The New Maids - Professor Helma Lutz 2011-08-11

The New Maids is a pioneering book, grounded on rich, empirical evidence, which examines the relationship between globalization, transnationalism, gender and the care economy. Expertly addressing the thorny questions that surround the increasing number of migrant domestic workers and cleaners, child-carers and caregivers who maintain modern Western households, the author argues that domestic work plays the defining role in global ethnic and gender hierarchies. Using a central ethnographic study of immigrant domestic workers and their German employees as its starting point, The New Maids uses the voices of such women themselves to provide unique conceptual and evidential support for this vital new approach argument. This exciting book will not only enhance the reader's understanding of the new care-economy, it also sets standards for feminist global methodology.

The Road to Cali - Corinne Chateau 2007-11-30

"I didn't know if I could be a mother. I wasn't sure if I even wanted to be a mother. Nothing in my upbringing seemed to support motherhood." So begins Corinne Chateau's odyssey to claim the mother in herself and embark upon an unexpected journey that will lead her to a child in the distant Republic of Georgia. The Road to Cali is about not giving up. It is the story of a rescue--of both a child and oneself. Also available on CD as an audiobook: www.ChateauHickey.com

From Boy to Sissy Baby - Ben Pathen 2020-02-25

The Sissy Baby is an incredibly important and common aspect of ABDL life. These four novels are not books

that are a full-on sissy extravaganza from the first word until the last. They are - like in real life - a step-by-step journey that follows the story of a young man who finds femininity erupting in his life, just as infancy is also developing. The twin aspect merge and a sissy baby is formed. And in every case, the sissy baby needs to find a life where they are able to live, develop, grow and be part of a relationship that works and matters. I hope you enjoy these four novels as much as the authors enjoyed writing them and it is worth remembering that while they are fiction, they do represent part of the canvas of real life and some scenes are based in part on actual events. Enjoy your travels through the world of the sissy adult baby.

Mail Order Bride - Faith Johnson 2022-01-22

From your Favorite Amazon Best Selling Author Faith Johnson..comes this wonderful Winter Mail Order Bride and Babies Story... *** Click the BUY Button to Grab this great deal NOW *** Paige Morgan knew being a mail order bride was not the most preferred way to find a husband, but after her mother's death, she had nowhere else to go. Her new husband, Elliot Butler, is a good man, though he has made it clear he has married for convenience-not love. However, Paige is grateful to have a home and quite happy to take on the tasks of tending to the ranch, as unfamiliar as they are. But when Paige finds an abandoned baby on the ranch one day, suddenly, she and Elliot are thrust into new roles. With no idea where the little boy came from or whom it belongs to, together they fall to the job of taking care of the infant. And as they do, they begin to realize that marriage-and love-can be so much more than a convenience.

Good Housekeeping Magazine - 1903

Finding Dorothy - Elizabeth Letts 2019-02-12

This richly imagined novel tells the story behind The Wonderful Wizard of Oz, the book that inspired the iconic film, through the eyes of author L. Frank Baum's intrepid wife, Maud. "A breathtaking read that will transport you over the rainbow and into the heart of one of America's most enduring fairy tales."—Lisa Wingate, author of *Before We Were Yours* Hollywood, 1938: As soon as she learns that M-G-M is adapting her late husband's masterpiece for the screen, seventy-seven-year-old Maud Gage Baum sets about trying to finagle her way onto the set. Nineteen years after Frank's passing, Maud is the only person who can help the producers stay true to the spirit of the book—because she's the only one left who knows its secrets. But the moment she hears Judy Garland rehearsing the first notes of "Over the Rainbow," Maud recognizes the yearning that defined her own life story, from her youth as a suffragette's daughter to her coming of age as one of the first women in the Ivy League, from her blossoming romance with Frank to the hardscrabble prairie years that inspired *The Wonderful Wizard of Oz*. Judy reminds Maud of a young girl she cared for and tried to help in South Dakota, a dreamer who never got her happy ending. Now, with the young actress under pressure from the studio as well as her ambitious stage mother, Maud resolves to protect her—the way she tried so hard to protect the real Dorothy. The author of two New York Times bestselling nonfiction books, *The Eighty-Dollar Champion* and *The Perfect Horse*, Elizabeth Letts is a master at discovering and researching a rich historical story and transforming it into a page-turner. *Finding Dorothy* is the result of

Letts's journey into the amazing lives of Frank and Maud Baum. Written as fiction but based closely on the truth, Elizabeth Letts's new book tells a story of love, loss, inspiration, and perseverance, set in America's heartland. Praise for Finding Dorothy "In some ways reminiscent of Jerry Stahl's excellent I, Fatty, Letts' Finding Dorothy combines exhaustive research with expansive imagination, blending history and speculation into a seamless tapestry. . . . It's a testament to Letts' skill that she can capture on the page, without benefit of audio, that same emotion we have all felt sometime over the last 80 years while listening to 'Over the Rainbow.'"—BookPage (starred review)

The Winter Baby - Sheila Newberry 2017-10-05

A warm-hearted and nostalgic family saga, for readers of Katie Flynn and Sheila Jeffries. Perfect for curling up at home with during the festive period. All alone during winter - will she find somewhere to call home . . . ? As the year ends, seventeen-year-old runaway Kathleen stumbles through the snow, alone and about to give birth. But when she's carried to safety by a mysterious figure, her life is set on a new path . . . Welcomed by the Mason family at Home Farm, Kathleen believes she may have finally found a safe place to raise her newborn child. But her past cannot be forgotten and no matter how hard her new family tries, she has secrets she refuses to share. Will Home Farm be the safe haven Kathleen has been searching for? And will a chance at love allow her to finally break free of her past? Praise for Sheila Newberry 'Gloriously nostalgic . . . a perfect example of her talent' MAUREEN LEE 'Reading a Sheila Newberry book is like having dinner with your mother in her warm and cosy kitchen' DIANE ALLEN

Drowning in a Mother's Womb - Ciara L. Anderson 2009-01-15

Drowning in a Mother's Womb approaches the story of a tumultuous childhood of a young girl in her own words, emotions and feelings. As she relives the horrific incidents of violent abuse, you will empathize with her every struggle and hang on her every word spoken in the language and culture of her experience. The most vital messages from her story are that regardless of the circumstances and situations that this young girl faced, having lived a most colorful life by the age of 13, she found herself drowning in her own resentment for a mother who never felt any remorse for her negligent parenting. Therefore, the girl continued to press toward her future, grasping at any and every place for help. When she least expected it, her broken spirit gave way to what felt like the walls of her mind closing in on her, and she found herself in the psychiatric ward of a local hospital. Ciara allows the reader to identify with a child's need to be nurtured and supported even when the nurturer remains absent and unsupportive.

Winter Baby - Kathleen O'Brien 2010-11-01

Sarah Lennox had her life arranged down to the minute--but that was before she discovered she was pregnant and that her fianc was a jerk. Not sure what to do next, she heads to Firefly Glen, the quiet little town that was once a haven for her. After she arrives, though, she finds upheaval in the disconcerting presence of Sheriff Parker Tremaine--a man who can almost make her forget that she's a recently ditched, slightly desperate and undeniably pregnant schoolteacher.

DCZ: Designated Conservation Zone - Vanda Denton 2015-09-19

DCZ, written in a multiple narrative style is a work of speculative eco-fiction featuring a London setting, released zoo animals, global control and a mysterious, powerful organisation. Gaia can and will solve the problem of climate change as opposed to living in the ensuing disaster. And humans are not very important in the scheme of things. They will, like all else, be accounted for in the calculations as a part of a global eco-system. This is a story of reversing and preventing the problem rather than one of living with the dire consequences of it. Except from the human perspective this is a holocaust.

Chambers's Journal of Popular Literature, Science and Arts - 1865

The Canadian Paediatric Society Guide to Caring for Your Child from Birth to Age Five - The Canadian Paediatric Society 2009-07-31

The definitive Canadian resource from the leading association on child health & development Paediatrician Dr. Diane Sacks and the CPS have compiled the most current information relating to child health and development. This guide empowers parents to make informed decisions about their child's well-being by laying out the information in an engaging and informative way. Emphasis is placed on health, development, injury prevention and nutrition. Organized into age-specific sections, the book features a modular format that allows parents or caregivers to jump in and out with just the information they need. Clear instructions are given to help parents assess the severity of a situation or condition, with guidelines that recommend "mention at the next Dr.'s appt.," "make an appt. to see the Dr.," or "proceed to the clinic or emergency room immediately." This type of easy-to-apply advice will make this a "go to" resource for generations to come. The book includes the most up-to-date information on: Preparing for your baby's arrival The role of the parent in caring for your child's health The Canadian Health Care System: dealing with the system and

your role as a parent in getting the best care Growth and Development charts A detailed section on

children's mental health The Canadian Paediatric Society (CPS) has been working for children since 1922. Today more than 2,000 paediatricians from across Canada belong to the CPS.
