

Unsung Hero

Eventually, you will completely discover a additional experience and achievement by spending more cash. still when? attain you take on that you require to get those all needs considering having significantly cash? Why dont you attempt to get something basic in the beginning? Thats something that will lead you to understand even more a propos the globe, experience, some places, subsequently history, amusement, and a lot more?

It is your no question own times to conduct yourself reviewing habit. in the midst of guides you could enjoy now is **Unsung Hero** below.

[Unsung Heroes of Rock 'n' Roll](#) - Nick Tosches
1999

The author of "Country" now offers a paean to a forsaken time of relentless excess, sudden ruin, and fierce music--the days of rock 'n' roll, long before Elvis came on the scene. 42 illustrations.

Mission of the Unsung Hero - Marsha Lee Perry
2020-04-23

Life was boring and predictable until the day the angel showed up. Erica James believed in angels, but she'd never met one personally. An unhappy, quiet, Christian housewife who never said no to anyone, she was shocked by the extraordinary encounter that propelled her into an intrigue of national importance. The life of a man pivotal to the future of the country and Christianity itself is in danger, and Erica and a gifted team of fellow Christians must save him. Drawing on the strengths and abilities honed as a mom, Erica discovers a power she never knew she had. This fast-paced yet insightful novel is full of captivating suspense, romance, and action. A page-turner with an inspiring message, Mission of the Unsung Hero will challenge and entertain readers of all ages.

My Life With An Unsung Hero - Vesta Sithole
2006-09-21

The purpose of the book is to educate the people about how Zimbabwe's armed struggle was started and who participated in the beginning. The author seeks to clarify some

misrepresentations of events as they have been described. The book tries to show the foresighted thinking of Rev. Sithole.

An Unsung Hero of World War II - Theodore W. Haffly
1994

[Fly](#) - Martin Brookes
2002-10-08

A short biography of a creature that changed science. There's a buzz in the air, the sound of a billion wings vibrating to the tune of scientific success. For generations, the fruit fly has been defining biology's major landmarks. From genetics to development, behavior to aging, and evolution to the origin of the species, it has been a key and, outside academic circles, an unaccredited player in some of the twentieth century's greatest biological discoveries. In fact, everything from gene therapy to cloning and the Human Genome Project is built on the foundation of fruit fly research. This witty, irreverent biography of the fruit fly provides a broad introduction to biology as well as a glimpse into how one short life has informed scientific views on such things as fundamentals of heredity, battle of the sexes, and memory.

An Unsung Hero - Michael Smith
2010-03-03

The story of the remarkable Tom Crean who ran away to sea aged 15 and played a memorable role in Antarctic exploration. He spent more time in the unexplored Antarctic than Scott or Shackleton, and outlived both. Among the last to see Scott alive, Crean was in the search party that found the frozen body. An unforgettable story of triumph over unparalleled hardship and deprivation.

[An Unsung Hero](#) - Michael Smith
2000

[My Life with an Unsung Hero](#) - Vesta Sithole
2006

The book is a re-examination of the Old Testament and historic figures contained therein, plus a glimpse into the life of Jesus. The author finds fault with the chronologies of both

archbishops Usher and Edwin Thiele, while showing a more accurate one for the Hebrew histories to have occurred using various disciplines. (Such as archeology, Assyriology, astronomy, Biblical studies, church history, Egyptology, Historic Geology, and Paleography.)

George Liele's Life and Legacy - David T. Shannon 2013

An introduction to the life and work of the Christian leader highlights his pioneering mission movement that reached from Georgia to Jamaica, Sierra Leone, and Nova Scotia.

Lineman, the Unsung Hero - Michelle Larson 2012-04

Have you ever seen a guy climbing an electric pole or working on electric lines from a bucket truck? That guy is a Lineman. Linemen work very hard to keep our power on. This book is a token of appreciation to all linemen. Enjoy the detailed illustrations and fun text. Share it with the children in your life-share it with everyone!

John Houbolt - William F. Causey 2020-03-15

In May 1961, President Kennedy announced that the United States would attempt to land a man on the moon and return him safely to the earth before the end of that decade. Yet NASA did not have a specific plan for how to accomplish that goal. Over the next fourteen months, NASA vigorously debated several options. At first the consensus was to send one big rocket with several astronauts to the moon, land and explore, and then take off and return the astronauts to earth in the same vehicle. Another idea involved launching several smaller Saturn V rockets into the earth orbit, where a lander would be assembled and fueled before sending the crew to the moon. But it was a small group of engineers led by John C. Houbolt who came up with the plan that propelled human beings to the moon and back—not only safely, but faster, cheaper, and more reliably. Houbolt and his colleagues called it “lunar orbit rendezvous,” or “LOR.” At first the LOR idea was ignored, then it was criticized, and then finally dismissed by many senior NASA officials. Nevertheless, the group, under Houbolt’s leadership, continued to press the LOR idea, arguing that it was the only way to get men to the moon and back by President Kennedy’s deadline. Houbolt persisted, risking his career in the face of overwhelming opposition. This is the story of

how John Houbolt convinced NASA to adopt the plan that made history.

Unsung Hero - Margaret Allyn Greene Best 2018-02-01

Albert V. Greene, who became a prisoner of war during World War II and re-enlisted to serve in Korea and Vietnam, is one of America’s unsung heroes. This book has two parts: The first is a memoir written by Greene that includes how he was captured by German forces and sent to a prisoner-of-war camp in Italy, where he tried to escape. The second part is written by his daughter, Margaret, who shares a biography of her father with illustrations about his military career. The book also serves as a family and cultural history, beginning with how the Greene family immigrated from Germany and Ireland to Brooklyn, New York, in the late 1800s. The narrative continues with Albert V. Greene’s recollection of his father’s military service during the Great War and how Albert V. Greene made a difference as a teacher at home. While Greene lost his battle with Alzheimer’s disease and died in 2009, he was laid to rest with the other heroes at Arlington National Cemetery.

Unsung Heroes - Norma M. Riccucci 1995-07-01

This book explores an important side of public employment that most Americans never get the opportunity to see—high-level career executives who make positive contributions to our quality of life. Norma M. Riccucci profiles six “unsung heroes,” the people behind the scenes of some of the most successful programs in American government, and identifies the tools, skills, and strategies that make them effective leaders. Through in-depth interviews and provocative story-telling, Riccucci demonstrates that while these executive-level bureaucrats—or “execucrats”—may have an overall negative public image, they create, develop, execute, and enforce a number of programs and public policies that change our country for the better. She highlights six of these modern execucrats who best exemplify the creativity, determination, and leadership found in such officials: —William Black, Senior Deputy Chief Counsel, Office of Thrift Supervision, who attacked the rampant corruption and mismanagement that created the savings and loan crisis; —Eileen Claussen, Director, Atmospheric and Indoor Air Programs,

U.S. Environmental Protection Agency, who negotiated as intensely within her own government as with other countries to create an international plan to protect the earth's ozone layer; —Ambassador Edward Perkins, U.S. State Department, the first African-American Ambassador to South Africa and the first American ambassador to meet with black South African leaders as part of his persistent efforts to end apartheid in that country; —Stephen Marica, Assistant Inspector General, Small Business Administration, who investigated the Wedtech scandal, which bilked millions of dollars in fraudulent defense contracts from American taxpayers; —Dr. Vince Hutchins, Director, Division of Maternal and Child Health, U.S. Department of Health and Human Services, who spearheaded the team that developed "Healthy Mothers, Healthy Babies Coalition," a public-private partnership that improved, and even saved, the lives of thousands of newborn babies; and —Dr. Helene Gayle, Division Chief, HIV-AIDS Division, U.S. Centers for Disease Control, who is actively battling the AIDS virus through education and prevention programs around the world. Riccucci not only relates the intriguing tales of these six dedicated officials who overcame the challenges before them, but she also analyzes the specific factors—from knowledge of the system to honesty, integrity, and humor—that are needed to become a dynamic government executive. Of interest to those both inside and outside government circles, *Unsung Heroes* gives captivating insights into effective executive leadership.

Unsung Heroes - Kyle Gurkovich 2015-11-03
Throughout the pages of history, there have been countless records of earth-shattering conflicts and devastating wars. These periods of anguish and bloodshed are impossible to forget—but none of them happened for the reasons most think. The truth is, every battle throughout human history has been a part of a secret war fought between good and evil for the control of a particular set of stones. Known as the God Stones, these magical objects once belonged to a group of deities known as the Elluna, who chose the side of good after the gods, the Greater Beings, divided into two equal and opposite parts. Now, as the followers of the evil gods fight for power, the fate of the stones lies in the hands

of Cathal, a young man from tenth-century Ireland. Gifted a time-traveling bracelet, he must visit a series of tumultuous historic events spanning hundreds of years, from Nazi Germany to the Mongolian horde. As he uses boundless courage and determination to battle the forces of evil, the fate of Cathal's loved ones and the entire world hangs in the balance. Will he be able to take back the powerful stones before it's too late?

Unsung Heroes - Ian Rupe 2015-12-23

Deep within the farm lands of Central New York is a beacon of pure unaligned power called a Nexus. A benevolent collective of gods have corrupted it to the point of bleeding out into the rest of the world by somehow abusing its power within an academy for adverse youth. A mysterious man, Tribe, must discover their grand design within the academy and forge more like himself, an immortal with unreal powers, to battle all forms of evil gods, and their kind, directly. If he fails his quest, then all of existence may fall with him. During Tribe's first and initial investigation, he unexpectedly meets Teagan Carter, a woman who works for the system he is there to infiltrate. After she befriends him by accident, Tribe realizes she is one of the chosen he planned on eventually making like him. Though earlier than expected, Tribe feels as though fate has shown him the greater path. From the start of a simple handshake, Tribe begins her dark journey into becoming a force of nature to rival gods. Though Tribe seems truly benevolent, he himself is missing valuable portions of his immortal life. He struggles with this knowledge knowing fully that his wife, the first goddess, knows more than she is willing to tell. Teagan lives a life of tragedy under the guise of innocence and beauty. Her son Bentley is the only light of her life. She would do anything to shield him from her darkness. She exists within her façade to the point of victimized ignorance. Her life is a series of tragedies hidden by the veneer of truth fabricated by the darkest parts of her soul. Tribe knows that before she can truly become the warrior she is meant to be, then she must first burn both herself and her false self all the way through her blackened roots. As he infiltrates the academy, Tribe finds the key to igniting that fire in her and captures a very ancient evil that

has been dominating the campus with his presence. There has never been another like himself, so Tribe, in his infinite curiosity, can't help but run a series of medical examinations to gather more intelligence on what they both are. What they find is that their power is nearly identical, but also distinctly different. Together they train for days and weeks straight in order to ready themselves for the forsaken world that exists and the war that is surely coming for every mortal soul in the world. At first she is petrified of the idea that she, the small, fearful one, would be the one fighting instead of the one to run away. It is only then, as she is baptized in the crucible of battle, does she discover her ferocious battle lust, her near invincibility, and perspective of omnipotence. Tribe is careful to temper Teagan's newfound power. He teaches her that one of the most powerful tools against gods and there kind is the fact that omnipotence is an illusion, their illusion. If she is to truly overcome the darkness within, she must be as humble as she is powerful and she will maintain the foundation of the good person she already is. Upon the final test, the ancient evil Tribe had saved for Teagan, escapes after Tribe is mysteriously incapacitated. Whether she is ready or not, the fate of the world rests on her strength to overcome the darkness that has withered her soul and take down the beast that has been set loose upon Ithaca, New York. Mistakes are made, but Teagan continually adapts to each plight set before her. A battle rages across the city. Teagan manages to lure the beast away to the outskirts of the city so that she may stage the final stand. Her enemy eventually dominates her will and body. It is only after the beast mistakenly threatens the life of her son that Teagan releases a fury and rage that defeats him and the darkness within. Unexpectedly, as Tribe awakens and arrives, Teagan's triumph burns them both to ash and are later reborn as beings the universe has never witnessed. Before, they both feared their singular destinies. Now, they would forever face them together.

Apollo Moon Missions - Billy Watkins
2007-12-01

In 1961 President John F. Kennedy challenged the United States to land a man on the moon and return him safely to Earth before the end of the

decade. It seemed like an impossible mission and one that the Russians—who had launched the first satellite and put the first man into Earth orbit—would surely achieve before the Americans. However, the ingenuity, passion, and sacrifice of thousands of ordinary people from all walks of life enabled the space program to meet this extraordinary goal. This is the story of fourteen of those men and women who worked behind the scenes, without fanfare or recognition, to make the Apollo missions successful.

Hitch, Hockey's Unsung Hero - Pam Coburn
2019-04-02

Distinguished sportswriter Elmer Ferguson called him the “greatest defensive” defenseman of his day. The NHL’s revered chief referee Cooper Smeaton ranked him ahead of his defense partner, Eddie Shore. Legendary manager of the Boston Bruins, Art Ross, wouldn’t sell him “at any price.” And yet he goes unrecognized by the Hockey Hall of Fame. Lionel Hitchman, or “Hitch,” played 12 seasons in the NHL. First with the Ottawa Senators, helping them to a Stanley Cup win, and then with the Boston Bruins for ten years. As the Bruins’ captain and first “money player,” Hitch led them to their first Stanley Cup championship and to the NHL’s best winning point percentage of all time. His hockey stats belie his real contribution to the success of the Boston Bruins. Hitch was the last original Bruin and the first to have his sweater retired. After his playing career, he went on to coach in the Boston system for several years before parting ways with the franchise. Hitch, Hockey's Unsung Hero, is the story of an unheralded “superstar,” the times he lived through and the fascinating people who helped shape his character and life choices. It is told through the “scribes” of the day with interjections by some notable people who knew him well. A few family tales are revealed, including one that helps explain Hitch’s absence from hockey’s highest shrine.

Death of an Unsung Hero - Tessa Arlen
2018-03-13

"In 1916, the world is at war and the energetic Lady Montfort has persuaded her husband to offer his family's dower house to the War Office as an auxiliary hospital for officers recovering from shell-shock ... Despite the hospital's

success, the farming community of Haversham ... does not approve of a country-house hospital for men they consider to be cowards. When Captain Sir Evelyn Bray, one of the patients, is found lying face down in the vegetable garden with his head bashed in, both Lady Montfort and Mrs. Jackson have every reason to fear that the War Office will close their hospital"-- Amazon.com.

Unsung Hero: The Col. Young O. Kim Story - Woo Sung Han 2011-11-01

The story of Col. Young Oak Kim reveals the hidden truth about the role of Asian Americans in World War II and the Korean War. Kim, a Korean American, led the famous 100th Infantry Battalion in World War II. He was instrumental not only on the frontlines of war, but also as a humanitarian. Kim spent the rest of his retired years helping others.

Unsung Heroes of the Lord of the Rings - Lynnette R. Porter 2005

Celebrates the unsung heroes in the Lord of the Rings books and movies.

Unsung Heroes of Science - Todd Kortemeier 2017-01-01

From fossil hunters to nuclear researchers, this book introduces remarkable individuals whose contributions to science were often overlooked. Colorful spreads full of photographs and sidebars support reader engagement and celebrate each hero's achievements.

The Journey of York - Hasan Davis 2021-08-15 "Thomas Jefferson's Corps of Discovery included Captains Lewis and Clark and a crew of 28 men to chart a route from St. Louis to the Pacific Ocean. All the crew but one volunteered for the mission. York, the enslaved man taken on the journey, did not choose to go. Slaves did not have choices. York's contributions to the expedition, however, were invaluable. The captains came to rely on York's judgement, determination, and peacemaking role with the American Indian nations they encountered. But as York's independence and status rose on the journey, the question remained what status he would carry once the expedition was over. This is his story."--Provided by publisher.

The Unsung Hero of Birdsong, USA - Brenda Woods 2020-01-07

The Coretta Scott King Honor-winning author tells the moving story of the friendship between

a young white boy and a Black WWII veteran who has recently returned to the unwelcoming Jim Crow South. For Gabriel Haberlin, life seems pretty close to perfect in the small southern town of Birdsong, USA. But on his twelfth birthday, his point of view begins to change. It all starts when he comes face-to-face with one of the worst drivers in town while riding his new bicycle--an accident that would have been tragic if Mr. Meriwether Hunter hadn't been around to push him out of harm's way. After the accident, Gabriel and Meriwether become friends when they both start working at Gabriel's dad's auto shop, and Meriwether lets a secret slip: He served in the army's all-black 761st Tank Battalion in World War II. Soon Gabriel learns why it's so dangerous for Meriwether to talk about his heroism in front of white people, and Gabriel's eyes are finally opened to the hard truth about Birdsong--and his understanding of what it means to be a hero will never be the same.

The Unsung Hero - Suzanne Brockmann 2000-06-06

Suzanne Brockmann's wildly popular Troubleshooters series showcases this master storyteller's rare gift for blending intense adventure with sensuous romance. And it all begins with *The Unsung Hero*, a heart-pounding tale of love that reveals hidden truths and brings two solitary people together against all odds. After a near-fatal head injury, Navy SEAL lieutenant Tom Paoletti catches a glimpse of an international terrorist in his New England hometown. When he calls for help, the Navy dismisses the sighting as injury-induced imaginings. In a last-ditch effort to prevent disaster, Tom creates his own makeshift counterterrorism team, assembling his most loyal officers, two elderly war veterans, a couple of misfit teenagers, and Dr. Kelly Ashton. As the town's infamous bad boy, Tom was always in love with Kelly, a sweet "girl next door" who has grown into a remarkable woman. Now he has one final chance for happiness, one last chance to win her heart, and one desperate chance to save the day. "Thanks to Suzanne Brockmann's glorious pen, we all get to revel in heartstopping adventure and blistering romance."—RT Book Reviews

Unsung Hero - Margaret Allyn Greene Best

2018-01-24

Albert V. Greene, who became a prisoner of war during World War II and re-enlisted to serve in Korea and Vietnam, is one of America's unsung heroes. This book has two parts: The first is a memoir written by Greene that includes how he was captured by German forces and sent to a prisoner-of-war camp in Italy, where he tried to escape. The second part is written by his daughter, Margaret, who shares a biography of her father with illustrations about his military career. The book also serves as a family and cultural history, beginning with how the Greene family immigrated from Germany and Ireland to Brooklyn, New York, in the late 1800s. The narrative continues with Albert V. Greene's recollection of his father's military service during the Great War and how Albert V. Greene made a difference as a teacher at home. While Greene lost his battle with Alzheimer's disease and died in 2009, he was laid to rest with the other heroes at Arlington National Cemetery.

Unsung Hero of Gettysburg - Edward G.

Longacre 2021-05

Unsung Hero of Gettysburg explores the services of the honorable but neglected general of the Potomac Army, David McMurtrie Gregg, during Gettysburg, the pivotal battle of the Civil War.

Unsung Heroes - Toby Reynolds 2017

Profiles thirty-six individuals whose determination to fight injustice, challenge prevailing wisdom, and innovate helped changed the world, including Alan Turing, Irena Sendler, Nikola Tesla, and Harvey Milk.

Unsung Heroes: Animal Welfare - Lisa Steele MacDonald 2018-08-01

Read the inspirational stories of six animal advocates from very different backgrounds who have found ways to be heroes for animals. Learn how you can follow in their footsteps and be a hero, too! Packed with fun facts and fascinating sidebars, this full-color informational text explores contemporary issues through high-interest content. Featuring TIME© content and images, this nonfiction book has important text features such as a glossary, an index, and a table of contents to engage students in reading as they build their comprehension, vocabulary, and reading skills. The Reader's Guide and extended Try It! activity increase understanding of the

material, and develop higher-order thinking. Check It Out! offers print and online resources for additional reading. Keep students reading from cover to cover with this captivating text!

The Unsung Hero - Suzanne Brockmann

2003-06-03

Suzanne Brockmann's wildly popular Troubleshooters series showcases this master storyteller's rare gift for blending intense adventure with sensuous romance. And it all begins with *The Unsung Hero*, a heart-pounding tale of love that reveals hidden truths and brings two solitary people together against all odds. BONUS: This edition contains an excerpt from Suzanne Brockmann's *Born to Darkness*. After a near-fatal head injury, Navy SEAL lieutenant Tom Paoletti catches a glimpse of an international terrorist in his New England hometown. When he calls for help, the Navy dismisses the sighting as injury-induced imaginings. In a last-ditch effort to prevent disaster, Tom creates his own makeshift counterterrorism team, assembling his most loyal officers, two elderly war veterans, a couple of misfit teenagers, and Dr. Kelly Ashton. The Unsung Heroes - Daphne Sheldrick

2019-05

Untold Tales, Unsung Heroes - Elaine Latzman Moon 1994

The tales convey the individual and collective search for equality in education, housing, and employment; struggles against racism; participation in unions and the civil rights movement; and pain and loss that resulted from racial discrimination. By featuring the histories of blacks living in Detroit during the first six decades of the century, this unique oral history contributes immeasurably to our understanding of the development of the city. Arranged chronologically, the book is divided into decades representing significant periods of history in

Detroit and in the nation. The period of 1918 to 1927 was marked by mass migration to Detroit, while the country was in the throes of the depression from 1928 to 1937. From 1938 to 1947, World War II and the 1943 race riot profoundly affected the lives of Detroiters. In the decade from 1948 to 1957 the beginnings of civil unrest became apparent.

The Unsung Hero of the Russian Avant-Garde: The Life and Times of Nikolay Punin

- Natalia Murray 2012-06-27

The first biography of Nikolay Punin, this book offers a comprehensive analysis of his life in the context of Russian political, social and cultural history in the first half of the 20th century.

The Jowett Bradford - Noel Stokoe 2019-12-05

The Jowett Bradford van was introduced in 1946 as a stop-gap model prior to the launch of the Javelin saloon. It was a pre-war design in every respect but proved to be very popular! It continued in production right up to the closure of the factory in 1954. It was the most successful model that Jowett Cars produced, building almost 40,000 of them.

Spurs' Unsung Hero (of the Glory, Glory Years) -

Terry Dyson 2015-03-25

Spurs' Unsung Hero is the untold rollercoaster tale of the forgotten member of a side rated as one of the greatest club teams of all time. Terry Dyson breaks a half-century of silence to put the record straight. He was reckoned key to Bill Nicholson's outfit of the fabled "e;Glory Glory Days"e;-the first Double-winning team of the 20th century and the first British side to lift a European trophy. From a farmer's field in Yorkshire to fields of domestic and international glory at White Hart Lane, Wembley, and Rotterdam, Dyson's story is packed with first-hand insights and anecdotes inside and outside the game. Spurs' Unsung Hero is honest, heart-warming, and moving. The 5ft 3in jockey's son finally relives his golden memories, talks about his legendary teammates, and reveals the giant role he played in the side that rewrote soccer folklore-against which every subsequent Spurs team is judged.

Wes Schum, Amateur Radio's Unsung Hero -

Dominic (Nick) Tusa 2021-09-21

History of Amateur Radio and the bio of the man behind it, Wes Schum.

Unsung Hero - Kevin Fulton 2006

Early on a Saturday morning in August 1998, a car was parked in Omagh's hightreet. By the afternoon, the pavements had filled with shoppers, and then explosives packed inside the vehicle detonated. The force of the blast blew babies across the street, and tore the limbs from children. One body was identified only by its fingerprints. It was the worst single atrocity of the troubles. Only it could have been avoided. Kevin Fulton had infiltrated the RA. When news came to him of the planned attack, he handed the information to his handlers. It was ignored. This is just one of the revelations in his, the most significant book ever to be published about the ongoing war in northern Ireland. *Unsung Hero* is a nail-biting, controversial and explosive book; it will profoundly change the way the Troubles are viewed, and it will cause a stir in the highest echelons of government.

An Unsung Hero - MICHAEL. SMITH 2020-04-30

Tom Crean was the indestructible farmer's son from Kerry who sailed on three major expeditions to the unknown Antarctic over a century ago. He was among the few men who served with both Captain Robert Scott and Sir Ernest Shackleton. He spent longer on the ice than either and outlived them both. Everest conqueror Sir Edmund Hillary said he was a 'great man of immense strength and endurance and afraid of very little'. Crean was among the last to see Scott alive a few miles from the Pole in 1912. His astonishing 56km trek to save the life of Lt Evans is the finest act of individual heroism in the history of exploration. He returned to the ice months later to bury Scott. Crean was at the heart of historic events on Shackleton's epic Endurance expedition, which featured the 1,200km open boat journey and the desperate march across the mountains and glaciers of South Georgia to rescue marooned comrades. But Tom Crean returned to Ireland during the War of Independence and would never speak about his exploits, taking his incredible story to the grave - until publication of *An Unsung Hero*, the biography that unearthed his story and saw him rightfully placed among the annals of the great explorers. This newly illustrated edition of the bestselling classic is a must for anyone with a taste for adventure.

Unsung Heroes - Maria Cordova 2018-12-04

"A military family's lullaby, *Unsung Heroes*

captures the heart of those who graciously serve and protect. Often saying "See you later!" when duty calls, these men and women selflessly sacrifice out of genuine love for their country and families."

Unsung Hero of the Great War - Torin R. T. Finney 1989

The Steal - Mark Bowden 2022-01-04

"A gripping ground-level narrative...a marvel of reporting: tightly wound... but also panoramic."—Washington Post "A lean, fast-paced and important account of the chaotic final weeks."—New York Times In *The Steal*, veteran journalists Mark Bowden and Matthew Teague offer a week-by-week, state-by-state account of the effort to overturn the 2020 presidential election. In the sixty-four days between November 3 and January 6, President Donald

Trump and his allies fought to reverse the outcome of the vote. Focusing on six states—Arizona, Georgia, Michigan, Nevada, Pennsylvania, and Wisconsin—Trump's supporters claimed widespread voter fraud. Caught up in this effort were scores of activists, lawyers, judges, and state and local officials. Working with a team of researchers and reporters, Bowden and Teague uncover never-before-told accounts from the election officials fighting to do their jobs amid outlandish claims and threats to themselves, their colleagues, and their families. *The Steal* is an engaging, in-depth report on what happened during those crucial nine weeks and a portrait of the dedicated individuals who did their duty and stood firm against the unprecedented, sustained attack on our election system and ensured that every legal vote was counted and that the will of the people prevailed.
