Tell the Truth, Pangolin - Melinda Beatty
2022-10-18

In this delightful, thoroughly entertaining picture book about the importance--and difficulty--of telling the truth, the queen's trusty servant, a pangolin, breaks the royal swing and doesn't know what to tell her! Pangolin is enjoying himself on the royal swing in the bright summer sunshine when suddenly, the ropes break and--OW!--he falls to the ground. What will I tell the queen?! Pangolin worries. He races to the stables to ask his friend Badger. "Tell her the musicians needed the swing's rope for their lutes!" the stablemaster advises. Fox, the castle guard, has a different idea: "Might you say that the King needed to repair his royal jump rope?" Pug, Cat, and Goose all have suggestions, too. But which story will Pangolin tell the queen?! Here is a charming picture book, full of delightful animal friends, about finding the courage to be honest with those around you--and with yourself.

Lying Up a Storm - Julia Cook 2015-01-15
A storm is brewing... Whenever Levi doesn't like the truth, he kinda, sorta makes up other stuff to say. One day his mother explains to him that telling lies will damage the trust of his friends and make him very sad. Whenever you tell a lie, your inside sun goes away. Then a lying cloud forms, and glooms up your day. Each time you tell a lie, another cloud starts to form, and before you can stop it from happening, your insides start to storm. This book is a great resource to help children understand not only

the consequences of telling a lie, but also how one lie can often lead to telling several more. It will help parents and teachers understand that lying can be a normal and sometimes healthy response for a child and offers tools to help guide children toward truthfulness.

Reach Out and Give - Cheri J. Meiners M.Ed.
2006

Introduces the concept of gratitude and how it leads to generosity and demonstrates the various ways people can be generous, including donating time, money, or objects.

I Am Honest - Jenny Fretland VanVoorst
2019-01-01

It can be tempting to tell a white lie to avoid getting in trouble. But what would that tell others about the type of person you are? This title for early readers explores the benefits and results of being honest, and how readers can show their character in everyday life!

Teach Your Dragon to Stop Lying - Steve Herman 2018-07-29

A Dragon Book To Teach Kids NOT to Lie. A Cute Children Story To Teach Children About Telling The Truth and Honesty.

Tell The Truth - Sue Unerman 2012-04-03

Truth is a powerful marketing tool—and really the only way to promote a message and brand effectively. Truth in advertising has long been something to ignore, or at least downplay. The role of advertising has been to position and manipulate brands to convince consumers that they're imbued with qualities they don't necessarily possess, or presume to tell them

which ones matter. It worked when the brand's voice was the only voice, but with the rise of social media that era is over. Marketers have focused their messages on entertainment, creating funny or engaging campaigns that win awards but don't always sell products. Consumers determine what's true, and smart companies have realized that every communications medium can and will be used to contribute to those conclusions. In *Tell the Truth*, Jonathan Baskin and Sue Unerman look at the content and context of marketing communications. They provide the research of hundreds of companies and in-depth case studies on more than 50 global brands to show us that truthful brands deliver sales, profits, and sustainable relationships. Truth truly yields true competitive advantage.

The Honest Truth - Dan Gemeinhart

2015-03-05

Mark has been in and out of hospital his whole life - and he's fed up. So when his cancer returns, he decides he's had enough. Running away with his dog Beau, he sets out to climb a mountain - and it's only when he's left everything behind that Mark realises he has everything to live for.

Respect and Take Care of Things - Cheri J.

Meiners 2004-09-15

Everything has a place. Things last longer when we take care of them. Respect, responsibility, and stewardship are concepts that even young children can relate to—because they have things they value. This book encourages children to pick up after themselves, put things back where they belong, and ask permission to use things that don't belong to them. It also teaches simple environmental awareness: respecting and taking care of the earth. Includes ideas for adult-led activities and discussions.

Being Honest - Cassie Mayer 2007

Introduces the concept of honesty and provides examples of being honest with friends and family.

Teachable Tales - Joshua Sufrin 2021-06-03

Teachable Tales: Tommy Tells the Truth brings to life my father's childhood character, Tommy Tells the Truth. My father taught my brother and I from a young age that we had to be honest and not lie. Sometimes, we were scared. Sometimes we hid things from our parents. We learned

these valuable lessons young so we would not repeat these behaviors as we were older. This is the story of Tommy. Tommy learns a lesson at an early age that telling the truth can be scary, but it helps being honest. Tommy wants to play sports with his friends like many young children do but did not prioritize his homework and study for a test which ultimately hurt his grades and lost his parent's trust. Tommy was conflicted as to telling his parents about his bad grade, so hiding it in his drawer was what he did. He played ball with his father, while his mother found the grade and later confronted him. Tommy wanted to play but ended up getting punished for not telling his parents. Sitting in his room, he realized that he was wrong and went to apologize to his parents. From then on, he was a straight A student and decided to prioritize his homework over sports and was always honest with his parents. Learning lessons can be hard, but they are valuable at young ages. 1

Tell the Truth and Run - George Seldes 1953

Honesty is My Superpower - Alicia Ortego

2022-02-22

Do you want to teach your children how to be honest? Children are always faced with a normal dilemma - should I lie or tell the truth? Our job is to teach them to make the right choice and more importantly, show that honesty is not just saying truth, honesty also means your actions are truthful too. Model honesty Little Tommy loves everything other kids love but what he likes most is spending time with his older brother Nao. Respond thoughtfully to lying With the help of his brother, Nao, Tommy will learn the effects of lying and how it impacts the feelings of others. Even when he thinks it's just a joke. This book helps to teach children: to understand why lying is isn't the best option, to understand the consequence of not telling the truth, to learn to take responsibility for their actions, not to be afraid to stand up for themselves, to understand how good it feels to tell the truth, to understand that lies hurt not only other people but also their feelings. --- The power of truth will help you never to tell lies. --- 'Honesty is my Superpower' suitable for preschoolers to early readers, this book aims to teach your children to be honest and fair.

Hippo Owns Up - A book about telling the

truth - Sue Graves 2021-09-09

This funny, charming story is the perfect way to introduce young children to what honesty is, and help them understand the importance of owning up to your mistakes. Also included are suggestions for activities and ideas to talk through together to help children fully understand how their behaviour can impact on others. Hippo is having a bad day. It all started when he missed his breakfast. He can't concentrate in class and his tummy won't stop rumbling. And when he sees Mrs Croc's special chocolate cake, he can't resist. Now somebody else is getting the blame for eating it. Will Hippo do the right thing and tell the truth and make amends for what he's done? The Behaviour Matters series of picture books provide a gentle means of discussing emotions, boosting self-esteem and reinforcing good behaviour.

Supports the Personal, Social and Emotional Development Area of Learning in the Early Years Foundation Stage, and is also suitable for use with children in KS1 and can be used to discuss values. Suitable for children under 5.

The Curious Incident of the Dog in the Night-Time - Mark Haddon 2009-02-24

A bestselling modern classic—both poignant and funny—narrated by a fifteen year old autistic savant obsessed with Sherlock Holmes, this dazzling novel weaves together an old-fashioned mystery, a contemporary coming-of-age story, and a fascinating excursion into a mind incapable of processing emotions. Christopher John Francis Boone knows all the countries of the world and their capitals and every prime number up to 7,057. Although gifted with a superbly logical brain, Christopher is autistic. Everyday interactions and admonishments have little meaning for him. At fifteen, Christopher's carefully constructed world falls apart when he finds his neighbour's dog Wellington impaled on a garden fork, and he is initially blamed for the killing. Christopher decides that he will track down the real killer, and turns to his favourite fictional character, the impeccably logical Sherlock Holmes, for inspiration. But the investigation leads him down some unexpected paths and ultimately brings him face to face with the dissolution of his parents' marriage. As Christopher tries to deal with the crisis within his own family, the narrative draws readers into

the workings of Christopher's mind. And herein lies the key to the brilliance of Mark Haddon's choice of narrator: The most wrenching of emotional moments are chronicled by a boy who cannot fathom emotions. The effect is dazzling, making for one of the freshest debut in years: a comedy, a tearjerker, a mystery story, a novel of exceptional literary merit that is great fun to read.

Radical Honesty - Brad Blanton 2005-03

This new edition of the source book for the whole Radical Honest movement includes Brad Blanton's accumulated observations since 1994 of those people whose lives have been transformed by getting out of the self-made jails of their minds, and into the truth they have always known.

Cool Down and Work Through Anger - Cheri J. Meiners 2010-05-01

Everyone gets angry, so it's never too early for children to learn to recognize feelings of anger, express them, and build skills for coping with anger in helpful, appropriate ways. Children learn that it is okay to feel angry—but not okay to hurt anyone with actions or words. They discover concrete skills for working through anger: self-calming, thinking, getting help from a trusted person, talking and listening, apologizing, being patient, and viewing others positively. Reassuring and supportive, the book helps preschool and primary-age children see that when they cool down and work through anger, they can feel peaceful again.

Be Honest and Tell the Truth - Cheri J. Meiners 2007

Teaches young readers the importance of telling the truth and reassures them that, even though it may be difficult, it is always best to be honest. Includes discussion questions, games, and activities.

Mostly the Honest Truth - Jody J. Little
2019-03-12

A pitch-perfect story exploring the many meanings of family, Jody J. Little's tough yet tender debut is perfect for fans of Leslie Connor and Katherine Paterson. After Pop is sent back to rehab, Jane Pengilly arrives at her newest foster home determined to stick to the straight and narrow and get back to her beloved dad as soon as she can. It's not the first time they've been apart, but Jane's determined it will be the last. Twelve days out in the boonies of Three Boulders makes Jane miss Pop more than ever. But as the days go by, she realizes that family is

more than who you're related to—and that a home can be found in the unlikeliest of places. Mostly the Honest Truth sparkles with a fully realized supporting cast, a safe and supporting setting, and a writer whose ability to imbue her stories with love and hope marks her an author to watch.

I Am Honest - Katie Peters 2022-01-01

Audisee® eBooks with Audio combine professional narration and sentence highlighting for an engaging read aloud experience! Being honest is a sign of good character, and being honest feels good. Explore scenarios where honesty comes into play in everyday life. Pairs with the fiction title Ready for Bed.

Dare to Be True - Mark D. Roberts 2010-04-21

Our souls long for an elusive freedom—the freedom of truth. And our world desperately needs it, now more than ever. Dare to Be True doesn't downplay the difficulty of living honestly in today's world, but it doesn't throw in the towel, either. In this challenging but encouraging book, Mark Roberts introduces a bold plan to practice complete honesty in every area of our lives—in what we say, in how we live, and in who we are. Combining biblical truth with real-life stories and plenty of practical applications, Roberts helps us experience the rewards of truthfulness—personal wholeness, healthy relationships, and deeper intimacy with God. Set out today on the adventure of truthful living, if you dare!

Listen and Learn - Cheri J. Meiners 2003-03-15

Knowing how to listen is essential to learning, growing, and getting along with others. Simple words and inviting illustrations help children develop skills for listening, understand why it's important to listen, and recognize the positive results of listening. Includes a note to teachers and parents, additional information for adults, and activities.

Let's Be Honest - P. K. Hallinan 2003

Introduces the concept of honesty as a young child describes why it is best to tell the truth at all times.

Activities for Building Character and Social-Emotional Learning - Katia Petersen 2012

"Easy-to-use lessons integrate into daily curriculum"--Cover.

Talk and Work It Out - Cheri J. Meiners, M.Ed.
2014-12-16

Clear, simple language and realistic illustrations teach children the process of peaceful conflict resolution.

I'm Telling the Truth - Pat Thomas 2007-06

Honest June - Tina Wells 2021-12-28

Middle school is hard—but it's way harder when a fairy godmother puts you under a truth-telling spell! June has always been a people-pleaser, telling harmless little lies to make her friends and family happy. She's convinced being honest about her feelings will only hurt the people she loves! Until, out of nowhere, a secret fairy godmother appears to "bless" her with the ability to only tell the truth! Seriously?! As if June didn't have enough to worry about! Now, June has no choice but to be honest about how she feels. And the truth is: what June feels is stressed out. Middle school is no joke—between field hockey, friend drama, and her parents' high expectations, June feels so overwhelmed that sometimes it's hard to breathe. When everything spirals out of control, will June find freedom in telling the whole truth and nothing but—or is she destined to battle the curse for the rest of her life?

Trust: A Very Short Introduction - Katherine Hawley 2012-08-23

Trust is indispensable, yet it can be dangerous. Without trusting others, we cannot function in society, or even stay alive for very long, but being overly-trustful can be a bad strategy too. Trust is pragmatic, but it also has a moral dimension: trustworthiness is a virtue, and well-placed trust benefits us all. In this Very Short Introduction, Katherine Hawley explores the key ideas about trust and distrust. Considering questions such as 'Why do we value trust?' and 'Why do we want to be trusted rather than distrusted?', Hawley raises issues about the importance of trust in both the personal and public spheres, including family and relationships as well as politics and society. ABOUT THE SERIES: The Very Short Introductions series from Oxford University Press contains hundreds of titles in almost every subject area. These pocket-sized books are the perfect way to get ahead in a new subject quickly. Our expert authors combine facts, analysis, perspective, new ideas, and enthusiasm to make interesting and challenging topics

highly readable.

The Learning to Get Along Series

Interactive Software - Cheri J. Meiners 2008-02-01

Praised by parents, embraced by educators, our complete Learning to Get Along series is now available in one kid-friendly software package (for Windows only). Teachers can choose which books to make available to each child, manage audio features, and track students' progress. Children follow along or read on their own, using a special highlight feature to click and hear word definitions. A sequence of questions follows each book; test results are stored for teacher review in individual student files.

Designed for classroom use, yet equally useful at home. User's Guide included. Developed in association with Attainment Company.

Feel Confident! - Cheri J. Meiners 2013-09-03

Empower children to recognize their individual worth and develop confidence in themselves, their abilities, and the choices they make. Children learn that they can speak up, expect and show respect, try new things, and believe in themselves. Confidence-building skills of accepting yourself, asking for what you need, making decisions, solving problems, and communicating are also discussed. Young children will respond to the true-to-life situations and colorful illustrations. Being the Best Me Series: From the author of the popular Learning to Get Along® books come the first two books in this one-of-a-kind character-development series. Each book focuses on specific attitude or character traits—such as optimism, courage, resilience, imagination, personal power, decision-making, and work ethics. Also included are discussion questions, games, activities, and additional information adults can use to reinforce the concepts children are learning. Filled with diversity, these read-aloud books will be welcome in school, home, and childcare settings.

The Honest-to-Goodness Truth - Patricia C. McKissack 2003-01-01

If telling the truth is the right thing to do, why is the whole world mad at Libby?

A Day's Work - Eve Bunting 2004-11-18

Francisco, a young Mexican-American boy, helps his grandfather find work as a gardener, even though the old man cannot speak English and

knows nothing about gardening.

To Be Honest - Ron A. Carucci 2021-05-03

WINNER: NYC Big Book Award 2021 - Business General Under what conditions will people tell the truth, behave fairly and act with purpose at work? And when will they lie, cheat and be selfish? Based on 15 years of research, *To Be Honest* explains how four factors (Clear Identity, Accountability, Governance and Cross-Functional Relationships) affect honesty, justice and purpose within a company. When these factors are absent or ineffective, the organizational conditions compel employees to choose dishonesty and self-interest. But when done well, the organization is 16 times more likely to have people tell the truth, behave fairly and serve a greater good. *To Be Honest* shares the stories of leaders who have acted with purpose, honesty and justice even when it was difficult to do so. In-depth interviews with CEOs and senior executives from exemplar companies such as Patagonia, Cabot Creamery, Microsoft and others reveal what it takes to build purpose-driven companies of honesty and justice. Interviews with thought leaders like Jonathan Haidt, Amy Edmondson, Dan Ariely and James Detert offer rich insights on how leaders can become more honest and purposeful. You'll learn how Hubert Joly took Best Buy from a company on the brink of bankruptcy to one that is profitable, thriving and purposeful. Filled with real-life examples, *To Be Honest* offers actionable steps, practical tools and approaches that any leader or manager can use to create a culture of purpose, honesty and justice.

Integrity, Honesty, and Truth Seeking - Christian B. Miller 2020-02-17

"Integrity, honesty, and truth seeking are clearly important virtues that most people care about and want to see promoted in society. Yet surprisingly there has been relatively little work among scholars today aimed at helping us better understand this cluster of virtues related to truth. This volume incorporates the insights and perspectives of experts working in a variety of disciplines, including philosophy, law, communication and rhetorical studies, theology, psychology, history, and education. For each virtue, there is a conceptual chapter, an application chapter, and a developmental chapter. The result is a volume that significantly

deepens our knowledge about and appreciation for these central virtues"--

Be Honest and Tell the Truth - Cheri J. Meiners 2007-08-25

It's never too soon to learn the difference between what's true and what isn't. Words and pictures help young children discover that being honest in words and actions builds trust and self-confidence. They also learn that telling the truth sometimes takes courage and tact. Includes discussion questions, skits, scenarios, and games that reinforce the ideas being taught.

The Honest Truth About Dishonesty - Dr. Dan Ariely 2013-06-18

The New York Times bestselling author of *Predictably Irrational* and *The Upside of Irrationality* returns with thought-provoking work to challenge our preconceptions about dishonesty and urge us to take an honest look at ourselves. Does the chance of getting caught affect how likely we are to cheat? How do companies pave the way for dishonesty? Does collaboration make us more honest or less so? Does religion improve our honesty? Most of us think of ourselves as honest, but, in fact, we all cheat. From Washington to Wall Street, the classroom to the workplace, unethical behavior is everywhere. None of us is immune, whether it's the white lie to head off trouble or padding our expense reports. In *The (Honest) Truth About Dishonesty*, award-winning, bestselling author Dan Ariely turns his unique insight and innovative research to the question of dishonesty. Generally, we assume that cheating, like most other decisions, is based on a rational cost-benefit analysis. But Ariely argues, and then demonstrates, that it's actually the irrational forces that we don't take into account that often determine whether we behave ethically or not. For every Enron or political bribe, there are countless puffed résumés, hidden commissions, and knockoff purses. In *The (Honest) Truth About Dishonesty*, Ariely shows why some things are easier to lie about; how getting caught matters less than we think; and how business practices pave the way for unethical behavior, both intentionally and unintentionally. Ariely explores how unethical behavior works in the personal, professional, and political worlds, and how it affects all of us, even as we think of ourselves as having high moral standards. But

all is not lost. Ariely also identifies what keeps us honest, pointing the way for achieving higher ethics in our everyday lives. With compelling personal and academic findings, *The (Honest) Truth About Dishonesty* will change the way we see ourselves, our actions, and others.

Eli's Lie-O-Meter - Sandra Levins 2010

Eli learns about the consequences of his fibs and the value of telling the truth. Includes note to parents.

The Boy Who Cried Bigfoot! - Scott Magoon
2013-02-05

Ben is a boy who has so often tried to convince people he has seen a Bigfoot that when a real Yeti arrives and borrows his bicycle, no one comes to see if he is telling the truth, in a classic tale with a hugely hilarious twist that carries a timeless message for children about the importance of establishing trust and not "crying wolf."

Teach Your Dragon to Stop Lying - Steve Herman 2018-07-24

A Dragon Book To Teach Kids NOT to Lie. A Cute Children Story To Teach Children About

Telling The Truth and Honesty.

Dishonest Ninja - Mary Nhin 2020-09-05

Dishonest Ninja didn't think he was hurting anyone when he chose not to tell the truth. But what he didn't understand was that each time he lied, he was hurting someone. Because when he told a lie, it changed HIM just a little bit each time. But he was forever changed after something happened one day at school... Find out what happens in this book about how good it feels to tell the truth. Life is hard! And it's even harder for children who are just trying to figure things out. The new children's book series, *Ninja Life Hacks*, was developed to help children learn valuable life skills. Fun, pint-size characters in comedic books easy enough for young readers, yet witty enough for adults. The *Ninja Life Hacks* book series is geared to kids 3-11. Perfect for young readers, students in primary school, and toddlers. Excellent resource for counselors, parents, and teachers alike. Collect all the *Ninja Life Hacks* books: marynhin.com/ninjaset.html
Fun, free printables at marynhin.com/ninja-printables.html
