*Mutiny at the Margins: New Perspectives on the Indian Uprising of 1857* - Gavin Rand 2013-05-08

The Mutiny at the Margins series takes a fresh look at the Revolt of 1857 from a variety of original and unusual perspectives, focusing in particular on neglected socially marginal groups and geographic areas which have hitherto tended to be unrepresented in studies of this cataclysmic event in British imperial and Indian historiography. Military Aspects of the Indian Uprising (Volume 4) deals with how battles were won and lost and how the army re-organised after the revolt. It also touches on the thorny issue of how to define the events of 1857-as a rebellion, a national uprising or a small war of the kind experienced in many colonial states. *England and the 1641 Irish Rebellion* - Joseph Cope 2009  
The study shows how the 1641 Irish Rebellion played an integral role in politicizing the English people and escalating the political crisis of the 1640s.

Argues that global mobility and a refusal to identify with one nation have caused America's professional and managerial elites to betray the ideal of democracy

**Census of the Philippine Islands** - 1920

**William of Orange and the Revolt of the Netherlands, 1572-84** - Koenraad Wolter Swart 2003

The first scholarly biography of William the Silent published in English for fifty years, William of Orange and the Revolt of the Netherlands, 1572-1584 is invaluable for providing an up-to-date assessment of William and the revolt of the Netherlands. Despite the European significance of his struggle, there has not been a major English language study of William since C.V. Wedgwood's biography published in 1944. As such scholars will welcome this publication of Koen Swart's distinguished and authoritative biography of the first of the hereditary stadholders of the United Provinces. Originally available only in Dutch, this edition provides an English speaking audience for the first time with a detailed account of William's role in the Dutch Revolt reflecting the vast amount

of scholarship undertaken in the field of European political and religious history over the last few decades.

**Papers Relating to the Foreign Relations of the United States** - United States. Department of State 1894

**Revolt in the Netherlands** - Anton van der Lem 2019-03-15

In 1568, the Seventeen Provinces in the Netherlands rebelled against the absolutist rule of the king of Spain. A confederation of duchies, counties, and lordships, the Provinces demanded the right of self-determination, the freedom of conscience and religion, and the right to be represented in government. Their long struggle for liberty and the subsequent rise of the Dutch Republic was a decisive episode in world history and an important step on the path to the Universal Declaration of Human Rights. And yet, it is a period in history we rarely discuss. In his compelling retelling of the conflict, Anton van der Lem explores the main issues at stake on both sides of the struggle and why it took eighty years to achieve peace. He recounts in vivid detail the roles of the key protagonists, the decisive battles, and the war's major turning points, from the Spanish governor's Council of Blood to the Twelve Years Truce, while all the time unraveling the shifting political, religious, and military alliances that would entangle the foreign powers of France, Italy, and England. Featuring striking, rarely seen illustrations, this is a timely and balanced account of one of the most historically important conflicts of the early modern period.

**A General History of Europe** - James Harvey Robinson 1921

*Revolt on the Tigris* - Mark Etherington 2005

"This gritty and compelling firsthand account of post-conflict Iraq describes the turmoil visited on the country by outside intervention and the difficulties faced by the Coalition in fashioning a new political and civil apparatus."--BOOK JACKET.

*Beautiful Philippines* - Philippines. Commission of Independence 1923

**From Revolt to Riches** - Theo Hermans 2017-03-28

This collection investigates the culture and history of the Low Countries in the sixteenth and seventeenth centuries from both international and interdisciplinary perspectives. The period was one of extraordinary upheaval and change, as the combined impact of Renaissance, Reformation and Revolt resulted in the radically new conditions - political, economic and intellectual - of the Dutch Republic in its Golden Age. While many aspects of this rich and nuanced era have been studied before, the emphasis of this volume is on a series of interactions and interrelations: between communities and their varying but often cognate languages; between different but overlapping spheres of human activity; between culture and history. The chapters are written by historians, linguists, bibliographers, art historians and literary scholars based in the Netherlands, Belgium, Great Britain and the United States. In continually crossing disciplinary, linguistic and national boundaries, while keeping the culture and history of the Low Countries in the Renaissance and Golden Age in focus, this book opens up new and often surprising perspectives on a region all the more intriguing for the very complexity of its entanglements.

**Copies Or Extracts of Correspondence Relative to the Affairs of Canada** - Ontario 1839

**Blood of the Provinces** - Ian Haynes 2013-10-03

This is the first fully comprehensive study of the auxilia, a non-citizen force which constituted more than half of Rome's celebrated armies. Diverse in origins, character, and culture, they played an essential role in building the empire, sustaining the unequal peace celebrated as the pax Romana, and enacting the emperor's writ.

Eclectic Magazine - John Holmes Agnew 1887

LIFE - 1963-05-03

LIFE Magazine is the treasured photographic magazine that chronicled the 20th Century. It now lives on at LIFE.com, the largest, most amazing collection of professional photography on the internet. Users can browse, search and view photos of today's people and events. They have free access to share, print and post images for personal use.

**The Republican Revolt** - Nazaruddin Sjamsuddin 1985

This book deals with the rebellion that occurred in Aceh, a province in the northern tip of the Indonesian island of Sumatra, in 1953-62. It traces the political stance of the Acehnese, a people who are well known for their centuries-old independence and heroism, in relation to their Central Government in Jakarta. Although the main theme of this book is about rebellion, it implicitly reveals the political life and behaviour of the Acehnese.

A History of Latin America - Benjamin Keen 2012-01-20

This best-selling text for introductory Latin American history courses encompasses political and diplomatic theory, class structure and economic organization, culture and religion, and the environment. The integrating framework is the dependency theory, the most popular interpretation of Latin American history, which stresses the economic relationship of Latin American nations to wealthier nations, particularly the United States. Spanning pre-historic times to the present, A HISTORY OF LATIN AMERICA takes both a chronological and a nation-by-nation approach, and includes the most recent historical analysis and the most up-to-date scholarship. The Ninth Edition includes expanded coverage of social and cultural history (including music) throughout and increased attention to women, indigenous cultures, and Afro-Latino people assures well balanced coverage of the region's diverse histories. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

**Revolt in the Provinces** - J.S. Morrill 2014-09-19

This text caused a major stir when it was first published in 1976. Redirecting scholarly attention to the county communities, it reassessed their role in the events of the 1630s and 1640s, claiming they were far more independent of London and the national leadership than usually supposed, and that provincial opinion was itself a powerful actor in the countdown to civil war. Much work has since appeared to confirm or modify these findings. In this reset second edition the original survives largely untouched; but now includes entirely new historiographic commentary on the text and supporting documents.

The Far East and Australasia 2003 - Eur 2002

A unique survey of each country in the region. It includes an extensive collection of facts, statistics, analysis and directory information in one accessible volume.

The Revolt in Canada Against the New Feudalism - Edward Porritt 1911

Urban Revolt - Trevor Ngwane 2017-03-27

How do individuals and organizations move beyond the boundaries of constitutional or legal constructs to challenge neoliberalism and capitalism? As major urban areas have become the principal sites of poor and working-class social upheaval in the early twenty-first century, the chapters in this book explore key cities in the Global South. Through detailed cases studies, Urban Revolt unravels the potential and limitations of urban social movements on an international level.

Outlook - Alfred Emanuel Smith 1911

**Alfalfa Bill** - Robert L. Dorman 2018-10-04

In this masterful biography, Robert L. Dorman traces the career of William H. "Alfalfa Bill" Murray from his hardscrabble childhood in post-Civil War Texas to his remarkable ascendancy as a nationally known political figure in the mid-twentieth century. The first comprehensive portrait of Murray to be published in fifty years, Alfalfa Bill is both the exploration of a larger-than-life personality and an illuminating account of the birth of political conservatism in Oklahoma. As Dorman reveals, no political label readily fit Murray. The core conservatism of his Texas years was caught up in the ferment of three major periods of American reform—the Populist uprising, the Progressive Era, and the New Deal. Over his long career, Murray strongly advocated for states' rights,

limited government, and strict constitutionalism, yet he was also a consistent foe of corporations and concentrated wealth. The society he sought was small-scale, decentralized, agrarian—and racially segregated. Although he claimed to represent high principles, Murray as a politician was an opportunist, loved a good fight, had a flair for the theatrical, and hungered for power. Dorman depicts Murray from his days as a political operative in the Chickasaw Nation to his leadership of the Oklahoma Constitutional Convention, and from the Speaker's chair of the Oklahoma legislature to the halls of Congress. The book follows Murray's quixotic attempt to found an agricultural colony in Bolivia, and chronicles his amazing Oklahoma comeback in the 1930 gubernatorial election. The final chapters detail Murray's legendary term as state governor, his failed candidacy for president, and his emergence as a fierce critic of New Deal liberalism and racial desegregation. Unlike earlier biographies of Murray, Alfalfa Bill brings issues of race, class, and gender to the forefront, often in surprising ways. On the surface, the Murray saga was an American success story, yet his rise came at a price for Murray himself, his family, and the people of the state he helped to create. An indelible portrait emerges of an ambitious, domineering, relentless, and unapologetically racist figure whose tarnished legacy seems painfully relevant in America's current political climate.

**The Eclectic Magazine of Foreign Literature, Science, and Art** - 1887

**The Canadian Rebellion of 1837** - David Breakenridge Read 1896

Early Modern England 1485-1714 - Robert Bucholz 2008-08-25

The second edition of this bestselling narrative history has been revised and expanded to reflect recent scholarship. The book traces the transformation of England during the Tudor-Stuart period, from feudal European state to a constitutional monarchy and the wealthiest and most powerful nation on Earth. Written by two leading scholars and experienced teachers of the subject, assuming no prior knowledge of British history Provides student aids such as maps, illustrations, genealogies, and glossary This edition reflects recent scholarship on Henry VIII and the Civil War Extends coverage of the Reformations, the Rump and Barebone's Parliament, Cromwellian settlement of Ireland, and the European, Scottish, and Irish contexts of the Restoration and Revolution of 1688-9 Includes a new section on women's roles and the historiography of women and gender Accompanied by Sources and Debates in English History, 1485-1714 Click here for more discussion and debate on the authors' blogspot:

The Revolt of the Provinces - Kristóf Szombati 2018-06-12

The first in-depth ethnographic monograph on the New Right in Central and Eastern Europe, The Revolt of the Provinces explores the making of right-wing hegemony in Hungary over the last decade. It explains the spread of racist sensibilities in depressed rural areas, shows how activists, intellectuals and politicians took advantage of popular racism to empower right-wing agendas and examines the new ruling party's success in stabilizing an 'illiberal regime'. To illuminate these important dynamics, the author proposes an innovative multi-scalar and relational framework, focusing on interaction between social antagonisms emerging on the local level and struggles waged within the political public sphere.

The Indian Rebellion, 1857-1859 - James Frey 2020-09-16

"Frey's concise and readable history of the Indian Rebellion is an excellent introduction to one of the most important wars of the nineteenth century. The rebellion lasted more than a year and pitted broad sections of north Indian society against the British East India Company. British victory consolidated colonial rule that would only be dislodged by twentieth-century nationalist movements. Frey provides a crystal-clear account of the causes, principal events, and consequences of the rebellion. Equally importantly, he deftly discusses why the rebellion remains controversial. Well-chosen documents add texture to the analysis. This is the best short history of the rebellion in print." —Ian Barrow, Middlebury College

**The Revolution in Provincial France** - Alan I. Forrest 1996

This book presents a provincial view of the French Revolution and assesses the experience of revolution across a broad swathe of southwestern France, in an area which increasingly looked to Bordeaux as its capital city. Here the Revolution was not simply a pale reflection of events in Paris. Local conflicts and personal rivalries are vital to our understanding of the shape of events in the region, as are contrasting traditions of religious affiliation, peasant radicalism, and obedience to the state. The book examines the Revolution within a thematic framework, and discusses such aspects as the growth of a local political culture, the incidence of rural insurrection, religious responses to the Revolution, the chequered appeal of federalism, and the uneven experience of Terror and political repression.

*The Central Asian Revolt of 1916* - Alexander Morrison 2019-10-02

The 1916 Revolt was a key event in the history of Central Asia, and of the Russian Empire in the First World War. This volume is the first comprehensive re-assessment of its causes, course and consequences in English for over sixty years. It draws together a new generation of leading historians from North America, Japan, Europe, Russia and Central Asia, working with Russian archival sources, oral narratives, poetry and song in Kazakh and Kyrgyz. These illuminate in unprecedented detail the origins and causes of the revolt, and the immense human suffering which it entailed. They also situate the revolt in a global perspective as part of a chain of rebellions and disturbances that shook the world's empires, as they crumbled under the pressures of

total war.

**Ceylon Under British Rule, 1795-1932** - Lennox A Mills 2012-11-12

Published in 1964, "Ceylon Under British Rule, 1795-1932" is an important contribution to History.

**Studies in Hellenistic Judaism** - Louis H. Feldman 2018-07-17

This volume contains essays, previously published in various places, dealing with Josephus, Judaism and Christianity, Latin literature and the Jews, the Romans in Rabbinic literature, and other studies in Hellenistic Judaism.

**Revolt in the Provinces** - John Stephen Morrill 1999

John Morrill has revisited his famous and influential work. His new version is more than just an update. It has been rethought and re-focused (as its new title makes clear), and also upgraded. The original appeared as part of a documents-based series of relatively modest scope; here, however, Professor Morrill has omitted the documentary appendices (incorporating key extracts in the text itself), and used the extra space to expand and develop his own ideas. The central argument of the book has not been changed, but the lines of that argument have been clarified and refined. Most importantly, there are two major new chapters, accounting for more than one third of the entire book. Far more than just a new edition of a classic text, *Revolt in the Provinces* is an important statement about how historical understanding evolves and develops.

*The Outlook* - 1911
