[Hi My Name Is Cj](#) - Willetta J. Davis 2013-12

Hi My Name Is C.J. is an easy to read, fun, interactive children's book. Meet 5 year-old C.J. and learn about all the things he likes and does. Enjoy the interactive pages by writing your own C.J. story and have fun drawing and colorizing the characters. Have fun and use your imagination.

**The Right Side of History** - Ben Shapiro 2019-03-19

A #1 NEW YORK TIMES BESTSELLER! Human beings have never had it better than we have it now in the West. So why are we on the verge of throwing it all away? In 2016, New York Times bestselling author Ben Shapiro spoke at the University of California–Berkeley. Hundreds of police officers were required to protect his speech. What was so frightening about Shapiro? He came to argue that Western civilization is in the midst of a crisis of purpose and ideas; that we have let grievances replace our sense of community and political expediency limit our individual rights; that we are teaching our kids that their emotions matter more than rational debate; and that the only meaning in life is arbitrary and subjective. As a society, we are forgetting that almost everything great that has ever happened in history happened because of people who believed in both Judeo-Christian values and in the Greek-born power of reason. In *The Right Side of History*, Shapiro sprints through more than 3,500 years, dozens of philosophers, and the thicket of modern politics to show how our freedoms are built upon the twin notions that every human being is made in God's image and that human beings were created with reason capable of exploring God's world. We can thank these values for the birth of science, the dream of progress, human rights, prosperity, peace, and artistic beauty. Jerusalem and Athens built America, ended slavery, defeated the Nazis and the Communists, lifted billions from poverty, and gave billions more spiritual purpose. Yet we are in the process of abandoning Judeo-Christian values and Greek natural law, watching our civilization collapse into age-old tribalism, individualistic hedonism, and moral subjectivism. We believe we can satisfy ourselves with intersectionality, scientific materialism, progressive politics, authoritarian governance, or nationalistic solidarity. We can't. The West is special, and in *The Right Side of History*, Ben Shapiro bravely explains how we have lost sight of the moral purpose that drives each of us to be better, the sacred duty to work together for the greater good,.

*Famous American Statesmen* - Sarah Bolton 2021-12-02

"Famous American Statesmen" by Sarah Knowles Bolton. Published by Good Press. Good Press publishes a wide range of titles that encompasses every genre. From well-known classics & literary fiction and non-fiction to forgotten—or yet undiscovered gems—of world literature, we issue the books that need to be read. Each Good Press edition has been meticulously edited and formatted to boost readability for all e-readers and devices. Our goal is to produce eBooks that are user-friendly and accessible to everyone in a high-quality digital format.

[Half Past Midnight](#) - Jeff Brackett 2011-12-22

The Doomsday Clock gauges the threat of nuclear war. Currently, the clock is set at six minutes before midnight. What happens after the hands reach midnight? Survivalist Leeland Dawcett finds out when he and his family are plunged into the nightmare of their country returned to a third-world state. No phones. No computers. No television. At first, Leeland thinks basic survival is the answer. Until he crosses the path of the wrong guy... Someone who wants to do more than just survive...

[Taking Sides](#) - George McKenna 2006

This EXPANDED fourteenth edition of TAKING SIDES: POLITICAL ISSUES presents two additional current controversial issues. The issues are provided in a debate-style format designed to stimulate student interest and develop critical thinking skills. Each issue is thoughtfully framed with an issue summary, an issue introduction, and a postscript. An instructor's manual with testing material is available for each volume. USING TAKING SIDES IN THE CLASSROOM is also an excellent instructor resource with practical suggestions on incorporating this effective approach in the classroom. Each TAKING SIDES reader features an annotated listing of selected World Wide Web sites and is supported by our student website, [www.dushkin.com/online](http://www.dushkin.com/online).

*Why American History Is Not What They Say* -

*The Battle of Tippecanoe* - Charles River Charles River Editors 2018-02-03

\*Includes pictures \*Explains the roles played by Tecumseh and William Henry Harrison before, during, and after the battle \*Includes various accounts of what happened at the battle according to both sides \*Includes a bibliography for further reading \*Includes a table of contents The Battle of Tippecanoe, fought on November 7, 1811 near present-day Lafayette, Indiana, involved forces of fewer than 2,000 Native American warriors and white soldiers, and only about 300 men were killed or wounded on both sides. Given those numbers, it's apparent that the battle was far from being a Saratoga or a Gettysburg in terms of its scale or significance as an historical turning point, yet it was one of the most important battles in shaping American history during the early 19th century. The battle also involved an epic confrontation between two important American figures: William Henry Harrison, who would become the 9th president of the United States by running on his success in the battle, and the Shawnee war chief Tecumseh, arguably the most famous Native American leader in American history. From the American Revolution up through the Battle of Tippecanoe, Native Americans in the Old Northwest (today's Midwestern states) had been putting up stout resistance to that region's settlement by white land speculators and settlers. Things came to a head when Tecumseh and his brother, the Prophet Tenskwatawa, spearheaded a movement in the region that greatly influenced the area's Native Americans. In 1806, Harrison began to publicly denounce Tenskwatawa to other tribal leaders, calling him a fraud and charlatan, but the Shawnee Prophet responded by accurately predicting a solar eclipse, which embarrassed Governor Harrison, and after this

event, which tribal leaders took as a sign of Tenskwatawa's authenticity, his movement grew even more rapidly. By 1808, Tenskwatawa and his followers had moved west and founded a large, multi-tribal settlement near the confluence of the Tippecanoe and Wabash Rivers, called Prophetstown or Tippecanoe. Assisted by his brother Tecumseh, Tenskwatawa's settlement grew tremendously and eventually became the largest Native American settlement in the region. It also served as a Native American cultural center and provided a steady cadre of warriors ready to hear the Prophet's message that they should return to their ancestral lifestyles and force the white settlers and their culture out of their territory. Although accounts of the battle conflict, all agree that sentinels aroused the main body of the American troops when they detected Native American warriors attacking the Americans' perimeter from the south. The initial Native American attack struck the southern point of the defensive perimeter around 4:30 a.m. on November 7, 1811, and almost immediately the warriors rushed in among the American defenders manning that sector. Soldiers defending the southern side of the perimeter suffered the highest casualties, with the Yellow Jackets suffering a 30% casualty rate, but in fighting lasting about two hours Harrison's force of roughly 1,000, suffered only 62 dead and about 120 wounded. As the sun rose, the warriors began running low on ammunition, and the light revealed their small numbers, leading them to break off the attack and retreat towards Prophetstown. The battle was hardly a decisive victory, but at the end of the fighting the Americans still held their perimeter, allowing them to claim victory. While Tippecanoe was clearly not a total victory, and Native American resistance would continue through the War of 1812, the battle is widely considered the end of Tecumseh's War and did help bring about the decline of Native American ascendancy in the region. The Battle of Tippecanoe: The History and Legacy of the American Victory That Ended Tecumseh's War analyzes the background that led up to the battle and its aftermath.

Flight of Remembrance - Marina Dutzmann Kirsch 2011-12

Now an Award-Winning Finalist in the Non-Fiction: Narrative category of The 2012 USA Best Book Awards, sponsored by USA Book News. Obtain a free 40-page excerpt on [www.kirschstonebooks.com](http://www.kirschstonebooks.com). Against the backdrop of World War II tragedy and devastation in Latvia, Poland and Germany and three decades of European history, this true narrative provides a window into the palpating heart of wartime upheaval through the lives of Rolf Dutzmann and Lilo Wassull-two people fatefully positioned "on the other side." In December of 1939, swept along on a tide of dire necessity and circumstance due to the imminent Soviet takeover of his homeland, Rolf, a young Latvian aeronautical engineering student, flees with his family to Germany, a country fully under Hitler's control and already engaged in a brutal war. While the account chronicles Rolf's pursuit of his technical dream against daunting wartime odds, it is first and foremost a poignant love story that plays out against a panorama of worldwide chaos and destruction. It is also a story of the seen and unseen forces that coalesce to keep Rolf and Lilo alive after they meet in 1940 Berlin, leading them through a chain of cataclysmic events including Rolf's draft into the Luftwaffe and his father's assignment as chief inspector of V-2 rocket production; the bombing of Berlin; the destruction of their homes; their numerous desperate, cross-country escapes from the bombing, the advancing Soviet troops from the east, and other Allied forces from the west; the POW camp hardships; and the deprivation of the postwar years. Despite the immeasurable evil, suffering and desolation of World War II, a synchronistic chain of events provides an uplifting reminder that love and hope may take wing even out of the ashes of life's most terrifying adversities.

**A Complicated Legacy** - Robert H. Stucky 2014-05-23

If movies and books like *Belle*, *Twelve Years a Slave*, *The Butler*, *The Help*, *A Time to Kill*, and *Amistad* have moved you, you'll love *A Complicated Legacy*, a novel by Baltimore writer Robert H. Stucky based on the true story of Elijah Willis, a white South Carolina planter, and Amy- the love of his life, the mother of his children, and his slave. Taking place in the decade leading up to the Civil War, it is written with a cinematic eye for atmosphere and setting, a linguist's ear for dialogue, and a historian's grasp of the powerful social forces and momentous events of the time. It is a riveting tale of personal transformation in facing the tide of sweeping social change. Elijah Willis fought family opposition, public opinion, and the law to free his family of choice and leave them his entire inheritance. In so doing, his and Amy's story becomes a microcosm of the human struggles that made the Civil War and the Abolition of Slavery both necessary and inevitable. Set in rural South Carolina, Baltimore, and Cincinnati, this vivid saga weaves history and humanity in a

compelling testimony to the power of relationships to shape our destinies, even a century and a half later.

*The Tree That Ate Everything* - Robert Feiner 2017-09-19

Jake and Austin are twins. Jake has Down syndrome while Austin is typical. On their birthday, they play with their toys but a whimsical tree wants to play too. It also happens to be her birthday.

*Taking Sides: Clashing Views in World History, Volume 2: The Modern Era to the Present* - Joseph Mitchell 2010-09-10

Taking Sides volumes present current controversial issues in a debate-style format designed to stimulate student interest and develop critical thinking skills. Each issue is thoughtfully framed with an issue summary, an issue introduction, and a postscript or challenge questions. Taking Sides readers feature an annotated listing of selected World Wide Web sites. An online Instructor's Resource Guide with testing material is available for each volume. Using Taking Sides in the Classroom is also an excellent instructor resource. Visit [www.mhhe.com/takingsides](http://www.mhhe.com/takingsides) for more details.

United States History, Volume 1: Taking Sides - Clashing Views in United States History, Volume 1: The Colonial Period to Reconstruction - Larry Madaras 2008-04-11

This THIRTEENTH EDITION of TAKING SIDES: CLASHING VIEWS IN AMERICAN HISTORY, VOLUME 1 presents current controversial issues in a debate-style format designed to stimulate student interest and develop critical thinking skills. Each issue is thoughtfully framed with an issue summary, an issue introduction, and a postscript. An instructor's manual with testing material is available online for each volume. USING TAKING SIDES IN THE CLASSROOM is also an excellent instructor resource with practical suggestions on incorporating this effective approach in the classroom. Each TAKING SIDES reader features an annotated listing of selected World Wide Web sites and is supported by our student website, [www.mhcls.com/online](http://www.mhcls.com/online)

**A People's History of the United States** - Howard Zinn 2016-02-01

A classic since its original landmark publication in 1980, Howard Zinn's *A People's History of the United States* is the first scholarly work to tell America's story from the bottom up-from the point of view of, and in the words of, America's women, factory workers, African Americans, Native Americans, working poor, and immigrant labourers. From Columbus to the Revolution to slavery and the Civil War-from World War II to the election of George W. Bush and the "War on Terror"-*A People's History of the United States* is an important and necessary contribution to a complete and balanced understanding of American history.

**Poverty, Politics, and Race** - Dorothy Inman-Johnson 2012-12-11

*Poverty, Politics, and Race* gives a true face to poverty, while knocking down stereotypes on race and the poor ; and sheds light on how the politics of the past and present have magnified issues of race in America. The book also gives a personal look back at an important period in civil rights in America's history and sounds an alarm at the renewed and very open racial hatred that resurfaced with the election of the first African-American U.S. President. It takes a critical look at current events affecting the lives of average Americans through the prism of a Black woman who has experienced firsthand the effects of poverty, race, and the politics surrounding both issues. The book hopefully will help remove the blinders and lead to a more honest discussion on the divisions in our country and ways we can begin to heal them.

*Taking Sides* - James E. Harf 2005

A debate-style reader provides an introduction to each global issue covered, followed by two arguments presenting opposing viewpoints on the topic.

**Slippin' Out of Darkness** - Bob Ruggiero 2017-10-11

The first biography of the seminal music group WAR whose many hits include "Spill the Wine," "All Day Music," "Why Can't We Be Friends?" "Slippin' into Darkness," "The Cisco Kid," and - of course - "Low Rider." They combined rock, funk, soul, R&B, jazz, and a strong Latin vibe in their music, they have been awarded two Platinum and eight Gold records in their career. Their album "The World is a Ghetto" was the bestselling release of 1973 and was #444 on the list of "Rolling Stone's Top 500 Albums" list. This unauthorized book follows the group from their early incarnations when Harold Brown and Howard Scott met to form the Creators and then the Night Shift, to their partnership with former Animals lead singer Eric Burdon, to a highly successful career on their own with the core original lineup of Brown, Scott, Lee Oskar, Lonnie Jordan, B.B. Dickerson, Papa Dee Allen, and Charles Miller. The story also follows the band through

their later, leaner years, the tragic deaths of two members, and the conflicts that led to a fissure and a split of performing entities that continues to this day. Featuring original interviews, archival research, and musical analysis and commentary, "Slippin' Out of Darkness: The Story of WAR" tells the tale of one of the most unique bands in the history of Classic Rock-era music.

**Change the Workgame** - Serilda Summers-McGee 2016-08-27

Research shows that diverse workgroups are more productive, creative and innovative than homogeneous groups. In a global marketplace, and with the rapidly changing racial makeup of America, having a high function, diverse workforce is imperative for your organization's success. Change the WorkGame has been designed to show you how establish a diverse workforce throughout all strata of your organization and how to sustain your progress. As a human resources executive, diversity and inclusion consultant, and a member of historically marginalized communities, I have experienced wildly unsuccessful diversity and inclusion strategies; and advised, coached, and led wildly successful diversity and inclusion initiatives. Business leaders and department heads have used the steps outlined in this how-to guide to successfully recruit and retain diverse talent. Chris, a small business owner, says, "the diversity recruitment steps listed in the book, matched with real life scenarios really helps bring to life not only how to go about recruiting and retaining a diverse workforce, but why it is important." I promise that if you follow the 7 steps outlined in Change the WorkGame, you will increase the diversity of your workforce within 6 months following the activation of the last step and you will increase employee satisfaction by enhancing your managers and the inclusivity of your workplace. Don't wait to activate your diversity initiative. Don't wait to make your workforce stronger, nimbler, more creative, and more dynamic. Don't wait to establish an inclusive work environment where everyone feels respected, appreciated and heard. Be the person to take the lead towards Change. If not you, then who!? The workforce diversity and inclusion strategies and scenarios you are about to read have been proven to create positive and long lasting results for leaders. These strategies will help ALL employees inside your organization, but will specifically help you recruit and retain underrepresented employees. Each chapter will give you new insights towards enhancing your workforce and your workplace. Let me show you how to be the Change for your company.

*Inn Between Worlds* - Thomas Farmer 2017-10-21

Sitting outside of time and space is the Inn Between Worlds. Residents might say it's a place for travelers, or a place to rest, a place to find excitement. Or they might say it's dangerous and to be avoided at all costs because Reality Does Not Work Right inside its infinite walls. Contained in these pages are three stories that all share one important point: Their events would not have been possible without The Inn. "Gideon Wallace and the Sapphire Woman" is the first story in a new series by Thomas A Farmer, and shows what happens when a mortal man finds himself drawn into a fight between gods. In "Chaos Candy," by Amie Gibbons, supernatural bounty hunter Zee tries to uncover a dark secret and learns much more than she ever wanted to know. Finally, Michael David Anderson's "Flux" continues the adventures of Teddy Dormer, taking him once again to strange new places and showing him new nightmares.

**Rich Johnson's Guide to Trailer Boat Sailing** - Rich Johnson 2009-08

trailerable sailboat is the ideal way to explore the country ? wherever there is water. To make the most of this exciting lifestyle, owners of trailerable sailboats need three things ? an understanding of the boat and how to use it; knowledge about the tow vehicle and trailer used to transport the boat; and a spirited sense of adventure to live the dream. #13;#13; This book will help you get started. #13;#13; #13;

Bullhead City, Arizona -this pictorial trip down memory lane from the people that lived here from the beginning. From a small dusty town along the Colorado River to a favorite resort town, the River Ratz remember their history here.

Welcome to Soviet America - Michael T. Petro, Jr. 2012-04-06

In 1848 Karl Marx published his infamous pamphlet, The Communist Manifesto. In this pamphlet Marx outlined the basic principles of Communism as well as the goals to be achieved in establishing Communism in a targeted nation. In 1932 William Z. Foster, the National Chairman of the Communist Party, USA, published his book, Toward Soviet America. In his book Foster revealed the Communist plan to build a Soviet America, or an American version of the Soviet Union. Foster provided the reader with a general plan along with many specific details. In 1958 former FBI agent W. Cleon Skousen published his book, The Naked Communist. In his 1962 edition Skousen listed 45 goals Communists planned to achieve in building a Communist America. This book, Welcome To Soviet America: Special Edition, explores the alarming extent to which many of the goals outlined by Karl Marx, William Z. Foster, W. Cleon Skousen - and others - have been achieved in the America that was once described as "the land of the free and the home of the brave!"

**Song of the Wings Coloring Book** -

What are the differences between them? How do you tell one from the other? What are examples of art produced? Know the answers and more from the pages of this book.

**Stop Taking Sides** - Adam Mabry 2020-09-01

Love and wrath. Sovereignty and responsibility. Victory and suffering. Some of the truths we read in the Bible seem to be in opposition to each other. We naturally tend to gravitate towards a side, but when we lose sight of one truth in order to protect the other, we are in danger of becoming proud, creating division, and diminishing our faith. In this compelling, inspiring, and at times provocative book, Adam Mabry urges us to stop taking sides and refuse to participate in tribalism by mapping out a way to hold in tension truths that we so often divide over. You'll discover how our joy and our witness rest on us learning to hold to all

that the Scriptures teach and growing in virtue as we do. You'll learn how to wrestle with all that the Scriptures say, to embrace mystery, to listen closely, and to speak with clarity.

**Bury My Heart at Wounded Knee** - Dee Brown 2012-10-23

The "fascinating" #1 New York Times bestseller that awakened the world to the destruction of American Indians in the nineteenth-century West (The Wall Street Journal). First published in 1970, *Bury My Heart at Wounded Knee* generated shockwaves with its frank and heartbreaking depiction of the systematic annihilation of American Indian tribes across the western frontier. In this nonfiction account, Dee Brown focuses on the betrayals, battles, and massacres suffered by American Indians between 1860 and 1890. He tells of the many tribes and their renowned chiefs—from Geronimo to Red Cloud, Sitting Bull to Crazy Horse—who struggled to combat the destruction of their people and culture. Forcefully written and meticulously researched, *Bury My Heart at Wounded Knee* inspired a generation to take a second look at how the West was won. This ebook features an illustrated biography of Dee Brown including rare photos from the author's personal collection.

[Choosing Sides](#) - Ruma Chopra 2013-06-07

Though scores of texts, films and stories have been told about the American Revolution from the perspectives of our Founding Fathers and their followers, comparatively little is known about those colonists who resisted the revolutionary movement, and tried desperately to preserve their nation's ties to the British Empire. *Choosing Sides: Loyalists in Revolutionary America* shows us that America's original colonies were not nearly as united behind the concept of forming free, independent states as our society's collective memory would have us believe. There were, in fact, numerous colonists, slaves, and Native Americans who counted themselves among the Loyalists: those who never wanted to sever ties with the English crown and who viewed revolution as an unnatural and unlawful mistake. Too often overlooked, these men and women made valid and valuable arguments against the formation of the United States—both weighing the costs of revolution and the perilousness of existing without the Empire's command—arguments that even hundreds of years into America's existence were echoed and championed both within and beyond our borders. Colonists from commoners to clergymen had nuanced and complex reasons for wanting to remain under British control, and an awareness of these reasons and their origins paints a more historically accurate portrait of the American populous around the time of our country's founding. This volume not only showcases Dr. Chopra's comprehensive analysis of Loyalism and its arguments, but includes letters, legislation and even poems written by Loyalists during and after the Revolutionary War. *Choosing Sides* lays a detailed foundation of facts for its readers and provides them entry points to the debate surrounding the genesis of the United States. It is both a primary source and a touchstone for original interpretations and discussions.

[Taking Sides: Clashing Views on Global Issues, Expanded](#) - James Harf 2010-07-21

TAKING SIDES volumes present current controversial issues in a debate-style format designed to stimulate student interest and develop critical thinking skills. *Free Roll* - Brandt Tobler 2017-05-22

Have you ever wondered: What it's like to daily bet hundreds of thousands of dollars working for some of the largest professional gamblers in Las Vegas? ... How to spend a summer house sitting one of the biggest stars in the world's 11,000 square-foot mansion - without an invitation from it's celebrity owner ... Whether the life of crime - specifically, running a shoplifting ring in a middle American mall - pays? ... What causes a son to finally say enough is enough ... and decide "Today is the day I am going to kill my dad." Comedian Brandt Tobler has the answers in this funny, touching and sometimes downright unbelievable memoir of a small town Wyoming-kid turned "mall-fia" don, turned nationally touring comic. Brand tells his life story with candor, detailing the many pit stops, wrong turns, crazy connections and lucky breaks he experienced along the way to his comedy career, all while trying to balance a toxic relationship with his unreliable jailbird dad. In these pages Brandt will make you laugh (he better - it's his job!) and believe as he does that, when it comes to defining family, blood isn't always thicker than water. -- back cover.

*Mr Lazarus* - Patrice Chaplin 2016-08-03

' ... a surging intensity that keeps the reader glued to the page.' - New York Times  
London. 1970. Vicky Graham, an unsuccessful film producer at the BBC, crosses the path of Luciano Raffi, a famous violinist, as he performs at the Proms. For Vicky he represented something she could not have, but something she longingly craved for. A chance to lift her out of the unloving greyness of everyday life. Through her job at the BBC, she is able to organise an interview with him, but their meeting triggers a renewed obsession with him. The reason? Luciano has something in common with Vicky - they both know about the portal. A secret history, nearly untraced, connects these distant souls. But will it last? Raffi is about to disappear from her life... To get him back, she must travel to where and when she had never expected. She must uncover the secret history of the portal... *Mr Lazarus* is the latest book in Patrice Chaplin's series following *The City of God* and *The Portal*. Chaplin is a renown international bestselling author. Praise for Patrice Chaplin: 'Powerful romantic fiction in the tradition of Emily Bronte.' - Guardian ' ... a surging intensity that keeps the reader glued to the page.' - New York Times 'Genuinely witty horrors' - The Observer  
Patrice Chaplin is an author, journalist and playwright. She first visited the city of Gerona, in Spain, when she was 15 and it was then that she learnt about the Grail mystery. Throughout her life she has maintained an active interest in the history of the Grail and has lived in Spain and France. She has published more than 36 books, plays and short stories.

**Taking Sides** - Gary Soto 1991

Fourteen-year-old Lincoln Mendoza, an aspiring basketball player, must come to terms with his divided loyalties when he moves from the Hispanic inner city to a white suburban neighborhood.

**Cursed to Survive** - Rimma Rose 2012-11-28

*Cursed to Survive* is a thrilling love story set in the actual historical events of Germany at the beginning and during the Third Reich. It takes a unique look inside the mind of a patriotic German nobleman with unusual gifts and immense opportunities for glory and domination. We witness the horrors of the Holocaust through his eyes, as he falls madly in love with a daughter of a Jewish doctor in the midst of the Nazi reign. *Cursed to Survive* is an easy-to-read and passionately engaging novel. It's the story filled with tragedy, real history and a sobering analysis of love, family, friendship, patriotism and other important concepts. The novel features a beautiful, young member of the New York's high society -- Rose Blackford Stern, who in

addition to her family's immense wealth and a prominent name has a highly prestigious job with the most influential fashion magazine in New York City. But as readers soon learn, having it all doesn't mean that the search for something beyond the material ever stops. Rose encounters the stunningly handsome Max at the grave of her late grandmother. Max is enigmatic and the subject of Rose's obsession from the moment they meet. Rose has a seemingly perfect life, yet she is unable to shake the emptiness that has consumed her since the death of her beloved grandmother, Aliza, three years prior. Max first meets Aliza when she is a teenage girl in pre-World War II Germany. Max comes from one of the oldest and wealthiest noble families of Europe. The attraction between Maximilian and Aliza is instant and overpowering, albeit impossible -- a German aristocrat could never be with a Jewish commoner. As the Nazi movement gains momentum, their country is shattered and their deep mutual connection becomes deadly. Aliza loses her entire family and lives through terror and abuse before Max infiltrates the Third Reich and rescues her. Nearly seventy years later Max's unusual gifts have brought him to New York, to Aliza's granddaughter Rose, and perhaps to another chance at love.

**Knightingale** - Stephanie Laws 2012-09-14

Evil has plagued this world since the dawn of creation seeking to gain control. One family was given

supernatural abilities with the sole purpose of protecting the things in this world that evil must never take possession of. Samantha Nelson knew she was cursed. She didn't know that her unnatural ability of forcing the truth out of people was just the beginning of her curse until her family is murdered in a horrific home explosion. Six months later she finds herself face to face with a Knight Protector and her life is turned into utter chaos. When David received his assignment on his twentieth birthday he was told that his destiny would be entwined with a woman soon to be born and that his aging would be halted. Since the moment Samantha was born, David protected her from her enemies. As every Knight before him, he does so in the shadows. But David must face the facts that something even deadlier than her enemies is occurring. No matter how much he denies it, he is falling in love with her. When her enemies begin to discover ways around his protection and murder her family he is forced to make a decision of what is more important to him; his family or his assignment. All it takes is one warning sign of danger to convince him that he simply cannot live without Samantha and he takes a leap that will change their lives forever. Their only chance of survival is to discover what Samantha's destiny is and the journey leads them straight to the heart of the Knight family where they discover evil has infiltrated and it is up to them to stop the evil before it destroys the family and gains control of the very thing that God created the family to protect.
