Perfect Piggies! - Sandra Boynton 2010-05-26
Piggies rock! So does Boynton. Through her eyes, her words, her music, and above all her art, we see the world with whimsy and pleasure, appreciating round noses and curly tails, floppy ears and pleasing plumpness. And we're lucky to give that gift to our youngest children. A member of the amazing Boynton on Board series that has over 21 million copies in print, *Perfect Piggies!* also comes with a free downloadable song. Reminiscent of a cappella swing, it's a celebration of the homey—of beauty in the eye of the beholder, of sunshine and fresh air, and a place to put up our hooves when the day is done. And, of course, the catching energy and rhythmic language of a beloved original: We are all perfect piggies and we know what we need. It's really very simple, very simple indeed: a troughful of food, a place in the sun, and a little bit of comfort when the day is done. That goes for the rest of us, too.

All she wants is someone to love -- and to love her back. Someone who won't disappear on her like her dad did. Someone who'll make her new stepfather's house feel like home. Christmas morning, Grace springs out of bed hopeful that her dreams are about to come true. But the present that awaits her isn't soft and furry. It doesn't have padded paws. And instead of a dark, wet nose, there's a flat, pink nose instead. It's not a puppy at all -- it's a PIG. Grace tries to make the best of the situation. She names the pig Bernard and dutifully learns how to care for him. But spending time with him is nothing like being with a dog. Bernard is awful at playing fetch and walking on a leash -- in fact, he's all around terrible at doing the things Grace dreamed of doing with a pet. But when a good friend lands in the hospital, Grace discovers that Bernard might have a special talent for making sick people feel better and that his calling might be as a certified therapy animal. Grace loves the idea of visiting patients with Bernard and bringing a smile to their faces during an otherwise tough time. But can Grace convince her skeptical family to get on board? Or will she and Bernard both end up out in the cold?
