2006-12-31

An in-depth study of the vital principles from the best-selling *Cracking the Communication Code* now in workbook form. Communication between couples has been dissected in thousands of books and articles, so why does it remain the number one marriage

problem? "Because," says Dr. Emerson Eggerichs, "most spouses don't know that they speak two different languages. They are sending each other messages in 'code,' but they won't crack that code until they see that she listens to hear the language of love and he listens to hear the language of respect." Dr. Eggerichs' best-selling book, *Love and Respect*,

launched a revolution in how couples relate to each other. Now with the Cracking the Communication Code companion workbook, the message of this hardcover trade book can be studied and applied whether for a group or for individual couples. The result will be better communication, mutual understanding, and a successful godly marriage. The Purpose Driven Church - Rick Warren 2007-09-04 Every church is driven by something. Tradition, finances, programs, personalities, events, seekers, and even buildings can each be the controlling force in a church. But Rick Warren believes that in order for a church to be healthy it must become a purpose driven church by Jesus. Now the founding pastor of Saddleback Church shares a proven five-part strategy that will enable your church to grow. . . - Warmer through fellowship - Deeper through discipleship - Stronger through worship - Broader through ministry - Larger through

evangelism. Discover the same practical insights and principles for growing a healthy church that Rick has taught in seminars to over 22,000 pastors and church leaders from sixty denominations and forty-two countries. The Purpose Driven Church® shifts the focus away from church building programs to emphasizing a people-building process. Warren says, "If you will concentrate on building people, God will build the church."

21 Lessons for the 21st Century - Yuval Noah Harari
2019-01-29

#1 NEW YORK TIMES BESTSELLER • In *Sapiens*, he explored our past. In *Homo Deus*, he looked to our future. Now, one of the most innovative thinkers on the planet turns to the present to make sense of today's most pressing issues. "Fascinating . . . a crucial global conversation about how to take on the problems of the twenty-first century."—Bill Gates, *The New York Times Book Review*
NAMED ONE OF THE BEST BOOKS OF THE YEAR BY FINANCIAL TIMES AND PAMELA PAUL, KQED
How do computers and robots change the meaning of being human? How do we deal with the

epidemic of fake news? Are nations and religions still relevant? What should we teach our children? Yuval Noah Harari's *21 Lessons for the 21st Century* is a probing and visionary investigation into today's most urgent issues as we move into the uncharted territory of the future. As technology advances faster than our understanding of it, hacking becomes a tactic of war, and the world feels more polarized than ever, Harari addresses the challenge of navigating life in the face of constant and disorienting change and raises the important questions we need to ask ourselves in order to survive. In twenty-one accessible chapters that are both provocative and profound, Harari builds on the ideas explored in his previous books, untangling political, technological, social, and existential issues and offering advice on how to prepare for a very different future from the world we now live in: How can we retain freedom of choice when Big Data is watching us?

What will the future workforce look like, and how should we ready ourselves for it? How should we deal with the threat of terrorism? Why is liberal democracy in crisis? Harari's unique ability to make sense of where we have come from and where we are going has captured the imaginations of millions of readers. Here he invites us to consider values, meaning, and personal engagement in a world full of noise and uncertainty. When we are deluged with irrelevant information, clarity is power. Presenting complex contemporary challenges clearly and accessibly, 21 Lessons for the 21st Century is essential reading. "If there were such a thing as a required instruction manual for politicians and thought leaders, Israeli historian Yuval Noah Harari's 21 Lessons for the 21st Century would deserve serious consideration. In this collection of provocative essays, Harari . . . tackles a daunting array of issues, endeavoring to answer a persistent question: 'What is

happening in the world today, and what is the deep meaning of these events?'"—BookPage (top pick)

Preaching - John F. MacArthur

2005-08-21

Many sermons preached today lack the divine knowledge and spiritual understanding available only through dynamic expository preaching. In *Preaching: How to Preach Biblically*, John MacArthur's well-known passion for the Bible combines with the expertise of faculty members at The Master's Seminary to inspire and equip preachers in effective biblical preaching. *Preaching: How to Preach Biblically* flows from biblical foundations for expository preaching through a detailed process of developing expositions and creating sermons to the actual delivery of expository messages, connecting what pastors learn in seminary with the sermons preached in a local church. This volume shows how to progress purposefully from one phase to the next in preparing to minister to God's people through preaching. This book answers these questions and more: What is expository, biblical preaching? What are the theological and historical

foundations for insisting on expository preaching? What are the steps involved in preparation for and participation in biblical preaching? What models exist for expository preaching today? The Master's Seminary faculty, with over thirty years' experience in preaching and seminary training of preachers, contributes a treasury of expertise alongside insights from expositor John MacArthur. While united on their commitment to exposition, the variety of individual expressions and methodological preferences discussed offers beneficial assistance for any preacher seeking a higher level of expository excellence.

Sexperiment - Ed Young
2012-01-10

The predominant message in our culture is that it's okay to have sex whenever, wherever, and however we want. Sex has become just sex. But while society has taken sex too far, the church hasn't taken it far enough. God wants couples to make love in marriage-with passion, with purpose, and with pleasure. Marriages aren't experiencing all the benefits that come from a healthy sex life. Couples are facing a barrage of influences that keep them from connecting with each other regularly-the kids, the career, the house, the errands, etc. **SEXPERIMENT** shows people that sex in marriage is more than just sex, and it's more than a chore. The Youngs believe it's time to get back to understanding the context of sex in marriage and

that it's time for couples to break the barriers keeping them from a healthy sexual relationship. Couples ought to experience the benefits of having sex regularly, intentionally, and creatively. SEXPERIMENT will allow couples to discover that the intersection of God and sex can lead to a life punctuated by exclamation marks!

God wants your marriage to be nothing short of incredible. It could all begin with this amazing book

Fatal Freedom - Thomas

Szasz 2002-08-01

Fatal Freedom is an eloquent defense of every individual's right to choose a voluntary death. By maintaining statutes that determine that voluntary death is not legal, Thomas Szasz believes that our society is forfeiting one of its basic freedoms and causing the psychiatric medical establishment to treat individuals in a manner that is disturbingly inhumane.

Society's penchant for defining behavior it terms objectionable as a disease has created a psychiatric establishment that exerts far too much influence over how and when we choose to die. In a compelling argument that clearly and intelligently addresses one of the most significant ethical issues of our time, Szasz compares suicide to other practices that historically began as sins, became crimes, and now are seen as mental illnesses.

Servant of All - Craig C. Hill 2016-11-12

There exists a deep tension between the biblical view of

servant leaders and the status that Christian leaders today often desire and pursue. Many pastors and other church leaders, like it or not, struggle with ambition. In this book Craig Hill shows how the New Testament can help Christian leaders deal with this problem honestly and faithfully. Hill examines such passages as the Christ Hymn in Philippians 2 to show how New Testament authors helped early Christians construct their identity in ways that overturned conventional status structures and hierarchies. Status and ambition, Hill says, are not often addressed forthrightly in the church, as Christians either secretly indulge those impulses or feebly try to quash them. Hill's *Servant of All* will help Christian leaders reconcile their human aspirations and their spirituality, empowering them to minister with integrity. *Every Woman's Marriage* - Shannon Ethridge 2010-03-16 Set Your Husband's Heart Ablaze Are you a "desperate housewife," committed to marriage yet longing for a

Drawing on real-life stories from both men and women, as well as lessons from their own less-than-satisfying early years of marriage, they offer provocative insights about what it takes to nurture a dynamic marriage, including... ·what makes a husband's heart grow cold-and how you can fan the embers into flame ·the difference between being "right" and being "righteous" ·how to fight fair ·how to guard your heart against unhealthy comparisons ·the dynamic power of getting spiritually and emotionally naked ·what your husband really wants most (It's not what you think!) *Every Woman's*
