Florida Real Estate Postlicensing for Sales Associates - Stephen Mettling 2020-08-22
Florida Real Estate Postlicensing for Sales Associates (FREPSA) is 45-hour review and applied principles coursebook for newly-licensed sales associates beginning their real estate careers in Florida. It is designed to satisfy your one-time postlicense requirement as a sales associate actively practicing real estate in Florida. FREPSA is used with approved sales associate postlicensing courses throughout Florida. There are three principal themes underlying the content of our FREPSA course. First is to give you a key-point review of the most critical laws and regulations impacting your current practice: license-related

regulations, brokerage relationships review, disclosures and professional practices that form the foundations of professional practice. This review additionally includes a brief review of rules and regulations framing compliant practices in advertising, fair housing and brokerage operations. Second, we wanted to give you a deeper exposure to more advanced, transaction-related brokerage practices that are critical to becoming a successful practitioner: market analysis; pricing; investment principles, construction knowledge, obtaining and marketing listings, and managing the pre-closing period. Finally, we wanted to present several additional perspectives on real estate practice that can add valuable new dimensions to your future engagements in real estate practice: property management, real estate-related insurance, and risk management. And, for students who appreciate a brush-up in real estate math, we cap off the program with a comprehensive review of transaction-related math formulas and calculations. Table of Contents Real Estate Specializations Florida License Law Review Florida Brokerage Relationships Review Property Disclosures & Professional Practices Brokerage Practice Regulations Fair Housing and Landlord-Tenant Laws Condos, Co-ops, Timeshares, HOAs, CDDs Foreclosures and Short Sales Real Estate Market Economics Estimating Property Value Real Property Investment Analysis Property Insurance Risk Management Property Management Construction Terminology Elements of the Listing Process Inside the Sales Contract Real Estate Mathematics Practice Exam

Florida Real Estate Principles, Practices and Law 32nd Edition - Linda Crawford 2008-12-15
Florida Real Estate Principles, Practices & Law is the most comprehensive prelicensing text in the state of Florida. Published annually, this text reflects the most recent legislative changes in Florida. The content conforms to the Florida Division of Real Estate's prescribed Florida Real Estate Commission (FREC) Course I Syllabus for the prelicense course for sales associates.

Real Estate Math Express - Stephen Mettling 2017-10-24

Real Estate Math Express is a concise, easy-to-study test preparation guide to help real estate

students improve their real estate math scores to pass the state licensing test. The primary feature of Real Estate Math Express is that it contains all necessary formulas and practice questions in 70+ pages. This enables you to truly cram for the math portion of your state's licensure test, memorize key formulas, and walk into the exam site having all the essential material in your short-term memory! So, if you want a truly rapid review resource, Real Estate Math Express is for you. No frills, no lengthy explanations.....just key formulas, definitions, corresponding examples and practice questions. Real Estate Math Express can be broken down into 3 major parts: Math Formulary Math Questions Answer Key The math formulary is the section that introduces each major real estate math topic and its corresponding formula(s). Real Estate Math Express covers numerous topics ranging from basic math to capitalization rates to prorations and finally to closing cost calculations. Once the math formulas have been mastered, there are over 110 sample questions for you to practice with. Each question has both an answer and an explanation of the correct answer at the end of the book. For additional real estate licensing materials, please check out our Principles of Real Estate Practice and Real Estate License Exam Prep (RELEP) Series. *Florida Real Estate Principles, Practices and Law* - Linda L. Crawford 2006-11

It's Only an Opinion: An Appraiser in Court - Henry J. Wise 2019-03-12

This book explains, "what an appraiser thinks about when his client is the court." It is based on real world experiences that are interesting to appraisers, attorneys and businessmen. The stories are also interesting to the general public who usually don't have to think about the meaning of the value of something. The most likely market for the book consists of the 50,000 or more commercial real estate appraisers and business appraisers working here and in other countries that follow our general models for valuation, the thousands of attorneys in eminent domain condemnation or real estate practice, bond financing, estates and tax who have to rely on appraisers, people and companies whose property is being taken under eminent domain, and the tens of thousands of people who find

themselves in court because the value of something is an issue. Most of author Hank Wise's work has been as an expert witness in civil cases wherein the critical issue to be decided is 'what is it worth?' His clients include the U.S. Department of Justice, states, cities, counties, and many national and regional law firms. He appraised the Everglades and Big Cypress, tourist attraction caves, wells, mountains, air rights, mineral rights, even when all parties agreed that there were no minerals, as well as the usual panoply of shopping centers, apartments, office buildings and other commercial real estate properties. He also is a business appraiser, and has appraised privately held companies, fractional interests, limited partnerships and tenancies in common. His book, *It's Only An Opinion: An Appraiser in Court*, uses interesting and unusual cases to illustrate the appraisal process and the reasoning that makes an appraisal credible.

INTERESTING BACK STORY The abrupt collapse of real estate mortgage values beginning in 2008 lead to a five-year worldwide recession. This near failure of the banking system substantially increased the public's awareness about the importance of understanding what an appraiser thinks or does. Mr. Wise's career as an expert witness provides interesting anecdotes that gave him a chance to generally illustrate the foundations of value in the economy.

Florida Real Estate Exam Manual for Sales Associates and Brokers - Linda L. Crawford

Florida Administrative Practice - LexisNexis Editorial Staff 2021-07-02

Florida Administrative Practice, Thirteenth Edition is the only practice manual to provide an in-depth discussion of the procedural aspects of Florida administrative litigation. The Administrative Procedure Act is a dynamic area of the law, and the new Thirteenth Edition brings you up-to-date with the most recent developments in this area, including: Updated rules, statutes, and recent case law—including the complete Uniform Rules of Procedure and the Administrative Procedure Act—and removal of obsolete material. New material related to the

COVID-19 pandemic; de novo review under new Art. V, §21, of the Florida Constitution; reinstatement of licenses; final orders; the Florida Fish and Wildlife Commission; record requirements on appeal; and electronic notarizations. Rewrites of sections on Procedural Due Process, procurement specifications, and judicial review under F.S. 120.68. Updated material on administrative searches and seizures, evidence, Certificates of Need, and Requests for Technical Advice. Elaboration on rule challenges, hearsay evidence, hearing denial, licensure requirements, agency investigation, emergency orders, environmental permitting, mediation, environmental enforcement mechanisms, water management districts, comprehensive planning, exhaustion of remedies, and mootness. Clarification of terms and case descriptions. In addition, the manual explores other areas of substantive law where administrative procedures predominate, including environmental and land use law and certificates of need determinations. With extensive case law and statute references, as well as an appendix featuring the full text of the APA with tracing and conversion tables, this reference will be a valuable addition to the library of experienced administrative law practitioners and those needing a trustworthy guide through this complex area of law.

Model Rules of Professional Conduct - American Bar Association. House of Delegates 2007

The Model Rules of Professional Conduct provides an up-to-date resource for information on legal ethics. Federal, state and local courts in all jurisdictions look to the Rules for guidance in solving lawyer malpractice cases, disciplinary actions, disqualification issues, sanctions questions and much more. In this volume, black-letter Rules of Professional Conduct are followed by numbered Comments that explain each Rule's purpose and provide suggestions for its practical application. The Rules will help you identify proper conduct in a variety of given situations, review those instances where discretionary action is possible, and define the nature of the relationship between you and your clients, colleagues and the courts.

Real Estate Brokerage - John E. Cyr 1999
With its emphasis on the nuts-and-bolts of

starting and operating a broker brokerage, this new edition supplies all the information agents and brokers need, includes checklists, forms and step-by-step explanations that guide the reader through must-know topics.

Florida Post-Licensing Education for Real Estate Salespersons - David Coleman 2003-08

Florida Real Estate Continuing Education: the FLA.CE Program - Stephen Mettling 2021-03-25

Performance Programs Company's newly minted Florida Real Estate Continuing Education Course (the "FLA.CE" Program) is a 14-hour course specifically designed for Florida real estate licensees and for their fulfillment of Florida's real estate continuing education requirements. As such, the course carefully complies with FREC requirements and specification for content coverage, organization length, format, and final examinations. The thrust of the course's content is to - provide a comprehensive yet terse review of key concepts and principles undergirding Florida brokerage and management practices - emphasize how to develop and maintain practical yet widely-accepted standards of professional real estate practice as codified by the Realtors Code of Ethics and FREC-promulgated regulations - highlight the more action-oriented aspects of brokerage practice as opposed to legal concepts, including risk mitigation, the basics of managing transactions, pricing property, completing contracts, financial analysis, closing, and, throughout, making conscientious and transparent disclosures. In fulfilling these course content benchmarks, we have tried to keep the topic summaries clear, simple and relevant. Ultimately, we hope they will serve the ongoing purpose of keeping you abreast of the industry's newest trends, developments, and new evolutions. Important note: The FLA.CE Program

needs to be purchased through an approved Florida real estate school to receive credit. Buying and completing the FLA.CE book purchased here on Amazon will NOT earn you credit. Our FLA.CE text resource is to be in used in conjunction with a school's FLA.CE course.

Florida Real Estate Principles, Practices and Law, 33rd Edition - Linda Crawford 2009-12-15
Florida Real Estate Principles, Practices & Law is the most comprehensive prelicensing text in the state of Florida. Published annually, this text reflects the most recent legislative changes in Florida. The content conforms to the Florida Division of Real Estate's prescribed Florida Real Estate Commission (FREC) Course I Syllabus for the prelicense course for sales associates.

Florida Real Estate License Exam Prep: All-in-One Review and Testing to Pass Florida's Real Estate Exam - Stephen Mettling

2020-08-31

Features of Florida Real Estate License Exam Prep (FL-RELEP): - Florida Practices & Law Key Point Review in the same 19 sections as the FREC 1 prelicense course (80 pages) - Real Estate Math Key Formula Review & Practice (20 pages) - 20 Practice Tests (575 questions with explanations also in FREC 1 order) - Florida License Exam Simulation (100 questions with explanations) We know the real estate licensing exam can be tough, and very nerve-wracking to prepare for. That's why we created the Florida Real Estate License Exam Prep (FL-RELEP) the way we did. Since we have been managing real estate schools and developing curriculum for forty years, we know how all this works - or fails to work. First, FL-RELEP is comprehensive. It contains both extensive content review as well as testing practice. And the text review, unlike most competing books, is Florida-specific - not just simplistic national content, but terse, relevant and accurate state and national laws and regulations presented as a set of 'key point reviews' ideal for pre-test memorization. FL-RELEP precisely follows the official 50+ page Florida syllabus topic by topic in the correct ordered sequence. Consequently, the material serves as a more user-friendly review for students who have taken pre-license courses throughout Florida containing this required content and organization. FL-RELEP's key point reviews are a succinct compression of tested national principles and practices drawn from our own Florida textbook, Principles of Real Estate Practice in Florida - one of the most widely used principles textbooks in Florida. Finally, our review content and question selection is tailored

to follow the state testing outline promulgated by the state of Florida. A word about the tests. The FL-RELEP's test questions are designed to cover the content covered by the law reviews - which reinforces your learning of the total body of information tested by the state of Florida. The questions are direct, to the point, and designed to test your understanding. When you have completed a given test, you can check your answers against the answer key in the appendix. You may also note that each question's answer is accompanied by a brief explanation to further reinforce your understanding. In the end, as you know, it's all up to you. Unlike other publications, we are not going to tell you that using this book will guarantee that you pass the Florida state exam. It still takes hard work and study to pass. But we have done our best here to get you ready. Following that, the most we can do is wish you the best of success in taking and passing your Florida exam. So good luck!!

Florida Real Estate Principles, Practice and Law - George Gaines 1999-12

The White Coat Investor - James M. Dahle 2014-01

Written by a practicing emergency physician, The White Coat Investor is a high-yield manual that specifically deals with the financial issues facing medical students, residents, physicians, dentists, and similar high-income professionals. Doctors are highly-educated and extensively trained at making difficult diagnoses and performing life saving procedures. However, they receive little to no training in business, personal finance, investing, insurance, taxes, estate planning, and asset protection. This book fills in the gaps and will teach you to use your high income to escape from your student loans, provide for your family, build wealth, and stop getting ripped off by unscrupulous financial professionals. Straight talk and clear explanations allow the book to be easily digested by a novice to the subject matter yet the book also contains advanced concepts specific to physicians you won't find in other financial books. This book will teach you how to: Graduate from medical school with as little debt as possible Escape from student loans within two to five years of residency graduation Purchase the right types and amounts of insurance Decide when to buy a house and how much to spend on it Learn to invest in a sensible, low-cost and effective manner with or without the assistance of an advisor Avoid investments which are designed to be sold, not bought Select advisors who give great service and advice at a fair price Become a millionaire within five to ten years of residency graduation Use a "Backdoor Roth IRA" and "Stealth IRA" to boost your retirement funds and decrease your taxes Protect your hard-won assets from professional and personal lawsuits Avoid estate taxes, avoid probate, and ensure your children and your money go where you

want when you die Minimize your tax burden, keeping more of your hard-earned money Decide between an employee job and an independent contractor job Choose between sole proprietorship, Limited Liability Company, S Corporation, and C Corporation Take a look at the first pages of the book by clicking on the Look Inside feature Praise For The White Coat Investor "Much of my financial planning practice is helping doctors to correct mistakes that reading this book would have avoided in the first place." - Allan S. Roth, MBA, CPA, CFP(R), Author of How a Second Grader Beats Wall Street "Jim Dahle has done a lot of thinking about the peculiar financial problems facing physicians, and you, lucky reader, are about to reap the bounty of both his experience and his research." - William J. Bernstein, MD, Author of The Investor's Manifesto and seven other investing books "This book should be in every career counselor's office and delivered with every medical degree." - Rick Van Ness, Author of Common Sense Investing "The White Coat Investor provides an expert consult for your finances. I now feel confident I can be a millionaire at 40 without feeling like a jerk." - Joe Jones, DO "Jim Dahle has done for physician financial illiteracy what penicillin did for neurosyphilis." - Dennis Bethel, MD "An excellent practical personal finance guide for physicians in training and in practice from a non biased source we can actually trust." - Greg E Wilde, M.D Scroll up, click the buy button, and get started today!

Principles of Real Estate Practice - Stephen Mettling 2019-03-15

Principles of Real Estate Practice by Mettling and Cusic is a modern learning tool for the student preparing to enter the real estate business as a licensed professional. The textbook contains the essentials of real estate law, principles, and practices taught in real estate schools and colleges across the country, including all those fundamentals that real estate educators, practicing professionals, national testing services, and state licensing officials agree are necessary for basic competence. Principles of Real Estate Practice covers the national requirements for the initial 30-90+ hours of classroom study, or its equivalent, mandated by state license laws across the

country. Principles of Real Estate Practice is tailored to the needs of the pre-license student. The textbook is designed to make it easy for students to learn the material -prepare students for numerous career applications -stress practical, rather than theoretical, skills and knowledge. It is more streamlined, direct and to-the-point than other books. It includes more learning reinforcements. It has a student-oriented organization, both within each chapter and from chapter to chapter. Its examples and exercises are grounded in the authors' fifty combined years in real estate education. Table of Contents of the 6th Edition The Real Estate Business Rights in Real Estate Interests and Estates Ownership Encumbrances and Liens Transferring and Recording Title to Real Estate Real Estate Leases Land Use Planning and Control Legal Descriptions Real Estate Contract Law Agency Listing Agreements The Brokerage Business Contracts for the Sale of Real Estate Real Estate Market Economics Appraising and Estimating Market Value Real Estate Finance Real Estate Investment Real Estate Taxation Professional Practices Closings Real Estate Licensing and Regulation Risk Management Property Management Real Estate Mathematics and Formulas Glossary of Residential Style and Construction Terms Glossary of General Real Estate Terms Index Note: For some states, we have state-specific versions of Principles of Real Estate Practice. We also publish the Real Estate License Exam Prep (RELEP) Series of exam prep books.

Texas Real Estate License Exam Prep - Stephen Mettling 2020-02-24

Features of Texas Real Estate License Exam Prep (TX-RELEP): - National Principles & Law Key Point Review (60 pages) - Real Estate Math Key Formula Review & Practice (17 pages) - Texas-Specific Laws and Practices (43 pages) - National Practice Tests (500 questions) - Texas Practice Tests (125 questions) - Texas Sample Exam (100 questions) We know the real estate licensing exam can be tough, and very nerve-racking to prepare for. That's why we created the Texas Real Estate License Exam Prep (TX-RELEP) the way we did. Since we have been managing real estate schools and developing curriculum for forty years, we know how all this works - or fails to work. TX-RELEP is

comprehensive in that it contains both key content review and testing practice. And the text review is Texas-specific – not just simplistic national content, but terse, relevant and accurate Texas laws and regulations presented as a well-organized set of state ‘key point reviews’ ideal for pre-test memorization. But let’s not dismiss the importance of the national content either. TX-RELEP’s national key point reviews are a succinct compression of tested national principles and practices that comprise the national portion of state license exams from coast to coast. Our content is drawn from our own national textbook, Principles of Real Estate Practice – one of the most widely used principles textbooks in the country. Finally, our national content, as well as our question selection, is further tailored to the state testing outline promulgated by Pearson Vue for Texas. Thus the breadth and depth of the law reviews and test questions reflect the topic emphasis of your state’s testing service and your Texas license exam. A word about the test questions... TX-RELEP’s testing practice section consists of ten national practice tests, six state practice tests, and one state exam sample test. The practice tests are roughly 50 questions in length and the sample test is 100 questions. The test questions are designed to cover the content covered by the law reviews – which reinforces your learning of the total body of information tested by your Texas exam. The questions are direct, to the point, and designed to test your understanding. When you have completed a given test, you can check your answers against the answer key in the appendix. You may also note that each question’s answer is accompanied by a brief explanation, or “rationale” to further reinforce your understanding. In the end, as you know, it’s all up to you. Unlike other publications, we are not going to tell you that using this book will guarantee that you pass your state exam. It still takes hard work and study to pass. But we have done our best here to get you ready. Following that, the most we can do is wish you the best of success in taking and passing your Texas real estate exam. So good luck!! For Texas students looking for a Principles I & II prelicense textbook, Principles of Real Estate Practice in Texas is now available

Land Use Law in Florida - W. Thomas Hawkins

2021-06-29

Land Use Law in Florida presents an in-depth analysis of land use law common to many states across the United States, using Florida cases and statutes as examples. Florida case law is an important course of study for planners, as the state has its own legal framework that governs how people may use land, with regulation that has evolved to include state-directed urban and regional planning. The book addresses issues in a case format, including planning, land development regulation, property rights, real estate development and land use, transportation, and environmental regulation. Each chapter summarizes the rules that a reader should draw from the cases, making it useful as a reference for practicing professionals and as a teaching tool for planning students who do not have experience in reading law. This text is invaluable for attorneys; professional planners; environmental, property rights, and neighborhood activists; and local government employees who need to understand the rules that govern how property owners may use land in Florida and around the country.

Barron's Real Estate Exam Flash Cards - Jack P. Friedman, Ph.D. 2015-08

Florida Real Estate Sales Associate Pre-License Course (13th Edition) - Gold Coast Schools 2021-04-16

Asset Protection in Florida - The Florida Bar Continuing Legal Education 2015-11-10

Asset Protection in Florida covers all facets of asset preservation for Florida residents. The Fourth Edition manual provides comprehensive analysis of the many steps available to protect assets from creditors' claims, both during your lifetime and at death. Among the many topics covered are homestead, trusts (both domestic and offshore), business planning, planning for dissolution of marriage, protection of retirement and education accounts, and the ethical aspects of advising clients on asset protection issues. Bankruptcy issues and tax planning are prominently featured throughout the text. The eBook versions of this title feature links to Lexis Advance for further legal research options.

Florida Real Property Law (Bluebook) -

LexisNexis Editorial Staff 2020-10-16
Brought to you through a collaboration between LexisNexis and the Florida Bar Legal Publications, this affordable, practice-enhancing single volume provides targeted, authoritative coverage of real property law in Florida - both the legislative and analytical content you need to succeed in practice. The Bluebook contains relevant state statutes and regulations

addressing conveyances, recording, foreclosure, easements, title insurance, and homeowners' associations, as well as professional qualifications of real estate brokers, sales agents, appraisers and home inspectors. Practice material covers topics such as the pandemic and real property law, protecting tenants in foreclosure, mortgage fraud, and much more.
