1930

Nancy Drew's keen mind is tested when she searches for a missing will.

The murder of Roger Ackroyd - Agatha Christie 1973

The Martian - Andy Weir 2014-02-11

Nominated as one of America's best-loved novels by PBS's The Great American Read Six days ago, astronaut Mark Watney became one of the first people to walk on Mars. Now, he's sure he'll be the first person to die there. After a dust storm nearly kills him and forces his crew to evacuate while thinking him dead, Mark finds himself stranded and completely alone with no way to even signal Earth that he's alive—and even if he could get word out, his supplies would be gone long before a rescue could arrive. Chances are, though, he won't have time to starve to death. The damaged machinery, unforgiving environment, or plain-old "human error" are much more likely to kill him first. But Mark isn't ready to give up yet. Drawing on his ingenuity, his engineering skills—and a relentless, dogged refusal to quit—he steadfastly confronts one seemingly insurmountable obstacle after the next. Will his resourcefulness be enough to overcome the impossible odds against him?

Entering the Child's Mind - Herbert Ginsburg

1997-11-28

Entering the Child's Mind teaches a powerful technique for gaining insight into a child's way of thinking. In the tradition of Piaget and Vygotsky, Dr. Herbert P. Ginsburg argues that standardized instruments of evaluation often fail to meet the challenges of complex cognition. Understanding that interviews, like any evaluative instrument, can be improperly conducted and assessed, Dr. Ginsburg then seeks to advance the critical analysis of the interview methods and to investigate its effectiveness and reliability. He presents guidelines intended to help novices learn to conduct clinical interviews and to assist more experienced interviewers in perfecting their techniques. Dr. Ginsburg provides to both psychologists and others interested in understanding the minds of children the first comprehensive treatment of the theory and practice of the clinical interview method. -- from back cover.

And Then There Were None - Agatha Christie
2004-05-03

When ten people arrive on private Indian Island off England's southwest coast, lured to a mansion by invitations from a mysterious host, terror mounts as one guest after another is murdered, in a classic whodunit that is an elaboration of the famous children's rhyme "Ten Little Indians." Reader's Guide included. Reprint. 100,000 first printing.

23 Things They Don't Tell You about Capitalism - Ha-Joon Chang 2011-01-02
INTERNATIONAL BESTSELLER "For anyone who wants to understand capitalism not as economists or politicians have pictured it but as it actually operates, this book will be invaluable."-Observer (UK) If you've wondered how we did not see the economic collapse coming, Ha-Joon Chang knows the answer: We didn't ask what they didn't tell us about capitalism. This is a lighthearted book with a serious purpose: to question the assumptions

behind the dogma and sheer hype that the dominant school of neoliberal economists-the apostles of the freemarket-have spun since the Age of Reagan. Chang, the author of the international bestseller *Bad Samaritans*, is one of the world's most respected economists, a voice of sanity-and wit-in the tradition of John Kenneth Galbraith and Joseph Stiglitz. *23 Things They Don't Tell You About Capitalism* equips readers with an understanding of how global capitalism works-and doesn't. In his final chapter, "How to Rebuild the World," Chang offers a vision of how we can shape capitalism to humane ends, instead of becoming slaves of the market.

The Line of Beauty - Alan Hollinghurst
2008-12-17

Winner of the 2004 Man Booker Prize and a finalist for the Lambda Literary Award and the NBCC award. From Alan Hollinghurst, the acclaimed author of *The Sparsholt Affair*, *The Line of Beauty* is a sweeping novel about class,

sex, and money during four extraordinary years of change and tragedy. In the summer of 1983, twenty-year-old Nick Guest moves into an attic room in the Notting Hill home of the Feddens: conservative Member of Parliament Gerald, his wealthy wife Rachel, and their two children, Toby-whom Nick had idolized at Oxford-and Catherine, who is highly critical of her family's assumptions and ambitions. As the boom years of the eighties unfold, Nick, an innocent in the world of politics and money, finds his life altered by the rising fortunes of this glamorous family. His two vividly contrasting love affairs, one with a young black clerk and one with a Lebanese millionaire, dramatize the dangers and rewards of his own private pursuit of beauty, a pursuit as compelling to Nick as the desire for power and riches among his friends. Richly textured, emotionally charged, disarmingly comic, this is a major work by one of our finest writers. *Poirot and Me* - David Suchet 2013-11-07
In the summer of 2013 David Suchet will film his

final scenes as Hercule Poirot. After 24 years in the role, he will have played the character in every story that Agatha Christie wrote about him (bar one, deemed unfilmable) and he will bid adieu to a role and a character that have changed his life. In *Poirot and Me*, David Suchet tells the story of how he secured the part, with the blessing of Agatha Christie's daughter, and set himself the task of presenting the most authentic Poirot that had ever been filmed. David Suchet is uniquely placed to write the ultimate companion to one of the world's longest running television series. Peppered with anecdotes about filming, including many tales of the guest stars who have appeared over the years, the book is essential reading for Poirot fans all over the world.

The Clocks - Agatha Christie 2011-06-14
Sheila Webb expected to find a respectable blind lady waiting for her at 19 Wilbraham Crescent—not the body of a middle-aged man sprawled across the living room floor. But when

old Miss Pebmarsh denies sending for her in the first place, or of owning all the clocks that surround the body, it's clear that they are going to need a very good detective. "This crime is so complicated that it must be quite simple," declares Hercule Poirot. But there's a murderer on the loose, and time is ticking away....

Death on the Nile - Agatha Christie 2015-07-08

The tranquility of a cruise along the Nile is shattered by the discovery that Linnet Ridgeway has been shot through the head. Hercule Poirot is on the case.

How to Read Literature - Terry Eagleton

Murder at Mallowan Hall - Colleen Cambridge

2022-09-27

As head of household for none other than Agatha Christie, Phyllida Bright finds her position includes polishing silver, serving luncheons...and

drawing inspiration from the crime author's fictional detectives when mysterious deaths at Mallowan Hall baffle her famous employer... Tucked away among Devon's rolling green hills, Mallowan Hall combines the best of English tradition with the modern conveniences of 1930. Housekeeper Phyllida Bright manages the large household with an iron fist in her very elegant glove. In one respect, however, Mallowan Hall stands far apart from other picturesque country houses. For the manor is home to archaeologist Max Mallowan and his famous wife--Agatha Christie... Phyllida is both loyal to and protective of the crime writer, who is as much friend as employer. An aficionado of detective fiction, Phyllida has yet to find a gentleman in real life half as fascinating as Mrs. Agatha's Belgian hero, Hercule Poirot. But though accustomed to murder and its methods as frequent topics of conversation, Phyllida is unprepared for the sight of a very real, very dead body on the library floor... It soon becomes clear that the

victim arrived at Mallowan Hall under false pretenses during a weekend party. And when another dead body is discovered--this time, one of her housemaids--Phyllida decides to follow in M. Poirot's footsteps to determine which of the Mallowans' guests is the killer. Now only Phyllida's wits will prevent her own story from coming to an abrupt end...

Theories of the Information Society - Frank Webster 2002

Popular opinion suggests that information has become a distinguishing feature of the modern world. Where once economies were built on industry and conquest, we are now instead said to be part of a global information economy. In this new and thoroughly revised edition of his popular book, author Webster brings his work up-to-date both with new theoretical work and with social and technological changes - such as the rapid growth of the internet and accelerated globalization - and reassesses the work of key theorists in light of these changes. This book is

essential reading for students of contemporary social theory and anybody interested in social and technological change in the post-war era.

Would You Kill the Fat Man? - David Edmonds 2013-10-06

A runaway train is racing toward five men who are tied to the track. Unless the train is stopped, it will inevitably kill all five men. You are standing on a footbridge looking down on the unfolding disaster. However, a fat man, a stranger, is standing next to you: if you push him off the bridge, he will topple onto the line and, although he will die, his chunky body will stop the train, saving five lives. Would you kill the fat man? The question may seem bizarre. But it's one variation of a puzzle that has baffled moral philosophers for almost half a century and that more recently has come to preoccupy neuroscientists, psychologists, and other thinkers as well. In this book, David Edmonds, coauthor of the best-selling Wittgenstein's Poker, tells the riveting story of why and how

philosophers have struggled with this ethical dilemma, sometimes called the trolley problem. In the process, he provides an entertaining and informative tour through the history of moral philosophy. Most people feel it's wrong to kill the fat man. But why? After all, in taking one life you could save five. As Edmonds shows, answering the question is far more complex--and important--than it first appears. In fact, how we answer it tells us a great deal about right and wrong.

Verdict - Agatha Christie 2010-12

Melodrama Characters: 6 male, 4 female Interior Set The Hendryks, refugees in England, have lost everything. Karl with his talents, charm, and hard work rebuilds their lives. But Anya, his wife, is fatally ill and so her old friend, Lisa, who secretly loves Karl, lives with them and runs the house. The three are very close. Their serenity is shattered when wealthy, brainless but headstrong Hellen Rolander bribes her way into taking private lessons from Karl. Her infatuation

for him being unreturned she doesn't stop at murder to clear the way. But after Anya's death, Hellen realizing her schemes were futile commits suicide. So Anya's death is pinned on Lisa backed by evidence from a scandal mongering char lady. Lisa's found not guilty and after their mutual agony she and Karl build a new life from the wreckage.

State of Terror - Louise Penny 2021-10-12

AN INSTANT #1 NEW YORK TIMES

BESTSELLER Named one of the most

anticipated novels of the season by People, Associated Press, Time, Los Angeles Times, Parade, St. Louis Post-Dispatch, The Guardian, Publishers Weekly, and more. From the #1 bestselling authors Hillary Clinton and Louise Penny comes a novel of unsurpassed thrills and incomparable insider expertise—*State of Terror*. After a tumultuous period in American politics, a new administration has just been sworn in, and to everyone's surprise the president chooses a political enemy for the vital position of secretary

of state. There is no love lost between the president of the United States and Ellen Adams, his new secretary of state. But it's a canny move on the part of the president. With this appointment, he silences one of his harshest critics, since taking the job means Adams must step down as head of her multinational media conglomerate. As the new president addresses Congress for the first time, with Secretary Adams in attendance, Anahita Dahir, a young foreign service officer (FSO) on the Pakistan desk at the State Department, receives a baffling text from an anonymous source. Too late, she realizes the message was a hastily coded warning. What begins as a series of apparent terrorist attacks is revealed to be the beginning of an international chess game involving the volatile and Byzantine politics of Pakistan, Afghanistan, and Iran; the race to develop nuclear weapons in the region; the Russian mob; a burgeoning rogue terrorist organization; and an American government set back on its heels in

the international arena. As the horrifying scale of the threat becomes clear, Secretary Adams and her team realize it has been carefully planned to take advantage of four years of an American government out of touch with international affairs, out of practice with diplomacy, and out of power in the places where it counts the most. To defeat such an intricate, carefully constructed conspiracy, it will take the skills of a unique team: a passionate young FSO; a dedicated journalist; and a smart, determined, but as yet untested new secretary of state. State of Terror is a unique and utterly compelling international thriller cowritten by Hillary Rodham Clinton, the 67th secretary of state, and Louise Penny, a multiple award-winning #1 New York Times bestselling novelist.

The Hegel Dictionary - Glenn Alexander Magee 2010-01-01

An accessible dictionary of the key terms, ideas, influence and legacy of G.W.F. Hegel, one of the most important German Philosophers of the 19th

Century.

The Third-Floor Flat: A Hercule Poirot Short Story - Agatha Christie 2014-03-13

A classic Agatha Christie short story, available individually for the first time as an ebook.

Hercule Poirot and the Greenshore Folly - Agatha Christie 2013-10-31

As a favour to an old friend, Hercule Poirot finds himself at a summer fete in Devon, taking part not in a Treasure Hunt, but a Murder Hunt, in this never-before-published novella version of Dead Man's Folly. Now released for the first time as an eBook exclusive publication.

Duchess of Death - Richard Hack 2009-07-01

Although she is the most popular novelist in history, with over two billion books sold worldwide, Agatha Christie lived a life shrouded in secrecy and fueled by curiosity. Nearly as notorious for her aversion to the press as she was for her 80 books and collections of short stories, Christie made no secret of her need for privacy. Utilizing over 5,000 previously

unpublished letters, notes, and documents, award-winning biographer Richard Hack allows Christie to write again, 33 years after her death. Duchess of Death is her story, as full of romance, travel, wealth, and scandal as any mystery Christie ever crafted. There have been numerous biographies of the Queen of Crime, all of which claim to be definitive. However, Duchess of Death is the first to draw from such an enormous number of previously unpublished correspondence and notes, effectively establishing it as the most authoritative, penetrating look at the personal and literary life of Christie.

Masterpieces in Miniature: The Detectives - Agatha Christie 2005-11-05

Agatha Christie is the world's most popular writer in modern times and her books have only been outsold by the Bible and Shakespeare. Best remembered for such classic crime novels as Murder on the Orient Express, And Then There Were None, and Death on the Nile, her works

have been cherished by generations of readers. Christie, however, was also a master of the shorter crime story and this volume collects some of her finest short stories. Each of these thirty-nine stories features one of Christie's famous detectives - Miss Marple, Hercule Poirot, Parker Pyne, and Harley Quin - in some of their most baffling and intriguing cases, as these ingenious Christie tales show how satisfying and compelling the crime short story can be.

Burmese Days - George Orwell 2021-01-07

In *Burmese Days*, George Orwell, one of the most famous writers in the English language, draws on his own experience of living and working in Burma to write an unflinching novel about the dark side of imperialism. Part of the Macmillan Collector's Library; a series of stunning, clothbound, pocket-sized classics with gold foiled edges and ribbon markers. These beautiful books make perfect gifts or a treat for any book lover. This edition features an introduction by journalist and writer David

Eimer. John Flory is a disillusioned timber merchant based in the remote town of Kyauktada in 1920s Burma. Whilst his English peers gather night after night to drink and gossip in their exclusive club, Flory has embraced local life - his best friend is Dr Veraswami and his mistress is Ma Hla May. The slow, sticky, hot days are interrupted by the arrival of the young and beautiful Elizabeth. And when the club is forced to elect a non-white member, Flory is caught up in an increasingly hostile and dangerous feud.

Big Brain - Gary Lynch 2008-03-04

Our big brains, our language ability, and our intelligence make us uniquely human. But barely 10,000 years ago (a mere blip in evolutionary time) human-like creatures called "Boskops" flourished in South Africa. They possessed extraordinary features: forebrains roughly 50% larger than ours, and estimated IQs to match--far surpassing our own. Many of these huge fossil skulls have been discovered over the last

century, but most of us have never heard of this scientific marvel. Prominent neuroscientists Gary Lynch and Richard Granger compare the contents of the Boskop brain and our own brains today, and arrive at startling conclusions about our intelligence and creativity. Connecting cutting-edge theories of genetics, evolution, language, memory, learning, and intelligence, Lynch and Granger show the implications of large brains for a broad array of fields, from the current state of the art in Alzheimer's and other brain disorders, to new advances in brain-based robots that see and converse with us, and the means by which neural prosthetics--replacement parts for the brain--are being designed and tested. The authors demystify the complexities of our brains in this fascinating and accessible book, and give us tantalizing insights into our humanity--its past, and its future.

Hallowe'en Party - Agatha Christie 2006-10-03
When a Halloween Party turns deadly, it falls to Hercule Poirots to unmask a murderer in Agatha

Christie's classic murder mystery, Hallowe'en Party. At a Halloween party, Joyce—a hostile thirteen-year-old—boasts that she once witnessed a murder. When no one believes her, she storms off home. But within hours her body is found, still in the house, drowned in an apple-bobbing tub. That night, Hercule Poirot is called in to find the 'evil presence'. But first he must establish whether he is looking for a murderer or a double-murderer...

[The Murder on the Links](#) - Agatha Christie 1923

A classic case for Hercule Poirot, the best-loved detective

MIDWINTER MURDER: Fireside Mysteries from the Queen of Crime - Agatha Christie
2021-10-28

[The Seven Dials Mystery](#) - Agatha Christie
2017-04-20

A healthy young man dies in his sleep, despite the ringing of eight separate alarm clocks...

Gerry Wade had proved himself to be a champion sleeper; so the other house guests decided to play a practical joke on him. Eight alarm clocks were set to go off, one after the other, starting at 6.30 a.m. But when morning arrived, one clock was missing and the prank had backfired with tragic consequences. For Jimmy Thesiger in particular, the words 'Seven Dials' were to take on a new and chilling significance...

The Adventure of the Clapham Cook - Agatha Christie 2019-02-07

Hastings brings 3 newspaper stories to Poirot's attention, trying to interest him in a new case: a bank clerk who disappeared with fifty thousand pounds of securities, a suicidal man, and a missing typist. Instead, he agrees to investigate Mrs Todd's case of a missing cook.

The Mystery of the Spanish Shawl - Agatha Christie 2012-05-08

A classic Agatha Christie short story from the collection *The Witness for the Prosecution* and

Other Stories. Mystery writer Anthony Eastwood is lured to the crime scene of a faked murder, where two individuals masquerading as police officers arrest him and charge him for murder. As the phony police officers escort Mr. Eastwood home, the true goal of the masquerade becomes apparent.

Three Act Tragedy - Agatha Christie
2011-06-14

Sir Charles Cartwright should have known better than to allow thirteen guests to sit down for dinner. For at the end of the evening one of them is dead—choked by a cocktail that contained no trace of poison. Predictable, says Hercule Poirot, the great detective. But entirely unpredictable is that he can find absolutely no motive for murder....

Understanding Media - Marshall McLuhan
2016-09-04

When first published, Marshall McLuhan's *Understanding Media* made history with its radical view of the effects of electronic

communications upon man and life in the twentieth century.

The Dark Tower I (MTI) - Stephen King

2017-06-27

Includes an excerpt from The drawing of the three.

The Dressmaker's Doll - Agatha Christie

2013-09-24

Previously published in the print anthology *The Witness for the Prosecution and Other Stories*.

Alicia Coombe manages her very smart dressmaking business with the help of her young assistant, Sybil. One day, a doll appears in the shop—a floppy, long-legged doll that sits itself on the best sofa. But where did it come from, and why does it appear to watch them?

When Cultures Collide, Third Edition - Richard Lewis 2010-11-26

The classic work that revolutionized the way business is conducted across cultures around the world.

Closed Casket - Sophie Hannah 2016-09-06

Hercule Poirot, the world's most famous detective, returns in this ingenious, stylish, and altogether delicious mystery from the author of the instant bestseller *The Monogram Murders*.

"What I intend to say to you will come as a shock..." With these words, Lady Athelinda Playford -- one of the world's most beloved children's authors -- springs a surprise on the lawyer entrusted with her will. As guests arrive for a party at her Irish mansion, Lady Playford has decided to cut off her two children without a penny . . . and leave her vast fortune to someone else: an invalid who has only weeks to live.

Among Lady Playford's visitors are two strangers: the famous Belgian detective Hercule Poirot, and Inspector Edward Catchpool of Scotland Yard. Neither knows why he has been invited -- until Poirot begins to wonder if Lady Playford expects a murder. But why does she seem so determined to provoke a killer? And why -- when the crime is committed despite Poirot's best efforts to stop it -- does the identity

of the victim make no sense at all? Addictive, ferociously clever, and packed with clues, wit, and murder, *Closed Casket* is a triumph from the author whose work is "as tricky as anything written by Agatha Christie" (Alexander McCall Smith, *The New York Times Book Review*).

THE MYSTERIOUS AFFAIR AT STYLES & THE SECRET ADVERSARY - Agatha Christie
2017-10-06

"*The Mysterious Affair at Styles*" is a detective novel by Agatha Christie. It was written in the middle of World War I, in 1916, and first published by John Lane in the United States in October 1920 and in the United Kingdom by The Bodley Head on 21 January 1921. *Styles* was Christie's first published novel, introducing Hercule Poirot, Inspector (later, Chief Inspector)

Japp, and Arthur Hastings. The story is told in first person by Hastings and features many of the elements that have become icons of the Golden Age of Detective Fiction, largely due to Christie's influence. It is set in a large, isolated country manor. There are a half-dozen suspects, most of whom are hiding facts about themselves. The book includes maps of the house, the murder scene, and a drawing of a fragment of a will, as well as a number of red herrings and surprise plot twists. "*The Secret Adversary*" is a work of detective fiction by Agatha Christie, first published in the United Kingdom by The Bodley Head in January 1922. The book introduces the characters of Tommy and Tuppence who feature in three other Christie books and one collection of short stories written throughout her writing career.
