*Dragonsinger* - Anne McCaffrey 2016-05-17

Pursuing her dream to be a Harper of Pern, Menolly studies under the Masterharper learning that more is required than a facility with music and a clever way with words. Sequel to *Dragonsong*.

*Dragonquest* - Anne McCaffrey 2002-02-26

Volume II of *The Dragonriders of Pern*®, the legendary series by award-winning author Anne McCaffrey Since Lessa and Ramoth, her golden queen dragon, traveled into the past to bring forward a small army of dragons and riders to save their world from deadly alien spores, fear and desperation have spread across the land. But while the dragonriders struggle with threats both otherworldly and human, a young rider named F'nor and his brown dragon, Canth, hatch a bold plan to destroy the alien scourge at its source—the baleful red star that fills the heavens and promises doom to all.

**Freedom's Ransom** - Anne McCaffrey 2013-11-26

Enslaved on an uninhabited planet by the alien Eosi, Kristin Bjornsen and her fellow humans not only survived against all odds to colonize the world now known as Botany, but liberated themselves from their captors and claimed it as their home... The colonists could not have achieved victory without the help of the exiled Catteni alien, Zainal, who helped Kris contact other races subjugated by the Eosi, and inspired the rebellion that freed them all. To ensure Botany's future, its people must build alliances. In the wake of alien devastation, Earth has been looted of its technology—technology Botany desperately needs. If Kris and Zainal can reclaim the stolen goods, they can assist Earth while setting a foundation for Botany's place in the universe...

*The Ship who Won* - Anne McCaffrey 1995

Carielle was born so physically disadvantaged that her only chance for life was as a shell person. Like others before her, she decided to become a spaceship. With her brawn Keff, they search for intelligent beings. When they arrive on the planet Ozran, nothing is as it seems.

*Moreta: Dragonlady of Pern* - Anne McCaffrey 2002-02-26

Anne McCaffrey draws the reader back in time to an earlier Pern to tell the story of one of Pern's great and true heroines. An air of pleasant anticipation hung so thickly over the Halls, Holds and Weyrs of Pern that it had affected even the businesslike ways of Moreta, the Weyrwoman of Fort Weyr, where her dragon, Queen Orloth, would soon clutch. Then without warning, a runnerbeast fell ill. Soon myriads of holders, craftsmen, and dragonriders were dying; and the mysterious ailment had spread to all but the most inaccessible holds. Pern was in mortal danger. For, if dragonriders did not rise to char Thread, the parasite would devour any and all organic life it encountered. The future of the planet rested in the hands of Moreta and the other deicated, lelfless Pernese leaders. But of all their problems, the most difficult to overcome was time. . . .

**The Dolphins of Pern** - Anne McCaffrey 2002-02-26

"[Anne] McCaffrey here adds yet another dimension to her colorful and vivid saga by focusing on the attractive dolphins and their highly believable society."—Publishers Weekly When the first humans came to settle the planet Pern, they did not come alone: intelligence-enhanced dolphins also crossed the stars to colonize Pern's oceans while their human partners settled the vast continents. But then disaster struck. The deadly silver spores called Thread fell like rain from the sky, and as the human colonists' dreams of a new, idyllic life shattered into a desperate struggle for survival, the dolphins were forgotten. Now, centuries later, as the dragonriders of Pern prepare to complete the momentous task of ridding their world of Thread forever, T'lon, a young bronze rider, and his friend Readis, son of the Lord Holder of Paradise River Hold, make contact with the legendary "shipfish." And as the dragonriders grapple with the end of an era, T'lon, Readis, and the dolphins face the start of a new one: reviving the bond between land- and ocean-dwellers—and resurrecting the dreams of the first colonists of Pern.

*Dragon's Fire* - Anne McCaffrey 2006-07-11

NEW YORK TIMES BESTSELLER • "A richly detailed story on a par with

the rest of the Pern canon . . . another successful McCaffrey mother-and-son collaboration."—Booklist At Natalon's mining camp, Pellar embarks on a secret mission to discover whether the condemned criminals known as the Shunned are stealing coal. But the gifted tracker discovers that a far more treacherous plot is unfolding. A heartless thief named Tenim has realized there is profit to be made from firestone, the volatile mineral that enables the dragons of Pern to burn the lethal Thread out of the sky. When the last remaining firestone mine explodes, a desperate race begins to find a new deposit of the deadly but essential mineral. Sure enough, Tenim has a murderous plan to turn tragedy to his own advantage. Now Pellar and his new friends—the kind and gentle Halla, a child of the Shunned, and Cristov, the son of a corrupt miner—must stop Tenim. If they fail, it will mean the end for Pern and its dragonriders. "Grittier than the early parts of the series; Todd's apparently brought a wider, more current worldview to Pern."—The San Diego Union-Tribune "These fabled dragons still cast a spell."—Publishers Weekly

**The Skies of Pern** - Anne McCaffrey 2001-04-03

In this triumphant return to Pern, Anne McCaffrey takes us on an adventure as surprising and unforgettable as any that has come before . . . It is a time of hope and regret, of endings and beginnings. The Red Star, that celestial curse whose eccentric orbit was responsible for Thread, has been shifted to a harmless orbit, and the current Threadfall will be the last. Technological marvels are changing the face of life on Pern. And the dragonriders, led by F'lessan, son of F'lar and Lessa and rider of bronze Golanth, and Tia, rider of green Zaranth, must forge a new place for themselves in a world that may no longer need them. But change is not easy for everyone. There are those who will stop at nothing—not even violence—to keep Pern and its people pure. And now a brand-new danger looms from the skies . . . and threatens a catastrophe of unimaginable proportions. Once again, the world looks to the dragons and their riders to solve the crisis and save the world. But now, as the friendship of F'lessan and Tia begins to bloom into something more, unforeseen tragedy strikes: a tragedy destined to forever change the future—not just of the two young lovers, but of every human and dragon on Pern . . .

**Dragonflight Limited Edition** - Anne McCaffrey 2021-09

**The Harper Hall Collection** - Anne McCaffrey 2016-06-14

A young woman allies with magnificent dragons in the Harper Hall trilogy, set within science fiction legend Anne McCaffrey's beloved and bestselling *Dragonriders of Pern* series. This collectable box set include all three books in the trilogy: *Dragonsong*, *Dragonsinger*, and *Dragondrums*.

**Pegasus in Flight** - Anne McCaffrey 2002-04-09

"[Anne] McCaffrey's world of the Talented is as vivid as that of Pern and its dragons."—Publishers Weekly Earth has reached its darkest moment. In subterranean warrens, the poor eke out precarious lives where jobs are scarce and children are sold for labor—while on the surface, a privileged few enjoy lives of luxury. As the population surges and unrest spreads, a disaster of epic proportions seems inescapable. The only hope: a platform under construction in space from which starships will be launched to colonize distant planets. But the project is critically behind schedule. In the midst of the chaos, Rhyssa Owen and her fellow Talents—telepaths who read minds, kinetics who manipulate matter, and precogs to whom the future is an open book—struggle to survive. Then two children are discovered whose extraordinary psychic gifts have the potential to avert the looming catastrophe—or hasten its ominous arrival. . . .

**A Gift of Dragons** - Anne McCaffrey 2002-10-29

For more than thirty years, Pern has conjured visions of brave men and women mounted upon the backs of dragons. As anyone knows who has been touched by the storytelling magic of Anne McCaffrey, to read of the exotic world of Pern is to inhabit it—and to experience its extraordinary dragons is to soar aloft with them and share their dazzling adventures.

Now, *A Gift of Dragons* brings together three beloved stories and a thrilling new tale of Pern in a single volume illustrated with beautiful artwork by Tom Kidd. In “The Smallest Dragonboy,” Keevan is the youngest dragonrider candidate, determined to impress a dragon when the next clutch of eggs hatches. But what transpires will surprise everyone—Keevan most of all. In “The Girl Who Heard Dragons,” a young girl’s rare ability to communicate with dragons puts her family in danger and will bring her face to face with her greatest fears—and with her most secret desire. The “Runner of Pern” is a girl named Tenna, who follows family tradition by delivering messages—and who will find her destiny on the mossy traces that runners have used for centuries under the dragon-filled sky. And finally, a very special gift: an exciting new Pern adventure, published here for the first time, fresh from the imagination of Anne McCaffrey.

**A Time for Dragons** - Gary Gentile 1989

A hundred years after the collapse of human civilization, reptilian invaders rule the earth

**Dragondrums** - Anne McCaffrey 2016-05-17

When his boy soprano voice begins to change, Piemur is drafted by Masterharper Robinton to help with political work and is sent on missions that lead him into unusual and sometimes dangerous adventures.

**Dragon Rider** - Cornelia Funke 2013-10-03

Brave young dragon Firedrake and his orphan friend Ben start a perilous journey to the legendary Rim of Heaven. But close behind is a heartless monster who aches to destroy the very last dragons on earth...

**Dragon's Code** - Gigi McCaffrey 2018-10-02

A new hero emerges in a divided world as one of sci-fi’s most beloved series—Anne McCaffrey’s *Dragonriders of Pern*—relaunches with this original adventure from Anne’s daughter, Gigi McCaffrey. In honor of the fiftieth anniversary of the *Dragonriders of Pern* series, Gigi does her mother proud, adding to the family tradition of spinning unputdownable tales that recount the adventures of the brave inhabitants of a distant planet who battle the pitiless adversary known as Thread. The last time Thread attacked Pern, the world was unprepared for the fight—until the Oldtimers appeared. These courageous dragonriders arrived from the past, traveling four hundred years to help their descendants survive. But the collision of past and present took its toll. While most of the displaced rescuers adapted to their new reality, others could not abide the jarring change and found themselves in soul-crushing exile, where unhappiness and resentment seethed. Piemur, a journeyman harper, also feels displaced, cast adrift by the loss of his spectacular boyhood voice and uncertain of his future. But when the Masterharper of Pern sees promise in the young man and sends him undercover among the exiled Oldtimers, Piemur senses the looming catastrophe that threatens the balance of power between the Weyrs and Holds of Pern. When the unthinkable happens, Piemur must rise to the challenge to avert disaster and restore honor to the dragons and dragonriders of Pern. Because now, in a world already beset by Thread, another, more insidious danger looms: For the first time in living memory, dragons may be on the verge of fighting dragons.

**Changelings** - Anne McCaffrey 2005-12-27

“[A] solid start of a new series . . . fast-paced adventure.”—Publishers Weekly Twin brother and sister Ronan and Murel are true children of Petaybee, the sentient planet that is their home. Like their father, they are changelings, able to converse telepathically with creatures and to transform into seals. The Petaybeans wish to protect the twins from curious scientists, but no one realizes that Ronan and Murel hunger to discover the origins of their shape-shifting talent—and that their search for knowledge will place them in the path of peril. Meanwhile, Petaybee is changing. To investigate its sudden evolution, the twins’ father heads out to the open water in his seal form—and is presumed lost. Only Ronan and Murel, with their remarkable talents of transformation, can hope to find him and bring him home . . . if they dare to risk exposure and face the dangers of the newly unstable sea. “The story is exciting and generously laced with humor, but besides those qualities, the characters . . . and their interactions are so well realized as to utterly charm readers.”—Booklist

**Maelstrom** - Anne McCaffrey 2006-12-26

In *Changelings*, bestselling authors Anne McCaffrey and Elizabeth Ann Scarborough returned to the sentient planet Petaybee with a story of growth and transformation in the face of deadly new threats. The telepathic, shapeshifting twins Murel and Ronan found that Petaybee had plans for them as well. Now those plans begin to bear fruit with fresh possibilities . . . and dangers. Now that Petaybee is forming a new

equatorial island, the planet has agreed to harbor a group of new refugees, workers indentured to the powerful InterGal Corporation. But the mission to collect the immigrants becomes a rescue operation when it is revealed that InterGal is doing nothing to help these survivors of a world devastated by a meteor shower. Murel and Ronan set out to persuade the frightened refugees to come out of hiding, leave their world, and bring along their sacred totem animals, the gifted sea turtles called the Honus. But the twins discover that they’ve taken on more than they expected: The Honus are not the only animals sacred to the refugees. There are also the Manos, intelligent sharks who have lost none of their predatory habits—and who cannot be left behind to die. When the Manos are released into Petaybee’s waters, a tragic misunderstanding endangers the whole resettlement operation. At the same time, the mysterious sea otters who once rescued the twins’ father are suddenly revealed to be much more than they appear to be. Now it is up to Ronan and Murel, with the intrepid assistance of their river otter friend Sky, to smooth the waters before a maelstrom of revenge destroys Petaybee’s harmonious way of life. But even as the twins uncover startling new facts about Petaybee’s past that will change everything they thought they knew about the planet, the forces of InterGal are gathering, preparing to strike. . . .

**Dragonseye** - Anne McCaffrey 2002-02-26

In Anne McCaffrey’s New York Times bestselling *Dragonseye*, join Weyrleaders, Holders, and Craftmasters in the creation of the legendary Star Stones and the teaching ballads of Pern! It’s been two hundred years since the deadly Thread fell like rain upon Pern, devouring everything in its path. No one alive remembers that first horrific onslaught and no one believes in its return—except for the dragonriders. For two centuries they have been practicing and training, passing down from generation to generation the formidable Threadfighting techniques. Now the ominous signs are appearing: the violent winter storms and volcanic eruptions that are said to herald the approach of the Red Star and its lethal spawn. But one stubborn Lord Holder, Chalkin of Bitra, refuses to believe—and that disbelief could spell disaster. So as the dragonriders desperately train to face a terrifying enemy, they and the other Lord Holders must find a way to deal with Chalkin—before history repeats itself and unleashes its virulence on all of Pern. . . .

**Dragon's Time** - Anne McCaffrey 2011-06-28

NEW YORK TIMES BESTSELLER Even though Lorana cured the plague that was killing the dragons of Pern, sacrificing her queen dragon in the process, the devastating disease has left too few dragons alive to fight the fall of deadly Thread. As morale at Telgar Weyr plunges in the wake of the widespread loss, and Weyrwoman Fiona and the harper Kindan struggle to keep hope from vanishing, a pregnant Lorana decides she must take drastic steps. Nothing short of manipulating time itself will undo the damage done by the plague. But attempting time travel could have devastating consequences—altering history, and destiny, forever. Now, somehow, Lorana must find a way to accomplish what seems impossible: bending the natural laws of the universe without wreaking havoc on existence itself. To ensure the future of Pern, she’s willing to take the fateful chance—even if it demands yet another, far greater, sacrifice. BONUS: This edition contains an excerpt from Anne McCaffrey and Todd McCaffrey’s *Sky Dragons*.

**Dragonheart** - Todd J. McCaffrey 2009-10-27

The specter of sickness looms over the Weyrs of Pern, felling fire-lizards and threatening their dragon cousins, Pern’s sole defense against the deadly phenomenon that is Thread. Fiona, the young rider of queen dragon Talenth, is about to assume the duties of a Weyrwoman when word spreads that dragons have begun succumbing to the new contagion. As more dragons sicken and die, Weyrleader B’Nik and queen rider Lorana comb Fort Weyr’s archives in a desperate search for clues from the past that may hold the solution to the plague. But could the past itself prove the pathway to salvation for Pern’s imperiled dragons? Guided by a mysterious ally from a wholly unexpected place, and trusting in the dragon gift for transcending time, Fiona will join a risky expedition with far-reaching consequences for both Pern’s future and her personal destiny.

**Tamsin** - Peter S. Beagle 2004-06-17

Arriving in the English countryside to live with her mother and new stepfather, Jenny has no interest in her surroundings until she meets Tamsin. Since her death over 300 years ago, Tamsin has haunted the lonely estate without rest, trapped by a hidden trauma she can’t remember, and a powerful evil even the spirits of night cannot name. To help her, Jenny must delve deeper into the dark world than any human has in hundreds of years, and face danger that will change her life

forever. . . .

**Dragon Harper** - Anne McCaffrey 2012-07-31

Kindan is an apprentice harper at the Harper Hall but he is finding the lessons very difficult and although he has his friends, Nonala, Kelsa and Verilan, he also has enemies, such as the bully Vaxoram. Things begin to improve for Kindan when he beats Vaxoram in a duel and Vaxoram becomes first his servant and then gradually his trusted friend. Then Kindan impresses a fire-lizard and becomes the proud owner of the magnificent Valla. At the hatching he meets Koriana, daughter of Lord Holder Bemín of Fort Hold. She also impresses and she and Kindan fall in love, but her parents disapprove and she has to return to Fort Hold. Then a plague begins to spread across Pern, killing nearly everyone infected. Kindan and his friends search the harper records to see if they can find a cure, but all they can find is mention of a similar plague over a hundred Turns past. As the plague gets worse Kindan and Vaxoram are sent to Fort Hold to help tend the sick. Kindan will be reunited with Koriana, but will she be free of the plague, and will he be able to find a cure before more people die?

**The Chronicles of Pern: First Fall** - Anne McCaffrey 2002-02-26

Travel back to the earliest days of Pernese history in this first-ever Dragonriders of Pern short-story collection! Join the original survey team as they explore Pern and decide to recommend it for colonization. Share the terror of the evacuation from the Southern Continent as a flotilla of ships, aided by intelligent, talking dolphins, braves the dreadful currents of the Pernest ocean. Learn how the famous Ruatha Hold was founded, and thrill with the dragonriders as they expand into a second, then a third Weyr. And discover a secret lost in time: the rescue of some of the original colonists before the planet was cut off forever! Building a new life on a distant world, braving the dreaded Thread that falls like silver rain from the sky only to destroy every living thing it touches, flying heroically on the wondrous dragons: The Dragonriders of Pern!

**The Renegades of Pern** - Anne McCaffrey 2002-02-26

"[McCaffrey is the] master of the well-told tale."—Chicago Sun-Times As long as the people of Pern could remember, the Holds had protected them from Thread, the deadly silver strands that fell from the sky. In exchange for sanctuary in the huge stone fortresses, the people tithed to their Lord Holders, who in turn supported the dragonriders, Pern's greatest weapon against Thread. But not everyone on Pern was protected. Some, like Jayge's trader clan, simply preferred the freedom of the roads to the security of a hold. Others, like Aramina's family, had lost their homes. Regardless of their differences, however, they all feared the outlaws who preyed on holds and holdless alike. The Lady Thella's renegades are the most dangerous yet—all they need is Aramina, whose telepathic link with dragons can help them evade the dragonrider patrols. But Jayge is out to stop Thella . . . and he will never let her have Aramina.

**Sky Dragons** - Anne McCaffrey 2012-06-26

NEW YORK TIMES BESTSELLER Scores of dragons are dead after plague swept across the world of Pern, and now the Weyrs are struggling to rebuild before Threadfall destroys everything—and everyone—left alive. Their best hope lies with a group of new dragonriders who have volunteered to brave the dangers of an unexplored island populated by vicious wild felines and voracious tunnel-snakes to create a safe home for their young dragons, whose offspring will hopefully replenish Pern's decimated population. But their leader, Xhinna, the first female rider of a blue dragon, faces an uphill battle to win the respect of her peers, especially after tragedy leaves the new colony reeling. The way forward seems to lie with the awesome ability of the dragons to travel through time. But that power comes with risks: By venturing into the past, Xhinna may jeopardize the very future she has sworn to save. "Memorable characters and a good balance of individual dramas and large-scale action make this a strong addition to the Pern saga."—Library Journal "Longtime fans will enjoy the latest adventures of the cheerful dragonriders and their colorful mounts."—Publishers Weekly "McCaffrey will be remembered, rightly, as one of science fiction's grand masters."—Tor.com

**Dragonflight** - Anne McCaffrey 2005-07-26

Volume I of The Dragonriders of Pern®, the groundbreaking series by master storyteller Anne McCaffrey On a beautiful world called Pern, an ancient way of life is about to come under attack from a myth that is all too real. Lessa is an outcast survivor—her parents murdered, her birthright stolen—a strong young woman who has never stopped dreaming of revenge. But when an ancient threat to Pern reemerges, Lessa will rise—upon the back of a great dragon with whom she shares a telepathic bond more intimate than any human connection. Together,

dragon and rider will fly . . . and Pern will be changed forever.

**Dragonflight** - Anne McCaffrey 1970

To the nobles who live in Benden Weyr, Lessa is nothing but a ragged kitchen girl. For most of her life she has survived by serving those who betrayed her father and took over his lands. Now the time has come for Lessa to shed her disguise—and take back her stolen birthright. But everything changes when she meets a queen dragon. The bond they share will be deep and last forever.

**The Masterharper of Pern** - Anne McCaffrey 2002-02-26

NEW YORK TIMES BESTSELLER • "At last, Robinton has his own book . . . McCaffrey adds another absorbing chapter to dragon lore. . . . Readers will revel in this compelling character study of a fascinating personality."—Romantic Times In a time when the deadly scourge Thread has not fallen on Pern for centuries—and many dare to hope that Thread will never fall again—a boy is born to Harper Hall. A musical prodigy who has the ability to speak with the dragons, he is called Robinton, and he is destined to be one of the most famous and beloved leaders Pern has ever known. It is a perilous time for the harpers who sing of Thread—they are being turned away from holds, derided, attacked, even beaten. In this climate of unrest, Robinton will come into his own. But despite the tragedies that beset his own life, he continues to believe in music and in the dragons, and he is determined to save his beloved Pern from itself—so that the dragonriders can be ready to fly against the dreaded Thread when at last it returns . . . "The story takes wing . . . when McCaffrey's beloved dragons roar and their riders soar upon the beasts' mighty backs. . . . Fans of Pern will likely be enthralled."—Publishers Weekly

**Dragon's Kin** - Anne McCaffrey 2004-12-28

"Personable characters and superb storytelling make this an excellent choice. . . . Essential for Pern fans of all ages."—Library Journal (starred review) The son of a miner, Kindan has no expectations for any other life. He loves his lessons with the camp's harper, but music isn't part of a miner's future. He also enjoys helping out with the camp's watch-wher—a creature distantly related to dragons and uniquely suited to work in dark, cold spaces—but even that important job can't promise a future above the ground. Then disaster strikes. In one terrible instant, Kindan loses his family and the camp loses its watch-wher. It will take a new friendship and a new responsibility to teach Kindan that even a seemingly impossible dream is never out of reach . . . and that light can be found in the deepest darkness. "A guaranteed pleaser [in] one of SF's most splendid and longest-lived sagas."—Booklist "Another delightful entry in the Pern series."—Publishers Weekly

NEW YORK TIMES BESTSELLER • Go back in time and visit Pern like it's never been seen before in this thrilling prequel about the creation of dragons. The beautiful planet Pern seemed a paradise to its new colonists—until unimaginable terror turned it into hell. Suddenly deadly spores were falling like silver threads from the sky, devouring everything—and everyone—on their path. It began to look as if the colony, cut off from Earth and lacking the resources to combat the menace, was doomed. Then some of the colonists noticed that the small, dragonlike lizards that inhabited their new world were joining the fight against Thread, breathing fire on it and teleporting to safety. If only, they thought, the dragonets were big enough for a human to ride and intelligent enough to work as a team with a rider. . . . And so they set their most talented geneticist to work to create the creatures Pern so desperately needed—Dragons!

[The Harper Hall Trilogy](#) - Anne McCaffrey 2015-09-08

Science fiction legend Anne McCaffrey's beloved Harper Hall trilogy, set within the bestselling *Dragonriders of Pern* series, is now available in a collectable boxed set. Every two hundred years or so, on the planet colony of Pern, shimmering Threads fall from space, raining death. Yet the great dragons of Pern, mounted by the stalwart dragonriders, scour the skies with fire to destroy the deadly Thread and save the planet. Here we meet Menolly as she navigates her way as the first journeywoman Harper in the history of Pern; and fellow student Piemur whom is secretly asked to leave Harper Hall, drafted by Masterharper Robinton to embark on a dangerous mission to the Southern Hold. The Harper Hall trilogy, set within science fiction legend Anne McCaffrey's beloved and bestselling *Dragonriders of Pern* series, is a seminal work and a must-have for any fantasy or science fiction fan.

[Nerilka's Story](#) - Anne McCaffrey 2002-02-26

A deadly epidemic was sweeping across Pern! Everyone, holder and dragonrider alike, pitched in to help—except Nerilka's father, who refused to share Fort Hold's bounty with the other Holds. So, ashamed of her family and determined to do her part, Nerilka packed up medicines and supplies and sneaked off to aid her people. Her quest to help wherever she was most needed led her finally to Ruatha Hold, where Lord Alessan was frantically preparing the precious serum needed for mass inoculations against the dread plague. Nerilka had long ago abandoned her hope of marriage and a home of her own. Now she found happiness in being useful and appreciated—first the Healers and then Alessan made very clear that they were grateful for her help. She had no idea that her new path would change the course of her life forever!

[All the Weyrs of Pern](#) - Anne McCaffrey 2002-02-26

"When McCaffrey's beloved dragons roar and their riders soar on the beasts' mighty backs . . . fans of Pern will likely be enthralled."—Publishers Weekly For generations, the dragonriders had dedicated their lives to fighting Thread, the dreaded spores that periodically rained from the sky to ravage the land. On the backs of their magnificent telepathic dragons they flew to flame the deadly stuff out of the air before it could reach the planet's surface. But the greatest dream of the dragonriders was to find a way to eradicate Thread completely, so that never again would their beloved Pern be threatened with destruction. Now, for the first time, it looks as if that dream can come true. For when the people of Pern, led by Masterharper Robinton and F'lar and Lessa, Weyrleader and Weyrwoman of Bendon Weyr, excavate the ancient remains of the planet's original settlement, they uncover the colonists' voice-activated artificial intelligence system—which still functions. And the computer has incredible news for them: There is a chance—a good chance—that they can, at long last, annihilate Thread once and for all.
