The following is a selection of plays that I have written and that have been performed on numerous occasions with different Drama Groups I have worked with throughout the years. The first nine plays - The Lion and the Mouse, The Little Red Hen, The Gingerbread Man, The Ants and the Grasshopper, The Enormous Turnip, Chicken Licken, The Hare and the Tortoise, The Three Billy Goats Gruff, The Ugly Duckling and The Boy Who Cried Wolf - are all based on well-known and well-loved, traditional children's stories. The play Chinese New Year is based on the legend of how each animal became associated with a Chinese year. The Lonely Dragon is based on a therapeutic story I wrote about isolation and making friends. How the Zebra got his Stripes tells the fun story of the legend of how all the different jungle animals came to look like they do today. The Selfish Giant is based on the very popular short story by Oscar Wilde; The Land of Trolls and Gargoyles is a play about a child's attachment to his parent, and No Excuse deals with the topic of bullying. Caught in the Act, At Doctor's Crowne and A Winter's Tale have fewer characters and can be used in a small drama class or with smaller groups. Finally, Anne of Green Gables is a duologue based on the very famous book Anne

of Green Gables by L. M. Montgomery. In the scene, Anne accidentally gets Diana drunk and chaos ensues.

Tales - Sheila Nevins 2017-05-02

INSTANT NEW YORK TIMES BESTSELLER

"Thank you to Sheila Nevins for putting all this down for posterity. Women need this kind of honest excavation of the process of living."

—Meryl Streep An astonishingly frank, funny, poignant book for any woman who wishes they had someone who would say to them, "This happened to me, learn from my mistakes and my successes. Because you don't get smarter as you get older, you get braver." Sheila Nevins is the best friend you never knew you had. Sheila Nevins is the one person who always tells it like it is. In *You Don't Look Your Age*, the famed documentary producer (as President of HBO Documentary Films for over 30 years, Nevins has rightfully been credited with creating the documentary rebirth) finally steps out from behind the camera and takes her place front and center. In these pages you will read about the real life challenges of being a woman in a man's world, what it means to be a working mother, what it's like to be an older woman in a youth-obsessed culture, the sometimes changing, often sweet truth about marriages, what being a feminist really means, and that you are in good company if your adult children don't return your phone calls. So come, sit down, make yourself comfortable, (and for some of you, don't forget the damn reading glasses). You're in for a treat.
