70 Times 7 - Nelson Walters 2018-02-17
70 Times 7 is one of the most revolutionary books on eschatology in the last 20 years. Daniel's "70 Weeks Prophecy" is the foundation of most Christian end time understanding. But

what if Christian culture's assumptions are mistaken and the "Prince who is to Come" ISN'T the Antichrist, the "Covenant with the Many" ISN'T a peace treaty, and a 360-day "prophetic year" ISN'T biblical. Instead what if the

prophecy foretells a glorious and heroic future of the Church prior to the return of Jesus that no one is expecting!! Amazingly well researched and full of solid biblical exegesis, 70 Times 7 uncovers much of the mystery in the 70 Weeks Prophecy. Learn how the Dead Sea Scrolls provide us with a clear understanding of what first century Jews thought about the prophecy, that the historic dates of Jubilee years and Shmitah years are knowable and explain the prophecy, that the prophecy foretells the timing of the Rapture (pretrib, post-trib. or prewrath) and the ethnic identity of the Antichrist (and it ISN'T Roman). Finally, learn that Anderson's countdown to the First coming was mistaken and there is a different, "precise" solution to the countdown. Read Nelson Walter's landmark book, 70 Times 7, and find out the shocking answers to these and other eschatological mysteries.

James - Greg Gilbert 2013-04-30

The Knowing the Bible series is a new resource designed to help Bible readers better understand and apply God's Word. Each 12-week study leads participants through one book of the Bible and is made up of four basic components: (1) Reflection questions designed to help readers engage the text at a deeper level; (2) "Gospel Glimpses" highlighting the gospel of grace throughout the book; (3) "Whole-Bible Connections" showing how any given

passage connects to the Bible's overarching story of redemption culminating in Christ; and (4) "Theological Soundings" identifying how historic orthodox doctrines are taught or reinforced throughout Scripture. With contributions from a wide array of influential pastors and church leaders, these gospel-centered studies will help Christians see and cherish the message of God's grace on each and every page of the Bible. In this accessible study, pastor and author Greg Gilbert examines the message of James, exploring the book's difficult teachings on wealth, anointing with oil, prayer, healing, and the relationship between faith and works. Through clear exposition of the biblical text and challenging application questions, Gilbert helps readers rightly understand James as a stirring exhortation to fruitfulness, ultimately written to remind Christians of the necessary connection between genuine faith and heartfelt obedience.

[The Basics of Bible Prophecy](#) - David Reagan
2020-07-22

Bible prophecy can be a playground for fanatics or it can be green pastures for disciples. In this book, the authors show how prophecy can motivate people to holiness, inspire them to evangelism and provide them with hope. In the process, they supply answers to many intriguing

questions about prophecy like the following: How should Bible prophecy be interpreted symbolically or literally? Why are there so many end-time viewpoints, and what are they? Have all Old Testament prophecies been fulfilled? How does Bible prophecy confirm the Bible as the Word of God and Jesus as God in the flesh? What happens after death? Will Heaven be an ethereal, spiritual existence, or will it be a tangible one in new perfected bodies on a new earth? What are the signs of the times, and do they indicate that we are living in the season of the Lord's return? Is the Rapture of the Church a biblical concept, and, if so, when is it most likely to happen? Is Jesus going to return to this earth to reign for a thousand years, or is His reign going on now from Heaven? Why does end-time prophecy focus on the Jewish people and the nation of Israel? What is the most likely sequence of end-time events? The 24 lessons in this book are presented in a down-to-earth, easy-to-understand language, and every point is

substantiated with Scripture references. The book is designed for both individual and group study.

The End Times in Chronological Order - Ron Rhodes 2012-08-01

Bible prophecy expert Ron Rhodes offers an easy-to-understand yet detailed chronology and explanation of end-times events. The chapters are arranged around the major end-times themes: the rapture, the tribulation, the millennial kingdom, and the eternal state. Each chapter begins with a list of the specific events it covers, making this an extremely user-friendly chronological guide to end-times biblical prophecy. Rhodes allows for various interpretations among Christians. Yet the sequence he describes is faithful to the biblical text, based on a literal approach to prophecy, and held by many Bible scholars. As readers discover that they really can understand Bible prophecy, they will come to love and trust the Scriptures like never before.

Understanding End Times Prophecy - Paul N. Benware 2006-05-01

Many Christians think of end times prophecy as a gigantic, intimidating puzzle -- difficult to piece together and impossible to figure out. But every puzzle can be solved if you approach it the right way. Paul Benware compares prophecy to a picture puzzle. Putting the edge pieces together first builds the 'framework' that makes it easier to fit the other pieces in their place. According to Benware, the framework for eschatology is the biblical covenants. He begins his comprehensive survey by explaining the major covenants. Then he discusses several different interpretations of end times prophecy. Benware digs into the details of the Rapture, the Great Tribulation, the judgements and resurrections, and the millennial kingdom. But he also adds a unique, personal element to the study, answering questions as: -Why study bible prophecy? -What difference does it make if I'm premillennial or amillennial? If what the Bible says

about the future puzzles you, Understanding End Times Prophecy will help you put together the pieces and see the big picture.

Advancing the Watch - Kirk Wesselink 2010-02
Daniel 12:9-10 instructs us that the wise of only one generation will be able to fully understand end-times prophecies. That final generation must come to this understanding in order to be properly prepared and motivated for what they will need to endure. It is imperative that our eschatology be both biblical and contemporary, For as we draw nearer and nearer To The end-times, greater clarity in understanding apocalyptic prophecies should come. In *Advancing the Watch*, Pastor Kirk Wesselink presents a groundbreaking look at prophecy rooted in a thoroughly consistent, conservative exposition of relative Bible passages. He maintains the dispensational, pre-tribulational, and pre-millennial foundation, but honestly challenges their traditional view of many prophetic texts. The reader is carefully

instructed in how to avoid prophetic pitfalls through a straightforward primer on interpretive rules for prophecy and key foundational principles. The work builds on research stretching back over one hundred years but is willing to engage in 'constructive demolition' to advance the Church's prophecy watch. A new generation will be challenged, trained, and encouraged with a powerful, up-to-the-minute look at the fullness of God's prophetic Word by *Advancing the Watch*. Kirk Wesselink has been a pastor for twenty-four years and has established two new churches in New Mexico. He is a graduate of Cedarville University and Grand Rapids Baptist Seminary. He has preached across much of the country as well as internationally in conferences, camps, and ministry seminars.

The Day of the Lord, the Key to Understanding End-Time Prophecy - Allen M. Barber 2011-07

Have modern Christians been enlightened or misled? 'Left behind' has been a catch phrase in

American church culture for more than a decade, but pretribulation beliefs were virtually unheard of before the eighteenth century. Many modern-day believers await the return of the Lord to rapture the Church before a turbulent tribulation period, expecting unbelievers to be left behind to suffer the horrors of this seven-year period. This popular belief is promoted from many evangelical pulpits and popularized by books and movies, but does it really line up with the Bible? Dr. Barber provides a careful examination of Scripture and a critical analysis of the biblical commentaries that form the basis of the pretribulation rapture belief. Once a pretribulationist himself, he found that his in-depth study of the Bible quickly revealed the errors of this position. With spiritual, biblical, and intellectual insight, *The Day of the Lord: The Key to Understanding End-Time Prophecy* challenges the very foundation of pretribulation theology. Dr. Barber stresses the importance of sola scriptura as he guides readers through his

compelling and convincing argument for a clearer understanding of end-times prophecy.

The End - Cheri Fields 2021-07-27

The future excites our imaginations. Many people seek out ways to find out what's going to happen to them both soon and far later; we even make movies about the world being destroyed. Any worldview system wide enough to shape a whole life has to answer the ultimate questions of both our beginnings and the far end of history. God knows this and gives us solid answers to both, preparing us for the distant future and helping us shape our lives today. He even presented these answers in a way that has allowed all people in every place and time to benefit. But this means many of us find his predictions of what's coming confusing and scary. This book walks us through the basic biblical texts and ideas to help untangle as many knots as possible, teaching us how to humbly, but boldly, learn to study our Bibles for ourselves. In this study we will take the far end

of history in the same way biblical creationists take the beginning: at face value. You will find this book a clear explanation of how futurist, premillennial, prewrath believers interpret the words of Scripture. So, grab your Bible and a pencil and let's dive in!

The Sign of the End of the Age - Paul Kalbach 2016-12-13

There is a small groundswell of thinking in the evangelical church that we may not have achieved a proper biblical understanding of end-times events. It is important for us to return to a careful study of these things, because the time is near. In *The Sign of the End of the Age: What Jesus Taught about the Future in Matthew 24*, author Paul Kalbach helps you discover—or rediscover—the Olivet Discourse, the Lord's clear road map that all other prophetic Scriptures must reckon with. To understand the discourse, we must answer one critical question: what is Matthew 24 about—the future program for Israel or the end of the age events for all

believers, including the church? Kalbach presents extensive arguments that show a different timing and sequence of events than is usually taught by proponents of the pretribulation rapture position. His in-depth study adheres to a most literal interpretation method. The Sign of the End of the Age seeks to bring a deeper understanding of the end-times period, vital in a world that shows every sign that this time is near.

An Outline of the End Times - PT Nicholson
2016-12-15

An Outline of the End Times is written by a layperson for laypeople. In an attempt to be comprehensive yet concise and thorough, PT Nicholson explores prophetic scripture in relation to the end times. He weighs up counterarguments of key issues that divide Christians regarding the tribulation and the millennium and carefully synthesizes an outline of events without overlooking difficulties. Combined with exhaustive scripture references,

he uses charts, tables, maps, sketches, and graphs to explain issues and analyse topics as succinctly as possible. About 25 percent of the Bible is prophecy and, according to a well-known and respected scholar on Bible prophecy, John Walvoord, five hundred of one thousand prophetic events remain unfulfilled. Yet many Christians have only a vague notion of how end-time events will unfold due to inadequate teaching and a shortage of comprehensively researched books on the subject. An Outline of the End Times serves as a reference resource to help meet this need.

THE EXCITING TRUTH ABOUT THE END-TIMES - B. Vincent Shelton 2014-10-29

The prophets of old warned that certain "key" end-time prophecies wouldn't be revealed until "the time of the end." For centuries, scholars have curiously wandered through a valley of endless supposition, hoping to stumble upon a proper understanding of "end-time" events. Hence, much of our teaching about the "latter days" is not strongly supported by scripture!

Well, finally, the “the time of the end” has come! Today, we can scripturally prove the answers to questions like: • Will the Rapture of the Church occur before, during, or after “The Great Tribulation Period?” • Will the “Beast” really be a man? • Will the “Door of Salvation” still be open when the tribulation period ends? • Who or what are the “two-hundred million killer horsemen” in John’s vision? • Is our interpretation of end-time prophecy “emotionally obscured?” The scripturally sound answers to these questions will likely surprise you!

Daniel - Todd Wilson 2015-06-15

The Knowing the Bible series is a resource designed to help Bible readers better understand and apply God's Word. These 12-week study lead participants through books of the Bible and are made up of four basic components: (1) Reflection questions help readers engage the text at a deeper level; (2) "Gospel Glimpses" highlight the gospel of grace throughout the book; (3) "Whole-Bible Connections" show how any given passage connects to the Bible's overarching story of redemption, culminating in Christ; and (4)

"Theological Soundings" identify how historic orthodox doctrines are taught or reinforced throughout Scripture. With contributions from an array of influential pastors and church leaders, these gospel-centered studies will help Christians see and cherish the message of God's grace on each and every page of the Bible. The book of Daniel has all the makings of a great story: memorable characters, cliff-hanging moments, and incredible visions. Yet we miss the point if we pay more attention to Daniel's story than we pay to Daniel's God. In this helpful study, readers will see how this fascinating biblical book ultimately points to the sovereign Lord of history, who rules over all earthly kingdoms and whose plans cannot be thwarted. [Prophecy's Architecture: How to Build an End-Times Doctrine](#) - Cameron Fultz 2005-05
With so much debate these days over the timing and sequence of end-times events, is there any hope of believers settling issues like the start of the 70th Week, the Second Coming of Christ,

and the rapture of the Church in their own minds? The answer is unequivocally yes. Cameron Fultz, an end-times prophecy teacher and architect by trade, argues that, like a well-designed building, a biblical doctrine-any biblical doctrine-must start with a good foundation. This foundation must be built using the clearest, most explicit verses that directly address the subject at hand. On this foundation, we lay the secondary verses to add depth to the interpretation, followed by the tertiary verses, which layer on beauty and fine detail. In these pages, Fultz outlines this methodology, then uses it to build a doctrine on the issue of end-times timing and sequence. He starts by listing all of the verses that address the subject, both directly and indirectly, then builds the doctrine piece-by-piece. Using simple logic and precision, combined with abundant charts for easy comprehension, Fultz illustrates how, like a well-designed building, good biblical exegesis results in a precise, trustworthy result. Prophecy's

Architecture will challenge those who are already committed to or unsure about today's ready-made explanations, and give others who don't know what they believe a systematic method for discovering answers for themselves. [The Apocalypse Code](#) - Hank Hanegraaff
2010-09-20

Hank Hanegraaff reveals the code to Revelation. Breaking the code of the book of Revelation has become an international obsession. The result, according to Hank Hanegraaff, has been rampant misreading of Scripture, bad theology, and even bad politics and foreign policy. Hanegraaff argues that the key to understanding the last book of the Bible is the other sixty-five books of the Bible — not current events or recent history and certainly not any complicated charts. The Apocalypse Code offers sane answers to some very controversial questions: What does it mean to take the book of Revelation (and the rest of the Bible) literally? Who are the “Antichrist” and the “Great Whore of

Babylon,"and what is the real meaning of "666"? How does our view of the end times change the way we think about the crisis in the Middle East? Are two-thirds of all Jews really headed for an apocalyptic holocaust? The Apocalypse Code is a call to understand what the Bible really says about the end times and why how we understand it matters so much in today's world.

"Provocative and passionate, this fascinating book is a must-read for everyone who's interested in end-times controversies." — Lee Strobel, Author, *The Case for the Real Jesus*
"This book is a withering and unrelenting critique of the positions of apocalyptic enthusiasts such as Tim LaHaye. Every fan of the Left Behind series should read this book. The fog will clear, and common sense will return to our reading of the Bible." — Gary M. Burge, Professor of New Testament, Wheaton College and Graduate School

[The Rapture & End Times Prophecies For Beginners](#) - Hugh Wesley Wilson 2014-10-10
Does what you see happening in our world today make you wonder just what the future holds? You've probably heard, read or seen on TV the predictions of Nostredomus, the I-Ching, the Mayen Calender, Merlin or others, but have you read just what the Bible has to say about the future. You will be amazed at what you see unfolding in the world today and how clearly the

bible foretells these events. Do you know that the bible paints two different pictures of Jesus returning, first one in which he doesn't return back down to the earth, he only returns in the air and removes those that the bible refers to as 'in him', they will not experience death but will return with him back to heaven. This has now become known as the Rapture. If you have never read what the Bible has to say about what the Church calls end time prophecies, if you don't know what is referred to as the Rapture, or what the difference between the Rapture and the 2nd coming of Jesus is then this book is for you. After reading this book you should have a good foundation on Bible prophecy and what the future holds. The end is actually a glorious one.

What in the World is Going On? - Dr. David Jeremiah 2010-08-08

In the New York Times best-selling book, *What in the World Is Going On?*, Dr. David Jeremiah answers the hard questions, including these: "How is prophecy playing out in modern

Europe?" "Why does Israel matter?" "How are oil reserves and Islamic terrorism related?" "Does the United States play a role in prophecy?" "How should we live in the end times?" The Bible has plenty to say about end times. But until now, there has been no other book that—in straightforward prose that's easy to understand—gathers ten scriptural prophecies, lays out a chronological checklist, and offers a guideline for sorting it all out. In *What in the World Is Going On?* Dr. David Jeremiah answers the hard questions, including these: "How is prophecy playing out in modern Europe?" "Why does Israel matter?" "How are oil reserves and Islamic terrorism related?" "Does the United States play a role in prophecy?" "How should we live in the end times?" Events unfolding in today's world are certainly unsettling, but they need not be confusing or frightening. Now you can know the meaning behind what you see in the daily news—and understand what in the world is going on! "A clear, compelling primer

on God's heart for Israel and the dramatic Bible prophecies that will unfold in these last days. What I loved most is that David Jeremiah unashamedly examines and explains the biggest global trends of our day through the Third Lens of Scripture. And his description of Jesus' unconditional love and compassion for Jews and Muslims is alone worth the read!" —Joel C. Rosenberg, New York Times best-selling author, *The Last Jihad and Epicenter: Why the Current Rumbblings in the Middle East Will Change Your World*

[The End Times and Beyond](#) - L. Doug Harberson
2018-09-24

I was asked recently why I decided to write this book when there are numerous "famous" authors on the subject? The question took me by surprise, but as I pondered my reasons, my response was two-fold: - I wanted to write a book that the general public (lay persons) could read with a high degree of comprehension, using word structure that is common in everyday

language. - I wanted the book to lend itself to being used as the material for a detailed Bible study on the end-times. I am currently working on a journal to complement the book. As the reader works through the chapters of this book, he/she will discover: - how Daniel's prophecies predict the seven years of Tribulation. These prophecies serve as the backbone of this book; - why Christ chose the seven churches in chapters 2 and 3; - details about the rapture . . . when it will occur, who is involved""Don't be left behind; - details of the Judgment Seat of Christ; - details of the Four Horsemen of the Apocalypse; - description of the Seven Seals, Seven Trumpets, and Seven Bowls""when they occur, their devastation and purpose; - the Antichrist""discussed in detail; - details about the great revival during the first months of Tribulation; - who the two witnesses are and their purpose during the first half of Tribulation; - details regarding the Marriage Supper of the Lamb; - fascinating details of the Glorious

Appearing and Armageddon; - surprising revelations about Satan; - details of the Judgment of the Sheep and Goats and the Great White Throne Judgment; - fascinating details about the Millennial Reign of Christ; - how many Books of Life exist. Are there more than one? - a full discussion of the New Heaven and New Earth; - the author's "time line" of events that happened during the seven-year Tribulation Period and beyond.

Piecing Together Bible Prophecy - Don Walton 2012-04

The Rubik's Cube of Bible Prophecy is the first volume in a series entitled Piecing Together Bible Prophecy. The series is intended to ultimately provide the reader with a fairly thorough panorama of Bible prophecy that will serve as a scripturally sound summary of this most intriguing and important topic. Although the subject is unavoidably sensational, this series will attempt to steer clear of over-sensationalizing the subject. It will also attempt

to present the reader with a different take on Bible prophecy than the traditional and popular theories of our day. This first volume lays the foundation for all that will follow by familiarizing the reader with the fundamentals of Bible prophecy. It asks and answers such important questions as: (1) Why should we study Bible prophecy? (2) How should we interpret Bible prophecy? (3) How did we end up with so many convoluted and contradictory schools of thought? and (4) How should we define the prominent terms employed today in the study of this most pertinent topic?

In the Beginning - Guy Jacques 2015-04-01

This book is the first of three in a series focused on an extraordinary adventure as we discover the very heart of prophecy from the beginning as it was set forth in the book of Genesis. The very events which occurred in the first book of the Bible have in fact laid the foundation for all end

time prophecy as set forth through later prophets. Without a firm grasp of the prophetic message in the beginning of time, we will build our foundation on sand. After reading *In the Beginning*, you will never view prophecy the same way again as you will begin to see the unveiling of many mysteries that have been long forgotten. This book serves as a piece of study literature investigating the vast prophetic messages place in the word of God for us to learn. At the end of this book, the reader will gain profound insight into the many spiritual workings rooted in the book of Genesis and how it sets the stage for the Lord's second advent. The aim in our investigation is to spark the reader into taking on a magnificent prophetic journey of their own with the Lord and bless someone else.

Revelation Unraveled - William R. Villanueva
2009-07

Before widespread use of the Internet, before 9/11, and before our preoccupation with modern day terrorism, Mr. Villanueva wrote a concise and compelling view of what the Book of Revelation says will happen as the day of Christ's return to Earth draws near. The facts presented in Revelation Unraveled continue to unfold as stated with the most important events yet to come. The book's emphasis on Scripture gives the reader a thorough knowledge of what the Bible has to say about end time events in a

seamless and captivating way. Any person with the slightest interest in understanding why world events are happening the way they are and what the Bible says about a coming world

government, cashless society, the Great Tribulation and Final Judgment owe it to themselves to read this book. It serves as a wake-up call to complacent Christians and non-believers alike.
