gives scholastic yet simple answers to questions you have always had about the black presence in the Bible. The roles and exploits of blacks in the Bible that have either been omitted or treated lightly by European and Euro-American scholars are now revealed.

Our Modern Services - Anglican Church of Kenya 2008-10

"Our Modern Services" is the Prayer Book of the Anglican Church of Kenya, published in North and South America by The Ekklesia Society *The Good Girl's Guide to Bad Girl Sex* - Ph. D. Keesling 2009-01-16 NOW IN PAPERBACK! From Publishers Weekly: In *The Good Girl's Guide to Bad Girl Sex*, sex therapist Barbara Keesling asserts that nearly every good girl yearns to be bad and offers tips for unleashing the bad girl within. Keesling, who worked for a sex therapist as a surrogate partner for 10 years before becoming one herself, explores the inhibitions that women have about sex, and explains how you can dress, speak, walk, tease, use sex toys, give blow jobs and have orgasms like the bad girl of your dreams. In addition, Keesling, herself a former good girl meaning that like most women, she had learned to hide her wild desires from the world offers her personal story as inspiration for all women who want to learn how to feel good about being bad.

The Preacher's Slut - Epic Sex Stories 2012-12-27

The town's ultra-conservative mega-preacher obsesses over sexual immorality, so when his daughter rebels on her 18th birthday, she does so with a bang by seducing the town's leading self-righteous hypocrites in an orgy of revenge. Yet sparking a wave of sexual scandals reveals a secret that her parents have kept from her since her birth, and will bring everyone to their knees.

Sudden Sex - Alison Tyler 2013-04-08

Maybe one of the hidden benefits of everyone being so darn busy is the rise of the quickie! No one writes fresh fiction on quick sex better than Alison Tyler who has probably inspired more time-efficient trysts than any other eroticist. Whether at the office with your boss, in a restaurant restroom or naughty nooners with your long-time love, Tyler's *Sudden Sex* will have you dialing up a booty call stat! Alison Tyler says: "My favorite short stories brand new. Crisp and focused, taut and tight. The pieces in this collection are waiting for you to slide them on, button the fly, then turn and admire how well they fit your kink. Because—as everyone who knows me understands by now—I'm all about the kink. This collection features BDSM, spanking, toys, tools, girls gone bad and men who need it just as bad. I've assembled stories from writers I've worked with for nearly two decades as well as wordsmiths who are new to me. What do the pieces have in common? Each one maxes out at 1500 words. That's not a lot of small talk. We've cut the awkward getting to know you phase and instead parked you right up at the point. We're past first base, past second, on our way to third. His hand is under your skirt; her palm is on your cock—we're all adults here—no need to fight the fact that sometimes what we crave is simple: sudden sex." Take a breath. Bite your lip. Get ready to get off.

Toni Morrison and Motherhood - Andrea O'Reilly 2012-02-01

Traces Morrison's theory of African American mothering as it is articulated in her novels, essays, speeches, and interviews. Traces Morrison's theory of African American mothering as it is articulated in her novels, essays, speeches, and interviews. Mothering is a central issue for feminist theory, and motherhood is also a persistent presence in the work of Toni Morrison. Examining Morrison's novels, essays, speeches, and interviews, Andrea O'Reilly illustrates how Morrison builds upon black women's experiences of and perspectives on motherhood to develop a view of black motherhood that is, in terms of both maternal identity and role, radically different from motherhood as practiced and prescribed in the dominant culture. Motherhood, in Morrison's view, is fundamentally and profoundly an act of resistance, essential and integral

to black women's fight against racism (and sexism) and their ability to achieve well-being for themselves and their culture. The power of motherhood and the empowerment of mothering are what make possible the better world we seek for ourselves and for our children. This, argues O'Reilly, is Morrison's maternal theory—a politics of the heart. "As an advocate of 'a politics of the heart,' O'Reilly has an acute insight into discerning any threat to the preservation and continuation of traditional African American womanhood and values ... Above all, Toni Morrison and Motherhood, based on Andrea O'Reilly's methodical research on Morrison's works as well as feminist critical resources, proffers a useful basis for understanding Toni Morrison's works. It certainly contributes to exploring in detail Morrison's rich and complex works notable from the perspectives of nurturing and sustaining African American maternal tradition." — African American Review "O'Reilly boldly reconfigures hegemonic western notions of motherhood while maintaining dialogues across cultural differences." — Journal of the Association for Research on Mothering "Andrea O'Reilly examines Morrison's complex presentations of, and theories about, motherhood with admirable rigor and a refusal to simplify, and the result is one of the most penetrating and insightful studies of Morrison yet to appear, a book that will prove invaluable to any scholar, teacher, or reader of Morrison." — South Atlantic Review "...it serves as a sort of annotated bibliography of nearly all the major theoretical work on motherhood and on Morrison as an author ... anyone conducting serious study of either Toni Morrison or motherhood, not to mention the combination, should read [this book] ... O'Reilly's exhaustive research, her facility with theories of Anglo-American and Black feminism, and her penetrating analyses of Morrison's works result in a highly useful scholarly read." — Literary Mama "By tracing both the metaphor and literal practice of mothering in Morrison's literary world, O'Reilly conveys Morrison's vision of motherhood as an act of resistance." — American Literature "Motherhood is critically important as a recurring theme in Toni Morrison's oeuvre and within black feminist and feminist scholarship. An in-depth analysis of this central concern is necessary in order to explore the complex disjunction between Morrison's interviews, which praise black mothering, and the fiction, which presents mothers in various destructive and self-destructive modes. Kudos to Andrea O'Reilly for illuminating Morrison's 'maternal standpoint' and helping readers and critics understand this difficult terrain. Toni Morrison and Motherhood is also valuable as a resource that addresses and synthesizes a huge body of secondary literature." — Nancy Gerber, author of *Portrait of the Mother-Artist: Class and Creativity in Contemporary American Fiction* "In addition to presenting a penetrating and original reading of Toni Morrison, O'Reilly integrates the evolving scholarship on motherhood in dominant and minority culture" **Jolly Phonics Picture Flashcards (in Print Letters)** - Sue Lloyd 2014-11-30

A box of 60 cards. Also includes 17 alternative letter sound spellings. These cards help children to learn the letter sounds, sound out the words and blend the sounds to read the word. Guidance and tips are provided in an instruction leaflet, which also contains a pronunciation guide.

Break Barriers - Bishoy Tadros 2019-09-06

HOW A MARATHON INSPIRED A CALL TO PURPOSE On the outside, I was like every other 4-year-old. I had no idea what cancer was, or the real reason my parents had uprooted our family and moved to America. They did it for me, to find a cure before it was too late. So begins a personal journey decades in the making. Author Bishoy Tadros has faced seemingly insurmountable setbacks and impossible odds—from his childhood bout with acute lymphoblastic leukemia to crossing the finish line in Central Park competing in the TCS New York City Marathon. *Break Barriers* is a story about uncovering your potential, even if you are the underdog. It's about learning to apply the virtues of patience, perspective, and purpose to achieve whatever you dream in life. Bishoy's

message is a reminder that your comeback will always be stronger than the original setback.

Tell Me You Want Me - Kris Embrey 2016-04-05

Nineteen-year-old Gina Kelly is used to working hard for everything in life. Despite her challenges, Gina has dreams and one of them is to become an actor. One day when she sees an ad in Playbill for open auditions, she heads to New York where she surprisingly secures the lead role in a Broadway production. But little does she know that acting on Broadway is just the first step in what is about to become an adventurous new life. The play is ready to end when Gina's theatre director introduces her to the manager of one of rock's biggest bands. He is desperate to find a backup singer before the band goes on tour and Gina is thrilled when he hires her. The chemistry between Gina and lead singer, Sebastian Roland, is instantaneous. Unfortunately, Sebastian is a married, pill-popping addict. As the group sets out on an adventure fueled by sex and drugs, Gina quickly falls in love with Sebastian. But when his drug use escalates, Gina is forced to make a decision with the power to change her future once again. *Tell Me You Want Me* shares the tale of a young woman's journey of self-discovery as she follows her dreams to New York, falls in love, and realizes that she is the only one in charge of her destiny.

Fracking 101 - Eric George 2016-04-24

Fracking, or hydraulic fracturing to give its proper name, has become part of our lives recently, due to the massive exploitation of America's shale oil and gas fields. Along the way it has stirred up controversy, with passionate opponents fighting against the oil companies. The fight has generated a lot of heat, but not much understanding. This guide, written by someone who knows what he is talking about takes a detached, neutral view of the subject. Without pushing a view for or against, it provides the factual background you need to form an opinion of your own. An Informed and Neutral Introduction Like most people I have heard of fracking, but did I really understand what it was? To answer honestly, no. I knew it had something to do with mining and was perhaps destructive to the land. To me, it was just one of those words of the moment. This guide has given me a real sense and understanding of what fracking is. It allowed me, someone who has no experience in this field, to learn about the pros and cons of fracking, without having the good and bad of it forced down my throat. If you want an informed and neutral introduction into fracking, then this is the guide for you. ~ Debbie Prewer

Lecture Notes on Classical Mechanics (a Work in Progress) - Daniel Arovas 2014-12-16

Lecture Notes on Classical Mechanics (A Work in Progress) By Daniel Arovas

Complete Shibari, Volume 1: Land - Douglas Kent 2010-03-20

About the series... Shibari is the Japanese-inspired art of tying a subject to not only immobilize them, but to do so elegantly and beautifully - creating an intimate and erotic experience for both the subject and the person tying. Adopted by rope enthusiasts all over the world, shibari (literally "to tie" or "to bind") is a cornerstone of erotic rope art and the subject of captivating performances and photographs. However, in-depth resources for learning the art are difficult to obtain, making shibari intimidating, obscure and difficult to master... Until now. The Complete Shibari series is the most complete and accessible English-language guide to shibari ever published. Author Douglas Kent strips away shibari's mystery and reveals how to create visually stunning compositions with rope and the human form... in your own home or play space. About Complete Shibari: Land Complete Shibari Volume 1: Land explores the essential ground-based ties and forms of shibari. With short, clear explanations and over 450 lavish, step-by-step illustrations and photographs, Douglas Kent introduces the basic "building blocks", then guides you in applying those basics to create a full range of beautiful and exciting ground-based shibari ties. This is not a "knot book" - if you can tie an overhand knot, you already know half the knots you'll ever need. This practical, hands-on guide to doing shibari covers everything from choosing and preparing rope, to scene safety, to the techniques... and the reasoning behind the techniques. Complete Shibari Volume 1: Land is a ground-breaking, must-have book for anyone interested in playing with rope. Buy it today and tie tonight!

situations. Perfect for a quick sexy fix that will get you out of day mode and into play mode! Brought to you by Xcite Books, winners of the ETO Best Erotic Book Brand for 2010, 2011 and 2012.

Dostoevsky and the Novel - Michael Holquist 2016-04-03

What place do Dostoevsky's works occupy in the history of the novel? To answer this question, Michael Holquist focuses on the formal aspects of Dostoevskian narrative. The author argues that the novel is a genre that constantly seeks its own identity: we still do not know what it is, since the uniqueness of its members defines the class to which it belongs. This anomaly explains the central role of the novel for Russians, perplexed as they were in the nineteenth century by idiosyncrasies that hindered development of a coherent national identity. Michael Holquist shows that the generic impulse of the novel to explore the mysteries of individual biography met and fused in Dostoevsky's works with the national quest of the Russians for an identity of their own. The paradox of the writer's achievement consists in the degree to which his meditations on the significance of being without a past are grounded in history. Originally published in 1977. The Princeton Legacy Library uses the latest print-on-demand technology to again make available previously out-of-print books from the distinguished backlist of Princeton University Press. These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions. The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905.

Poetry and Fear - Grace Andreacchi 2008-10-05

BY GRACE ANDREACCHI. A short novel written in poetic and elliptical prose, rich in emotion, sometimes playful, sometimes tragic. Set in the opera world of Berlin just after the fall of the Wall, 'Poetry and Fear' is a gripping tale of spiritual love and pain and the whole damn thing. Orpheus singing in the Underworld. The melancholy Queen of Spain. For everyone who's ever been there, or wants to be.... Published by Andromache Books, London.

CompTIA Project+ Cert Guide - Robin Abernathy 2017-08-07

This is the eBook version of the print title. Note that the eBook might not provide access to the practice test software that accompanies the print book. Learn, prepare, and practice for CompTIA Project+ PK0-004 exam success with this CompTIA-approved Cert Guide from Pearson IT Certification, a leader in IT certification learning and a CompTIA Authorized Platinum Partner. Master CompTIA Project+ PK0-004 exam topics Assess your knowledge with chapter-ending quizzes Review key concepts with exam preparation tasks Gain even deeper understanding with more than 130 true-to-life project management examples CompTIA Project+ Cert Guide is a best-of-breed exam study guide. Project management certification expert Robin Abernathy shares preparation hints and test-taking tips, helping you identify areas of weakness and improve both your conceptual knowledge and hands-on skills. Material is presented in a concise manner, focusing on increasing your understanding and retention of exam topics. The book presents you with an organized test preparation routine through the use of proven series elements and techniques. Exam topic lists make referencing easy. Chapter-ending Exam Preparation Tasks help you drill on key concepts you must know thoroughly. Review questions help you assess your knowledge, and a final preparation chapter guides you through tools and resources to help you craft your final study plan. Through 130+ exceptionally realistic examples, Abernathy demonstrates how project management actually works throughout the phases, tasks, documents, and processes that are part of the project manager's job. These examples are designed to offer deep real-world insight that is invaluable for successfully answering scenario-based questions on the live Project+ exam. Well regarded for its level of detail, assessment features, and challenging review questions and exercises, this CompTIA-approved study guide helps you master the concepts and techniques that will enable you to succeed on the exam the first time. The CompTIA-approved study guide helps you master all the topics on the Project+ exam, including · Project basics: properties, phases, roles, responsibilities, team structures, cost control, schedules, resource management, and Agile methodology · Project constraints, influences, and risks, including risk

activities and strategies · Communication and change management, including communication methods, influences, triggers, target audiences, and change control · Project management tools, project documentation, and vendor documentation

Tool Design - Cyril Donaldson 1973

Autonomous Horizons - Greg Zacharias 2019-04-05

Dr. Greg Zacharias, former Chief Scientist of the United States Air Force (2015-18), explores next steps in autonomous systems (AS) development, fielding, and training. Rapid advances in AS development and artificial intelligence (AI) research will change how we think about machines, whether they are individual vehicle platforms or networked enterprises. The payoff will be considerable, affording the US military significant protection for aviators, greater effectiveness in employment, and unlimited opportunities for novel and disruptive concepts of operations. *Autonomous Horizons: The Way Forward* identifies issues and makes recommendations for the Air Force to take full advantage of this transformational technology.

Reading Comprehension and Skills, Grade 2 - Carson-Dellosa Publishing 2014-03-15

Reading Comprehension and Skills for second grade is designed to help students develop a strong foundation of reading basics so that they will become competent readers who can advance to more challenging texts. It includes engaging passages and stories about a variety of subjects to appeal to all readers. The book also encourages vocabulary development and reinforces reading comprehension through leveled activity pages that target each student's individual needs for support. Kelley Wingate's Reading Comprehension and Skills series is the perfect choice for both teachers and parents. This valuable reading and comprehension skills practice book provides nearly 100 reproducible pages of exciting activities, 96 durable flash cards, and a motivating award certificate. The differentiated activity pages give students the practice they need at a level that is perfect to help them master basic reading comprehension skills necessary to succeed and are great for use at both school and home.

Nicole Foster edited the best-selling books, *Skin Deep*, *Awakening the Virgin*, *Body Check*, and *Electric*. She undresses in front of her window in Los Angeles.

Half Girlfriend - Chetan Bhagat 2014-10-01

Assassin's Fate - Robin Hobb 2017-05-09

NEW YORK TIMES BESTSELLER • The stunning conclusion to Robin Hobb's *Fitz and the Fool* trilogy, which began with *Fool's Assassin* and *Fool's Quest* "Every new Robin Hobb novel is a cause for celebration. Along with millions of her other fans, I delight in every visit to the Six Duchies, the Rain Wilds, and the Out Islands, and can't wait to see where she'll take me next."—George R. R. Martin More than twenty years ago, the first epic fantasy novel featuring FitzChivalry Farseer and his mysterious, often maddening friend the Fool struck like a bolt of brilliant lightning. Now New York Times bestselling author Robin Hobb brings to a momentous close the third trilogy featuring these beloved characters in a novel of unsurpassed artistry that is sure to endure as one of the great masterworks of the genre. Fitz's young daughter, Bee, has been kidnapped by the Servants, a secret society whose members not only dream of possible futures but use their prophecies to add to their wealth and influence. Bee plays a crucial part in these dreams—but just what part remains uncertain. As Bee is dragged by her sadistic captors across half the world, Fitz and the Fool, believing her dead, embark on a mission of revenge that will take them to the distant island where the Servants reside—a place the Fool once called home and later called prison. It was a hell the Fool escaped, maimed and blinded, swearing never to return. For all his injuries, however, the Fool is not as helpless as he seems. He is a dreamer too, able to shape the future. And though Fitz is no longer the peerless assassin of his youth, he remains a man to be reckoned with—deadly with blades and poison, and adept in Farseer magic. And their goal is simple: to make sure not a single Servant survives their scourge.

Tamil Tigress - Niromi de Soyza 2011-08-02

The compelling true story of a seventeen year old girl who joins the Tamil Tigers....

Wild Girls, Wild Nights - Sacchi Green 2013-05-20

There are the fabled urban myths of lesbians who fill up a U-Haul on the second date and lead sweetly romantic lives of cocoa and comfy slippers. Safe and sound. A lot of cozy and not much crazy. These are NOT those stories- these are wild women with dirty minds, untamed tongues, and even the occasional cuff or clamp. A lotta crazy and no cozy slippers to be seen. These Wild Girls tell stories of their own Wild Nights (and days,) memories too hot to keep undercover. Real women with real needs and overwhelming desires find the courage to reveal intimate, unrestrained details of their sex lives, the need to share their stories second only to the urgent impulses that drove the action in the first place. There are first times, life-long commitments, and fleeting encounters to savor for a lifetime. Tenderness merges with edge-play; scenes shift from Caribbean islands to desert battlefields to the ultimate privacy of home; and the writers range from well-known names to newcomers driven to share fresh memories they'll never forget. In Evan Mora's "The Insatiable Travel Itch," repression in public drives her wild. "Transported, transplanted, we are transgressors. And it makes me fucking wet." Angel Propps struggles to face her deepest desires. "The word Daddy had a familiar shape on my tongue, but not in my head, and for one second I was sure I was going to Hell—and then I came." She'd found, of course, "The Daddy I Didn't Know I Needed." Anna Watson, in "Tamago," gives a poignant and sizzling view of being a lesbian femme who loves butches. "I know being femme is what makes the breath blow out of me when she calls and says, 'Babe, I just wanted you to know that I was driving along here, thinking about your breasts.'" Reality doesn't have to be prosaic. Real sex can be wet, messy, frenzied, sometimes even awkward, but never boring. With these writers and seventeen more, *Wild Girls, Wild Nights: True Lesbian Sex Stories* is the proof of that.

20th-Century World Architecture - Editors of Phaidon 2012-10-08

The Phaidon Atlas of 20th Century World Architecture portrays, for the first time in one volume, an overview of the finest built architecture from around the world completed between 1900 and 1999. The unprecedented global scope of this collection of over 750 key buildings juxtaposes architectural icons with regional masterpieces. Divided into six world regions, the collection is the result of a rigorous selection process and the input of more than 150 specialists from around the world. Each building is fully illustrated and described by a short text. In addition, a mass of useful information is provided. This includes details of architects' practices and extensive indexes. Comprehensive world data illustrates the changing economic and political contexts of architectural production throughout the century.

List of the Coleoptera of America, North of Mexico - Samuel Henshaw 1885

Out of the Shadows - Patrick J Carnes 2009-06-21

Unhooked from regular routines and healthy relationships by the coronavirus pandemic or other traumas, even our most basic human impulses and inputs can become addictive and destructive. An essential resource for those struggling with sexual addiction and compulsions, and those who love them. With the revised information and up-to-date research, *Out of the Shadows* is the premier work on sex addiction, written by a pioneer in its treatment. Sex is at the core of our identities. And when it becomes a compulsion, it can unravel our lives. *Out of the Shadows* is the premier work on this disorder, written by a pioneer in its treatment. Revised and updated to include the latest research—and to address the exploding phenomenon of cybersex addiction—this third edition identifies the danger signs, explains the dynamics, and describes the consequences of sexual addiction and dependency. With practical wisdom and spiritual clarity, it points the way out of the shadows of sexual compulsion and back into the light and fullness of life.

Sexual Detox - Tim Challies 2010-09

Sick of porn? Time to detox. A huge percentage of men need a porn

detox, a moral and psychological reset. Do you? If so, whether you know it or not, pornography has corrupted your thinking, weakened your conscience, warped your sense of right and wrong, and twisted your understanding and expectations of sexuality. You need a reset by the One who created sex. In this book, I hope to help you reorient your understanding of sex, both in the big picture and in the act itself, according to God's plan for this great gift. I want to help you detox from all the junk you've seen, all the lies you've believed. This is not an easy process. It is rarely a quick process. It involves a letting go of old realities and an embrace of a new normal. To be willing to go through it you need to see how bad your current situation really is, and how the path you are on leads no place good. You need to see that the path of porn leads only to more isolation, guilt, alienation, and pain. Whether single or married, such a reset to normal is the only thing that can ever equip you to become a pure, loving, attentive, sacrificial husband. But you already know you need to change. Few Christian men indulge in porn without realizing they need to quit. Every Christian guy who looks at porn wants to stop, but many of us want to stop just a little bit less than we want to keep going. The problem isn't knowledge-it's desire and ability. So sin prevails. Here's a promise. You'll never stop until you begin to see the monstrous nature of the sin you're committing. You'll never stop until the sin is more horrifying to you than the commission of the sin is enjoyable. You'll need to hate that sin before you can find freedom from it. That means you need more grace. You need to cry out to be changed and to see the monstrous nature of this sin. And then you need to behave in faith that God will meet you with grace as you act to cut off the porn and begin the reset. -Tim Challies

Knives 2013 - Joe Kertzman 2012-08-24

Alive and kicking - the artistry of knives! In its 33rd edition, the Knives annual book is more relevant than ever. Like the custom knives it showcases, the book has taken on a life of its own, becoming a must-have reference for knifemakers, enthusiasts, collectors, daily users and purveyors. The world's finest knives - whether everyday carry pieces, hunters', bushcraft and camp blades, or highly embellished works of art - find a home in Knives 2013. And each is complemented by well-researched information and specifications of every model. Add in a comprehensive Custom Knifemaker Directory, including email addresses, websites, phone numbers, specialties and technical information, and it becomes apparent why those in the industry own every volume of this coveted book.

The Duke - Catherine Coulter 1995-11-01

One of Catherine Coulter's first novels—lavishly rewritten. The #1 New York Times bestselling author turned The Generous Earl into The Duke—and fans swooned over the tale of romance and suspense set in 19th-century Scotland. Penderleigh Castle is the home of the Robertsons, who have just been dealt a terrible blow. Their new master, already an English duke, has just been named the Scottish Earl of Penderleigh. Ian Carmichael, Duke of Portmaine, is proud, aristocratic, handsome as the devil's right hand, and kinder than any grouching Robertson has a right to expect. Brandy Robertson—the old earl's granddaughter—takes one look at the duke and her heart goes ballistic. The problem is, the duke is already engaged, and if that isn't bad enough, someone wants to kill him...

English Is Easy - Chetananand Singh 2009-04-01

For Schools and Colleges For Various competitive exams such as MBA (CAT, MAT, XLRI, FMS etc.), GRE, GMAT, Bank PO, RBI, SSC, RRBs, NDA, CDS and LLB Entrance For those who aspire to read and write better

Multimedia Database Systems - V.S. Subrahmanian 2012-12-06

With the rapid growth in the use of computers to manipulate, process,

and reason about multimedia data, the problem of how to store and retrieve such data is becoming increasingly important. Thus, although the field of multimedia database systems is only about 5 years old, it is rapidly becoming a focus for much excitement and research effort. Multimedia database systems are intended to provide unified frameworks for requesting and integrating information in a wide variety of formats, such as audio and video data, document data, and image data. Such data often have special storage requirements that are closely coupled to the various kinds of devices that are used for recording and presenting the data, and for each form of data there are often multiple representations and multiple standards - all of which make the database integration task quite complex. Some of the problems include: - what a multimedia database query means - what kinds of languages - to use for posing queries - how to develop compilers for such languages - how to develop indexing structures for storing media on ancillary devices - data compression techniques - how to present and author presentations based on user queries. Although approaches are being developed for a number of these problems, they have often been ad hoc in nature, and there is a need to provide a principled theoretical foundation.

How Successful People Think - John C. Maxwell 2009-06-01

Gather successful people from all walks of life-what would they have in common? The way they think! Now you can think as they do and revolutionize your work and life! A Wall Street Journal bestseller, HOW SUCCESSFUL PEOPLE THINK is the perfect, compact read for today's fast-paced world. America's leadership expert John C. Maxwell will teach you how to be more creative and when to question popular thinking. You'll learn how to capture the big picture while focusing your thinking. You'll find out how to tap into your creative potential, develop shared ideas, and derive lessons from the past to better understand the future. With these eleven keys to more effective thinking, you'll clearly see the path to personal success.

Building Quantities Explained - Ivor H. Seeley 1999-11-11

A long established text that aims to meet the needs of students studying building measurement in the early years of quantity surveying and building degree courses. It contains a careful selection of 28 worked examples embracing all the principal building elements and including alternative constructional methods to illustrate a range of approaches.

YOU CAN WIN - Shiv Khera 2014-04-03

An easy-to-read, practical, common-sense guide that will take you from ancient wisdom to modern-day thinking, You Can Win helps you establish new goals, develop a new sense of purpose, and generate new ideas about yourself and your future. It guarantees, as the title suggests, a lifetime of success. The book enables you to translate positive thinking into attitude, ambition and action to give you the winning edge.

Interventional Cardiology - Ibrahim Akin 2017-06-28

The development of innovative interventional strategies and materials, primarily attributed to rapid strides in healthcare technology and education, has helped position interventional cardiology as one of the foremost disciplines in cardiovascular medicine. Patients diagnosed with inoperable conditions, including complex structural heart disease, have found renewed hope with the practice of these path-breaking therapeutic techniques. Nevertheless, the growing complexity of these procedures has also necessitated a close cooperation with different specialists, such as cardiothoracic surgeons, vascular surgeons, anesthesiologists, and interventional radiologists. There is an urgent need to further explore the use of such alternative strategies of clinical management of cardiac disease, while limiting or potentially eliminating any procedural risks for the patient. This book is oriented to readers interested in learning the basic principles of interventional cardiology and offers a brief insight into the potential use of such treatments in routine clinical practice.
