**Clarice Bean, That's Me** - Lauren Child 1999

A girl describes the hectic life she leads among the members of her large family, and her search for a little peace and quiet.

**You'll Never Eat Lunch in This Town Again** - Julia Phillips 2017-02-14

"The Hollywood memoir that tells all . . . Sex. Drugs. Greed. Why, it sounds just like a movie."—The New York Times Every memoir claims to bare it all, but Julia Phillips's actually does. This is an addictive, gloves-off exposé from the producer of the classic films *The Sting*, *Taxi Driver*, and *Close Encounters of the Third Kind*—and the first woman ever to win an Academy Award for Best Picture—who made her name in Hollywood during the halcyon seventies and the yuppie-infested eighties and lived to tell the tale. Wickedly funny and surprisingly moving, *You'll Never Eat Lunch in This Town Again* takes you on a trip through the dream-manufacturing capital of the world and into the vortex of drug addiction and rehab on the arm of one who saw it all, did it all, and took her leave. Praise for *You'll Never Eat Lunch in This Town Again* "One of the most honest books ever written about one of the most dishonest towns ever created."—The Boston Globe "Gossip too hot for even the National Enquirer . . . Julia Phillips is not so much Hollywood's Boswell as its Dante."—Los Angeles Magazine "A blistering look at La La Land."—USA Today "One of the nastiest, tastiest tell-alls in showbiz history."—People *I Can Do Anything That's Everything All On My Own* - Lauren Child 2008-01-10

Today Lola wants to do everything all on her own, but things aren't as easy as she thought they'd be. In the park, when Charlie and his friend Marv explain to Lola that a seesaw won't "see" or "saw" with only one person on it, Lola reluctantly lets them sit on the other end. When Lola soars into the sky, it launches her into an elaborate high-seas fantasy where she saves Marv and Charlie from ever-soevil pirates. All on her own!

**I Will Not Ever Never Eat a Tomato** - Lauren Child 2012-09

A Kate Greenaway Medal winning story about fussy eating, from Children's Laureate Lauren Child. Lola will not eat peas. In fact, she won't eat carrots, potatoes, mushrooms, eggs, sausages, cauliflower, cabbage or baked beans. And she absolutely will not EVER eat a tomato. But then Charlie explains to Lola that these are not peas - these are green drops from Greenland. And those orange things that look like carrots are actually twiglets from Jupiter. And, suddenly, even Lola is tempted to clear her plate. Now in a chunky board book, perfect for sharing with the very youngest Charlie and Lola fans. As seen on CBeebies! 'A superb book to make you laugh out loud' - Bookseller 'So good it's exhilarating' - Independent

**Never Eat Alone** - Keith Ferrazzi 2014-06-05

An updated and expanded edition of the runaway bestseller *Never Eat Alone* by Keith Ferrazzi Proven advice on networking for success: over 400,000 copies sold. As Keith Ferrazzi discovered early in life, what distinguishes highly successful people from everyone else is the way they use the power of relationships - so that everyone wins. His form of connecting to the world around him is based on generosity and he distinguishes genuine relationship-building from the crude, desperate glad-handling usually associated with 'networking'. In *Never Eat Alone*, Ferrazzi lays out the specific steps - and inner mindset - he uses to reach out to connect with the thousands of colleagues, friends, and associates on his Rolodex, people he has helped and who have helped him. He then distills his system of reaching out to people into practical, proven principles. Keith Ferrazzi is founder and CEO of Ferrazzi Greenlight, a marketing and sales consulting company. He is the author of the #1 New York Times bestseller *Who's Got Your Back* and has been a contributor to *Inc.*, the *Wall Street Journal*, and *Harvard Business Review*. Previously, he was CMO of Deloitte Consulting and at Starwood Hotels & Resorts, and CEO of YaYa media. He lives in Los Angeles and New York.

**Good Enough to Eat** - Lizzy Rockwell 2009-02-01

An introduction to nutrition describes the six categories of nutrients needed for good health, how they work in the body, and what foods provide each, as well as food experiments and recipes, in a kid-friendly format. Reprint.

*Where the Crawdads Sing (Movie Tie-In)* - Delia Owens 2022-06-28 NOW A MAJOR MOTION PICTURE The #1 New York Times bestselling worldwide sensation with more than 15 million copies sold, "a painfully beautiful first novel that is at once a murder mystery, a coming-of-age narrative and a celebration of nature" (The New York Times Book Review). For years, rumors of the "Marsh Girl" have haunted Barkley Cove, a quiet town on the North Carolina coast. So in late 1969, when handsome Chase Andrews is found dead, the locals immediately suspect Kya Clark, the so-called Marsh Girl. But Kya is not what they say. Sensitive and intelligent, she has survived for years alone in the marsh that she calls home, finding friends in the gulls and lessons in the sand. Then the time comes when she yearns to be touched and loved. When two young men from town become intrigued by her wild beauty, Kya opens herself to a new life—until the unthinkable happens. *Where the Crawdads Sing* is at once an exquisite ode to the natural world, a heartbreaking coming-of-age story, and a surprising tale of possible murder. Delia Owens reminds us that we are forever shaped by the children we once were, and that we are all subject to the beautiful and violent secrets that nature keeps.

**Never Eat Your Heart Out** - Judith Moore 2006

Another brilliant memoir from the author of *Fat Girl*, subtle and sometimes heart-stopping: a virtuoso middle American version of *Like Water for Chocolate* for anyone who has ever been to a potluck supper, and some of the best new writing about how women (and men) cook, eat and feel. Here Judith Moore recollects the good, strange and terrible dramas of her life and memorably relates them to food. Here are the mud pies she made as a toddler, supertime stories with her father, the pig killings of her monstrous grandmother, the monthly potluck supper in a typical middleclass township, the gourmet glories she concocted during the year she became an adulteress and was happier than ever before ...

**I Will Not Eat You** - Adam Lehrhaupt 2016-09-06

"Magoon's exuberant art recalls classic characters, most particularly Max in his wolf suit...Fanciful pretend play for the dragon-slaying preschooler." —Kirkus Reviews "The dark color palette and mischievous nature of the text are reminiscent of Jon Klassen's *I Want My Hat Back* (2011)—albeit with a different final outcome." —Booklist From the award-winning author of *Warning: Do Not Open This Book!* and beloved illustrator Scott Magoon comes a suspenseful and darkly funny new picture book about a creature who resists the urge to eat the animals that wander into his cave...at least for now! Theodore thinks everything is a potential meal. Lucky for the bird, wolf, and tiger, who pass by his cave, Theodore isn't hungry...yet. But then something new approaches. A boy. Has Theodore found a new favorite food? Or something more?

**Max Opposite** - Meldon J. Wright 2012-02-01

Max Opposite What do you do when you can't control what you do, When your brain behaves in mysterious ways, When you're only 13, And discover your life is a lie? What do you do, When your search for the truth, Plunges you into a nightmare? "Max has it all: action, adventure, international settings, a touch of romance and a sci-fi tilt. Great read for all ages." - A. H. (Auckland, New Zealand) "Rachel, do you dream?" "Of course I do. Everyone does." "Do you always have the same dream?" "Ah, no, that'd be pretty weird." "I thought so." "So what's this about, Max?" "I have the same dream every single night. Always have, for as long as I can remember." "That's definitely not normal. Even recurring dreams don't stay forever." "Fast moving with a clever plot. Max kept me completely involved. Thoroughly enjoyable...waiting for the next episode." - J. G. (Sydney, Australia) "Max makes Harry Potter look wimpy! Great characters and an absolutely fantastic story." - P. L. (South Carolina,

U.S.A.)Max OppositeEvery morning, thirteen year old Max wakes from the same dream, scans his bedroom and waits for his memories to return. Every morning, when they do, he takes a deep breath and prepares for another day of humiliating events: Nicknamed 'Opposite' at school, Max is known for bizarre and inexplicable behaviour. Tired of being the fool, Max begins to question his purpose in life. What is wrong with him? Why does his mother keep secrets from him? Where does she secretly go at night?With the help of Rachel, his only friend, Max sets out to find the answers, and is quickly drawn into a world of danger far beyond any of the problems faced at school. Soon he and Rachel find themselves at odds with one of the most ruthless and wealthy criminal masterminds the world has ever known.In an international battle for survival, Max is forced to face the truth about himself, and soon realises that it's not easy being thirteen and discovering that your whole life has been a lie. It's not easy being Max Opposite.

*Fussy Flamingo* - Shelly Vaughan James 2020-08-07

A hilarious and colorful children's book about a stubborn baby flamingo and her encouraging parents, perfect for fans of Grumpy Monkey and I Don't Want to Be a Frog. Meet Lola, the "no, no" flamingo. Lola will NOT eat shrimp, thank you very much. She does NOT care that it will turn her feathers pink. It is just plain yucky. But each time Lola sneaks a different food, she changes colors! This funny visual tale will delight even the pickiest of young readers and resonate with parents eager to see their kids try just one bite. This repetitive and charming tale is a good story time pick, and it's also great for toddlers, preschoolers and early readers who may be fussy about certain foods! Don't miss the fun facts about real life flamingos in the back, a cool STEM supplement! Perfect for buyers who want: Great read aloud books like The Wonky Donkey and We Don't Eat Our Classmates Childrens books about food Flamingo gifts for little girls and boys Picture books about picky eating Toddler books 2 year olds, books for 3 year olds, and kids books ages 4-6 Praise for Fussy Flamingo: "Try it. You'll like it."—Kirkus Reviews

*Bright Line Eating* - Susan Peirce Thompson, PHD 2021-01-05

A NEW YORK TIMES BESTSELLER Foreword by John Robbins, author of the international bestseller Diet for A New America In this book, Susan Peirce Thompson, Ph.D. shares the groundbreaking weight-loss solution based on her highly acclaimed Bright Line Eating Boot Camps. Rooted in cutting-edge neuroscience, psychology, and biology, Bright Line Eating explains why people who are desperate to lose weight fail again and again: it's because the brain blocks weight loss. Bright Line Eating (BLE) is a simple approach designed to reverse that process. By working with four "Bright Lines"—clear, unambiguous, boundaries—Susan Peirce Thompson shows us how to heal our brain and shift it into a mode where it is ready to shed pounds, release cravings, and stop sabotaging our weight loss goals.Best of all, it is a program that understands that willpower cannot be relied on, and sets us up to be successful anyway. Through the lens of Susan's own moving story, and those of her Bright Lifers, you'll discover firsthand why traditional diet and exercise plans have failed in the past. You'll also learn about the role addictive susceptibility plays in your personal weight-loss journey, where cravings come from, how to rewire your brain so they disappear, and more. Susan guides you through the phases of Bright Line Eating—from weight loss to maintenance and beyond—and offers a dynamic food plan that will work for anyone, whether you're vegan, gluten-free, paleo, or none of the above. Bright Line Eating frees us from the obesity cycle and introduces a radical plan for sustainable weight loss. It's a game changer in a game that desperately needs changing.

**I Will Not Ever Never Eat a Tomato** - Lauren Child 2007

Traditional Chinese edition of I Will Never Not Ever Eat a Tomato (Charlie and Lola). Charlie used his imagination to turn Lola - the finicky eater - into trying something fantastic. Distributed by Tsai Fong Books, Inc.

*The Berenstain Bears and the Wishing Star* - Jan Berenstain 2005-08-30 When Mama Bear teaches the cubs about the wishing star, Sister Bear immediately wishes as hard as she can for the special teddy she saw in a store window. She's thrilled when her wish comes true on her birthday. But what will happen when she sets her heart on a white pony? In this engaging story of essential lessons, Brother Bear teaches his sister about the magic of the wishing star, and the dangers of being greedy. Beginning readers will learn, along with Sister Bear, about the rewards of hard work.

*I Will Never Not Ever Eat a Tomato* - Lauren Child 2000

A fussy eater decides to sample the carrots after her brother convinces her that they are really orange twiglets from Jupiter.

**Never Eat Shredded Wheat** - James M. Russell 2018-10-18

Our memories are mysterious things. One moment we might remember a lengthy poem or the exact street address of a restaurant from our childhood. But the next moment we can struggle to recall where we've put our keys down or the name of the person we have just been introduced to. The human mind is not terribly good at remembering abstract data - but we can do it much more successfully if we create associations with more relatable bits of information, such as familiar people, places, colours, poems or jokes. The mnemonics that many of us learned as children are simply a shortcut to help locate information within your memory. For instance, rather than remember that the clockwise order of the points of the compass is North, East, South, West, we remember the mnemonic 'Never Eat Shredded Wheat', and the combination of humour and a visual reference provides an instant cue for our brains. This book is a cornucopia of mnemonics. Amusing as well as informative, it includes well-known examples that you might remember from school, some of which have been in use for centuries, as well as more recent ones and alternatives to the traditional versions. Ranging across history, science, language, numbers, business, art and much, much more, the mnemonics included here provide quick easy access to a vast amount of fascinating and useful information. In addition, there are sections on working out your own methods and systems to augment the existing mnemonics with your own aides-mémoire, which can help you with everyday tasks such as avoiding common misspellings, or remembering names, faces and numbers.

**Never Eat More Than You Can Lift, and Other Food Quotes and Quips** - Sharon Tyler Herbst 1997

Over 1,500 quotes from the famous and the infamous combine with over 50 mouth-watering recipes and interesting anecdotes, food facts, and cooking tips in Sharon Tyler Herbst's unique cookbook. Enjoy witticisms from the likes of Erma Bombeck, Julia Child, Nora Ephron, W.C. Fields, Thomas Jefferson, Charles Kuralt, Miss Piggy, Paul Newman, Dolly Parton, Wolfgang Puck, Joan Rivers, Andy Rooney, Barbra Streisand, Oprah Winfrey and others as you cook!

*Turning This Thing Around* - Keith Maginn 2012-12-22

Turning This Thing Around is an inspiring memoir of overcoming personal struggles. This brutally honest, deeply personal account of redemption takes readers on a moving spiritual journey.Confronted with a myriad of obstacles—a debilitating arthritic disease, narcolepsy, anxiety and depression—the author was outwardly happy, but inwardly miserable. Pushed to the lowest point of his life, Maginn shares how he gradually turned things around and used his experiences to grow as a person.Supplemented by heartfelt poetry by the author and with quotes from Gandhi to Dr. Wayne Dyer to Eckhart Tolle, Turning This Thing Around has universal themes that speak to nearly everyone, as we all must face challenges as part of being human. It is a self-help memoir of sorts: the author discusses not only what he overcame, but also how he did so—and how others can, too. Unlike many popular memoirs on the market, this is a story that more people can relate to. Maginn was not raised in an eccentric family (Jeannette Walls in The Glass Castle, memoirs by Augusten Burroughs), nor did he travel to Italy, India and Indonesia, as Elizabeth Gilbert did in Eat, Pray, Love. Rather, Turning This Thing Around is a story of a normal young man's resiliency when battling extraordinary circumstances.

**That Pesky Rat** - Lauren Child 2016-02-25

A funny, touching picture book from Children's Laureate, and Charlie and Lola creator, Lauren Child. Rat lives in dustbin Number 3, Grubby Alley. At night, when he's tucked up in his crisp packet, Rat looks up at all the cosy windows and wonders what it would be like to belong to somebody. To be an actual pet. To have a home of his own . . . Gently exploring themes of homelessness and poverty, this is the perfect way to talk about this often tricky subject with young children and encourage them to empathise with others. At least 10% of the purchase price of every copy of That Pesky Rat sold will be donated to St Mungo's Broadway, a charity providing help, support and advice to people who are homeless or at risk of homelessness. 'Clever, rewarding and hugely enjoyable' Guardian 'Another little masterpiece from Lauren Child' Mail on Sunday Winner of the Nestle Children's Book Prize Gold Award

**But My Family Would Never Eat Vegan!** - Kristy Turner 2016-11-15

Do your kids think tempeh is weird? Does your partner worry that a vegan diet isn't well balanced? Do your parents just not get it? Well it's time to win them over! With her first cookbook, But I Could Never Go Vegan!, Kristy Turner deliciously refuted every common excuse to prove that, yes, anyone can go vegan. Now, But My Family Would Never Eat Vegan! serves up 125 all-new, scrumptious, satisfying recipes—organized around 20 too-familiar objections to eating vegan as a family: Don't have

time to cook elaborate family dinners? Whip up an easy weeknight solution: Quick Cauliflower Curry, BBQ Chickpea Salad, or Cheesy Quinoa & Veggies. Worried about satisfying the "meat and potatoes" eaters? Wow them with Lazy Vegan Chile Relleno Casserole, Jackfruit Carnitas Burrito Bowl, or Ultimate Twice-Baked Potatoes. Hosting a special event? Try Pizzadillas for game day, Champagne Cupcakes for bridal showers, Maple-Miso Tempeh Cutlets for Thanksgiving, or Herbed Tofu Burgers for your next potluck. Easy-to-follow, bursting-with-flavor recipes—free of all animal products!--make it easier than ever to please vegans and non-vegans at gatherings. Even your most skeptical relatives will be begging for more!

*The TB12 Method* - Tom Brady 2020-07-28

The #1 New York Times bestseller by the 6-time Super Bowl champion The first book by Tampa Bay Buccaneers and former New England Patriots quarterback Tom Brady—the 6-time Super Bowl champion who is still reaching unimaginable heights of excellence at 42 years old—a gorgeously illustrated and deeply practical “athlete’s bible” that reveals Brady’s revolutionary approach to sustained peak performance for athletes of all kinds and all ages. In this new edition of *The TB12 Method*, Tom Brady further explains and details the revolutionary training, conditioning, and wellness system that has kept him atop the NFL at an age when most players are deep into retirement. Brady—along with the expert Body Coaches at TB12, the performance lifestyle brand he cofounded in 2013 with Alex Guerrero—explain the principles and philosophies of pliability, a paradigm-shifting fitness concept that focuses on a more natural, healthier way of exercising, training, and living. Filled with lessons from Brady’s own training regimen, *The TB12 Method* provides step-by-step guidance on how develop and maintain one’s own peak performance while dramatically decreasing injury risks. This illustrated, highly visual manual also offers more effective approaches to functional strength & conditioning, proper hydration, supplementation, cognitive fitness, restorative sleep, and nutritious, easy-to-execute recipes to help readers fuel-up and recover. Brady steadfastly believes that the TB12 approach has kept him competitive while extending his career, and that it can make any athlete, male or female, in any sport and at any level achieve his or her own peak performance and do what they love, better and for longer. With instructions, drills, photos, in-depth case studies that Brady himself has used, along with personal anecdotes and experiences from his legendary career, *The TB12 Method* gives you a better way to train and get results with Tom Brady himself as living proof.

*A Libertarian Walks Into a Bear* - Matthew Hongoltz-Hetling 2020-09-15

A tiny American town's plans for radical self-government overlooked one hairy detail: no one told the bears. Once upon a time, a group of libertarians got together and hatched the Free Town Project, a plan to take over an American town and completely eliminate its government. In 2004, they set their sights on Grafton, NH, a barely populated settlement with one paved road. When they descended on Grafton, public funding for pretty much everything shrank: the fire department, the library, the schoolhouse. State and federal laws became meek suggestions, scarcely heard in the town's thick wilderness. The anything-goes atmosphere soon caught the attention of Grafton's neighbors: the bears. Freedom-loving citizens ignored hunting laws and regulations on food disposal. They built a tent city in an effort to get off the grid. The bears smelled food and opportunity. *A Libertarian Walks Into a Bear* is the sometimes funny, sometimes terrifying tale of what happens when a government disappears into the woods. Complete with gunplay, adventure, and backstabbing politicians, this is the ultimate story of a quintessential American experiment -- to live free or die, perhaps from a bear.

**But Never Eat Out on a Saturday Night** - Jim Quinn 1983

*I Am Not Sleepy and I Will Not Go to Bed* - Lauren Child 2001

In the follow-up to *I Will Never Not Ever Eat a Tomato*, Charlie helps Lola get ready for bed, despite the tigers, whales, and other animals that serve as obstacles.

*The Very Hungry Caterpillar* - Eric Carle 2016-11-22

The all-time classic picture book, from generation to generation, sold somewhere in the world every 30 seconds! Have you shared it with a child or grandchild in your life? For the first time, Eric Carle’s *The Very Hungry Caterpillar* is now available in e-book format, perfect for storytime anywhere. As an added bonus, it includes read-aloud audio of Eric Carle reading his classic story. This fine audio production pairs perfectly with the classic story, and it makes for a fantastic new way to encounter this famous, famished caterpillar.

**Eat That Frog!** - Brian Tracy 2008-11-13

Every idea in this book is focused on increasing your overall levels of productivity, performance, and output and on making you more valuable in whatever you do. You can apply many of these ideas to your personal life as well. Each of these twenty-one methods and techniques is complete in itself. All are necessary. One strategy might be effective in one situation and another might apply to another task. All together, these twenty-one ideas represent a smorgasbord of personal effectiveness techniques that you can use at any time, in any order or sequence that makes sense to you at the moment. The key to success is action. These principles work to bring about fast, predictable improvements in performance and results. The faster you learn and apply them, the faster you will move ahead in your career - guaranteed! There will be no limit to what you can accomplish when you learn how to Eat That Frog!

**Kitchen Confidential Updated Ed** - Anthony Bourdain 2007-01-09

A deliciously funny, delectably shocking banquet of wild-but-true tales of life in the culinary trade from Chef Anthony Bourdain, laying out his more than a quarter-century of drugs, sex, and haute cuisine—now with all-new, never-before-published material

**How to Feed Your Parents** - Ryan Miller 2018-08-07

Matilda's picky parents refuse to try new foods, so Matilda teaches herself to cook.

*Free Roll* - Brandt Tobler 2017-05-22

Have you ever wondered: What it's like to daily bet hundreds of thousands of dollars working for some of the largest professional gamblers in Las Vegas? ... How to spend a summer house sitting one of the biggest stars in the world's 11,000 square-foot mansion - without an invitation from it's celebrity owner ... Whether the life of crime - specifically, running a shoplifting ring in a middle American mall - pays? ... What causes a son to finally say enough is enough ... and decide "Today is the day I am going to kill my dad." Comedian Brandt Tobler has the answers in this funny, touching and sometimes downright unbelievable memoir of a small town Wyoming-kid turned "mall-fia" don, turned nationally touring comic. Brand tells his life story with candor, detailing the many pit stops, wrong turns, crazy connections and lucky breaks he experienced along the way to his comedy career, all while trying to balance a toxic relationship with his unreliable jailbird dad. In these pages Brandt will make you laugh (he better - it's his job!) and believe as he does that, when it comes to defining family, blood isn't always thicker than water. -- back cover.

*Never Eat Shredded Wheat* - Christopher Somerville 2010-08-19

Bognor Regis...Aberystwyth...Glasgow...Can you place them on a map? Most people can't these days. What kind of countryside do you pass through on your way to the Cairngorms, or the Fens, or Northumberland? What's north of the Pennines? And what's it like when you get there? Most folk wouldn't have a clue. Increasing numbers of us don't have a basic geographical notion of these islands. Blame it on a decline in formal geography teaching, or Sat-Nav and other 'A to Z and nothing in between' devices that make us lazy -- we are becoming the best travelled and least well orientated Britons ever seen. Now Christopher Somerville, bestselling author of *Coast* and many other books of UK exploration, presents the basics of what belongs where, which counties border one another, and what lies beyond the Watford Gap. He reminds us of the watery bits, the lumpy bits and the flat bits, and gets to grips with the smaller islands surrounding Britain -- and much more. *Never Eat Shredded Wheat* is a reminder of all the fascinating British geography once learned at school - geography that brings our islands vividly to life - geography which we have forgotten, or never even knew.

**The Brain That Changes Itself** - Norman Doidge 2007-03-15

“Fascinating. Doidge’s book is a remarkable and hopeful portrait of the endless adaptability of the human brain.”—Oliver Sacks, MD, author of *The Man Who Mistook His Wife for a Hat* What is neuroplasticity? Is it possible to change your brain? Norman Doidge’s inspiring guide to the new brain science explains all of this and more An astonishing new science called neuroplasticity is overthrowing the centuries-old notion that the human brain is immutable, and proving that it is, in fact, possible to change your brain. Psychoanalyst, Norman Doidge, M.D., traveled the country to meet both the brilliant scientists championing neuroplasticity, its healing powers, and the people whose lives they’ve transformed—people whose mental limitations, brain damage or brain trauma were seen as unalterable. We see a woman born with half a brain that rewired itself to work as a whole, blind people who learn to see, learning disorders cured, IQs raised, aging brains rejuvenated, stroke patients learning to speak, children with cerebral palsy learning to move with more grace, depression and anxiety disorders successfully treated,

and lifelong character traits changed. Using these marvelous stories to probe mysteries of the body, emotion, love, sex, culture, and education, Dr. Doidge has written an immensely moving, inspiring book that will permanently alter the way we look at our brains, human nature, and human potential.

*Aliens Love Dinopants* - Claire Freedman 2016-05-17

It's an out of this world underpants war in this laugh-out-loud picture book from the team that brought you *Monsters Love Underpants*, *Dinosaurs Love Underpants*, and *Pirates Love Underpants*. When aliens crash-land in the jungle, they have no idea that they are about to stumble into the biggest stash of underwear ever. Their happiness knows no bounds since all aliens share a love for zany underpants! But what will happen when the prehistoric owners of the oversized stash turn up?

**Charlie and Lola: Exactly One Numbers Sticker Activity Book** - Lauren Child 2019-05-21

Charlie and Lola explore the world of numbers in a new way with a range of activities including counting, number recognition and simple sums. Each activity page provides suggestions as to how to complete the activity creatively using brilliantly fun stickers. Helping Lola practise her numbers and her sums is the perfect way to improve and build confidence in the first stages of early learning. This numbers-themed activity book is also publishing alongside *A Very Shiny Wipe-Clean Letters Activity Book*. From Children's Laureate and Kate Greenaway Medal winner Lauren Child.

*Alice in wonderland* - Lewis Carroll 1980

**We Don't Eat Our Classmates** - Ryan T. Higgins 2018-06-19

It's the first day of school for Penelope Rex, and she can't wait to meet her classmates. But it's hard to make human friends when they're so darn delicious! That is, until Penelope gets a taste of her own medicine and finds she may not be at the top of the food chain after all. . . . Readers will gobble up this hilarious new story from award-winning author-illustrator Ryan T. Higgins.

**It Ends with Us** - Colleen Hoover 2020-07-28

In this "brave and heartbreaking novel that digs its claws into you and doesn't let go, long after you've finished it" (Anna Todd, *New York Times* bestselling author) from the #1 *New York Times* bestselling author of *All Your Perfects*, a workaholic with a too-good-to-be-true romance can't stop thinking about her first love. Lily hasn't always had it easy, but that's never stopped her from working hard for the life she wants. She's come a long way from the small town where she grew up—she graduated from college, moved to Boston, and started her own business. And when she feels a spark with a gorgeous neurosurgeon named Ryle Kincaid, everything in Lily's life seems too good to be true. Ryle is assertive,

stubborn, maybe even a little arrogant. He's also sensitive, brilliant, and has a total soft spot for Lily. And the way he looks in scrubs certainly doesn't hurt. Lily can't get him out of her head. But Ryle's complete aversion to relationships is disturbing. Even as Lily finds herself becoming the exception to his "no dating" rule, she can't help but wonder what made him that way in the first place. As questions about her new relationship overwhelm her, so do thoughts of Atlas Corrigan—her first love and a link to the past she left behind. He was her kindred spirit, her protector. When Atlas suddenly reappears, everything Lily has built with Ryle is threatened. An honest, evocative, and tender novel, *It Ends with Us* is "a glorious and touching read, a forever keeper. The kind of book that gets handed down" (USA TODAY).

*I Will Not Ever Never Eat a Tomato* - Lauren Child 2010-06-03

A beautifully produced and exquisitely designed slipcase anniversary edition of the award-winning and classic first ever *Charlie and Lola* picture book. Linen bound with never-seen-before sketches of these enduring characters and a note from the author, this is an edition to be treasured.

*My Child Won't Eat* - Carlos González 2020-06-11

Parents everywhere worry about what their babies and toddlers will and won't eat, and whether they are getting the nutrients they need. In *My Child Won't Eat* Dr Carlos Gonzalez, a renowned paediatrician and father of three, tackles these fears, exploring why some children refuse food, the pitfalls of growth charts, and how growth and activity affect a child's appetite and nutritional needs. He explains how eating problems start and how they can be avoided, and reassures parents that their only job is to provide healthy food choices: trying to force a child to eat more is a recipe for disaster and can lead to tears and tantrums and even health problems in later life. With real-life case studies, and a calm and practical tone, *My Child Won't Eat* will answer many questions parents have about feeding their young children, from breastfeeding and introducing solid foods, to encouraging older children to eat vegetables. *Why Should I Eat Well?* - 2009

**Monsters Don't Eat Broccoli** - Barbara Jean Hicks 2014-08-05

What do monsters eat? The waitress in this restaurant just doesn't have a clue. Monsters don't eat broccoli! How could she think we do? In this rollicking picture book written by Barbara Jean Hicks and illustrated by Sue Hendra, monsters insist they don't like broccoli. They'd rather snack on tractors or a rocket ship or two, or tender trailer tidbits, or a wheely, steely stew. But boy do those trees they're munching on look an awful lot like broccoli. Maybe vegetables aren't so bad after all! This hilarious book will have youngsters laughing out loud and craving healthy monster snacks of their own.
