Dr. Tony Hill and Detective Chief Inspector Carol Jordan return in the award-winning series that is the basis for the BBC television show. In a small grim room, the body of a woman is discovered, panic and pain etched in her face. [The Retribution](#) - Val McDermid 2012-01-03

A chilling, high-velocity thriller featuring psychologist Dr. Tony Hill and detective Carol Jordan from the international bestselling crime writer. Tony Hill has had a good run. He and detective Carol Jordan have put away scores of

dangerous criminals at a rate that colleagues envy. But there is one serial killer who has shaped and defined their careers, and whose evil surpasses all others: Jacko Vance, ex-celebrity and sociopath whose brilliance and utter lack of remorse have never left Tony's mind in the ten years since his imprisonment. Now Jacko has escaped from prison—even more twisted and cunning than before, he is focused on wreaking revenge on Tony and Carol for his years spent behind bars. Tony and Carol don't know when Jacko will strike, or where. All they know is that Jacko will cause them to feel fear like they've never known. An utterly gripping tour de force, *The Retribution* is the ideal introduction or re-introduction to the world of Tony Hill and Carol Jordan. It is an unforgettable read. reporter searches for the truth in this graphic novel by the bestselling author of the Karen Pirie series. The first graphic novel from Britain's "Queen of Crime" (Scotsman) and gorgeously illustrated by up-and-comer Kathryn Briggs, *Resistance* is a chilling but incredibly moving and inspiring story of individuals pressed to rise above their station, first to nail down the truth of a looming pandemic, and later to try to fight it. Journalist Zoe Meadows has taken a break from hard-hitting investigative reporting to spend more time with her family, which is how she finds herself doing celebrity Q&As at an outdoor music festival near the Scottish border. She and her friends, who run a food truck, head north, along with 150,000 festivalgoers for a weekend of music and camping. Then, some of the food truck's customers begin to fall ill, and many point to food poisoning. But when the festival ends and the attendees scatter across England, more people begin to get sick and die. What's worse, it is spreading fast and baffles doctors,

resisting all efforts to contain or cure it. With time running out, Zoe is compelled to fight for the truth, even as she loses that which she holds most dear. Please note this thriller is in graphic novel, or comic book, format. Praise for International #1 Bestselling Author Val McDermid "Fascinating . . .
