

I Was Saddams Son

Eventually, you will definitely discover a new experience and expertise by spending more cash. yet when? complete you agree to that you require to acquire those all needs next having significantly cash? Why dont you attempt to get something basic in the beginning? Thats something that will guide you to understand even more in relation to the globe, experience, some places, next history, amusement, and a lot more?

It is your very own era to function reviewing habit. in the middle of guides you could enjoy now is **I Was Saddams Son** below.

[Playing Atari With Saddam Hussein](#) - Jennifer Roy 2018-02-06

At the start of 1991, eleven-year-old Ali Fadhil was consumed by his love for soccer, video games, and American television shows. Then, on January 17, Iraq's dictator Saddam Hussein went to war with thirty-four nations led by the United States. Over the next forty-three days, Ali and his family survived bombings, food shortages, and constant fear. Ali and his brothers played soccer on the abandoned streets of their Basra neighborhood, wondering when or if their medic father would return from the war front.

Cinematic, accessible, and timely, this is the story of one ordinary kid's view of life during war.

Out of the Ashes - Andrew Cockburn 2000

An expose of the internal feuds in the CIA that doomed the secret operations to bring down Saddam Hussein. The authors are investigative journalists who covered the story from inside Iraq. They offer insights into the psyche of Saddam and his family, bodyguards and extended tribal family, as well as his weapons of mass destruction.

[Hypnotizing the Devil](#) - Larry Garrett 2018-10-09

Everyone remembers where they were during the September 11 attacks in New York. Larry Garrett, a Chicago hypnotist, will never forget, since he was in Saddam Hussein's palace in Baghdad with Uday Hussein, Saddam's eldest son. After an assassination attempt on Uday's life, Larry Garrett was brought in to help with the recovery from the mental and physical pain. Larry writes about his account of dealing with the man often referred to as a psychopath, the CIA, a palace full of guards with machine guns,

and visiting Babylon. The conversations about American culture and Uday Hussein's very surprising views, to getting the behind the scenes account at the palace as a World War begins. Larry's account of being the only American allowed into Iraq and hypnotizing the son of the most feared family in the World, will keep you in suspense. Larry Garrett has been in practice since 1968, operating the largest hypnosis centre in Chicago. He has received nationwide recognition for his outstanding contributions in hypnosis, including the 1991 Metzinger Award (which has only been presented six times) for contributions to the field of hypnosis.

Children of Monsters - Jay Nordlinger 2017-01-10

What's it like to be the son or daughter of a dictator? A monster on the Stalin level? What's it like to bear a name synonymous with oppression, terror, and evil? Jay Nordlinger set out to answer that question, and does so in this book. He surveys 20 dictators in all. They are the worst of the worst: Stalin, Mao, Idi Amin, Pol Pot, Saddam Hussein, and so on. The book is not about them, really, though of course they figure in it. It's about their children. Some of them are absolute loyalists. They admire, revere, or worship their father. Some of them actually succeed their father as dictator--as in North Korea, Syria, and Haiti. Some of them have doubts. A couple of them become full-blown dissenters, even defectors. A few of the daughters have the experience of having their husband killed by their father. Most of these children are rocked by war, prison, exile, or other upheaval. Obviously, the children have

things in common. But they are also individuals, making of life what they can. The main thing they have in common is this: They have been dealt a very, very unusual hand. What would you do, if you were the offspring of an infamous dictator, who lords it over your country? An early reader of this book said, "There's an opera on every page": a drama, a tragedy (or even a comedy). Another reader said he had read the chapter on Bokassa "with my eyes on stalks." Meet these characters for yourself. Marvel, shudder, and ponder.

Raid on the Sun - Rodger Claire 2005-03-01

The first authorized inside account of one of the most daring—and successful—military operations in recent history. From the earliest days of his dictatorship, Saddam Hussein had vowed to destroy Israel. So when France sold Iraq a top-of-the-line nuclear reactor in 1975, the Israelis were justifiably concerned—especially when they discovered that Iraqi scientists had already formulated a secret program to extract weapons-grade plutonium from the reactor, a first critical step in creating an atomic bomb. The reactor formed the heart of a huge nuclear plant situated twelve miles from Baghdad, 1,100 kilometers from Tel Aviv. By 1981, the reactor was on the verge of becoming "hot," and Israeli Prime Minister Menachem Begin knew he would have to confront its deadly potential. He turned to Israeli Air Force commander General David Ivry to secretly plan a daring surgical strike on the reactor—a never-before-contemplated mission that would prove to be one of the most remarkable military operations of all time. Written with the full and exclusive cooperation of the Israeli Air Force high command, General Ivry (ret.), and all of the eight mission pilots (including Ilan Ramon, who became Israel's first astronaut and perished tragically in the shuttle Columbia disaster), *Raid on the Sun* tells the extraordinary story of how Israel plotted the unthinkable: defying its U.S. and European allies to eliminate Iraq's nuclear threat. In the tradition of *Black Hawk Down*, journalist Rodger Claire re-creates a gripping tale of personal sacrifice and survival, of young pilots who trained in the United States on the then-new, radically sophisticated F-16 fighter bombers, then faced a nearly insurmountable challenge:

how to fly the 1,000-plus-kilometer mission to Baghdad and back on one tank of fuel. He recounts Israeli intelligence's incredible "black ops" to sabotage construction on the French reactor and eliminate Iraqi nuclear scientists, and he gives the reader a pilot's-eye view of the action on June 7, 1981, when the planes roared off a runway on the Sinai Peninsula for the first successful destruction of a nuclear reactor in history.

I was Saddam's Son - Latif Yahya 1997

In a bizarre tale of deception, a man who posed for years as Saddam Hussein's eldest son shares the grisly story of life in Iraq's inner sanctum, giving readers a glimpse into this closed society and its horrors.

The Hangman of Abu Ghraib - Latif Yahia 2015-10-05

It tells the inside story of all the torture and executions that took place in Abu Ghraib under both the Saddam and American regimes as seen through the eyes of one man - the man who personally assassinated, tortured, hanged and shot more victims than any other man who has ever lived. It will surprise and shock readers and governments alike. Brace yourself - the giant of a man with his scarred face and the hangman's noose in his hands will soon be ready and waiting for you. Short Description of The Hangman of Abu Ghraib. Abed Ali was born a poor peasant boy who worked on a farm in Iraq. He grew up to become the most deadly assassin and prolific executioner the world has ever known. This book gives a psychological insight into the mind of a man ordered to kill or be killed himself. The ruthlessness of the Ba'ath Party regime under a dictator. The inhumanity of the American invaders under the promise of 'freedom and democracy'. It is the true story of one man's life. And the deaths of thousands of others. One man. Two regimes. The same order from both... KILL FOR US OR BE KILLED BY US..

In the Shadow of Saddam - Mikhael Ramadan 1999

Memoirs of the first of Saddam Hussein's body doubles.

Saddam Hussein - Biographiq 2008-02-01

Saddam Hussein - The Butcher of Baghdad is a biography of Saddam Hussein, the President of Iraq from 1979 until 2003. Saddam was a brutal

dictator; he was responsible for the genocide in 1987 and 1988 that claimed the lives of nearly 200,000 Kurds in Northern Iraq. He ruled Iraq until his overthrow by the American invasion in March 2003 and subsequent capture in December of that year. Hussein was executed for his crimes against humanity by hanging.

Saddam Hussein - The Butcher of Baghdad is highly recommended for those interested in the life of Saddam Hussein and the history behind his reign of terror as Iraqi leader.

Saddam Hussein - Efraim Karsh 2002

A political biography traces the rise of Saddam Hussein to one of the most powerful, and feared, political leaders in the world.

Saddam City - Maḥmūd Sa'īd 2004

One morning Mustafa Ali Noman, a teacher in Baghdad, is arrested as he reaches the school gates. For the next 15 months he is brutally interrogated and barred from contacting his family. The question of guilt or innocence clearly irrelevant, Mustafa must fight to retain a grip on reality. 'How do I know that I am not dreaming this?' he asks.

Saddam Hussein's Ba'th Party - Joseph Sassoon 2012

A unique and revealing portrait of Saddam Hussein's Iraq which was every bit as authoritarian and brutal as Stalin's Russia or Mao's China.

The Black Hole, This book is a sequel to The Devil's Double, which was made into a feature film of the same name - Latif Yahia 2014-03-31

Book Description: The Black Hole has been banned in Ireland and USA Book Shops.. is the next chapter in the extraordinary and chilling life story of author Latif Yahia. Having escaped the brutal Iraqi regime through Northern Iraq with the help of the CIA in 1992, Latif touched down in Austria. Having family in the pristine and picturesque city of Vienna, Latif is somewhat reassured that his life will be calmer now without Uday Saddam Hussein and his hedonistically violent lifestyle. Alongside Latif is Nusa, a hired girl, a plaything and ego boost for her Baghdadi clientele, although she has never been mentioned in Latif's past works the reasons for her concealment become apparent as the story unfolds. Unfortunately life was never to become the idyll that Latif desired, his

knowledge or perceived knowledge of the inner Iraqi regime was to become his saviour and his tormentor. This, left him chained and unable to move forward, as much as he wished to forget, his handlers wanted to know more. Latif became almost a prized item in the world of International Intelligence with nearly all of the world's Intelligence agencies vying for his allegiance, his pleas for neutrality and normality unheard. Ultimately Latif was to pay the price for his uncooperative stance; ten and a half months were spent in a covert Austrian/CIA prison cell in solitary confinement, until by chance his freedom was assured by a visiting judge. One would think that after such events Latif's life may take a quieter turn, this was not to be the case, the game of cat and mouse that played out across the breadth of Europe was interspersed by the tragic death of Latif's beloved father, several assassination attempts and the murder of his first real love a Saudi Arabian Princess Latif Yahia's previous books have sold over one million copies worldwide in twenty languages.

The Bomb in My Garden - Mahdi Obeidi 2005-09-26

Acclaim for the Bomb in My Garden "This one book will tell you more about Iraq's quest for weapons of mass destruction than all U.S. intelligence on the subject. It is a fascinating and rare glimpse inside Saddam Hussein's Iraq-and inside a tyrant's mind." -Fareed Zakaria, author of The Future of Freedom "The Bomb in My Garden is important and utterly gripping. The old cliché is true-you start reading, and you don't want to stop. Mahdi Obeidi's story makes clear how hard Saddam Hussein tried to develop a nuclear weapon, and the reasons he fell short. It is also unforgettable as a picture of how honorable people tried to cope with a despot's demands. I enthusiastically recommend this book." -James Fallows, National Correspondent, The Atlantic Monthly "One of the three or four accounts that anyone remotely interested in the Iraq debate will simply have to read. Apart from its insight into the workings of the Saddam nuclear project, it provides a haunting account of the atmosphere of sheer evil that permeated every crevice of Iraqi life under the old regime." -christopher hitchens, Slate "Mahdi Obeidi describes in jaw-dropping detail how Iraq

acquired the means to produce highly enriched uranium, the key ingredient to building a nuclear weapon, by the eve of the first Gulf War.

. . . [His book] offers insights into how a determined dictator, backed by sufficient resources, can come within reach of acquiring the world's most horrific weapons." -The Washington Post BookWorld

The Iran-Iraq War - Williamson Murray
2014-09-04

A comprehensive account of the Iran-Iraq War through the lens of the Iraqi regime and its senior military commanders.

Zabiba and the King - Saddam Hussein 2004

"This is an allegorical love story set in the mid-600s to the early 700s between a mighty king (Saddam) and a simple, yet beautiful commoner named Zabiba (the Iraqi people). Zabiba is married to a cruel and unloving husband (the United States) who forces himself upon her."--P. [4] of cover.

Saddam: King of Terror - Con Coughlin
2009-10-13

Insightful, penetrating, and shocking, the defining biography of Iraq's deposed tyrant. Drawing on an unparalleled network of sources, contacts, and firsthand testimonies, Con Coughlin takes us to the center of Saddam Hussein's complex, bewildering regime -- and beyond. Fully updated and revised, *Saddam: His Rise and Fall* meticulously describes how Hussein took power and immediately set about controlling every aspect of Iraqi life. Coughlin examines Hussein's regime both before and after its fall, exploring the contradictions of Saddam's private life: his sponsoring of Islamic fundamentalism while whiskey drinking and womanizing as well as his reliance on and celebration of family negated by his violent and temperamental treatment of them. With evidence from family members, servants, and staff, *Saddam: His Rise and Fall* is unique in its close-up representation of this elusive and secretive world. In all-new chapters and an epilogue, and with shocking new disclosures, Coughlin also vividly recounts the last few months of Saddam's reign and his eventual capture by American forces.

Circle of Fear - Hussein Sumaida 1991

"Hussein Sumaida, the son of one of Saddam Hussein's principal lieutenants, was a member of

the Iraqi elite. Underlying that privilege, however, was the cruelty of Ba'th Party members who used propaganda, torture, and murder to turn Iraq into a police state. Appalled, Sumaida began to work for Israeli intelligence, but he was soon discovered and awaited the worst. Surprisingly, Saddam spared his life in an unprecedented act of loyalty to Sumaida's father and put him to work as an Iraqi spy. Thus was the author drawn even deeper into Saddam's vicious system, into the circle of fear." "Hussein Sumaida's compelling story takes the reader inside the bizarre inner workings of Iraqi society and the Iraqi intelligence service, and offers a unique firsthand look at Saddam Hussein's brutal rule. Sumaida's escape from the Ba'th dictatorship is the stuff of the best spy thrillers."--BOOK JACKET. Title Summary field provided by Blackwell North America, Inc. All Rights Reserved

The Saddam Tapes - Kevin M. Woods 2011-09-26

During the 2003 war that ended Saddam Hussein's regime, coalition forces captured thousands of hours of secret recordings of meetings, phone calls and conferences.

Originally prepared by the Institute for Defense Analyses for the Office of the Undersecretary of Defense for Policy, this study presents annotated transcripts of Iraqi audio recordings of meetings between Saddam Hussein and his inner circle. The *Saddam Tapes*, along with the much larger digital collection of captured records at the National Defense University's Conflict Records Research Center, will provide researchers with important insights into the inner workings of the regime and, it is hoped, the nature of authoritarian regimes more generally. The collection has implications for a range of historical questions. How did Saddam react to the pressures of his wars? How did he manage the Machiavellian world he created? How did he react to the signals and actions of the international community on matters of war and peace? Was there a difference between the public and the private Saddam on critical matters of state? A close examination of this material in the context of events and other available evidence will address these and other questions.

Saddam's War - Kevin M. Woods 2009

Includes detailed and edited transcripts of

interviews with General Hamdani as well as a summary of insights as interpreted by the interviewers.

Debriefing the President - John Nixon

2016-12-27

Debriefing the President presents an astounding, candid portrait of one of our era's most notorious strongmen. John Nixon, the first man to conduct a prolonged interrogation of Hussein after his capture, offers expert insight into the history and mind of America's most enigmatic enemy. In December 2003, after one of the largest, most aggressive manhunts in history, US military forces captured Iraqi president Saddam Hussein near his hometown of Tikrit. Beset by body-double rumors and false alarms during a nine-month search, the Bush administration needed positive identification of the prisoner before it could make the announcement that would rocket around the world. At the time, John Nixon was a senior CIA leadership analyst who had spent years studying the Iraqi dictator. Called upon to make the official ID, Nixon looked for telltale scars and tribal tattoos and asked Hussein a list of questions only he could answer. The man was indeed Saddam Hussein, but as Nixon learned in the ensuing weeks, both he and America had greatly misunderstood just who Saddam Hussein really was. After years of parsing Hussein's leadership from afar, Nixon faithfully recounts his debriefing sessions and subsequently strips away the mythology surrounding an equally brutal and complex man. His account is not an apology, but a sobering examination of how preconceived ideas led Washington policymakers—and the Bush White House—astray. Unflinching and unprecedented, *Debriefing the President* exposes a fundamental misreading of one of the modern world's most central figures and presents a new narrative that boldly counters the received account.

Mayada, Daughter of Iraq - Jean Sasson

2004-09-07

A member of one of the most distinguished and honored families in Iraq, Mayada grew up surrounded by wealth and royalty. But when Saddam Hussein's regime took power, she was thrown into cell 52 in the infamous Baladiyat prison with seventeen other nameless, faceless women from all walks of life. To ease their suffering, these "shadow women" passed each

day by sharing their life stories. Now, through Jean Sasson, Mayada is finally able to tell her story—and theirs—to the world.

Saddam Hussein - Brian Wingate 2003-12-15

Examines the life and rule of the leader of Iraq, from his childhood, through his rise to power, the Iran-Iraq War, the first Gulf War, to his end of power.

The Devil's Double Original Book - Latif Yahia 1994-04-01

THE DEVIL'S DOUBLE: is the first of 3 autobiographical books chronicling Latif Yahia's incredible life story. It vividly describes how Latif was forced to become Uday Hussein's 'fidai' (body double) and gives a unique insight into the extreme extravagance and cruelty of the Saddam regime. Latif survived assassination attempts and witnessed Uday's psychotic temper, rapes, orgy parties, torture atrocities, and sadistic murders. The book has recently been made into a highly acclaimed movie. THE BLACK HOLE: gives a fascinating account of what happened to Latif in Europe after he escaped from Iraq. How he was treated by western governments and the CIA. How Uday sought revenge on Latif and vice-versa. How he was offered a British passport by Saudis to murder a dissident and how they beheaded Latif's Saudi princess lover. How Latif made and lost a fortune. How he strived in vain for a peaceful life and survived 4 more assassination attempts. Forty Shades of Conspiracy: brings Latif's story right up to date by detailing his time in Ireland. His run-ins with drug-dealers, Corrupt Irish Garda officers and Irish politicians who continually denied him Irish citizenship. His despair as a beggar on the streets and the happiness he found after he met the love of his life. His reaction to Uday and Saddam's deaths and his opinion on the current political situation in Iraq all makes fascinating reading. Book Description: In 1987, Latif Yahia was taken to Saddam's headquarters to meet Uday, Saddam's eldest son, and told that a great honour had been bestowed upon him: that because of the great likeness between them, he had been chosen to be Uday's double. For many Iraqis it would have been the highlight of their lives, but for Latif, a peace-loving man who did not agree with Saddam's brutal regime, it was not. He refused. Following a week of torture, and

realising he would be killed if he continued to refuse, Latif was forced to accept the role. After a gruesome training programme during which he was made to watch over thirty films of torture, hours of tapes of Uday, and undertake a final remodelling of his appearance, Latif was deemed ready. But it was only after the final test, a meeting with Saddam himself, that Latif made his first public appearance. And so began his life as Uday's double - a life on the perimeter of the inner circle of Saddam's eldest son, a witness to the horror of his insane life of debauchery, excess and brutality, and an experience for which he almost paid with his life on more than one occasion.

Saddam's Secrets - Georges Hormuz Sada
2009-08-24

Georges Sada was one of Saddam's top generals and foremost military advisors. A truth-teller in a government that made the truth dangerous. A devout Christian in a Muslim country. And a man who would stand up for what was right?even at the risk of his own life. In this eye-opening exposé, General Sada shares his bizarre yet amazing journey as an insider to one of history's most sinister regimes. He also, for the first time, reveals the disturbing truth about Saddam's plots to destroy Israel, hide weapons of mass destruction and overtake the Arab world. As an eye witness to history, Sada paints a painfully truthful picture of Hussein and his country that is at once personal and alarming, truthful and compelling, candid and sobering. It is a story guaranteed to send shock waves around the world.

Escape from Saddam - Lewis Alsamari
2009-03-10

An Iraqi-born actor raised in England describes how a visit to his homeland led to his being conscripted into the Iraqi army and selected for Saddam's elite intelligence service, driving him to make a desperate escape from his native land. Reprint.

Saddam Hussein and the Crisis in the Gulf - Samir Al-Khalil 1990

Examines the rise of Saddam Hussein, his reasons for invading Kuwait, and the threat he poses for the Middle East

Hunting Down Saddam - Robin Moore
2004-11-30

Describes the pursuit of Saddam Hussein by

United States Special Forces before and during the Iraq War and his eventual capture.

State of Repression - Lisa Blaydes 2020-10-06

A new account of modern Iraqi politics that overturns the conventional wisdom about its sectarian divisions How did Iraq become one of the most repressive dictatorships of the late twentieth century? The conventional wisdom about Iraq's modern political history is that the country was doomed by its diverse social fabric. But in *State of Repression*, Lisa Blaydes challenges this belief by showing that the country's breakdown was far from inevitable. At the same time, she offers a new way of understanding the behavior of other authoritarian regimes and their populations. Drawing on archival material captured from the headquarters of Saddam Hussein's ruling Ba'th Party in the wake of the 2003 US invasion, Blaydes illuminates the complexities of political life in Iraq, including why certain Iraqis chose to collaborate with the regime while others worked to undermine it. She demonstrates that, despite the Ba'thist regime's pretensions to political hegemony, its frequent reliance on collective punishment of various groups reinforced and cemented identity divisions. At the same time, a series of costly external shocks to the economy—resulting from fluctuations in oil prices and Iraq's war with Iran—weakened the capacity of the regime to monitor, co-opt, coerce, and control factions of Iraqi society. In addition to calling into question the common story of modern Iraqi politics, *State of Repression* offers a new explanation of why and how dictators repress their people in ways that can inadvertently strengthen regime opponents. *The Fist of God* - Frederick Forsyth 2015-03-18 From the bestselling author of *The Day of the Jackal*, international master of intrigue Frederick Forsyth, comes a thriller that brilliantly blends fact with fiction for one of this summer's—or any season's—most explosive reads! From the behind-the-scenes decision-making of the Allies to the secret meetings of Saddam Hussein's war cabinet, from the brave American fliers running their dangerous missions over Iraq to the heroic young spy planted deep in the heart of Baghdad, Forsyth's incomparable storytelling skill keeps the suspense at a breakneck pace. Somewhere in Baghdad is the mysterious "Jericho," the

traitor who is willing—for a price—to reveal what is going on in the high councils of the Iraqi dictator. But Saddam's ultimate weapon has been kept secret even from his most trusted advisers, and the nightmare scenario that haunts General Schwarzkopf and his colleagues is suddenly imminent, unless somehow, the spy can locate that weapon—The Fist of God—in time. Peopled with vivid characters, brilliantly displaying Forsyth's incomparable, knowledge of intelligence operations and tradecraft, moving back and forth between Washington and London, Baghdad and Kuwait, desert vastnesses and city bazaars, this breathtaking novel is an utterly convincing story of what may actually have happened behind the headlines.

The Devil's Double - Latif Yahia 2003

In 1987, Latif Yahia was taken to Saddam's headquarters to meet Uday, his eldest son, and told that because of the great likeness between them, he was chosen to be Uday's double. After a gruesome training programme, Latif was deemed ready. And so began his life as Uday's double, a life on the perimeter of the inner circle of Saddam's eldest son.

Saddam Hussein - Andrew Cockburn 2002

.The idea of direct invasion is the greatest threat to Saddam. It avoids the problems of securing local allies, inside and outside Iraq, which bedevil any indirect approach to get rid of him. But it has one immense disadvantage from the US point of view . if the US invades Iraq to install its own government it will be taking direct physical control of an area containing more than half the world.s oil reserves. It will look like the founding of a new American empire based on physical force and will be deeply resented . It would outrage the Arabs at a moment when the Israel-Palestine conflict is in a particularly bloody phase. America could find that it has overplayed its hand, just as Saddam did when he invaded Kuwait twelve years ago...From the new Prologue At the outset of the 1991 Gulf War, US leaders resolved the .Iraqis will pay the price., so long as Saddam Hussein remained in power. This book makes chillingly clear just how terrible that price has been. Eleven years ago Saddam was caught by surprise; his preparations since September 11 show that lessons have been learnt. In a substantial new prologue the authors analyse

these preparations and the terrifying consequences of a military invasion of Iraq.
Going to War with Iraq - Joseph M. Siracusa
2019-12-03

Going to War with Iraq: A Comparative History of the Bush Presidencies is the account of two United States presidents and their decision to intervene militarily in Iraq, examining the comparative domestic and international contexts in which the decisions to go to war were made by George H. W. Bush and his son George W. Bush. This book centers specifically on the issue of Saddam Hussein at home and abroad, in the lead up to hostilities with Iraq in 1991 and 2003, respectively. For George H.W. Bush, in 1991, the threat posed by Saddam came from his perceived capabilities as Iraq's leader, whereas for George W. Bush, in 2003, it was the threat posed by Saddam's perceived intentions as Iraq's leader. In both cases, the result was war with Iraq.

Caring for Victor - Robert Ellis 2009

Robert Ellis, a former Army nurse, makes a legitimate claim that he spent more time with the former strong man of Iraq, Saddam Hussein, than any other American. For 8 months in his deployment at Camp Cropper near Baghdad, Robert was responsible for the health and well-being of the Army's high value detainees depicted on the infamous deck of cards showing Iraq's Most Wanted. In particular, he was charged with keeping the deposed Iraqi dictator, known by his code name Victor, not only alive but well. "Caring for Victor" is the story of the author's experience and complicated relationship with Saddam and how that experience developed and was shaped by events in Robert's own life including two sad journeys he made back to St. Louis to deal with family deaths, first his mother and then his brother. Robert also covers his dealings with some of the other high value detainees, and presents an exclusive look at the everyday life of a soldier during the U.S. occupation of Iraq.

Baghdaddy - Bill Riley 2019-05-07

In this memoir, a retired US Air Force lieutenant colonel reflects on his difficult childhood, his service in the Middle East, and fatherhood. As a child, Bill Riley was raised in an unstable and violent home by a mother struggling with mental illness. An absent father with a firm belief in

tough love left him with only his sister to understand or comfort him as they faced a home full of harshness, resentment, and physical abuse. As a man, he braved the war-torn landscapes of Kuwait, Iraq, and Saudi Arabia. Having learned early from his father that only the strong survive, he enlisted in the Air Force after high school and began an impressive military career in intelligence analysis, communications, and supporting special operations, meeting incredible individuals along the way. *Baghdaddy* is Bill Riley's journey through a turbulent youth and into a challenging adulthood. This very human account of living in some of the least humane environments shows that no matter how different we may seem, we are all trying to make the best of life and learn how to be the best versions of ourselves. Praise for *Baghdaddy* "Riley's prose is exact and features moments of unexpected beauty... As much an account of America's involvement in Kuwait and Iraq as it is a personal narrative, the book provides a humanizing insight into the individuals who fight the nation's wars, and the deeper motivations that explain why they do so. A compelling and well-crafted combination of history and autobiography." —Kirkus Reviews "An amusing, often exciting war memoir that readers of the genre will enjoy." —Publishers Weekly

The Iran-Iraq War - Pierre Razoux 2015-11-03
From 1980 to 1988 Iran and Iraq fought the longest conventional war of the century. It included tragic slaughter of child soldiers, use of chemical weapons, striking of civilian shipping, and destruction of cities. Pierre Razoux offers an unflinching look at a conflict seared into the region's collective memory but little understood in the West.

Saddam's Bombmaker - Khidhir Hamza 2001-10-09

Saddam Hussein's bomb expert--one of the highest-level defectors in American history--offers a detailed description of the Iraqi dictator's program to develop weapons of mass destruction. Reprint. 15,000 first printing.

The Reckoning - Sandra Mackey 2003

Provides an analysis of the historical, ethnic, religious, and political forces that produced Saddam Hussein's dictatorship, while identifying Iraq's lack of identity and arguing that the

country could prove less stable without him.

When the Apricots Bloom - Gina Wilkinson 2021-02-02

"Breathtaking...Riveting and profound! I adored this book!" —Ellen Marie Wiseman, New York Times bestselling author of *The Orphan Collector* "A deeply involving and important novel by a master storyteller." —Susan Wiggs, #1 New York Times bestselling author
INTERNATIONAL BESTSELLER In this moving, suspenseful debut novel, three courageous women confront the complexities of trust, friendship, motherhood, and betrayal under the rule of a ruthless dictator and his brutal secret police. Former foreign correspondent Gina Wilkinson draws on her own experiences to take readers inside a haunting story of Iraq at the turn of the millennium and the impossible choices faced by families under a deadly regime. A BuzzFeed Most Anticipated Historical Fiction Release A Target Book Club Pick A Publishers Marketplace Buzz Books Selection At night, in Huda's fragrant garden, a breeze sweeps in from the desert encircling Baghdad, rustling the leaves of her apricot trees and carrying warning of visitors at her gate. Huda, a secretary at the Australian embassy, lives in fear of the mukhabarat—the secret police who watch and listen for any scrap of information that can be used against America and its allies. They have ordered her to befriend Ally Wilson, the deputy ambassador's wife. Huda has no wish to be an informant, but fears for her teenaged son, who may be forced to join a deadly militia. Nor does she know that Ally has dangerous secrets of her own. Huda's former friend, Rania, enjoyed a privileged upbringing as the daughter of a sheikh. Now her family's wealth is gone, and Rania too is battling to keep her child safe and a roof over their heads. As the women's lives intersect, their hidden pasts spill into the present. Facing possible betrayal at every turn, all three must trust in a fragile, newfound loyalty, even as they discover how much they are willing to sacrifice to protect their families. "Vivid...secrets and lies mingle as easily as the scent of apricot blossoms and nargilah smoke. Wilkinson weaves in the miasma of fear and distrust that characterized Hussein's regime with convincing detail. Richly drawn characters and high-stakes plot." —Publishers Weekly

The Prisoner in His Palace - Will Bardenwerper
2017-06-06

In the tradition of *In Cold Blood* and *The Executioner's Song*, this haunting, insightful, and surprisingly intimate portrait of Saddam Hussein provides "a brief, but powerful, meditation on the meaning of evil and power" (USA TODAY). The "captivating" (Military Times) *The Prisoner in His Palace* invites us to take a journey with twelve young American soldiers in the summer of 2006. Shortly after being deployed to Iraq, they learn their assignment: guarding Saddam Hussein in the months before his execution. Living alongside, and caring for, their "high value detainee and regularly transporting him to his raucous trial, many of the men begin questioning some of their most basic assumptions—about the judicial process, Saddam's character, and the morality of modern war. Although the young soldiers' increasingly intimate conversations with the once-feared dictator never lead them to doubt his

responsibility for unspeakable crimes, the men do discover surprising new layers to his psyche that run counter to the media's portrayal of him. Woven from firsthand accounts provided by many of the American guards, government officials, interrogators, scholars, spies, lawyers, family members, and victims, *The Prisoner in His Palace* shows two Saddams coexisting in one person: the defiant tyrant who uses torture and murder as tools, and a shrewd but contemplative prisoner who exhibits surprising affection, dignity, and courage in the face of looming death. In this thought-provoking narrative, Saddam, known as the "man without a conscience," gets many of those around him to examine theirs. "A singular study exhibiting both military duty and human compassion" (Kirkus Reviews), *The Prisoner in His Palace* grants us "a behind-the-scenes look at history that's nearly impossible to put down...a mesmerizing glimpse into the final moments of a brutal tyrant's life" (BookPage).
