Il principe degli Sciacalli - Rebecca Moro  
2018-10-04

In una manciata di giorni e in una lunga notte di sangue, la Schiera degli Sciacalli è riuscita a invadere il più forte tra i Quadranti dell'Impero umano, travolgendo la famiglia del Mastro e il suo stendardo. Nessuno degli storici alleati è

accorso in loro aiuto e i Ti-jak, una razza di bestie semiumane dai corpi massicci e ricoperti di squame, hanno falciato qualsiasi resistenza. Gli unici sopravvissuti dei Daven-Furus, il principe Raven e le principesse Sarissa e Ioni, non possono che sottomettersi alla triade a capo degli invasori: Raven diventerà lo schiavo del Jekret, la guida militare, mentre le sorelle saranno date in sposa per rafforzare il seme di quella genia ripugnante ma invincibile. Ciascuno di loro sarà chiamato alla scelta più difficile: mutare a caro prezzo la propria natura, assumendo un ruolo non previsto in un destino avverso e ostile, fino a quando ciò che sembra un abisso senza fine, potrà trasformarsi in un'occasione di rinascita. Dalla fortezza tra le rocce di Rovelia sino alle cime proibite di Lacan, dalla polvere dei deserti alle torri di Mnar, il tempo del Quadrante di nordest scorre inesorabile verso la rovina, ma non è detto che gli invasori siano gli unici nemici. E talvolta persino un'alleanza con le bestie può

rappresentare l'ultima speranza di salvezza. Il primo avvincente capitolo della Saga dei Quadranti. Sul campo di battaglia, dove oltre alle armi contano anche i sentimenti, il cruento confronto tra l'uomo e la bestia. Un fantasy che penetra l'abisso più profondo della natura umana per scatenare i suoi demoni, nella tradizione delle grandi saghe epiche e indimenticabili.

*A Quest of Heroes (Book #1 in the Sorcerer's Ring) - Morgan Rice 2012-12*

"A breathtaking new epic fantasy series. Morgan Rice does it again! This magical saga reminds me of the best of J.K. Rowling, George R.R. Martin, Rick Riordan, Christopher Paolini and J.R.R. Tolkien. I couldn't put it down!" --Allegra Skye, Bestselling author of *SAVED From #1*  
Bestselling author Morgan Rice comes the debut of a dazzling new fantasy series. *A QUEST OF HEROES (BOOK #1 IN THE SORCERER'S RING)* revolves around the epic coming of age story of one special boy, a 14 year old from a

small village on the outskirts of the Kingdom of the Ring. The youngest of four, the least favorite of his father, hated by his brothers, Thorgrin senses he is different from the others. He dreams of becoming a great warrior, of joining the King's men and protecting the Ring from the hordes of creatures on the other side of the Canyon. When he comes of age and is forbidden by his father to try out for the King's Legion, he refuses to take no for an answer: he journeys out on his own, determined to force his way into King's Court and be taken seriously. But King's Court is rife with its own family dramas, power struggles, ambitions, jealousy, violence and betrayal. King MacGil must choose an heir from amongst his children, and the ancient Dynasty Sword, the source of all their power, still sits untouched, waiting for the chosen one to arrive. Thorgrin arrives as an outsider and battles to be accepted, and to join the King's Legion. Thorgrin comes to learn he has mysterious powers he does not understand, that he has a special gift,

and a special destiny. Against all odds he falls in love with the king's daughter, and as their forbidden relationship blossoms, he discovers he has powerful rivals. As he struggles to make sense of his powers, the king's sorcerer takes him under his wing and tells him of a mother he never knew, in a land far away, beyond the Canyon, beyond even the land of the Dragons. Before Thorgrin can venture out and become the warrior he yearns to be, he must complete his training. But this may be cut short, as he finds himself propelled into the center of royal plots and counterplots, ones that may threaten his love and bring him down—and the entire kingdom with him. With its sophisticated world-building and characterization, *A QUEST OF HEROES* is an epic tale of friends and lovers, of rivals and suitors, of knights and dragons, of intrigues and political machinations, of coming of age, of broken hearts, of deception, ambition and betrayal. It is a tale of honor and courage, of fate and destiny, of sorcery. It is a fantasy that

brings us into a world we will never forget, and which will appeal to all ages and genders. It is 82,000 words. Book #2 in the series, *A MARCH OF KINGS*, is now available, too. “Grabbed my attention from the beginning and did not let go....This story is an amazing adventure that is fast paced and action packed from the very beginning. There is not a dull moment to be found.” --Paranormal Romance Guild {regarding *Turned*} “Jam packed with action, romance, adventure, and suspense. Get your hands on this one and fall in love all over again.” --vampirebooksite.com (regarding *Turned*) “A great plot, and this especially was the kind of book you will have trouble putting down at night. *Gender, Migration and Domestic Service* -  
Jacqueline Andall 2017-03-02

The book examines the experiences of Black women in Italy from the 1970s to the 1990s. Although Italy is still perceived as a recent immigration country, the book demonstrates

how Black women were among the first groups of new migrants to the country. Black women migrating to Italy were employed almost exclusively as live-in domestic workers and detailed attention is paid to the history and political organization of this sector. Unlike much published work in Italian, this book adopts an integrated form of analysis where gender, ethnicity and class are seen to be interconnected constructs. The book also situates Black women within the framework of the national constituency of gender. This approach challenges the ideology surrounding the Italian family and demonstrates that while live-in domestic work created specific forms of social marginality for Black women, it paradoxically allowed Italian women to express their new social identities within and outside the family. The book concludes that Italian women have largely failed in their attempts to transform the division of labour within the home and that the decision to employ other (migrant) women to

fulfill household tasks is a trend which sits uneasily within the framework of an inclusive feminist project for women.

*Heated* - J. Kenner 2014-06-03

NEW YORK TIMES BESTSELLER • For fans of *Release Me* comes a series of three enigmatic and powerful men, and the striking women who can bring them to their knees. I knew better than to risk my heart. But fierce passion comes at a high price. I grew up believing in right and wrong, good and evil, black and white. I knew better than to trust. And then I met Tyler Sharp. Bold, charming, and dangerously sexy, Tyler always gets what he wants. But his smile can be deceiving, his dealings sordid, his ambitions ruthless. I thought I was the one woman strong enough to resist him, but our need for each

other was too urgent to deny. One look and I was in trouble. One touch and I was hooked. One night and I became his. And now that I've fallen, there's no going back. Heated is intended for mature audiences. **FIRST TIME IN PRINT: THE BONUS STORY "TAKE ME"** Praise for Heated "A steamy story with a dark edge. Recommended for those seeking crime drama with spice."—Library Journal "Kenner may very well have cornered the market on sinfully attractive, dominant antiheroes and the women who swoon for them, and this second installment of her Most Wanted series goes a long way toward solidifying that claim. Her characters' scorching, scandalous affair explores the very nature of attraction and desire, redeeming and changing them beyond measure. . . . Fans will no doubt love the games of power, overwhelming passion and self-defining relationship that Kenner has crafted, and come away eager for more."—RT Book Reviews "The plot is complex, the characters engaging, and J. Kenner's passionate

writing brings it all perfectly together."—Harlequin Junkie "In Julie Kenner's typical masterful storytelling, nothing is as it seems. We are taken deeply into the plot twists and the danger of this . . . journey. The chemistry first felt by both Tyler and Sloanne during their first encounter roars into an all-consuming fire neither one can put out. . . . Take the same journey I did and you will not be disappointed!"—As You Wish Reviews *The Universal Code of Signals for the Mercantile Marine of All Nations* - Frederick Marryat 1858

Le bambine nacquero nel preciso istante in cui gli orologi scoccarono la mezzanotte. Una nuvola scura coprì la luna e là, nella foresta, il cielo si

fece buio. L'incantesimo era stato lanciato. Per quattordici, lunghi anni Poppy Hopper ha cercato di ingannare tutti, persino se stessa. Ha finto di essere una ragazza come tante, mentre i gatti la seguivano ovunque, i ragni tessevano tele complicate intorno a lei e gli elementi della natura sembravano rispondere al suo volere. Anche Ember Hawkweed ha sempre fatto di tutto pur di sentirsi normale: una normalissima strega come le altre. Ma se le sue amiche eccellevano nelle arti magiche, creando pozioni e incantesimi, lei riusciva solo a preparare unguenti e bolle di sapone. Quando Poppy ed Ember si incontrano, però, le cose cambiano. Le due ragazze capiscono subito di essere più simili di quanto avrebbero mai potuto immaginare. Entrambe sanno di non appartenere al mondo in cui vivono, ed entrambe vogliono scoprire la verità. Chi sono realmente? Quale legame misterioso le unisce? Insieme, Poppy ed Ember sono pronte a qualsiasi cosa pur di trovare le risposte che cercano. Anche ad affrontare una

pericolosa profezia che affonda le radici nella notte dei tempi. «Un fantasy che ha il respiro di un classico ma che affronta temi moderni come l'identità, l'amicizia e l'amore.» - Publisher's Weekly

**Asylums** - Erving Goffman 2017-09-08

A total institution is defined by Goffman as a place of residence and work where a large number of like-situated, individuals, cut off from the wider society for an appreciable period of time, together lead an enclosed, formally administered round of life. Prisons serve as a clear example, providing we appreciate that what is prison-like about prisons is found in institutions whose members have broken no laws. This volume deals with total institutions in general and, mental hospitals, in particular. The main focus is, on the world of the inmate, not the world of the staff. A chief concern is to develop a sociological version of the structure of the self. Each of the essays in this book were intended to focus on the same issue--the inmate's situation in an institutional context. Each chapter approaches the central issue from a different vantage point, each introduction drawing upon a different source in sociology and having little

direct relation to the other chapters. This method of presenting material may be irksome, but it allows the reader to pursue the main theme of each paper analytically and comparatively past the point that would be allowable in chapters of an integrated book. If sociological concepts are to be treated with

affection, each must be traced back to where it best applies, followed from there wherever it seems to lead, and pressed to disclose the rest of its family.
