Teed Off - Sherrie Daly 2011-04-05

Sherrie Daly, the former wife of PGA tour superstar John Daly, takes a swing at the controversial man they call "Wild Thing" in this jaw-dropping memoir about what really goes on behind the scenes of professional golf. Golf's wholesome reputation is not what it used to be, thanks to Tiger Woods. But Woods's bad boy scorecard doesn't even compare to that of the sport's original player: John Daly. Sherrie Daly should know. She was married to him for nine years. It's no secret that John, one of the PGA tour's most popular stars, is known for his erratic behavior and on-the-edge lifestyle as much as for his powerful, grip-it-and-rip-it style on the green. But the never-ending carousel of free-flowing cash, booze, and women seduces many of the sport's big-time swingers. In this juicy tell-all, Sherrie takes readers into the clubhouse to expose the seedy side of the gentleman's game. She dishes on John's out-of-control antics throughout their marriage, many of which she helped cover up to protect his career, and his self-destructive addictions to whiskey, sex, and gambling, which led him to lose one of his biggest purses ever—nearly one million dollars—in an hour. She writes candidly about the physical and emotional abuse she endured and why she continued to play the role of golf wife despite the trashed hotel rooms, wrecked homes, and demolished cars. Then she turns the tables on

herself, sharing the truth behind her catfights with his girlfriends, her legal troubles, and especially the night John alleged she attacked him with a steak knife. Behind the polite clapping, collared shirts, and hushed voices, golf is just like any other professional sport, with groupies, party-crazed athletes, and blatant infidelity. After years in the exclusive players' wives club, Sherrie Daly is Teed Off and ready to rip the game's well-groomed façade to shreds.

Restitution - John A. Daly 2022-02-08

Few things are more dangerous than an unpaid debt. "John Daly has a magical writing style, and his books keep you up late at night turning pages." - Dana Perino, former White House Press Secretary "Restitution offers hard-hitting action spearheaded by a badass protagonist who talks the talk and walks the walk in a brutal story of surviving an unforgiving territory... Written in the vein of old-school stories of revenge, familial bonds, and relentless action, Restitution is a definite must-read." - Kashif Hussain, Best Thriller Books "I think what impresses me the most about John Daly as a writer is his range. Restitution brings Sean Coleman fans the series' traditional strong sense of setting and mood, and clipped, realistic dialogue, and adds a refreshing, subtle sense of heart and hope amidst all the Vegas grit and Western landscapes of the Nevada desert." - Jim Geraghty, senior political correspondent of National Review and

author of the Dangerous Clique thriller series Life's gotten better for hard-edged security guard, Sean Coleman. With personal affairs in order and relationships rekindled, he travels to Las Vegas to help celebrate his buddy's last days as a bachelor. Soon after he arrives, however, a twist of fate spawns a reunion with an old flame. Curiosity and a desire to make amends unexpectedly lead Sean down a dark path into the Vegas underground, where another face from the past emerges---a federal fugitive whose family, years earlier, altered the course of Sean's life. A harrowing escape drops Sean in the barren wasteland of a Nevada desert, miles away from the glitz and glamor of Sin City. There, he must fight to stay alive against a well-armed group of men whose bloodlust and greed won't stop them from getting what they're after.

His quest for a new mission will take him to JFK's White House, Bobby Kennedy's fateful campaign, the troubles in Northern Ireland, and a South African township devastated by the AIDS epidemic. My Life in and out of the Rough - John Daly 2006-05-08

Ever since his astonishing victory in the 1991 PGA Championship, John Daly, known affectionately on the PGA Tour as "Big 'Un," has enthralled fans with his big drives, bigger personality, and "Grip It and Rip It" approach to golf -- and to life. Long John, usually seen with a Marlboro Light dangling from his lip, is the unchained, unpredictable, unapologetic bad boy of professional golf. "The only rules I follow," JD likes to say, "are the Rules of Golf." Daly's play-it-as-it-lays approach drives *My Life in and out of the Rough*, a thrillingly -- and sometimes shockingly -- candid memoir of a larger-than-life athlete battling assorted addictions (alcohol, gambling, chocolate, sex), his weight, and, perhaps worst of all, divorce lawyers. (He's been married four times.) A two-time major winner before he turned thirty, John Daly is one of the most popular athletes in the world. Taking readers with him off the fairway and into his \$1.5-million motor home for a rollicking ride through his life -- an ever-churning world of booze, burgers, casinos, country music, and breathtaking moonshots -- Daly reveals how a down-home Everyman from Arkansas managed to rise to the peak of the golf world, escape from the depths of abject depression, and, finally, take control of his life. Well, sort of.

The Match - Mark Frost 2007-11-06

In 1956, a casual bet between two millionaires eventually pitted two of the greatest golfers of the era -- Byron Nelson and Ben Hogan -- against

top amateurs Harvie Ward and Ken Venturi. The year: 1956. Decades have passed since Eddie Lowery came to fame as the ten-year-old caddie to U.S. Open Champion Francis Ouimet. Now a wealthy car dealer and avid supporter of amateur golf, Lowery has just made a bet with fellow millionaire George Coleman. Lowery claims that two of his employees, amateur golfers Harvie Ward and Ken Venturi, cannot be beaten in a best-ball match, and challenges Coleman to bring any two golfers of his choice to the course at 10 a.m. the next day to settle the issue. Coleman accepts the challenge and shows up with his own power team: Ben Hogan and Byron Nelson, the game's greatest living professionals, with fourteen major championships between them. In Mark Frost's peerless hands, complete with the recollections of all the participants, the story of this immortal foursome and the game they played that day—legendarily known in golf circles as the greatest private match ever played—comes to life with powerful, emotional impact and edge-of-your-seat suspense.

Alice Cooper, Golf Monster - Alice Cooper 2008-05-27

Wretched excess, rock stardom, and golf—from the man who invented shock rock In this tell-all memoir, Alice Cooper speaks candidly about his life and career, including all the years of rock 'n' roll history he's been a part of, the addictions he faced, and the surprising ways he found redemption. From a childhood spent as a minister's son worshipping baseball and rock 'n' roll; to days on the road with his band, working to make a name for themselves; to stardom and the insanity that came with it, including a quart-of-whiskey-a-day habit; to drying out at a sanitarium back in the late '70s, Alice Cooper paints a rich and rockin' portrait of his life and his battle against addiction—fought by getting up daily at 7 a.m. to play 36 holes of golf. Alice tells hilarious, touching, and sometimes astounding stories about Led Zeppelin and the Doors, George Burns and Groucho Marx, John Daly and Tiger Woods . . . everyone is here from Dalí to Elvis to Arnold Palmer. Alice Cooper, *Golf Monster* is the incredible story of someone who rose through the rock 'n' roll ranks releasing platinum albums and selling out arenas with his legendary act—all while becoming one of the best celebrity golfers around.

Pricing for Profitability - John L. Daly 2001-10-22

Three things can happen when establishing a product price. A price set too high is a lost sale that could have been profitable at a lower price. A price set too low is rewarded with unprofitable work. Only when a price is set appropriately does a company make both a sale and a profit. Just as activity-based costing and activity-based management revolutionized the cost accounting world, activity-based pricing will bring a disciplined approach to developing pricing. Activity-based pricing examines the relationships between price, cost and sales volume and how this relationship effects profitability. Pricing for Profitability joins the disciplines of marketing, economics, business strategy, engineering and cost accounting to achieve maximum profitability.

from the game's most colourful and controversial figure - and least likely guru. Since his coming-from-nowhere win at the PGA Championship in 1991, John Daly, known affectionately on the PGA tour as the 'Big Un', has enthralled fans with his big drives, bigger personality, and 'grip it and rip it' philosophy of both golf and life. Falstaffian, unpredictable, often seen with a Marlboro hanging from his lip and frequently in the company of his best friend, Jack Daniels, Daly is the unapologetic bad boy of professional golf. 'The only rules I follow,' he likes to say, 'are the rules of golf.' Daly's last book, *My Life in and out of the Rough*, was a thrillingly candid memoir of a larger-than-life athlete battling the links, addiction, depression, weight problems, and divorce lawyers. His new book, *Golf My Own Damn Way*, will be a ribald version of Harvey Penick's classic *Little Red Golf Book*, the biggest bestselling instructional book in golf history from one of the game's most distinguished teachers. From firing wind cheaters under a gale to blasting out of soft sand to bumping and running, from squeezing the most out of 15 minutes of practice time to playing through a hangover, the book will have it all. Daly's wit and wisdom will come from the heart, from the soul - and occasionally from the head. Daly has never lost track of the fact that golf is a game, and he'll teach you how to cut strokes off your score while reminding you of the game's main purpose: Fun.

Tiger Woods - Jeff Benedict 2019-04-02

The inspiration for the HBO documentary from Academy Award-winning producer Alex Gibney. The #1 New York Times bestseller based on years of reporting and interviews with more than 250 people from every corner of Tiger Woods's life—this “comprehensive, propulsive...and unsparing” (The New Yorker) biography is “an ambitious 360-degree portrait of golf's most scrutinized figure...brimming with revealing details” (Golf Digest). In 2009, Tiger Woods was the most famous athlete on the planet, a transcendent star of almost unfathomable fame and fortune living what appeared to be the perfect life. But it turned out he had been living a double life for years—one that exploded in the aftermath of a Thanksgiving night crash that exposed his serial infidelity and sent his personal and professional lives over a cliff. In this “searing biography of golf's most blazing talent” (GOLF magazine), Jeff Benedict and Armen Keteyian dig deep behind the headlines to produce a richly reported answer to the question that has mystified millions of sports fans for nearly a decade: who is Tiger Woods, really? Drawing on more than four hundred interviews with people from every corner of Woods's life—many of whom have never spoken about him on the record before—Benedict and Keteyian construct a captivating psychological profile of a mixed race child programmed by an attention-grabbing father and the original Tiger Mom to be the “chosen one,” to change not just the game of golf, but the world as well. But at what cost? Benedict and Keteyian provide the startling answers in this definitive biography that is destined to linger in the minds of readers for years to come. “Irresistible...Immensely readable...Benedict and Keteyian bring us along for the ride in a whirlwind of a biography that reads honest and true” (The Wall Street Journal). Ultimately, Tiger Woods is “a big American story...exhilarating, depressing, tawdry, and moving in almost equal measure” (The New York Times).

Golf My Own Damn Way - John Daly 2009-10-13

If you know anything at all about John Daly—and if you don't, what in the hell are you doing with this book in your hands?—you know he approaches the game of golf from an, uh, slightly different perspective than your average two-time major winner. How different? Well, for starters, Long John thinks the PGA Tour ought to permit Bermuda shorts, make carts mandatory, let him wear his hair down to his butt if he wants to, and strip-search tournament patrons at the entrance gate to keep cameras and cell phones off the course. In *Golf My Own Damn Way*, you'll take a virtual ride on Big John's magic bus as he tells you the best way to grip it so you can rip it. Looking for a sure cure to bunkerphobia? It's here. A one-hour golf lesson that's 100 percent guaranteed to make you a better golfer? Ditto. Want to know why you should occasionally leave your big dog in your trunk, how to watch your weight, and what golf and sex have in common? You came to the right book. And while he's busy explaining all these and many other things, Daly also tells you why you should keep your head out of the game, let your belly lead your

hands, listen to your right foot, check your ball position—and buy a hybrid (the club, not the car). Following in the spike prints of his 2006 bestselling autobiography, *My Life In and Out of the Rough*, *Golf My Own Damn Way* is an off-the-wall and intensely personal yet imminently practical and accessible tip sheet on how to cut ten strokes off your score—now. Two things are certain: you've never seen a golf instructional book quite like this one, and you'll never need another one. Fairways and greens, Pard!

ReFocus - Jim Daly 2012-10-16

Written by Jim Daly, the compassionate leader of Focus on the Family, ReFocus inspires and motivates Christians to transcend political agendas and partisan battles and instead interact with others in a way that will consistently reveal the heart of God to a desperately hurting world. Our culture has become painfully polarized, often hindering relationships with neighbors, colleagues, and the very people who need to discover the love of Jesus Christ. Remembering that we are foremost citizens of heaven serving a loving Father, we who call ourselves followers of Christ can once again be known by our love. But how? In what context and through what means? How can we tear down the walls that divide our culture, our neighborhoods and workplaces and families, in this increasingly contentious world? Drawing on a rich variety of true stories and sources both historical and contemporary—from behind the scenes in today's halls of power, to moving accounts from church history, to powerful breakthrough's in Daly's own life and ministry—Daly challenges us to reclaim our responsibility, and our privilege, as God's sons and daughters. As followers of Jesus with his humility and compassion as our model, ReFocus: Living a Life that Reflects God's Heart demonstrates how Christians can show the world an inexplicable taste of grace with no agenda other than to reveal the heart of God as the loving Abba father he is.

A caddie since he was twelve and a golfer sporting a 1.8 handicap, Ollie decides to spend his gap year in St. Andrews, Scotland—a town with the U.K.'s highest number of pubs per capita, and home to the Old Course, golf's most famous eighteen holes—where he enrolls in the St. Andrews Links Trust caddie trainee program. Initially, the notoriously brusque veteran caddies treat Ollie like a bug. Who's Your Caddy? - Rick Reilly 2003-05-06

The funniest and most popular sportswriter in America abandons his desk to caddy for some of the world's most famous golfers—and some celebrity duffers—with hilarious results in this New York Times bestseller. Who knows a golfer best? Who's with them every minute of every round, hears their muttering, knows whether they cheat? Their caddies, of course. So sportswriter Rick Reilly figured that he could learn a lot about the players and their game by caddying, even though he had absolutely no idea how to do it. Amazingly, some of the best golfers in the world—including Jack Nicklaus, David Duval, Tom Lehman, John Daly, Jill McGill of the LPGA tour, and Casey Martin—agreed to let Reilly carry their bags at actual PGA and LPGA Tour events. To round out his portrait of the golfing life, Reilly also persuaded Deepak Chopra and Donald Trump to take him on as a caddy, accompanied the four highest-rolling golf hustlers in Las Vegas around the course, and carried the bag for a blind golfer. Between his hilarious descriptions of his own ineptitude as a caddy and his insight into what makes the greats of golf so great, Reilly's wicked wit and an expert's eye provide readers with the next best thing to a great round of golf.

Athletes Breaking Bad - John C. Lamothe 2020-07-01

At their basic level, sporting events are about numbers: wins and losses, percentages and points, shots and saves, clocks and countdowns. However, sports narratives quickly leave the realm of statistics. The stories we tell and retell, sometimes for decades, make sports dramatic and compelling. Just like any great drama, sports imply conflict, not just battles on the field of play, but clashes of personalities, goals, and strategies. In telling these stories, we create heroes, but we also create villains. This book is about the latter, those players who transgress norms and expectations and who we label the "bad boys" of sports. Using a variety of approaches, these 13 new essays examine the cultural, social, and rhetorical implications of sports villainy. Each chapter focuses on a different athlete and sport, questioning issues such as how notorious sports figures are defined to be "bad" within particular sports and within the larger culture, the role media play in creating antiheroes, fan reactions when players cross boundaries, and how those boundaries shift depending on the athlete's gender, sexuality, and race.

Harpo Speaks! - Harpo Marx 2017-03-17

First published in 1961, this is the autobiography of Harpo Marx, the silent comedian of The Marx Brothers fame. Writing of his life before, during, and after becoming famous by incorporating lovely and humorous stories and anecdotes, Harp Marx tells of growing up in a rough neighborhood and being poor, being bullied and dropping out of school, teaching himself to read, write, tell time, and to play the piano and harp. He speaks of his close relationships with his family members, particularly his mother and brother Leonard (Chico), who would become his partner-in-crime on screen, and the profound effect that the death of his parents Sam and Minnie had on him. Filled with insider tales of his antics on and off stage, and the hard graft he and his brothers put into reaching their level of success, the reader becomes privy to a rare glimpse into Marx' thoughts on everything and everyone he had the privilege of working with. The book reveals the friendships he forged and the blows he was dealt in show-business, and of his marriage to his wife, actress Susan Fleming, with whom he adopted four children and built a ranch on which they lived happily ever after, along with numerous animals. A thoroughly enjoyable read. "This is a riotous story which is reasonably mad and as accurate as a Marx brother can make it. Despite only a year and a half of schooling, Harpo, or perhaps his collaborator, is the best writer of the Marx Brother. Highly recommended."—Library Journal "A funny, affectionate and unpretentious autobiography done with a sharply professional assist from Rowland Barber."—New York Times Book Review "This is a racy autobiography by the mute Marx Brother with the rolling eyes, oversized pants and red wig who could send a glissando reeling over his harp.[...] It is enjoyable reading and polished writing..."—Kirkus Review

My Life in and out of the Rough - John Daly 2009-10-13

Ever since his astonishing victory in the 1991 PGA Championship, John Daly, known affectionately on the PGA Tour as "Big 'Un," has enthralled fans with his big drives, bigger personality, and "Grip It and Rip It" approach to golf -- and to life. Long John, usually seen with a Marlboro Light dangling from his lip, is the unchained, unpredictable, unapologetic bad boy of professional golf. "The only rules I follow," JD likes to say, "are the Rules of Golf." Daly's play-it-as-it-lays approach drives *My Life in and out of the Rough*, a thrillingly -- and sometimes shockingly -- candid memoir of a larger-than-life athlete battling assorted addictions (alcohol, gambling, chocolate, sex), his weight, and, perhaps worst of all, divorce lawyers. (He's been married four times.) A two-time major winner before he turned thirty, John Daly is one of the most popular athletes in the world. Taking readers with him off the fairway and into his \$1.5-million motor home for a rollicking ride through his life -- an ever-churning world of booze, burgers, casinos, country music, and breathtaking moonshots -- Daly reveals how a down-home Everyman from Arkansas managed to rise to the peak of the golf world, escape from the depths of abject depression, and, finally, take control of his life. Well, sort of.

Fishing with John - Edith Iglauer 1992

This is a love story; an unlikely convergence of two people from different worlds who were able to make a rich and tender life together, and not only endure each other's company in alarmingly close quarters but revel in it. Edith Iglauer was born in Cleveland and lived an urban, sophisticated life in New York until she met and married John Daly, a commercial fisherman in British Columbia. She spent more than four years on his forty-one-foot troller, the *Morekelp* until his sudden death. John Daly was an impassioned and greatly talented fisherman who was convinced that he could "think like a fish"; an amateur philosopher who

worked out, and followed, an original set of beliefs and principles; a mystic who, after forty years of fishing, felt himself to be at one with the sea and the mountains along the British Columbia coast; a scholarly looking, high-spirited, full-blown eccentric who covered the white walls of his pilothouse with his favorite quotations in bold black letters ("Lawyers spend their professional careers shoveling smoke. O.W. Holmes") Fishing with John established Edith Iglauer as one of BC's most popular writers. This unusual West Coast love story sold 16,000 copies in hardcover and continues to be a bestseller in paperback.
