Choices Elementary Students' Book - Michael Harris 2013

Choices gives teachers the flexibility to adjust the course to their students' individual needs. What is it? Tasks that encourage students to take control over their knowledge and skills development. Engages teenagers with favourite topics, such as video games and parties, authentic BBC and Channel 4 clips, like the talented Jamie Oliver. Aimed at 15-19 year olds

Elementary Tagalog Workbook - Jiedson R. Domigpe 2014-06-01

Tara, Mag-Tagalog Tayo! Come On, Let's Speak Tagalog! Elementary Tagalog's comprehensive approach will help students master basic Tagalog (Filipino) without frustration. From learning to read Tagalog words and pronounce its sounds to using correct grammar, communicating in dialogues and building vocabulary, learners will be surprised at how quickly their skills in Tagalog language develop. The expert guidance in Elementary Tagalog is carefully sequenced to be the most effective and supportive for beginners and really helps students learn Tagalog. Covering a range of topics, the lessons center on themes from the family, the home, and the community to food, travel, health, leisure time, festivals and popular culture. There are plenty of exercises, activities and practice drills to help learners acquire and master the language fundamentals, while culture notes explore the diversity, heritage and history of the Philippines. The Elementary Tagalog Workbook is a helpful companion to the textbook and will assist you in practicing and polishing your skills. Each lesson supplements the corresponding lesson in the textbook. There are ten activities per lesson, which offer a range of exercises and practice opportunities to enable you to achieve proficiency in everyday, conversational Tagalog.

Speakout Upper Intermediate - Louis Harrison 2015-11-20

Elementary Structural Mechanics - Tung Au 1963

The Development of a Common Framework Scale of Language Proficiency - Brian North 2000

Scales describing language proficiency in a series of levels can provide orientation for educational programmes, criteria for assessment, and reporting to stakeholders. However, in most cases such instruments are produced just by expert opinion. A scale of language proficiency actually implies a descriptive scheme related to theory but usable by practitioners. It also implies a methodology for scaling content to different levels. This book describes the use of both qualitative and quantitative techniques to develop scales for the «Common Reference Levels» in the Common European Framework of Reference for modern languages. Short stand-alone descriptors were (i) developed and classified, (ii) refined and elaborated in workshops, and then (iii) scaled by analyzing the judgments of one hundred teachers on the English language proficiency of the learners in their classes.

Speakout - Frances Eales 2016

Speakout Pre-Intermediate 2nd Edition Workbook Without Key - Damian Williams 2015-11-05

Warriors of God - James Reston, Jr. 2007-12-18

Acclaimed author James Reston, Jr.'s *Warriors of God* is the rich and engaging account of the Third Crusade (1187-1192), a conflict that would shape world history for centuries and which can still be felt in the Middle East and throughout the world today. James Reston, Jr. offers a gripping narrative of the epic battle that left Jerusalem in Muslim hands until the twentieth century, bringing an objective perspective to the gallantry, greed, and religious fervor that fueled the bloody clash between Christians and Muslims. As he recounts this rousing story, Reston brings to life the two legendary figures who led their armies against each other. He offers compelling portraits of Saladin, the wise and highly cultured leader who created a united empire, and Richard the Lionheart, the romantic personification of chivalry who emerges here in his full complexity and contradictions. From its riveting scenes of blood-soaked battles to its pageant of fascinating, larger-than-life characters, *Warriors of God* is essential history, history that helps us understand today's world.

Speakout Starter 2nd Edition Students' Book for DVD-ROM Pack - Frances Eales 2016-01-11

The Prepper's Medical Handbook - M. D. Forgey 2020-04-01

The basis of adequate prepping is being prepared for both common and dire events that may occur under the worst of all possible circumstances. These circumstances might include the breakdown in normal emergency support services (such as calling 911), the lack of an ability to obtain additional supplies, and the probability that you will not be able to rely on anyone but members of your immediate group or yourself. Prepping requires forethought with regard to food, water supplies, power, and protection - all areas of significant technical preparation. Self-reliant medical care is no exception. This book provides the basis of prevention, identification, and long-term management of survivable medical conditions and can be performed with minimal training. It helps you identify sources of materials you will need and should stock-pile, it discusses storage issues, and directs you to sources for more complex procedures that require advanced concepts of field-expedient techniques used by trained medical persons such as surgeons, anesthesiologists, dentists, or midwives and obstetricians.
